

President's Column

by David Campbell

Make it a habit to tell people thank you.

To express your appreciation, sincerely and without the expectation of anything in return. Truly appreciate those around you, and you'll soon find many others around you. Truly appreciate life, and you'll find that you have more of it.

—Ralph Marston

Reno as usual was fun and very busy. It was wonderful seeing so many of you, even with the snow. All the helpers from the ACC and staff of the Sands as usual worked their butts off and put on a wonderful event.

This was the final meeting for this term's BOD members, and I want to thank all of them, who either will be running again next month for reelection or those who will not, for serving. If you would like to become a BOD member this is your chance.

Here is what I shared on Facebook, and I also want to share it here with you all:

Ultimately making it back to Maine last week following my wonderful 23-hour adventure home and catching up on work and sleep. I wanted to take the time and properly thank all the people who congratulated and voted for me and wrote letters endorsing me, resulting in me being elected to the Hall of Fame, whether here or via email or calls. It is truly a wonderful honor, and I thank you all. I am looking forward to the ceremony in October in NH and know it will be very special being honored along with **Charlie Finley**, a truly deserving recipient and friend. Special thanks also to **Lana**

Newhouse and **Mark Soule** for getting me so many letters and overwhelming all the voters with letters to read. Also **Jason Hofbauer** for having to print so much during his first year as HOF chair. Again, thank you all so much.

To follow up on my February column: I handed out fifteen quarters in Reno! **CW**

BREAKING NEWS—David Campbell was elected to the Hall of Fame.
