- OUR SHINING HOUR -

Awards Night - great show - truly our shining hour.....

Fifty-five individual awards and 42 patches were presented for outstanding achievement and service.

Highlight of the evening were the Hall of Fame enshrinement ceremonies meticulously presided over by VP Robert L. Immel. Those enshrined were Sir John Suckling the inventor of the grand old game; Joseph P. Wergin who was elected president at the meeting of the founders and is now serving his fourth term in that office; next honored was Jim Arblaster our Secretary-Treasurer and all-round hard worker; the fourth and final inductee for 1982 was VP Nick Pond who is most proud of his roll as founder and organizer of the National Open Cribbage Tournament, the springboard for making cribbage truly a national game in the United States.

Everyone of the All Americans, except four, were on hand standing tall and proud. During the 16 standing ovations buttons popped, smiles broadened, a few gulps were noted, and even a tear or two appeared as honors were accepted and acknowledged.....

Our Shining Hour (Continued) -

Other awards presented were The Guy Pence Awards (Excellence in Recruiting); The President's Special Awards (Noteworthy Achievements); and Mr & Mrs Cribbage World and the runners-up.

All in all it was a beautiful evening with prime-rib roast the main course on the banquet menu, and topped off by a fine six piece dance band which played everyone's favorite music until one o'clock in the morning.

General Chairman Dan Weir also doubled as the MC and he did a magnificent job.

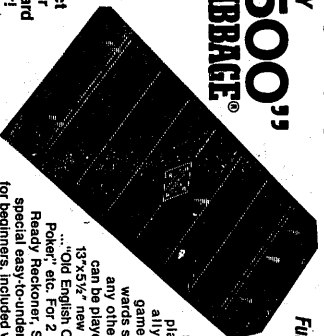

Special thanks go to Dan & Terry Weir and Rich & Donna Maringer, the key figureheads, for a successful weekend...

AND let's not forget showman Fast Eddie Bowes and his special rendition of Ole King Cole which added to the merriment of the evening.

- GRAND NATIONAL HIGHLIGHTS -

The Pabst Brewing Company of Milwaukee, our worthy patron, furnished four half barrels of beer, about 100 six-packs, four beautiful trophies and 300 posters which were tacked-up all around the town plus a few other spots in the country. A very special thanks to our friends at the Blue Ribbon brewery. When you think of getting together with friends, think of "The Real Taste of Beer." Thanks.

Thanks to another fine patron, the US Playing Card Company of Cincinnati, and to Bill Tuttle the sale manager, for their continued support over the years. Bill and his Company furnished all the cards which were used over the long card-playing weekend.

The West Bend Cribbage Assn furnished the pairing and tabulating forms for the Grand Pairs. Thank you Tiny, from everyone.

Many thanks to those who placed an ad in our souvenir program and thanks to the program Boosters. You help made it possible.

Fast Eddie Bowes waltzed thru the Early Bird without a loss. Scoring a hefty 22 points just like the champion that he is....

The Grand National Pairs took in \$1040. with 208 entries. Phyllis Schmidt was the high Q and she cashed twice totaling \$170. Mr Pat Flannick cashed five times pocketing \$180. The total pay-back was \$960. for a more than fair 92 percent.

The Consolation went off smoothly with 114 entries. In the finals it was a cool Doris Connors, a Milwaukee gal, beating out Peter Dukes of Madison in a very close match. The big surprise here was that all players also entered the Q-Pool (100%).....
