## 169 Peggers

### Ray Hanes Cops Winter in Portland Don Grieve Wins Consolation

Ray Hanes recently became the 103rd ACC player to earn his Masters rating...and he added another 180 MRP's towards his next goal of Grand Master by winning the recent Winter in Portland tourney. Ray hails from Walla Walla, WA, and has been "knocking on the door" for several months, coming close to several titles, and finally broke through in besting the 169 peggers at this meet.

His final match was with tough-pegging Willie Evans, Washington State's tournament director from Richland, but Ray's cards stayed "hot" and he won going away 3-0.

Portland's Roger Frederick finished 3rd, and personable Gale Kimball, another fine pegger from Walla Walla, finished 4th.

The qualifying rounds saw three fine cards scored. Ken Cochlin, Kennewick, WA, nipped Ken Capper, Hermiston, OR, by an eyelash for top honors as they both scored 40 GP's. Right behind was Denny Van Orsow, Culver, OR, with 39 GP's.

In the 110-pegger consolation, local Don Grieve took the title, edging Salem's Jim Thomas. Frank Lake, LaPine, OR, finished 3rd, and Todd Anderson, Portland, finished 4th.

The satellite events were won by Roy Hofbauer (high roller), Washougal, WA, Clarence Van Orsow & George Rasmussen (2-person teams) with Clarence winning individual honors: (Culver and Estacada, OR), Wes Rice teamed with Doug Jensen to win Friday's doubles, and Bob Nunamaker won the last, but not least, Cry Baby event.

Master pegger Otto Bartholow, Boise, Idaho will remember his 24-minute, 3-skunk waxing in the playoffs by George Rasmussen (Estacada, OR), and Jeanne Hofbauer will covet her fine 22 GP 9/game qualifying round in the consolation event.

Kate and John Furler ran a first-class tournament, helping to keep Portland one of the nation's "hot spots" in the cribbage world.

## The President's Column

### *Joseph Petrus Wergin*

#### **The Youth Program Is On The Move**

A letter was received from Fran Fountain, a sixth grade teacher in Germantown, Maryland, elementary school ordering six long boards for her 25 students. She paid personally for the boards. A quick telephone call to David Proctor, the Chairman of the Cribadier Generals, for financial assistance from the Youth Program.

Herewith, in part, is her letter to this columnist with many thanks for supplying playing cards, literature, and other material:

"Dear Joe:

The boards, books, cards, etc. have all arrived and with it a new infusion of excitement over cribbage in my classroom. Last week we spent a class period working in small groups to figure out all the combinations of 15 that could be made with 2, 3, 4, and 5 cards. I had candy for the groups with the most! They will do almost anything for a sweet.

Today, having received the boards, we proceeded to actually play a game with the 15 students that didn't have to go to a special music class. They asked if we could play every Monday. I said "yes" of course. Now some of the kids in my homeroom who aren't in my math class want to know if they can learn too. And better still, two of my fellow teachers asked if they could learn. The game is gaining much interest at my school!

Simple written directions have been given the kids for cribbage. Colvert's and your book are also making the rounds. I overheard one girl who was reading it explain to another what a Raggedy Ann was.

*Pegging away,* Fran Fountain

The January issue of *Cribbage World* was received on the 15th and DeLynn notified me to get material in for the February issue because of his tight schedule. So, I haven't had any mail regarding the reaction to the article on two divisions in tournament play. A SENIOR CLASS division is overdue and along with it sensible entry fees. Major tournament managers, in many cases, are in competition to have the highest first prize. And we call it a Ladies and Gentlemen's game!

The magazine advertising--director Phil Babcock who is also in charge of our Advertising and Promotions project--reports that early returns on the ads in the Yankee Magazine and the American Legion National magazine are encouraging. Other contracts have been signed with the Pulitzer group (35) newspapers which operate mostly between Chicago and St. Louis. There are other magazines that are being considered.

The membership should be aware that each new Grass Roots club that is chartered, a dozen or two new members join our rolls. In fact, most of our growth has been through Jerry Dickinson's excellent organization of the program.

Speaking of charters, it has been the writers desire to print up an acceptable form. With help from Jerry and DeLynn, all clubs will receive their charter form to frame and exhibit, if possible, at their club's playing site.

With the centerfold of the January magazine, DeLynn has given everyone membership applications which can also be photocopied in order to have more passed out. Everyone should sell memberships with the bargain we give them. Happy pegging!

## Jack Howsare Bests 98 Peggers At Fayetteville, NC

Jack Howsare, a Virginia Beach, VA pegger, bested some 98 peggers at the recent Fayetteville Cribbage Classic. His match for the championship was with another Virginian...Bob DeAngelo from Fredericksburg.

Johnnie Wheeler, Riverdale, GA, finished a strong 3rd, and Buster Forbes, Raleigh, NC, took 4th.

Perennial winner Bob Gombatz, Raleigh, topped the field in the qualifying round to pick up 37 MRP's and added another 14 with a 9-16 finish to move up a notch in the Eastern Region's MRP standings.

76 peggers stayed for the consolation event...and Dick Corbin, another fine pegger from Raleigh, took the title, besting Eric Davis, West End, NC, in the final match. Betty Schaffer, Kissimmee, FL, finished 3rd, and Ed Horigan, another slick pegger from Virginia Beach, VA, took 4th, adding 31 MRP's to go over the 200 mark for the year.

Director Lois Lam reports this tournament will be held again next October or early November.

## Dave Proctor Inquiring About Our Stamp

Dave Proctor, our hard-working Cribadier General chief, is inquiring about the possibility of, indeed, getting a commemorative stamp from the US Postal Service.

Dave read about our 1982 effort...and spotted an article about applying for a commemorative stamp. Let's hope he has more "pull" than our efforts in 1982.

## Al Miller 15th Grand Master

Al Miller, the ACC's Judge Testing Examiner from Nashua, NH earned 44 MRP's in qualifying 6th in a field of 166 at the recent Holdiday Classic in Blackstone, MA...and winged it over the magic 4,000 MRP plateau to become the ACC's 15th Grand Master. Al is one of the Eastern Region's finer peggers and is a threat to win any event.

## 11th Annual Rhode Island Open Back On Schedule

Director Joe Ramos reports that the 11th Annual Rhode Island Open will return to its regular schedule in 1992. This event will be played at the Omni Biltmore Hotel on April 26, 1992. Check "Tournament Trail," this issue for further details.

# Phyllis Schmidt, Larry Samet Set MRP Pace

Phyllis Schmidt (Williamstown, MA) is once again a front-runner in the Master Point race. In the 1991 season Phyllis was on a point-scoring tear in the first half of the season but passed up the huge MGM Open in Green Bay in favor of a bowling tournament...but she confided to *Cribbage World* she WILL be in Green Bay this year. Her 660 MRP's have her, once again, in the national lead.

Tearing up the track, and hot on Phyllis's trail is Lawrence Samet (Wellesley Hills, MA). Larry has won consecutive titles in the Eastern Region (one by being top qualifier, too), and has also confided to CW that he plans an all-out effort to win national honors in 1992. Larry is but a slim 30 MRP's behind Phyllis, standing at 630.

Joe Lusignan, the Salinas, CA bomber is once again off and running to another great season, and is close in the national race with 599 MRP's. Another Californian in the race is perennial winner Jesse Jarrell from Pittsburg. Jesse is one of 7 Life Masters in the ACC and is expected to make the annual race an exciting one.

Two Northwest players in the hunt are Roy Hofbauer (Washougal, WA) with 545 MRP's, and the streaking Ray Van Orsow from Portland. Ray has garnered 529 MRP's and is unbeatable lately.

In the Central Region, Milwaukee's Jim McManus has 522 MRP's...with Life Master Joe Bernard (Libertyville, IL) and Grand Master Duane Toll (West Allis, WI) a pair of peggers to watch.

The 1992 Season is off to great start, with many other players within shouting distance!

## Projected Record Crowds for ACC Open, Tournament of Champions

With printing deadlines not permitting an accurate count of players for the upcoming Tournament of Champions, and the ACC Open, nevertheless, projections are for record crowds.

TOC director Joan Rein counts 334 players signed up for this prestigious meet...easily beating last year's 306 peggers. The Sands Casino is adding \$3,500 to the prize fund, and the prizes should, once again, set records (last year Milwaukee's Walter Krentz won \$5,725 in taking the title).

And standing by in the wings are four junior players who have qualified, but must wait until they are 21 to play. They are: Brian Heroux (Woonsocket, RI), Matt Kacer (Altoona, IA), Tom Sissel (Baker City, OR), and Carl Stromberg (W. Springfield, MA).

The ACC Open, with one week to go in registration has well over 500 signed on...and the projection is for another record crowd, possibly going over the 736 peggers in last year's match (Syd Balows, Santa Rosa, CA took home the \$10,000 first prize!).

The March issue of *Cribbage World* will cover this premier event in detail.

# **Central Region Roundup**

## **Boyd Lundquist Wins Polish Open**

### **Sharon Pedersen Cops Jesse James**

### **Gene Mikulsky Tops American Legion Open**

### **Jeff Shimp Takes Potawatomi Crown**

#### **Polish Open**

198 peggers pegged for the crown at the popular Amora Villa Lodge in Appleton, WI in early November, and Boyd Lundquist, Lakeville, MN took home all the marbles, including a sizeable bundle of 200 MRP's. Pete Momsen, New Berlin finished a strong 2nd and also garnered a nifty 188 MRP's. Doug Page, Little Chute, WI, took 3rd, and co-director Tom Gallagher of the upcoming MGM Open in Green Bay (and the Grand National) finished 4th.

The 112-pegger consolation had a who's who finish, as Life Master Warren Sondericker (Greenfield, WI) edged Grand Master Duane Toll (West Allis, WI) for the title.

An exciting feature of this Polish Open (and others) is the \$28 for scoring a 28-hand...and no less than 8 players cashed in.

#### **Jesse James Follow Up**

Some 70 peggers were on hand at the Chaska, MN VFW club in late November and Sharon Pedersen, Shoreview, MN took the title...with her final match with Grand Master Duane Toll, West Allis, WI. Marsha Mahan, Appleton, WI took 3rd, and Master pegger Ray Boesl, Glenbeulah, WI finished 4th.

Martha Fingleton, America's No. 1 pegger of the fair sex took the 44-pegger consolation, nipping Norm Lindman, Eagan, MN, in the final match. Frank Trojan, New Brighton, MN, took 3rd, and Debbie Schisel, Mt. Prospect, IL finished 4th.

Bernie Nelson, from Pacific City, OR, was a long way from home, being in Minnesota to watch his Vikings get waxed once again...but he did manage to pick up **one** MRP to make his trip worthwhile.,

#### **American Legion Post 82 Open**

Gene Mikulsky, Sobieski, WI, once again took honors at this 57-pegger event, played at Port Washington, WI. He almost had to play his spouse Aggie for the title, as she finished a fine 8th. John Hiland took 2nd. John hails from West Allis, WI.

No consolation MRP's were awarded, as the event did NOT have the required playoffs.

#### **Potawatomi Peggers Pow-Wow**

Grand Master Jeff Shimp and tournament co-director decided to get paid for all his work in organizing this tournament...and won the main event, picking up another 65 MRP's on his way to Life Master. Jeff edged Rod Sweet, Allegan, MI (Jeff's old stomping grounds before moving to Shelbyville, MI) in the title match. Jim Goss (Bay City, MI), Don McEwen (Ypsilanti, MI) and the ever-present Duane Toll (West Allis, WI) took 3rd, 4th and 5th.

1990 All-American Helen Railsback, the Syracuse, NE flash, won the 22-pegger consolation.

## ***Eastern Region Roundup***

### **Larry Samet Tops Field of 166 at Holiday Classic**

### **George Edge Wins Yankee Classic**

#### **Holiday Classic**

The Millerville Men's Club in Blackstone, MA was alive with 166 peggers December 15...and veteran Master pegger Larry Samet, Wellesley Hills, MA came away with the top purse, just in time for some Christmas shopping! Larry picked up a sizeable number of MRP's (184) to run his lifetime total to the 3,400 mark, moving him into the "top 25 lifetime."

George Johnson, Fitchburg, MA, took 2nd and also picked up a nifty 181 MRP's. Charles Rapoza, Brocton, MA, and perennial winner Master pegger George Bickford from W. Springfield, MA, took 3rd and 4th.

Another Master pegger--Arthur Martin, Northboro, MA--had the hot hand in the qualifying round, earning 60 MRP's.

104 peggers stayed around for the consolation and James Cundy, W. Warwick, RI took home the marbles, edging Robert Drukman, the Eastern Region's MRP frontrunner from N. Easton, MA. Pat Frattallone, S. Windsor, CT, and Eastern Region Tournament Commissioner George Webb, Halifax, MA finished 3rd and 4th. George recently earned the 14th Grand Master rating awarded by the ACC...and he continues to pile up the MRP's.

A highlight of this tournament was John Schuch's 29-hand...only the 4th scored nationally this cribbage season. John hails from New London, CT.

Director Gloria Dyndur reported \$350 was donated to the Milk Fund. She also reports this meet will be played again next year (December 13, 1992).

#### **Yankee Classic**

George Edge edged the field of 134 peggers at the recent Yankee Classic, played in Manchester, CT, picking up a sizeable purse and 140 MRP's. George hails from W. Warwick, RI (this city has produced a bevy of winners lately).

Jim McDonald, Monson, MA came within an eyelash of winning, but settled for 2nd. In third and 4th was John Croce, Cranston, RI, and tournament director Gloria Dyndur, Woonsocket, RI.

Irving Torrey (Mansfield, MA) set the pace in the qualifying round, picking up 47 bonus MRP's.

Bernard "Brownie" Lusis (Bristol, CT) nailed the crowd of 90 peggers in the consolation. Jack Gauthier (New Britain, CT), Jerry Bernier (Wales, MA), and Robert Bradley (E. Hartford, CT) finished 2nd, 3rd, and 4th.

Directors Rit and Mimi Alkas are planning another edition of this meet next November 29, 1992. Mark your calendars.

#### **Larry Samet Wins Again**

Larry Samet is burning up the track in the Eastern Region, winning the Bay State Classic December 8 in Sumerville, MA, a week before capturing the Holiday Classic. Larry also took qualifying honors, picking up a nice bundle of 160 MRP's in this 118-pegger event. This two-week exhibition of cribbage is one of the best streaks in the history of the ACC. Larry edged Bob Benes, Bellingham, MA for the title. Sharlene Szaban, Ludlow, MA captured the 74-pegger consolation, edging slick-pegging K. C. Finley, Enfield, CT, in the title match.

## **13 th Annual Cleo Feamster Wins Florida Open**

The recent 13th Annual Florida Open had 84 peggers taking time-out from the sunshine...and when the pegs were laid away, Cleo Feamster from Clearwater came away with the title. Al Odom, a veteran pegger from Cayce, SC, came up the "bridesmaid" with a fine 2nd place finish. Atlanta's George Bright finished a strong 3rd, and Marlyne Arblaster took 4th.

Marlyne's husband, Jim, took 5th in the consolation event. Jim Arblaster has been a keystone in the operation of the ACC for years, and a member of the Cribbage Hall of Fame, an ex-editor of Cribbage World, longstanding BOD member, and one of the ACC's founding fathers. But the big winner in the consolation event was Tom Horigan, Largo, FL, with Russ Fisher, Orange City, FL in 2nd. 3rd and 4th were captured by Russell Cook, Punta Gorda, FL, and J. J. Gella, Fruitland Park, FL. J. J. recently had his hands full as co-director of last year's Grand National in Fort Lauderdale.

The hot hand in the qualifying round was held by Ted Depizol, Winter Springs, FL. Three 28-hands were held, but, alas, no 29's.

Director Dave Fournier ran a first class tournament and will once again hold the 14th Annual next November 13, 14, 15.

## **When You're Hot...You're Hot!**

Lloyd Scott, Seymour, WI, blistered the boards for TWO 28-hands at the recent Polish Open in Appleton, WI.

Roberta Schweig (Carpentersville, IL) and Ben Wells (Racine, WI) simply couldn't keep up that pace...as they ONLY scored one 28-hand each.

## **Welcome Texas! Lone Star Cribbage Roundup**

Texas, with Bill Byers from Fort Worth leading the way, is holding it's first sanctioned tournament April 3, 4, & 5.

The beautiful Holiday Inn in Irving, Texas will be the host facility...and is the largest "Holidome" in Texas, according to Byers.

The tournament is the "Lone Star Cribbage Roundup." See Tournament Trail, this issue for details.

*As a Montanan commenting on the "biggest" Holidome...reminds me of a joke:*

*A Montanan and a Texan were debating who had the biggest spread...and the Texan said, "My spread is SO BIG that I can get into my pickup truck and it takes me three days to get off my property!"*

*To which the Montanan replied: "You know, I used to have a pickup like that!"*

*the editor*

## **John Schuch Scores 4th 29-Hand**

John Schuch, was the Eastern Region's number one player last year...and this year he becomes the first Eastern Region player to score a 29-hand in sanctioned play!

At the recent (December 14) Holiday Classic, played in Blackstone, MA, John cashed in this 216,000 to 1 gem for \$100 from the ACC...just in time for a little hometown New London, CT, Christmas shopping.

This 29-hand is only the fourth scored this cribbage year...the other three were scored in the Western Region.

## 94 Years Old?

A reliable source informed Cribbage World that at his present pace, Rollie Heath, Lincoln City, OR, will be 94 years old when he earns his Master rating!

Readers may recall that Rollie was the recipient of an unwanted wooden sea gull for his retirement gift...and, perhaps when he turns 94 and earns his Master award, there won't be space for the award on his walls as they will probably be covered with wooden sea gulls.

## Oops...More Typos!

*Cribbage World* reserves the right to make at least three typos per issue...and we accomplished this easily with the last month's quiz.

Question 1's answers should have been 19, 25, 26, 27. Of course a 24-hand is somewhat common (my opponent always has a pile of those!). So cross out 24 and insert 25.

Question 3 should read 4-5-5-5-6, and 5-5-5-j-j plus nobs.

Luis Lizarribar, Ballwin, MO, also points out that question 8's answer could be 15 points, if the hand held is all hearts (4-6-10-j), with the 5 of hearts cut (for nobs).

*Cribbage World* simply wants to keep our membership on their toes!

## Five New Judges

Al Miller, Testing Examiner, reports five new judges. They are:

John Clary, N. Reading, MA  
Darlene Curran, Anchorage, AK  
Jeff Diez, Vandenberg AFB, CA  
Jack Howsare, Virginia Beach, VA  
Mattie Young, Spokane, WA

To date the ACC has certified 278 judges...4.4% of the membership. To take the Judges Examination, send \$3 to: Al Miller, 12 Michael Ave., Nashua, NH 03062-1418.

## Buckley Buckles in Portland

Harold Buckley is one of Alaska's best peggers...but at the recent Winter in Portland tourney the cribbage gods turned on him with a vengeance.

Alas, he won but 4 games of his last 30!

## End Game Odds by Russell Adams

When both players are on fourth street, and even earlier, they usually assess their winning chances according to board position. Dealership, of course, is critical. The dealer may be leading but at a locational disadvantage, and vice versa. The strategies (of discarding and pegging) depend upon how far each player needs to go out or to better one's position; and how lucky they feel. In this short piece, the End Game refers to situations where both players need 36 or fewer points, that is, in hole 85 (6 points from fourth street) or closer to home.

Based upon "normal" play and cards (9.5 points for the non-dealer and 16.0 for the dealer), the following table of equal chance is suggested from test runs at scaled positions. The chances are referred to increments of the non-dealer's "holes to go" and may be read either way. They are not exactly equal, but are believed to fall within a 45-55% range of likelihood.

Note in the table how the dealer points increase irregularly. If the non-dealer needs 2 to 7 points, the dealer's chances barely change, if only 3 to 4 points are needed; he must normally peg out, with the occasional help of the jack cut. If the non-dealer needs 10 to 12 points, which is slightly above average, the dealer may play defensively and hope to count out with the required 10 to 15 points, respectively. At 13 points needed by the non-dealer, the dealer has an equal chance at 18 points to go, and another deal is quite likely. The differences in "holes to go" for equal chances continues to increase until about 20 points for the non-dealer (and 27 for the dealer). Thereafter, the differences decrease as a third deal becomes more likely and the first dealer gets a second chance to peg out.

### Even odds of winning :

When the non-dealer needs																		
1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17-18	19-20	
2	3	3	3	4	4	4	5	7	10	12	15	18	20	22	24	26	27	
When the dealer needs																		
When the non-dealer needs																		
21-22		23-24		25-26		27-28		29-30		31-32		33-34		35-36				
28		29		30		31		32		33		34		36

*Russell Adams is a professor with a M. A. and Ph. D., and also a fine cribbage player. Perhaps the ACC membership should give this chart some credibility.*

## New Rule Changes

At the ACC's Board of Director's meeting (Raleigh, NC) August 26, 1991, several rule changes were adopted. These rule changes will be published in *Cribbage World* in a form that will allow members who have Rule Books to simply cut and paste these changes in their books. These changes will be effective March 1, 1992.

Members are instructed to clip out the Rules changes and insert them in the proper position in their Rule Book, deleting the corresponding changed Rule(s), Rules, Sections, and Sub-Paragraphs that are not affected below, remain unchanged. The current Rule Book changes include:

Clip & paste in your Rule Book

**RULE II, Section 1.** (replace unnumbered paragraph at top of page 9):

The pack must be mixed at least three (3) times with the cards faces down or otherwise hidden from both players. The Dealer is not permitted to look at the bottom card after the last shuffle. Should a Dealer do so, Pone is to remind Dealer of the prohibition and score a two-point penalty. The pack shall then be reshuffled.

**RULE III, Section 3, a-b-c.** (replace "a" at bottom page 9; replace "b" at top of page 10; and add new sub-paragraph "c" as the second paragraph at top of page 10):

a. A cut is required before each Hand is dealt. Dealer shall place the pack on the table for the Pone to cut. The Pone shall not look at the bottom card of the top packet. Should Pone do so, Dealer is to remind Pone of the prohibition and score a two-point penalty. The pack shall then be reshuffled and cut again.

b. After the Pone's cut, the bottom packet shall be placed upon the top packet. It is not permitted to distribute the cards from a fraction of the pack. The Dealer shall not look at the bottom card of the pack at any time after the cut. Should Dealer do so, Pone is to remind Dealer of the prohibition and score a two-point penalty. The pack shall then be reshuffled and cut again.

c. Should the cut be forgotten, before the Pone's cards are picked up, the Pone may remind the Dealer that the cut was not offered and the pack shall then be reshuffled and the cut made. There shall be no redeal after the Pone's cards are picked up.

# Letters to the editor...

## FAIR? LOGICAL?

In a written survey at our recent tournament, we asked the players to register their opinions and comments as to the scoring system we employed, that is one game, one point. We received a 1/3 response as follows: favoring 1 game, 1 point :24 or 40.7%; favoring 3-2 rule: 35 or 59.3%. Comments varied from a very #@\* to thoughtful statements on both positions.

Obviously our opinions are known. We believe, for instance, that a "Grand Slam" should only be beaten by another "Grand Slam" with a larger points spread, not by someone with less wins **who runs a string of skunks to EXCEED** the game point total of the "Grand Slam" where in the games-won-tie -breaker **does not** come into play.

So, we say, it's okay if one player scores 17 wins of 22 games with no skunks and another scores 16 with 2 skunks, the 17 game winner prevails. However, if the 16 game winner scores 3 skunks we do not have a game point tie and the 16 game winner prevails. FAIR? LOGICAL?

But "Tradition" says a skunk is worth one and one-half games. Of course this "Tradition" is only 12 years old, estimated 1979.

For further on this, we refer you to the "President's Corner" in August 1990 *Cribbage World*.

## Cribadier General's Program

A couple of months ago, I started the 1991-1992 Cribadier General's Program fund-raising drive by sending letters of solicitation to all the Grass Roots cribbage clubs for which I have addressees. To date I have commissioned three donors into the ranks of the Honorable Order of Cribadier Generals, and received additional donations and some very kind words of support from three Grass Roots clubs.

On behalf of the Cribadier General's Program, I proudly thank and recognize the following for their donations:

**CG Dorothy Roum, Joseph, OR**  
**CG Ken Cambell, Modoc, SC**  
**CG Patrick Marino, Punta Gorda, FL**  
**Paul Batterson, Tolland, CT**  
**Oregon's First, Hermiston, OR**  
**Wallowa Valley #42, Joseph, OR**  
**Dalton #109, Quincy, MA**

Also long overdue, thanks and recognition to **CG Bob Deeds, Elgin, IL**, for his donation to Operation Desert Storm.

Additional donations (checks made to: American Cribbage Congress, CG Program) from individuals, Grass Roots clubs, and tournament directors may be sent to:

## Susan Mills Has Solution

Susan Mills, Rolla, MO, writes with a solution to slow play. She believes that if every player had a clock to punch, ala chess style, slow play could be eliminated.

She writes: "They may scream, gripe, and holer, but no one will have to wait more than five minutes per game for a slow player."

Comments, anyone?

## Help the Handicapped!

Congratulations to Dick Cornwell for his letter concerning the physically handicapped.

I played cribbage all my adult life, I am 69 years old. I had two 29-hands over 30 years ago. I have double skunked about three opponents, and have been double skunked twice myself.

The games that gave me most pleasure were those played with sick individuals. As a chief X-ray technologist in a small hospital, it was not unusual to receive a call from the staff asking me to go play a game of cribbage with a patient. It was my pleasure to go always.

I ran a small non-sanctioned tournament last summer and I observed a man watching a friend playing a game. I asked the gentleman why he didn't play. He put his two palms of hand up and said, "I can't shuffle. Two palms, no fingers." I told him that next week he could play if he wished. Your opponent will shuffle the cards for you. For the rest of the summer this man had a good time playing cribbage. No one should be deprived of playing the game.

I mentioned this man to an ACC director, hoping that he would tell me that he could play in sanctioned play. I was told that most cribbage players would not like it. It's a damned shame! Let's do something for the handicapped and the elderly.

## February Quiz Solution

The world's largest cribbage board is a behemoth 8 feet x 40 feet, constructed of two huge cedar logs split in half (4 halves) complete with 4-foot high pegs...and is currently in a shed behind the Valley Bar in Ronan, Montana (pop. 1,000).

The 1993 Grand National in Missoula may possibly have this board on display.
