### ***Reno's Sands Hosts Record Summer Crowd*** **William McCammon Bests 314 Peggers** **At Independence Day Classic** **Otmar Bouchard Takes 200-Pegger Consolation**

The Sands Hotel and Casino is fast becoming a mecca for cribbage players, thanks to the hospitality of this facility, and the management of tournaments by Bill and Dorthalee Irons, and Barbara Woodward of the Sands staff. The summer edition of this veteran's benefit drew a record 314 peggers, and another 200 stayed around to play the consolation event.

After some six hours of intense pegging, with another five rounds of playoffs tacked on for Saturday night's play, William McCammon, Incline Village, NV, finally emerged the champion with a tough 4-3 win over Jim Hornbacher, Bothell, WA. Jim held a 3-1 lead in the best of 7 match, and narrowly missed winning the 5th game, pegging but five on the

last hand and losing 121-120. With that break, William won the last two games going away for the title.

Tom Markham, Mt. Lake Terrace, WA, qualified in the 78th and last spot, but took a hot run of cards in the playoff to finish 3rd. Greg Schleusner, Truckee, CA, was HOT both Saturday and Sunday, finishing 4th in the playoffs, and qualifying FIRST with a fine 39 16 +347. Greg picked up 338 total MRP's to earn his Master rating.

In the 200-pegger consolation, veteran pegger Otmar Bouchard, Scio, OR outlasted the field to win this event. Russ Rummelt, Manteca, CA was 2nd, followed by Dennis Bay, Clovis, CA, in 3rd, and Ron Logan, veteran pegger from

### Granny Takes 3rd in Grass Roots National

That little old lady from Londonberry Drive won 16 of 18 games in the Madison 99ers section and posted a score of 35 points in the meet that attracted over 900 members.

Norma Bruns, age 77, learned how to play cribbage about six years ago. The club was organized last year and Grandma Bruns has a first several times.

A person is never too old to learn cribbage!

### Jim Arblaster is a One-person Committee

The recent Grass Roots National Tournament which attracted 907 or more entries was a one-person enterprise. Jim mailed out the entry blanks, received the entries and results, audited them alone, and mailed out the prize list and the checks. Arblaster was the first secretary of the Congress and has been the Florida Director all these years. He directs the Orlando club and conducts the Florida State tournament every year.

### Do Unto Others As They Do Unto You

It is a policy and a good stroke of business for banks and utilities to include several brochures with every bank statement or billing. Let's give

them a dose of their own medicine by mailing a Congress brochure in every envelope that we cribbage fanatics mail back.

Just think for one minute! If 5,000 cribbers each mailed out three envelopes to business places next month, 15,000 clerks opening the mail would be handling our brochure. If the person does not play the game, it is almost a certainty that it would be given to someone that does. How about it?

Director George Webb, 10 Beechwood Rd., Halifax, MA 02338, has a supply of brochures on hand. Send him your request.

Members who are planning to start a club or to increase local membership, should order brochures to pass out to individuals or to place in spots to be picked up.

### How to Find Cribbage Players

Officials of the Hilldale Mall have agreed to sponsor a Cribbage Seminar again this year. The west side club, Madison 99ers, will staff the tables where patrons of the mall may stop and challenge a club member to a game. If the patron wins, the Chocolate Shoppe will give the person a FREE sundae. The dates are September 6 and 7. The net result is that people become aware of our organized cribbage activities and some will join the club and the Congress.

### 1995 Mental Sports Olympiad

The writer and the Madison Convention and Visitors' Bureau have made application to stage the 1995 MENTAL SPORTS OLYMPIAD in Madison. We shall keep the membership posted on developments.

## Independence Day Classic

*Continued*

Quincy, CA, in 4th. Stu McIntyre, Astoria, OR had a rare grand slam 10/10 in the qualifying round, but only qualified 3rd as two players finished 9/10 with three skunks.

Another grand slam (9/9) was scored in the early bird Friday match...the Nevada Queen, Anna Abbott (Incline Village, NV) nailed down the "slam" and 20 GP's to win this event...and \$650. Anna just missed All-American status last year, but hasn't lost the touch!

And Butch Reynolds hasn't lost the touch, either, picking up a bundle with a 2nd place finish in the last chance high-roller. But the top prize went to Bob Bodine, Antioch, CA, with yet another grand slam, winning 10 for 10 with one skunk. Tournament director, Bill Irons, picked up third place, to help reward him for the long weekend's hard work.

The veteran's of American all benefited from this tournament, as 15% will be used for their benefit.

## **Master Players 86 & 87 Bill Seymour Greg Schleusner**

Bill Seymour, Warwick, RI, recently scored his 2,000th + Master Rating Point, and becomes the 86th ACC member to attain the Master rating honor. Bill is currently ranked 38th in the Eastern Region with 338 MRP's.

Greg Schleusner, Truckee, CA, nailed the recent Independence Day Classic in Reno with a super top qualifying score of 39 GP's, 16 wins, +347 to earn 96 MRP's, and completed his weekend with a fine 4th place finish (and 242 more MRP's) to easily wing it over the 2,000 MRP plateau to earn his Master rating...and make a strong move up from his 91st spot in the Western Region. Next month's issue will find Greg in the top 15 in the west.

## **2nd Class Mail Still Pending**

Although we are mailing 2nd class, on a 3rd class permit, Cribbage World has not yet received a permanent 2nd class permit. Cribbage World is working hard to satisfy all the US Postal requirements...so keep your fingers crossed!

Members have reported much improved delivery service the last three months, with our temporary 2nd class mailing.

## **Bill Shoemaker Wants Bragging Rights**

West Hartford, CT, pegger Bill Shoemaker was inadvertently listed as our 74th Master player. However, he beat Ken Cambell by some 20 days to this coveted mark, and thus becomes our 73rd Master player. Ken now becomes number 74.

# Michaelis Duplicates 1990 Lewis & Clark Win

Mick Michaelis, Life Master player from Marinette, WI, won his third sanctioned main event in 1991...and duplicated his win one year ago at Yankton, SD's Lewis & Clark Classic. An exact duplicate in the final match...winning 3-0, as he did one year earlier.

This time around, it was Ron Hamilton, recently elected member of the ACC's Board of Directors, who took Mick's annual waxing. However, Ron's 2nd place finish was a fine showing, indeed, in this 122-pegger event.

Frank Trojan, New Brighton, MN, finished a strong third, followed by the Central Region's MRP leader, Buzz Railsback, Syracuse, NE. Buzz picked up some 100 MRP's to hold on to his Central MRP lead, and stands at the 900 mark for the year...possibly earning him a spot on the 1991 All-American team. His wife, Helen, had that honor in 1990.

Joe Bernard, Grand Master from Libertyville, IL held the "hot" hand in the qualifying round, picking up a nice "Q" prize with his 38 17 +242.

In the 86-player consolation, Verne Nielsen, Portland, OR, qualified with a "grand slam" (9 for 9), but after the smoke had cleared in the playoffs, veteran Gil Slote, the Nebraska King was crowned champion. Henry Popham, Missoula, MT, finished 2nd. Henry has had a fine year in the MRP race, despite missing some six months recovering from a broken hip...standing with some 500 MRP's.

In the Friday Night Special, local Guy Larson scored a "grand slam" 9 for 9, with his biggest win a +15 win. In the Saturday Night Special, it was Sharon Halac, Bellevue NE coming up roses with a 16 7 +146 victory.

The Cry Baby event was won by Helen Railsback, Syracuse, NE, as her last opponent held enough to win the game...but pegged short!

And as usual, Scott and Linda Kooistra ran a first class tournament...and Scott, innovative as ever, ran a "Super Q" with a combination of the three events (Friday and Saturday night's games combined with the qualifying round: 40 games) used to determine a winner. DeLynn Colvert, Life Master from Missoula, MT, edged out Joan Rein and Norb Upton (two Minnesota players) by ONE game to take home all the marbles.

Another of Scott's innovations was his "duplicate" cribbage match he organized in Minneapolis years ago...68 players with 34 vs. 34 with the EXACT same cards. The results were astounding! Players with the SAME CARDS would finish a game + or - some 40 points!

## Master Player Steve Jacobson Takes Minnesota Open

With a sizeable crowd of 114 peggers, veteran Master pegger Steve Jacobson, Watertown, WI, outlasted the field to claim the championship at the recent Minnesota Open. Veteran pegger Lew Foss from nearby Bloomington, MN took 2nd, followed by Darrel Salo in 3rd, and Sharon Pederson in 4th. Both players hail from St. Paul.

In the 68-pegger consolation, Pat Sass outpegged the field to claim the title. Pat has been on a roll lately, and your editor was eliminated by her steady play. In fact, as she turned on the after-burners in the 2nd game, she asked "Are you intimidated yet?" The answer should have been "Yes!" Pat edged out David Jacobsen (Minneapolis). Gary Paulson (Minneapolis) finished 3rd, and Al Bailey, Nerstrand, MN, took 4th.

The "hot" hand in the qualifying round was held by Don Meyer with a fine 35 16 +246 to rake in the "Q" prize.

The Friday Early Bird was taken by perennial winner Emil Lubinski, Crystal, MN (19 +56), and Life Master Mick Michaelis, Marinette, WI, knocked 'em dead Saturday night with a 16 +98.

Once again, John Williams and Joy Jerdee, had all events on time, and ran a first-class tournament, with fair paybacks. The Northwest Inn in Brooklyn Park, MN, proved a fine host facility.

## Operation Desert Shield Cribbage Boards Well Received in Saudi Arabia

Todd Anderson, Portland, OR, reports that his friend, Sgt. Tyrone Blacknell, wants a souvenir ACC board that he played on during his stint in Saudi Arabia. His fellow troopers snapped up all the boards before he could get one. He reported that the game of cribbage was a favorite way of passing time in the desert.

The ACC members who gave so generously, now know their donations were not in vain. Mickey Griffin, drive chairman, and his able assistants, and to all that gave the \$10,000+ deserve another pat on the back.

## 1991 Title Race

With a short year in 1991 (September 1 thru July 31), the 1991 Master Point race heads for the finish line. Cribbage World goes to press in mid-July, final results of the MRP race will be reported in the September issue.

Once again, it appears the national title will be decided at the National Open in Raleigh, NC, July 27-29. Last year Scott Kooistra (Yankton, SD) and Butch Reynold (Santa Maria, CA) were neck and neck coming into the Raleigh match, with Scott prevailing by winning the National Open AND the national MRP championship. Butch made a valiant try by finishing 7-8th, and finished the 1990 year in 2nd place.

This year, Butch once again comes into the Raleigh match with an excellent chance of winning the crown. DeLynn Colvert (Missoula, MT) and Butch are in a virtual dead heat, with Roy Hofbauer (Washougal, WA), Gary Motley (Gresham, OR) and Paul Hatcher (Salem, OR), having an outside chance of winning.

In the Eastern Region, a 3-way dead heat for that region's honors is between Phyllis Schmidt, George Webb, and Dennis Cousens. All are at the 800 MRP level, and have an outside chance of taking all the marbles nationally.

In the Central Region, Buzz Railsback is leading the pack with 900 MRP's, followed by Grand Master Jeff Shimp, Aggie Mikulsky, Russell Adams, Norbert Upton, John Syftestad, Gene Mikulsky, and Dave Bartlett in the 600 MRP range.

In the All-American race, our new scoring system appears to have lowered the yearly scores, with 900 MRP's possibly garnering this honor. Last year 1,200+ MRP's were required to attain top-ten All-American status. The Western Region is dominating this year's race, possibly due to the 3 large Reno tournaments, and the larger regional membership (42% of all ACC players are from the Western Region).

## Cape Cod Extra... for Rit Alkas

Rit Alkas, recently crowned Master player from Manchester, CT, proved his rating is no fluke, as he nailed the recent Cape Cod Extra for the championship, and, in addition, qualified a fine 4th of 114 players. This one day tournament was played in E. Wareham, MA June 23.

Arthur Martin, Northboro, MA, has been on a roll this cribbage year, also, and with a fine 2nd place finish picks up another 109 MRP's to move into the Eastern Region's top ten, running this season's total to the 600 mark.

Leo Horigan (Stoughton, MA) finished 3rd, and in an unusual playoff, Bill Packard (Franklin, MA) and Bob Waltzer (Woburn, MA) tied for 4th.

In the 94-pegger consolation, Charlie Finley, the Enfield, CT flash took home the marbles, edging Bill Seymour, Warwick, RI, for the title. Margaret Torrey (Mansfield, MA) took 3rd, and Joyce Vanelli (Quincy, MA) finished 4th.

Director Jim Clemmey reported \$114 was donated to the Boston Children's Hospital, and 3-28 hands were scored: John Schuck, Edward Donahue, and K. C. Finley all scored these gems.

## Jersey Jaunt Switches to a 2-Day Game

Director Dan Moore reports that the annual Jersey Jaunt Cribbage Tournament will now be a 2-day affair, instead of the usual 1-day format.

So gas up your buggy and head out for a 2-day Jersey Jaunt. Details will be published in the "Tournament Trail" section when they are available.

## Bill Wright Wins Alaska Cruise Tourney

Bill Wright, from sunny El Cajon, CA, boarded the Sun Viking cruise ship and headed north to Alaska...and some cribbage. The weather was cooler than his El Cajon home, but his cards remained "hot" as he won this inaugural 34-pegger sanctioned tourney. Thelma Weber, Vacaville, CA, took 2nd. Mary Herrmann, San Ramon, CA took 3rd, and Grand Master Jesse Jarrell, Pittsburg, CA captured 4th.

In the consolation, Ron Morgan bested Canadian George Saari for the title. Ron hails from Quincy, CA, and George from Kamloops, BC.

Director Butch Reynolds, Santa Maria, won the "hi-roller" event and reported a FUNTAS-TIC time was held by all...with one 9-game match beginning at 1 AM and winding up at 4 AM. Butch says "Guess that's life in the fast lane."

## Statistics

Bob McCabe, ACC Executive Vice-President and Chairman of our Master Point System, recently ran an analysis of our Master Points of all our Master players.

A few observations: Scott Kooistra, Yankton, SD, is the toughest lifetime head-to-head player in playoffs...scoring some 6,398 MRP's. Butch Reynolds, Santa Maria, CA, has scored a lifetime 1,377 MRP's in the qualifying round to lead in that category. The consolation crown (lifetime MRP's) is a virtual tie between Robert Michaelis, Marinette, WI (1,055), Bob McCabe, Provo, Utah (1,050), and Warren Sondericker, Milwaukee, WI (1,034).

An anomaly is Jeff Shimp, Grand Master from Michigan. Jeff has scored a miniscule 121 MRP's in the qualifying round, and a whopping 3,498 MRP's in playoffs. Could this be the adrenalin factor?

## Patrick Barrett Takes Over Wisconsin Dells Tourney

Patrick Barrett, Wisconsin Rapids, WI, will direct the upcoming Wisconsin Dells tournament September 6, 7, & 8. Patrick reports he will have a full range of events, and the site will be the I-90-94 Holiday Inn in Wisconsin Dells. This facility has expanded recently, and should prove to be a superior playing site. See "Tournament Trail" this issue for more details.

Patrick also reports he has hit the "brick wall" insofar as Master Points are concerned. He is "stuck" at 1,891. Your editor was "waxed" by Patrick a few months ago...and CW wagers he will become "unstuck" in the near future.

## Novice Players Win Big at Connecticut Championship

The Connecticut Championship always draws a large number of veteran players from the New England area, and this year was no exception.

A field of 128 peggers gathered May 19 at North Windham, including 14 Master peggers.

Bob Horrigan, Largo, FL, bested Jim Clemmey, Rochester, MA, for the championship. Bob and Jim, both excellent players, are relatively new to the ACC. In fact, 9 of the 10 finishers in the playoffs possess less than 500 MRP's.

A new feature of this tournament was "graded win pools," an optional side pool that allowed contestants to compete for final placement according to their lifetime Master Points, intending to provide the novice player an opportunity to compete with his or her peers for some extra prize money. The less experienced players took all the top prizes. Tournament directors Joe Seigle and Bill Shoemaker termed the win pools a great success, and will try to include them in next year's championship event.

## Grand Master Rating No. 13 Poxed

Syl Lulinski, LaGrange Park, IL, has been sitting on 3,993 Master Points for quite some time, needing but seven to earn his Grand Master rating.

At the recent Lewis & Clark Classic in Yankton, SD, Syl needed to finish 16th to earn his 7 MRP's. Alas, he finished 17th, and earned FIVE MRP's. Now Syl had 3,998, and needed but TWO MRP's to reach the Grand Master goal. All he had to do was win his first round match with Frank Trojan, New Brighton, MN. But beating Frank was no cinch. You guessed it...Frank won. Grand Master No. 13 is proving elusive, indeed!

## Tournament Fees Excessive?

While visiting with fellow cribbage lovers at a recent weekend tournament, the subject of tournament fees was brought up. One middle aged lady said she loved the game, but both her and her husband couldn't afford to play, so her husband played in the main event and she played the consolation. Look around at the next tournament and see how many young married couples are there. With the high cost of transportation, hotels, babysitters, etc., they have already fallen by the way side. Who will be next to go? The senior citizen couple living on a fixed income. I know of several couples in our Grass Roots club who have to be content with only taking in one or two tournaments a year because of cost. The flippant attitude of some directors who say "If they can't afford it, they shouldn't go" is a real turn off. I thought the ACC was founded for the advancement of cribbage and the benefit of all players.

Everyone enjoys winning 1st place and taking home the big purse, is this the main goal of the ACC? If it is, soon only the wealthy and the gambler will be left.

Some of the ways of making tournaments more affordable besides reducing fees is paying back something to each player eliminated in the first round, paying 1 of 4, or eliminate the large difference between 1st and the rest of the field.

Come on, tournament directors, let's put our heads together, instead of raising fees to make the big prize, lower the fee to encourage larger attendance. I would like to see more new players enjoying tournament play which will ultimately increase the ACC membership. What are your views? Let's pass them on to our newly elected Board of Directors.

## Directors...Enforce Tournament Policies

Tournament directors are very dedicated people and assume great responsibilities. Without them, we players would not enjoy tournament style play.

My recent experience at the Oregon Coast Classic prompts me to write this letter. We players pay our registration fees (at least I do) to play this great game in an organized fashion, and to enjoy the competitive atmosphere and camaraderie. We meet new people and, who knows, make lasting friendships.

My point is that we players (at least I do) expect to play in a smoke free environment against opponents that are NOT intoxicated and/or using profanity profusely. Policies to take care of these situations should be printed on the registration forms, stressed prior to play, and positively enforced when violated.

## Emil Chrabazsz Promotes Cribadier General Program

I should like to take this belated opportunity to thank tournament director Emil Chrabazsz for his generous donation to the Cribadier General Program. By earmarking \$1 of his tournament fee for the Cribadier General Program, the program benefited from the camaraderie and spirited competition of 144 players. Thank you, Emil, and congratulations on directing a successful tournament.

## Cribadier Generals Support Junior Program

Recently the ACC membership responded to my appeal for donations to the Cribadier Generals Program on behalf of youth cribbage activities. I should like to share the following to show that their contributions are indeed being applied toward fostering the game of cribbage among our young people.

Jim Shores, director of the Gay 90's tournament in Forest Grove, OR, wrote me a letter detailing the success of his junior tournament (March 9, 1991). Jim had 30 youngsters participate in two categories: 6th grade and 7-9th grade. The younger group played 5 61-point games, while the older group played 5 full games. The score cards from the two groups were consolidated to determine the winners. The top 16 each won a cribbage board, while the lower 14 "winners" (there are no losers in junior cribbage) each received a new deck of cards donated by the Sands Hotel, Reno, NV. Pat Crozier and Penny Comella from Portland were a great help in running this program.

For Jim Shores' efforts on behalf of junior cribbage during his community's Gay 90's celebration, the Cribadier Generals Program was pleased to reward Jim with \$100 to help cover his expenses for the Junior Cribbage Tournament.

Jim was so pleased with the junior participation that he is planning another junior tournament in August. Nice going Jim! Good luck in your future junior tournaments, and keep us informed.

If anyone else is currently planning to hold a junior cribbage tournament, write and tell me about it. Funds permitting, you may be eligible for re-imbursement to cover your expenses as well. In the meantime, your contributions of \$25 or more will sign you up as a Cribadier General.

## Kudos on 2nd Class Mail

Congratulations and thanks for obtaining 2nd class mailing permit for Cribbage World. Special commendation to Ev Bey, Jeff Monroe, and Denny Moore who were instrumental in getting the permit.

I used to receive my CW the following month around the 10th to the 15th. Now, thanks to you and those gentlemen mentioned above, I received my May issue on May 28th, which is a big improvement of about two weeks.

Thanks, too, for all you've done to the Cribbage World.

## New England Potpourri

The recent Rhode Island Open had Ken Vetterline of Maine and Joe Seigle of Connecticut seated together. During a game, Vetterline held 5-4-4-4-3-3 and showed Seigle his 3-5 discard. The case four was cut and Ken scored his 20. Several games later, Seigle held 4-4-4-3-3-2 and showed Vetterline his 2-3 discard. Again a case four was cut. Any comments on the odds?

As frequently pointed out by ACC President Joe Wergin, emphasizing \$ prize amounts publicly is inviting trouble in most states because of gambling laws. Cribbage World recently referred to specific cash prizes. I urge that you avoid such specifics in the future.

The 6th Annual National Team Championship was won by Bay /staters George Taylor, Bob Drukman and Paul Petit in a playoff after winning their division with a 36-27 won/lost record. Stu Stromberg and Dick Clukey led their division with 42/21 before finishing second.
