At Last! 2nd Class Mail

This issue is the first to be mailed under a 2nd class mailing permit! Cribbage World has been trying to resolve this issue for many months, and, finally, with the help of Ev Bey, Jeff Monroe, and Denny Moore we have succeeded in getting the permit in Napa, CA, with Missoula, MT, as a secondary mailing location! Denny is to be especially commended, as he has worked out a handy-dandy computer program to facilitate mailing, along with Jeff's help in printing (and recording) the labels for CW.

If you receive this CW earlier than usual...we have succeeded. If not (groan), old man Murphy has struck again. Everyone, keep your fingers crossed.

3rd Class Lament

Syl Lulinski reports he received March issue of CW on March 20th. Alas, he received the February issue on March 28th.

Let's hope our new 2nd class mailing does a better job!

218 Peggers Arthur Martin Wins South Shore Classic

The Elks Club in Randolph, MA, was buzzing with a huge crowd of 218 peggers March 24...and after the smoke had cleared, Arthur Martin had worked his way through this tough field and emerged the champion. This Northboro, MA, pegger edged out Dwight Christiansen, Stratford, CT, in the final match for the title.

Local Harold Holbrook took third, and garnered a sizeable 196 MRP's. In a fine 4th place finish, Fayann Salerno, Milton, MA, also picked up a nice bundle of 187 MRP's.

In the 146-pegger consolation match, Al Tenenbaum, Cranberry, NJ took all the marbles, getting by Rose Webb, Saunderson, RI in the final match. Erna LaPlume, Pawtucket, RI finished 3rd, and Anthony Del Tufo, W. Bridgewater, MA took 4th.

Joseph Beauregard had the "hot" hand in the qualifying round, taking top honors.

The President's Column

Joseph Petrus Wergin

The Dukes and Ducheses of the cribbage world have been invited to stage a major tournament in the Hoosier Dome, Indianapolis. An active Convention Bureau, which brought the NCAA Basketball Tournament to that city, has contacted this columnist on several occasions with a good sales pitch.

In our reply, we stated that they first build up a nucleus of Grass Roots clubs in Indiana. That state is regarded by crib officials as a sleeping giant.

Up to last year the MADISON MASTERS CLASSIC was called "The World Masters Classic." We asked ourselves: "Who are we kidding? We don't attract players from out of the United States. Let's eliminate the word 'World'."

Several other areas claim to be something that they aren't. In Los Angeles, a group called themselves "The International Cribbage Assn." I doubt if they ever had one foreign contestant in the years they operated.

Count the cards is a word of caution that one hears at major tournaments. This should carry down through the Grass Roots and especially down to the bars. Frequently, a card is left in the box and without checking, the game is played with 51 cards. It's an old trick of Gin Rummy players to hide one card from a deck. What a difference it makes! This latter game is played in elite circles for large sums of money.

GRASS ROOTS NEWS

Not many Congress members ever see the Grass Roots News, published by that great gentleman, Jim Arblaster of Kissimmee, FL. Jim heads the National Tournament of the Grass Roots Clubs, sessions of which are played in many cities. His report on three Regional Tournaments that was published in the last issue of NEWS, told of 553 entries.

The Grass Roots Program will be ten years old in 1993 and officials are thinking of staging a NATIONAL.

It will be truly a convention, as there would be an open session for all devotees to participate in. Jerry Dickinson, the National Commissioner, holds mini-gatherings and discussions for club directors who attend the major tournaments where he is present.

The latest count is that there are now 132 charters issued and a new club is now being formed at Cody, WY, by employees of the Buffalo Bill Museum. I suppose we could say that Buffalo Bill played cribbage.

The new postage rates are taking a bite out of the cribbage dollar. Besides the raise in letter rates, the book rate has gone up to 43 cents a pound. Merchants, who sell their products by advertising through the MAGAZINE will have to adjust their prices.

The publisher of "How to Win at Cribbage" has declared the book out of print. The author has purchased the remainder of the stock which is stored in Madison. It is estimated that within a year, the book will not be available. From then on it will be a collector's item.

FLASH! Latest news! The 1993 Mind Sports Olympiad has been officially announced. Cribbage is one of 30 games included in the competition. This scribe is now working with the Olympiad officials on the selection of dates that will not interfere with the Congress's important events.

Flip-Flop In Marinette

Last year at the Tri-Cities Open in Marinette, WI, Scott Kooistra, the Yankton, SD King, finished his qualifying round dead last, winning but 6 games. But this year, Scott roared back, qualifying 2nd high, and won the play-offs and the championship, illustrating the adage "I don't get mad...I get even!"

Top finishers in this 154-pegger event:

1. Scott Kooistra, Yankton, SD
2. Pat Kufahl, Merrill, WI
3. Don Flesch, Brookfield, WI
4. Ray Boesel, Glenbeulah, WI

Consolation (110 peggers):

1. Bob Loch, Appleton, WI
2. Aggie Hokenson, Marquette, MI
3. Jerry Sprangers, Green Bay, WI
4. Gene McDonald, Green Bay, WI

Minneapolis Veteran's Hospital Receives Boards and Cards

Our excess boards and playing cards from Operation Desert Shield are beginning to be distributed, thanks to the efforts of Mickey Griffin, drive chairman. Cribbage World received a copy of a letter from David Krueger, Chief, Recreation Therapy Section, Minneapolis VA hospital, thanking the ACC for six boards and six jumbo-faced decks.

Atta boy, Mickey!

Arthur Martin Wins

(Continued)

Director George Webb (and also a member of the ACC BOD, and Eastern Tournament Commissioner) continues to draw a large crowd for this annual South Shore Classic.

Jeff Shimp Earns Grand Master

Jeff Shimp, 1985 All-American, ACC BOD member, tournament director, and Senior Judge, recently earned his Grand Master rating by finishing 4th at the huge MGM Open in Green Bay, WI.

Jeff is off to a fine start this cribbage year, and with this bundle of Master Points, joins the 1991 national title chase.

Real Integrity

Bernie Saueressig, Richland, WA, totaled his qualifying-round score card in Baker City, OR. His card showed a 27 GP (13) +16. Minutes later, the main board showed he was the 3rd low qualifier with a 27 (13) +26. Bernie went to the tournament's scoring table, who rechecked his card, and found it to be the original 27 (13) +16, thus eliminating Bernie from qualifying!

Cribbage players ain't all bad!

Air Force Thanks ACC Members

Jim Russell, Longmeadow, MA, recently received a "thank you" letter from Colonel Joseph Curley (USAFR) for donations made by the 2nd Annual Super Lite players for troops passing through Westover Air Base on their way to the Persian Gulf area.

The ACC members certainly did a wonderful job supporting our troops in this mideast crisis.

Earnest Standard Sets Standard in Washington

Veteran pegger Earnest Standard, Baker City, OR, won the third annual Washington championship March 24 in Richland, WA with a hard-fought victory over Bob Brumley, Sunnyside, WA.

This 154-pegger event drew players from throughout the northwest (and a few from farther afield too). Directors Willie and Jo Evans ran a first class event, attested by the 20% or so increase from last year.

In third place, Christina Field, Missoula, MT, continues her rapid improvement, and is a threat to win any event...and had a tough match with local Phil True for the third place spot. Phil finished a strong 4th in this tough field.

In the early bird doubles, some 70 teams made a run for the marbles...and Bob Nunamaker, teamed with Don Hilton, took the event. Both players hail from Hood River, OR.

The Saturday night hi-roller event moved to the friendly confines of Willie Evan's Towne Crier...much to the liking of Ken Capper, the Hermiston King, as he pocketed the \$850 top prize. George Mackie, Des Moines, WA, won the other Saturday night event, continuing his habit of winning the satellite events,

A fine turnout of 110 peggers played for the consolation title, with veteran Bayard Lliteras, Coeur D'Alene, Idaho winning the title. Bayard edged out Grand National champ Harvey Honeycutt, Beatty, OR. Third place was claimed by Rick Springer (Summerville, OR) and 4th by Jim Hornbacher (Bothell, WA).

In the main event qualifying round, Jim Sime, Kennewick, WA, had the "hot" card with a fine 37GP +238. And speaking of qualifying, Richland's finest player, Jim Hartung (remember the bird picking him out of the crowd in Baker City?) had the distinction of qualifying

last (38/154) (28/110) in both the main event and the consolation. Alas, it was all for naught, winning only one round in the consolation.

The Evan's drew favorable comments from the large crowd for their fair paybacks, and their organization, complete with fancy scoreboards and many trophies. Even the mayor of Richland stopped by to wish the players good luck!

Catherine Perkins Cops Palmetto Classic

Catherine Perkins, the pride of Bear Creek, NC captured the Palmetto Classic, played in Columbia, SC March 23 & 24. Cathy edged out Ken Cambell, Modoc, SC, in the final match in this 122-pegger event.

Ken, in finishing 2nd, picked up 130 MRP's to push his lifetime total to well over the 2,000 mark, and earned his Master rating.

North Carolinians took charge of their southern neighbors, as they garnered the third and fourth place finishes. In third was Earl Luton, Elizabeth City, NC, and fourth was perennial winner Bob Gombatz, Raleigh.

But the locals held their own in the 88-pegger consolation, as Lonnie Williams took first (Camden, SC), and Paul McClanahan (Columbia) finished second. Two-time national champion and Life Master Butch Reynolds was a long way from his home in Santa Maria, CA...and taking third may or may not have paid his expenses, but the 41 MRP's keeps him in the national title race for 1991, running this year's tally to over 800. Carolyn Harriman, Lilburn, GA, took fourth.

And once again, Bob Gombatz held the "hot" cards in the qualifying round, picking up 47 MRP's for his top finish.

Ken Cambell, William Shoemaker New Master Players

Ken Cambell, Modoc, SC, recently finished 2nd at the Palmetto Classic, and earned sufficient Master Points to go over the 2,000 MRP's necessary to earn his Master rating. Ken is a veteran pegger, and has had many top finishes in sanctioned tournaments.

Connecticut pegger William Shoemaker, has been steadily piling up MRP's recently, and, he, too, has scored 2,000+ Master Points to earn his Master rating. William is currently ranked 12th in the tough Eastern Region.

Frank, Not Phil, Member of Record-breaking Team

Cribbage World reported that Phil Symons was a member of that record-setting Van Orsow team claiming first place in Prineville, OR, in February. In fact, it was FRANK Symons who signed on that "hot" team...scoring some 32 GP's to help bring home the bacon.

However, Phil also scored 32 GP's, so next time the Van Orsow's can flip a coin when signing up one of the Symons'.

Our 70th Master Player is a HE! (Not a She)

Pat Coffey, Concord, CA, recently earned HIS Master rating. CW inadvertently listed him as a "her."

Your editor has been getting "waxed" lately by the fair sex...and simply jumped to conclusions.

CW extends apologies to Pat.

Hall of Fame Nominations

Once a year, the ACC Board of Directors considers candidates for the Cribbage Hall of Fame. This consideration and vote takes place at the National Open Board of Directors meeting in Raleigh. This year the date is July 26. The place is the North Raleigh Hilton, Raleigh, NC.

Any nominations by our ACC membership may be made by writing Bob McCabe, our executive vice president, prior to July 1, 1991. A full description of the candidate's qualifications should be given, and preferably, with 25 copies (one for each board member's consideration).

A personal presentation may be given at the BOD meeting...but you MUST write Bob to be placed on the BOD agenda. His address:

Summary

Board of Directors

Meeting, January 31, 1991, Reno, NV

All 30 directors were present, the minutes were reviewed with a change of the Bylaws concerning the position of archivist made, otherwise the minutes were approved.

Fred McGibney's Treasurer's Report was accepted.

Barbara Buntrock's audit for 1989-1990 fiscal year was discussed. Everything looked good and in order, with the exception of Cribbage World advertising. Advertising rates will be published to aid in future audits.

Jeff Monroe reported on the ACC's efforts to obtain a second class permit. Jeff, editor DeLynn Colvert, and Ev Bey, are working to solve this sticky problem, and if approved, should improve mailing service, and cut our monthly mailing costs of \$900.

Ev Bey stated the ACC is out of Rule Books. A reprint will be made in the future, after minor changes are made.

Cathy Perkins and Larry Samet discussed disallowing any survivors of the first round play-offs from playing in the consolation event. Due to many different circumstances at tournaments, this was shelved to be discussed at Raleigh in July.

Perkins moved to establish a minimum 70% cash payback, but, again, due to many circumstances at tournaments, the motion failed 12 to 14.

Bob McCabe moved for entry form disclosure of an estimated disposition (percentage) of entry fees by tournament directors. This will be further discussed at Raleigh.

Ev Bey presented a proposal for the Judges Program (see March issue of CW). Passed

unanimously. Jeff Shimp appointed Commissioner, Dick Cornwell Director of Research & Development, Cathy Perkins Director of Senior Judges. All accepted.

Al Miller appointed Testing Examiner, replacing Frank Zabrowski who resigned for health reasons. Frank commended for a job "well done!"

Harry Hoops reported on upcoming 1991 Grand National in Hollywood, FL. \$1,000 voted to help defray expenses.

A recommendation that the future directors of Grand Nationals submit an estimate of expenses for review by the BOD, before any funds are budgeting for Grand National use.

The 1993 Grand National sites were presented. Missoula, Montana, Napa, California, and Portland, Oregon, were voted on by secret ballot. Missoula, MT will be the 1993 site.

Mickey Griffin reported on Operation Desert Shield cribbage board drive. 1,000 boards were shipped as well as 1,000 rule books. Excess funds to be used for boards and cards for VA hospitals in the USA.

Syl Lulinski moved to remove the cap on the number of directors from a particular state. Requiring a 2/3 majority, the motion was defeated 15-13.

Nick Pond reported on the Hospice and McDonald House as a possible resource utilization.

Joan Rein reported on the Tournament of Champions, with some minor changes in wording in the criteria. Joan moved that the TOC and ACC Open be held once again at the Sands Hotel/Casino next year. Carried unanimously. Play will be one week later next year, due to change in football's Super Bowl.

Scott Kooistra reported record 736 players in ACC Open.

Ron Hamilton appointed to head Nominating Committee for this year's election to BOD.

Cribbage World to solicit nominations. Ev Bey is recruiting the election committee.

Two players expulsions/suspensions discussed for altering score cards. Jeanne Hofbauer, representing a northwest player, spoke on his behalf. Player voted to receive a six month suspension (through July 31, 1991). Other player expelled from ACC, until such time he appeared before the BOD to appeal reinstatement.

The BOD, in another matter, discussed the tournament director's right to deny a person entry to a tournament. The consensus: the director has the right to deny entry.

The BOD voted additional funds to cover purchase of computer for Bob McCabe.

Joan Rein discussed proposal by Frank Trojan concerning Mr. and Mrs. Cribbage World. The proposal deferred to Raleigh meeting.

Scott Kooistra discussed "All-Star Regional Teams." A committee will report on proposals at Raleigh.

The next meeting will be in Raleigh, NC, on July 26, 1991.

86 Years Young

Henry Braukman Oldest Winner?

A non-sanctioned tournament played recently in Forest Grove, OR had a large field of 84 players...and 86-year old Henry Braukman came away the winner.

Until further notice, this gives Henry the Age Title...and entry into the Guinness Book of Records.

And according to Jim Shores, this "Gay 90's Tournament" had some 30 juniors pegging for their division title (6th grade & under).

With this turnout, it's time this event becomes sanctioned.

134 Peggers in Montana Betty Johnson Wins Montana Open

An overflow crowd of 134 peggers were on hand for the 8th annual Montana Open...and Betty Johnson, veteran pegger from Spokane, WA, came away with the championship, 140 Master points, and a cool \$1,000.

Fredella Haab, another veteran pegger of the fair sex from Helena, MT, took 2nd. Two peggers from Oregon took 3rd and 4th. Bob Watkins, Portland (3rd) and Frank Lake, La Pine (4th).

A large crowd of 92 peggers played for the consolation title, and Montanan Chris Burrell (Libby) took home the bacon, winning over Bill Becker, newly crowned Master player from Bend, OR. Roy Carlson, tournament director from the Idaho Championship finished 3rd. Roy Hofbauer, Washougal, WA, took home a BIG fourth place, as the 38 MRP's earned vaulted him into first place for the 1991 season.

In the early bird doubles, Ron Whyde, Helena, teamed with local Don Hames for the title. Russ Baker won the Saturday night game, and Jeanne Hofbauer, Washougal, WA, won the last chance event.

The locals were friendly...and generous, as the facility's owner kicked in \$100 extra prize money in the last chance event (Dick Williams), and the overflow crowd who played at the adjacent Reserve Street Inn (in the playoffs) received free chili, and other treats.

And the locals were even friendly with the Canadians...as Edgar Bastedo, Lethbridge, Alberta, took home a sizeable "Q" check with his high qualifying score of 35 (16) +166.

1994 Grand National

The 1994 Grand National and Awards Banquet is scheduled to be held in the Central Region at a yet to be determined site.

Individuals and/or groups interested in hosting this gala event should make a proposal at the Board of Directors meeting July 26, 1991, at Raleigh, NC. Please notify Bob McCabe, 9393 N. 60th St., Brown Deer, WI 53223, by JUNE 25 of your intention so it can be included on the agenda.

The final site selection will be made at the BOD meeting held in conjunction with the 1991 Grand National in September at Hollywood, FL.

Roy Hofbauer Takes MRP Lead

Roy Hofbauer, Washougal, WA, took the 1991 MRP lead by scoring 3rd in qualifying at the recent Montana Open (40 MRP's), then finishing 4th in the consolation for a total of 78 MRP's for the weekend...and took over the 1991 MRP race with an unofficial 942 MRP's.

Right on his heels in a virtual deadheat is Paul Hatcher, Salem, OR, with an unofficial 938 MRP's.

Joan Rein Old 1,999 Finally Makes Master

Joan Rein, ACC Secretary, recently scored six Master Points in Reno, but needed seven to earn her Master rating, leaving her at 1,999 lifetime points.

But in her next tournament (MGM in Green Bay), she won her first round playoff match in the consolation, to wing it well over the magic 2,000 MRP plateau and become the 72nd ACC member to earn Master rating.

Joan is an excellent pegger from Chaska, MN, and is a mainstay in the operation of the ACC...and is a tournament director in the Chaska area.

After the Alaska Cribbage Cruise, Are We Ready for a Pegger's Hawaiian Holiday?

Abe Kealoha, PO Box 492, Kahuku, is surveying our ACC membership (via this article) to see if enough of our ACC players would enjoy a sanctioned tournament, in conjunction with a holiday in Hawaii.

Abe is proposing a sanctioned tournament October 30-November 2, 1992 at the Turtle Bay Hilton (& country club), complete with doubles, singles, grass roots special, and a luau, with an awards ceremony.

If you are interested, drop Abe a line. He needs a count by August 31, 1991, to see if this is feasible.

George Webb's Scorecard Given a Trial

George Webb, Tournament Commissioner for the Eastern Region has worked out a new concept in score keeping. Basically, instead of writing in your 0, 2, 3, and plus or minus points, you simply circle the numbers printed on the score card.

George gave his card a try at the Randolph, MA event March 24. George reports that 218 players in the main event and 146 in the consolation used this method (about 5,000 games were played)...and the error factor was 1.3%

If any tournament directors are interested, write George at 10 Beechwood Rd., Halifax, MA 02338, or call (617) 294-4169.

IN MEMORIAM

Livia S. Cucchi

Deltona, Florida

A member of the Orlando Cribbage Club and an avid pegger, Livia will be sorely missed by her many Florida friends. Her 22 game points in one session still stands as the high mark for the Orlando club.

Charlie "Chuck" Clark

Missoula, Montana

Chuck passed away in early October from cancer. A 2-time Montana Open winner, and one of USA's best peggers. Always a great sport, he will be missed by his many Northwest friends.

Letters to the editor . . .

Harry Stoops Gives Directions to 1991 Grand National

What is Hollywood? Glad you asked! Hollywood is the location of the 10th Grand National Cribbage Tournament. The setting is going to be at the Diplomat Hotel on the ocean. The dates are Friday, Saturday and Sunday, September 27th, 28th, and 29th, 1991.

Where is Hollywood? Most happy to oblige! For starters, it is 15 miles north of Miami, 10 miles south of Ft. Lauderdale, and 18 miles from Hialeah (what is Hialeah? The place where this writer hangs his hat!).

From Hollywood to: Disneyworld 200, Ft. Myers 140, Orlando 220, Tampa 260, West Palm Beach 60, St. Augustine 300, Jacksonville 340, Daytona 245, Key West 175, Seattle 3,260, cruise ships headed to the Caribbean 15-20 miles.

To make a long story short, Hollywood is on the SE coast of the Sunshine State (Florida), and is also known as the "Gold Coast."

For those considering a vacation sandwiched around the Grand National, the motel rates are supposedly a little lower between Labor Day and Thanksgiving. At the Diplomat, our rate is lower than usual and has been extended before and after the tournament dates by about one week each way for cribbage players.

The water and the weather are most conducive to a vacation at this time of year, sooooo, while you are day-dreaming...

THINK HOLLYWOOD...and we'll talk to you more next month.

*Harry Stoops
Director
1991 Grand National*

Kudos

I want to tell you what an excellent job you are doing on Cribbage World. The color, the organization and the content are just great. I think that CW has had a lot to do with the way that Cribbage playing has grown...

Thanks, Jim, I needed that!

Wow! What a Start!

As I entered Round Table Pizza for our regular Saturday afternoon Grass Roots session, Jean Robinett says to me: "I guess I'll go ahead and join." And she hands me the money.

So we pair off and commence the battle. Midway through the second game I hear hollerin' and commotion. It's Jean. She has a 29-HAND! Can you believe that! It's true.

Jean's opponent, Gene Goodell, was stunned but quickly regained control to go on and win the game. He said he was fortunate to have had a 24-point lead at that historic moment,

This all happened on Saturday, March 30, the day between Good Friday and Easter. As statistician, I'm obliged to make note of such things.

Jean's accomplishment will undoubtedly stand for a long time to come. Most players go a lifetime without a 29-hand. Her record is to score a 29-hand after having played only ONE complete game as an ACC member.

Cut Costs of Producing CW by Cutting MRP Listings?

Just received the March issue of CW, which is about normal here in the east. Even though I've been "on the shelf" as far as tournament activity is concerned this past two years, I still look forward to the monthly CW.

I, like many others, enjoyed Barlow's quizzes, etc., even though they arrived here too late for my participation. This letter is not, however, asking for restoration of his work, but sends a suggestion to tighten the belt on cost. Why not consider publishing the MRP listing every third month, instead of monthly??? Just a thought.

Thanks for your CW efforts. They are appreciated.

*Robert A. Gottcent

Be Nice!

Let 'Em Use Their Own Pegs!

At most tournaments that I have played in, tournament directors have announced that players having their own pegs can use them with the permission of their opponent. I have seen players refuse this request (for one reason or another) creating tension between the players involved (and the piercing stares continues from tournament to tournament). I would like to suggest to ALL tournament directors to take upon themselves, at their tournament orientation to simply say that players having their own pegs can use them...PERIOD!

*Al Miller
Nashua, NH*

In the Northwest, players don't even ask...almost all players have their own pegs (thanks to Ken & Betty Capper's peg enterprises, and other peg makers).

5 - 3 discard OK

I agree with your 5-3 discard for Bob Rosenberg's 5-4-4-4-3 hand. For the rationale given, people worry too much about throwing a 5 to an opponent's crib, to consider the other possibilities. If dealt 8-8-7-7-5-5, I may just throw both nickles to your crib. How about you?

Also, another "crazy cribbage" variation (akin to Randy Magins 19 backwards pegging) is playing a complete game trying NOT to get points...i.e., keeping lousy cards, salting opponent's crib, etc. Cribbage buddy Walt Wasielewski and I tried it, and it is an amusing variation. Be prepared, however, for a lengthy game.

...(the letter continues with CW's goof on John Hill's hand...)

Sherry Lopez Smelled a Rat

Do you realize there is a typo in the "Bad Luck" story? The way John's hand is as printed, he would have pegged his 2 points if he led a 3 or one of his 4's.

He must have been dealt 3-4-5-5-8-K.

I do enjoy your publication very much. Hope to see you at the Marinette tournament!

*Sherry Lopez
Elk Grove Village, IL*

Only Sherry figured the typo was a 3-4-4-5-8-K that should have been 3-4-5-5-8-K. Cribbage World had many letters on this subject. And no, Sherry, as much as I would like to be in Marinette, our Montana Open is the same weekend! (Besides, I can never beat Mick Michaelis!)

Smoke Gets In Your Eyes

Enough already! In the past five years, the US Surgeon General, the National Research Council, the National Academy of Sciences, the International Agency for Cancer Research, have all concluded that people who inhale smoke from other people's cigarettes run a health risk.

Surely it's time for a smoke-free cribbage tournament environment. Our concern, of course, is with the non-smoker's risk of lung cancer and other diseases from exposure to ambient tobacco smoke...not with the smoker's health (that's their problem). The Augusta 29'ers Cribbage Club has decided to lead the way to such an environment by declaring our Ninth Annual Georgia Open Cribbage Tournament (Jan 92) to be SMOKELESS. We have thus committed ourselves to being first with a smokeless ACC sanctioned tournament. However, we challenge other tournament directors/clubs to beat us by being first in 1991 with their SMOKELESS tournaments. In the interest of better health, we hope many succeed.

Whew! The Computer Agrees

Opening hand to a new game, opponent's crib. You are dealt 5-4-4-4-3. What to discard? CW's editor (Colvert) said 5-3 last month. CRIBBAGE MASTER's Discard Query agrees. In fact, it's a big 3-point mistake to throw 4-3. Keeping the fours, you will have a hand count of 13.57 points on average and your 5-3 toss will help dealer toward a 6.74 crib, yielding you a net of 6.83 points. Tossing 4-3 will, on average, give you a 9.89 hand and give up a 5.95 point crib, for a net of 3.94 points...nearly 3 points off the 6.83 net for the 5-3 toss. A little bit better selection, but still 2 points sub-par, is 4-4. Your hand will score 11.57 on the average and dealer's crib will be 6.62, for a net of 4.95 points.

Thanks, Bruce, for this run-down. I was concerned that perhaps I had made another "goof." ACC members: see CRIBBAGE MASTER ad, this issue. Bruce has a very good program, if you are into computers.

National Open Cribbage Tournament

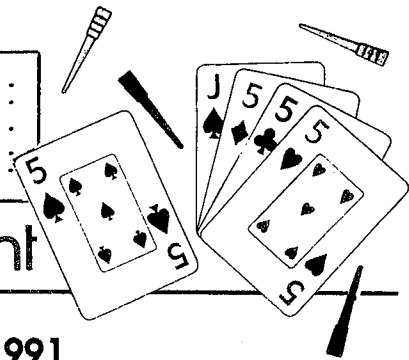

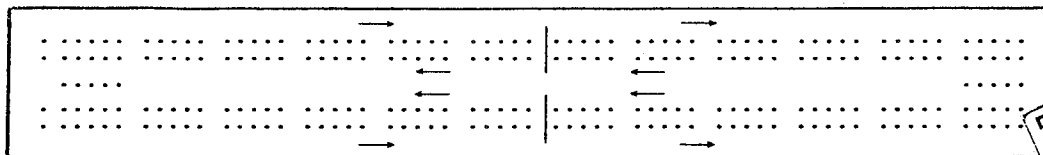

**18TH ANNUAL - JULY 27, 28, AND 29, 1991
NORTH RALEIGH HILTON - RALEIGH, NORTH CAROLINA**

The National Open is the granddaddy of all American Cribbage Congress tournaments. It was at the National Open in the summer of 1979 that the American Cribbage Congress was born.

There are many superlatives and unique features of the National Open, among them:

- It is a 512-player double elimination event, with each round consisting of the best four-out-of-seven games.
- It is consistently voted the best run tournament in the country by the membership of the American Cribbage Congress.
- In 17 years, it has awarded a total of \$300,067 in prize money.
- The field for the tournament is truly a national one, with players coming each year from 35-45 different states.
- The North Raleigh Hilton & Convention Center is the perfect site for a major cribbage tournament, offering more space and "walking around" room than any other cribbage tournament host hotel in the country.
- There are actually four different tournaments played at the National Open, with Q-pools in each competition.
- The National Open's three-day Hospitality Room, priced at an optional \$25, is considered the best "fellowship" bargain in the American Cribbage Congress.

Make plans now to attend the 18th Annual National Open Cribbage Tournament. The closing date for entries, with no exceptions, is **FRIDAY, JULY 19, 1991.**

National Open Cribbage Tournament

**18TH ANNUAL - JULY 27, 28, AND 29, 1991
NORTH RALEIGH HILTON - RALEIGH, NORTH CAROLINA**

There's a lot to do at the National Open besides playing cribbage. In fact, many players spend vacation time either before or after the tournament to enjoy the many leisure time pursuits available in and near Raleigh.

Raleigh is a two-hour drive from North Carolina's world famous Atlantic Ocean beaches, a four-hour drive from the Blue Ridge Mountains, and just an hour away from Pinehurst, NC, with its many internationally-acclaimed golf courses.

Raleigh is served by the Raleigh-Durham International airport, just 12 miles from the North Raleigh Hilton & Convention Center. RDU is served by all major airlines, including American Airlines, which operates a hub there with more than 200 daily flights.

Raleigh is the capital of North Carolina with a population of 250,000. It is a major shopping center with scores of "outlet malls" and many excellent restaurants, all within short distances from the hotel.

Join America's best cribbage players for the 18th Annual National Open Cribbage Tournament, July 27, 28, and 29, 1991. The closing date for entries, with no exceptions, is FRIDAY, JULY 19, 1991.

Please! NO Wet Noodles!

I get it! April fools, right? In your March "Bad Luck" story, John Hill can only NOT win the game if he is dumb enough to play his 5 on one of the first two plays. With any other combinations, he hits 31 exactly and wins the game with the 8-count in his hand. I was ready to write you about your "new math."

Then it hit me! Your column said it is impossible for John to peg a SINGLE point, and how right you are. He can only peg TWO points...not one.

My "bad luck of the month" was reading your column. You deserve 31 lashes with a wet noodle!

*Jim Willis
Livermore, CA*

I'm NOT printing ALL the letters on this subject (nor am I returning phone calls, either)...but 31 lashes with a wet noodle? I promise I'll be more careful in the future!

Controversial Rules

Paul Barnes, DeLand, FL, writes about 3 controversial rules:

1. Reshuffling by pone. Several re-shuffles on same deal should be banned. Once is enough.

2. 5-card misdeal. Rules say cards must be re-dealt....but if a player has looked at them, and simply calls for another card (or a re-deal if they are bad), the rule can be used to a player's advantage. Paul believes one more card should be dealt (with no option of re-deal).

3. Player quits in middle of qualifying round...opponents of missing players be awarded 1 game point, plus ten (do NOT place substitute player in play, and do NOT give a win).

CW apologizes for condensing Paul's letter...but it far exceeded our space. Remember, members, keep your letters to a reasonable length....we want to print them all (and in entirety).

Speed Demons... Slow Down, Be a Good Sport

I am not one who writes many letters, but this thing about slow play really bugs me. I personally don't like slow play but there are times it can't be helped, especially when you and your opponent are coming up with those 2-4-6 hands and cribs. Of course, I realize there are slow players also, and I think Doug Brown's (Pasco, WA) idea is a good one...playing a slow player a game AFTER the qualifying round to speed up play. I would be willing to do this, and I'm sure other players would, too. After all, our ACC application says "Enjoy cribbage competition with the friendliest group of people in the USA." It doesn't say anything about being a speed demon.

(This letter continues with a disagreement with Jerry Price's letter on slow play, the late start at Reno, followed with interruptions on the loud speakers to speed play...the loudspeakers as being very upsetting...and agreement on the 3-5 discard from the 5-4-4-4-3 hand. And the usual "expose" of John Hill's hand.)

William MacDonald
Fresno, CA

I agree, William, our ACC players should show good sportsmanship...unless one slow player obviously is slowing the entire table. But even, then, courtesy should be shown. It's the toughest chore a tournament director has. And on the other hand, a player should KNOW when they are slowing the table...and make every effort to speed up!

Quiz answer:

All three are correct

What a Hand!

On March 16th at the Capital Cribbage Tournament in St. Paul, I dealt the following hand to myself on the first deal: 4-5-5-5-6-Q.

I was going to pitch the 4-6 to my crib, but then had second thoughts. Instead, I pitched the Q-5. Then the case 5 was cut! I broke up a 28-hand, but counted it anyway. My hand scored 23 plus a 14 crib (Q-5-10-K), total 37. The other way my hand would have been 28 plus a 9 crib, total 37. On the last card I played 15 for 6, so the total was 43. Naturally, if I had held the right jack, I would have tried for the 29-hand. Then the total score would have been 38 on the hand and crib, but would NOT have pegged 6 on the last card played.
