

President's Column

by David Campbell

Youth is when you're allowed to stay up late on New Year's Eve.

Old age is when you're forced to.

—Bill Vaughn

2020 is upon us and I wish each and every one of you a wonderful New Year. As in life 2020 is going bring some changes for us in the ACC. **Diane Waite** has been the webmaster of cribbage.org for just over fifteen years and has decided to step away this year. I want to personally thank Diane for all the work she has done over the years and all the work that she did setting up our new website. If you see Diane please make sure you take the time to thank her for all her time and effort she spent over the years.

In next month's issue we will be looking for a replacement for Diane, so if you are interested make sure you apply for this position. We will likely make the decision in Reno in March.

Speaking of Reno in March, the entry forms are out, and I hope that many of you can make the trip this year. The

Sands has spent a great deal of money upgrading the building and surrounding areas and I am sure it will be quite different than we remember. Sad news from Reno is that **Barbara Rainey**, our favorite host, has decided to retire from her position at the Sands and will be greatly missed by us all. The time and effort that she has put in for us all over the last thirty-five years to assure Reno is fun for all will never be matched by anyone I am sure. I also want to thank her for everything she has done for us and hope you all do also when you see her next.

Finally, we need to address marketing and some new ideas for the ACC to attract and retain new members. If you have a marketing background or even some ideas please share them with me at acccribbage@aol.com. We need to make 2020 the year we start to grow again, and I look forward to your emails with ideas or if you want to help.

Happy New Year to you all! **CW**
