41 Members Running For Election

American Cribbage Congress Elections

Every two years the American Cribbage Congress elects a new Board of Directors. This two-year term begins September 1, 1993, and will run for two years (cribbage years 1994 and 1995).

This Board consists of 25 members, elected by members of the American Cribbage Congress. ACC by-laws allows no more than four members from any one state to serve on this Board. This year's election has some 41 members nationwide running for this office.

Those elected will take office at the BOD meeting at this year's Grand National in Missoula. This BOD meeting is scheduled for Friday, September 24.

Members are asked to carefully weigh the abilities of

all candidates, as those elected will represent you and the ACC membership for the next two years.

Election Procedures

This issue has a Voting Centerfold, complete with a cut-out postcard for our member's convenience. Our married couple members will receive an additional ballot (inserted and stapled). These ballots are pre-addressed to the ACC's Election Chairman, Rich Maringer, 1212 Huxley, Madison, WI 53704. If any members wish to keep their vote more confidential, they may insert their ballot in an envelope and mail to Maringer.

All 41 candidates have a nomination biography published in proximity to the voting postcard in this issue. Pick your candidates carefully, and vote for no more than the limit allowed.

All ballots must be postmarked no later than July 1, 1993.

4th Street Terrorists Winners Again Wayne Glashan Wins World Championship Iris Fuller Consolation Winner

Concord, CA's 4th Street Terrorists are aptly named, as once again, they have come up winners. Wayne Glashan, Pittsburg, CA, topped the 246 peggers to claim the World Championship, \$1,400, and 256 MRP's, at Quincy CA's 22nd annual event. Another 4th Street Terrorists...Sundae Webb...took 2nd (and \$850). The 246 MRP's earned will vault Sundae over the 600 MRP mark for this cribbage year, giving her a shot at top ten honors.

Cy Madrone, Santa Barbara, CA took 3rd (\$550), and Jim Hartle, San Jose, CA 4th (\$450).

Once again, Russell Nelson, Phoenix, AZ, came away as top qualifier. Russell set an all-time high mark of 44 GP's in Reno...and continues his hot qualifying scores.

Master pegger Iris Fuller, the veteran pegger from Denver, CO, nailed the 120-pegger consolation event, edging rookie Jason Severson, Chico, CA, in the final match. Jason's 2nd place finish is a great start for his tournament career. Les Lawrence, Magalia, CA, finished 3rd, and Rich Burns, San Leandro, CA, took 4th.

The satellite events: Friday doubles- Elizabeth Rice, James Hartle (San Jose, CA); Cry-baby- Bill Urlevich, Seattle, WA; High-roller- Dean Deniz, Nevada City, NV; Kozlowski Memorial Award (high Nevadan)- John Jantos, Carson City, NV.

This World Championship event is the longest running sanctioned tournament on the west coast. Founded some 22 years ago by Ev Bey and other Quincy Rotary Club members, this event has spawned organized cribbage in the western USA. Attested by the 246 peggers, this event is still going strong...and paid out some \$15,000 in prize money.

The Quincy Rotary Club has long funded community charitable causes with a portion of the entry fees.

Last year's winner of this event...founder Ev Bey...was roasted this time around, as he was wheeled into the arena on a portable throne, regally garbed in robes and crown.

Co-chairmen for this event are Mike Taborski and Dan Smith...and they conducted a first-class tournament. Number 23, same time, same place, next year! Mark your calendars!

Rex Paddock Breaks Jinx, Wins Hermiston Open

Rex Paddock, co-director of the upcoming Grand National XII, has been on the tournament trail for the past ten years...and despite winning many satellite events, consolations, and high finishes in main events...he has never won a sanctioned event. That is, until the recent 8th Annual Greater Hermiston Open, in Hermiston, OR.

This Missoula, MT, pegger had quite a weekend, as he qualified high, was a member of the first place team in the team event, and continued on to edge all 136 peggers in the main event.

Another veteran Master pegger, Al Grantz, Kelso, WA, finished 2nd, and is no stranger to high finishes, and took yet another 2nd. Roger Lueschow, Maple Valley, WA, had a fine tournament, taking 3rd. Local Bill Jones took 4th, continuing his usual high finishes.

Jack Moritzky, Nabton, WA nailed the 96-pegger consolation, edging Donna Hassett, Salem, OR in the final match. Ernie Standard, Island City, OR, took 3rd and local Denny Edwards finished 4th.

The hot hand in the qualifying round was held by Ed Edwards, Boise, ID. Ed teamed with Joe Dunn (Boise) to win the doubles event to complete a fine weekend. The high-roller event was won by Ray Hanes. This Walla Walla, WA pegger continues his fine run.

As usual, directors Ken and Betty Capper ran a first class event, complete with their usual calcutta, and Saturday banquet. Ken's trophies are always unusual, and highlight his tournaments.

Ace-Ace-Ace-Ace-Three = 15?

Ray Hanes and Jan Foster were pegging in the high-roller event in Hermiston, and the play went ace-ace-ace-ace for "twelve" (four of a kind). The next card played was a three and the count went "15 for two." Play continued with neither player recognizing the error.

Bill Dettman Tops Village Inn Open

Local Bill Dettman topped the field of 84 peggers at the recent Village Inn Open in White Bear Lake, MN, edging John Hartman, St. Paul, MN, in the final match. Bill Cook, Rhinelander, WI took qualifying honors.

48 peggers stayed around for the consolation, and Jim Pfluger took the crown, edging Tracy Radosevich, Medford, WI in the final match.

The satellite events were captured by two Appleton, WI, peggers: Bob Loch (Friday early bird), and Ginny Danielski (last chance).

Director Ron Hamilton was pleased with the turnout, despite a late date change, and apologizes for any inconvenience caused by this date change. Grand National XIII will be played in St. Paul, and director Hamilton is simply getting used to any emergencies than may come his way next year.

Duane Toll, Gary Motley Make MRP Move

Ed Lawrence Tops 196 at Oregon Coast Classic

Bud Ferrigno Takes Consolation, Saturday Special

The weekend was a wet one in Lincoln City, OR, but when the sun came out, it shined brightly on Edward Lawrence, as he claimed the Oregon Coast Classic title, \$1,200 and 200 MRP's! His final match was a tough one, as he edged Arlene Halldorson, Long Beach, WA, 4-3 to claim the championship. Arlene finished 2nd.

Two premier players...Life Master Duane Toll (Kenosha, WI) and Grand Master Gary Motley (Gresham, OR) slugged it out for 3rd and 4th, with Duane coming away the winner. Both players scored sizeable MRP's (182 & 172) and join the 1993 MRP race for the roses. Toll stands at nearly 900 for the year, while Gary is near the top with 1,040 (unofficial).

Bud Ferrigno, the Canby, OR, king of cribbage won the consolation...and the Saturday night special, to go home a winner! Denny Van Orsow, Culver, OR, has been coming close lately, but had to settle for 2nd in the

consolation. Susan Powell, Albany, OR took 3rd, and Tim Hutsell, Crescent City, CA took 4th.

Lea Hornbeck has been tearing up the track lately...and with a 3rd place qualifying score (and 61 MRP's) becomes the 150th ACC player to earn Master (scoring 2,000 MRP's lifetime). This Washougal, WA, player was top qualifier and champion of the recent Northwest Open.

The Friday night events were won by Harold Schmelzer, White City, OR (high roller), and Earnest Gregory (Siletz, OR) teamed with Walt Howell (Toledo, OR) to take the doubles. The cry baby event was won by Nancy Lorenz, Salem, OR.

Director's Jeanne & Roy Hofbauer, Bernie Nelson, and Rollie Heath ran a first class tournament, attested to by the increased crowd from last year. And as usual, Marvis Reynolds added her expertise to keep all events on track.

Vignettes From Lincoln City

The Oregon Coast Classic in Lincoln City attracted players from throughout the United States. Ford Jewer and Lee Norris from Rhode Island were spotted pegging away, as well as New Yorker Lucille Simpson. Duane Toll and Deb Schisel, from Kenosha, WI, made a short weekend vacation to the coast...and they went home a winner!

And when these visitors to Northwest play sat down to play Glenna Golik, champion of last year's Capital City Classic in Salem, OR, they were given a clue to her skill if they were observant. She wears a set of cribbage pegs for ear rings!

A play that made bystanders chuckle: pone holds 3-3-4-5 with a 8 cut...and scores 12 (instead of 14). Then the dealer lays down a 1-2-6-7 (with the 8 cut) and scores 7 (instead of 9). The pone snickers and teases the dealer, pointing out that he really had 9! The dealer was a little more polite, and did not retaliate!

Duane Toll, the Kenosha, WI, Life Master, was quoted as saying (after he had cashed on three teams in the team events): "We don't play team events back east...but I like them!" It's a lot more fun when you win!

Robert Smith Scores 29 Betty Schaeffer Takes the Gold In Florida

Kissimmee's Betty Schaeffer lead an assault by Floridians and won the recent Gold Coast Spring Classic in Miami Springs, FL. Betty took on the field and came away the winner in this 70-pegger event, edging another Floridian in the final match...John Dolan from Sebastian.

Russell Cook, Punta Gorda, FL, finished 3rd, and Marvin Lang, Woodstock, IL, took 4th. Marvin was a long way from home, but with the 49 MRP's continues a fine season, nearing the 500 MRP mark,

Jackie Depizol, Winter Springs, FL, captured the 48-pegger consolation, getting by local Joe Daesch in the final match.

A highlight of this tournament was a 29-hand scored by Robert Smith. This was only the 12th 29 scored this cribbage year, and will reward Robert with \$100 from the ACC, and a framed award at this year's Grand National in Missoula, MT this September.

Two 28-hands were scored...Rueben Greenblatt from Spring Hill, FL hit this nifty hand...and 25 minutes later Walter Collins, also from Spring Hill picked up another. They both drove to the tournament together.

In Memoriam

Harry Hanson

Coventry, Connecticut

Although ACC member Harry Hanson never earned a Master Point, his contributions to local cribbage competition will long be remembered. At the 3 Senior Citizens centers where he played, he insisted 25 to 50 cents was enough to risk. The tournament styled hand-crafted cribbage boards he left will be a permanent reminder of this octogenarian.

6,665

The American Cribbage Congress is on a roll. Membership stands at 6,665, with sanctioned tournament play at an all-time high. Record numbers of tournaments are being scheduled, and 1993 looks like a banner year.

California leads the way in memberships with a whopping 1,264, followed by Oregon with 726. Wisconsin sports 645 members.

President Bob McCabe left Utah to return to Wisconsin...and Utah is now in the lurch with zero members, joining Mississippi as the only states with no members. We have one lonesome member in Alabama.

Players are scoring record numbers of Master Points, attesting to the popularity of the game. Last year, any player scoring 285 MRP's made the top 50 in their Region, and received an invite to the Tournament of Champions. This year's projections are up substantially...with 350, or more, MRP's needed to earn an invite to next year's TOC. Keep pegging!

Joan Rein Takes Hawkeye Classic

Master pegger Joan Rein, Carver, MN, won the Hawkeye Classic, a bundle of bucks, a "Hawkeye State" trophy, and 120 Master Points in winning the Hawkeye Classic in Des Moines May 2.

Joan's final match was a tough one with Eugene Mikulsky, Sobieski, WI, as every game went to the wire. A month earlier, Joan played the consolation finals with Aggie Mikulsky at the Granite City Classic in St. Cloud, MN...and she also won that match.

The Mikulsky's are in the thick of the MRP race for this cribbage year...and 2nd place will certainly pick up those Master Points.

Protocol: Sanctioning A Tournament

All sanctioning requests should be forwarded to your Regional Commissioner at least 5 months before your tournament.

The Commissioner then forwards an approved request to *Cribbage World* for publication. Writing or phoning the editor of *Cribbage World* complicates the ACC's procedures, as *Cribbage World* must have approval from a Regional Commissioner before publishing the upcoming tournament in "Tournament Trail."

See page 14, May edition of *Cribbage World* for your Commissioner's address and phone number

16 trophies have been sponsored to date. The Grand National XII directors wish to thank all that have donated.

Tiered Tournament? Experimental Tournament in Providence

Director Joe Seigle has been given permission by the ACC Board of Directors for an experimental tournament. This unique event in Providence, RI, August 27-29, will give novices and non-tournament players an unprecedented opportunity to score well and possibly win a tournament. Players will be seated in the qualifying round in accordance with their lifetime MRP total. Novices will play novices, and masters will play masters. See "Tournament Trail," this issue for details.

Charles Vance Fell Through The Cracks

Portland, OR's Charles Vance is on a tear this cribbage year. The February issue of *Cribbage World* had him listed 7th in the Western Region with 432 MRP's to his credit...then he simply disappeared from the monthly standings.

A check with Bob McCabe, our chief statistician, and Jeff Monroe, our membership chairman, has failed to pinpoint the problem. Somehow, Charles was dropped from the rolls of the ACC despite having a paid up card. One possible cause may have been a change of address that was not properly posted. In any case, the ACC, and *Cribbage World* apologizes to Chuck for this omission. Keep pegging, Charles, and make the top ten!

This Month's Quiz

An 8-game cribbage match with 64 players used some 950 decks of cards. Name the city the match was played, the date, and why the tournament required 950 decks of cards. Answer on page 9.

Grand National XII

Many of our ACC members have inquired about vacationing in Montana, along with attending Grand National XII in Missoula September 24, 25, and 26.

The state of Montana, in conjunction with Governor Marc Racicot, have a program to help out-of-staters plan a vacation in the Big Sky State. On the back side of this clip-out is a request for a Montana Vacation Planning Kit. This kit includes a multitude of information...lodging, recreation, and other information. If you are interested, get this in the mail right away, as it will take from three to four weeks to process your request.

We hope to see you in Montana this September...and we want you to have a good time, and a nice vacation, too, if you have some time to spend in "The Last Great Place!"

Bayard Lliteras Bob Sommer Earn Master Rating

The American Cribbage Congress awards two players their Master rating. They are: Bayard Lliteras, Coeur D'Alene, Idaho, and Bob Sommer, Excelsior, Minnesota.

Bayard finished in the 5-8 bracket at the Montana Championship, scoring 71 MRP's to reach the 2,000 point plateau...and Master status (number 148). A veteran on the Northwest circuit, Lliteras is always a threat to win any event.

Bob Sommer is one of Minnesota's premier peggers, and he recently earned his 2,000th MRP to earn the 149th Master rating awarded by the ACC.

Madison Masters Classic XV Frank Trojan In Madison

Frank Trojan, a Master pegger from New Brighton, MN, nailed the 152-pegger Madison Masters XV in Madison May 9. Frank walked away with a nifty purse and 160 MRP's.

Local Tootsie Adams came in 2nd, and picked up some 152 MRP's.

Quiz Solution

In 1986, Scott Kooistra organized a duplicate cribbage match in Minneapolis, MN. 32 players vs. 32 players, with two sets of winners. Each side had identical cards that were played from an envelope, sorted by each hand and starter card. Since no shuffling was required, the match played very quickly...1 1/2 hours! Each game used roughly 130 cards, and a total of 950 decks were consumed in playing this interesting match. Who were the winners? Bob Sommer on the north, and Phyllis Schmidt on the south.

High Score Cards? How About a Low Score card?

Cribbage World recently published two supper score cards...22 GP's in 9 games with +194, and +201.

An anonymous letter from Club 111 (Quincy, CA) had a score card as follows: 0 GP's, minus 245!

Cribbage World will not reveal the players name, but a clue: the player's initials are A. L., and the membership number is CA-1828.

Cribbage In Schools Program

Karl Grube heads up the ACC's Cribbage In Schools Program, and he has a package available for any member who would like to volunteer to teach cribbage in schools.

Grube also has a Classroom Instructional Kit available for the wholesale price of \$25. The kit includes two books, a long board, Bicycle cards, a \$7 ACC membership, and \$3 for shipping via UPS.

Cyril Schmidt, Gary Carpenter Score "Worthless" 29-Hands

Cyril Schmidt, GR #90, Appleton, WI, was warming up for club play, and, oops, there it was...a nifty 29-hand! And then there was Gary Carpenter, GR #120, Wisconsin Rapids, WI, playing a game after completing his 9-game match, and, needing 28 to win, and, oops, there it was...a 29-hand! Both players were one game off. One too early, and one too late. Such is life!

Cribbage World thanks Patrick Barrett, Regional Statistician, for his nifty four-page newsletter and the above tidbit.

Board of Directors Election

Term of Office: September 1, 1993 thru August 31, 1995 (2 years)

This centerfold ballot contains biographies of 41 candidates. You may vote for as many candidates as you like, but **NO MORE THAN 25**. Mark your ballot with an "X" in the box of the candidate(s) of your choice on the clip-out postcard ballot. This ballot is pre-addressed to our ACC election chairman Rich Maringer, 1212 Huxley, Madison, WI 53704. Attach a 19 cent stamp and mail. If you prefer privacy, you may mail in an envelope (address to Rich Maringer). Married couple members will receive an additional ballot inserted in this issue.

James W. Angell, Concord, CA.

I have been an ACC member for 10 years. I am currently the Grass Roots Commissioner of Region IV. I am a past Board Member of the ACC. I would like to serve the ACC in this capacity again. Thank you for your vote.

Jim Arblaster, Kissimmee, FL.

One of the founding fathers of the ACC. He was the secretary-treasurer for the first 5 years ('79-'84). He has been a member of the Board since its inception. Jim originated: ACC Hall of Fame, a National Rating Points system, was a member of the rules committee, on and off, for about 10 years. He started a Junior program which included a fund raiser, better known as the Cribadier General Program, which supported the Junior program and its National Tournament. It was an excellent start for the Junior Program. Jim was elected to be the ACC Hall of Fame on the 2nd ballot after Joe Wergin. Vote for Jim, the big instigator. (Submitted by Robert A. Read).

Phillip Babcock, Alexandria, VA

Appointed to the Board in 1990 and is currently a member of the Board. Currently chairman of the ACC Promotions Committee. Director of a Grass Roots club for the past 4 years.

Patrick Barrett, WI. Dells, WI

31 years old, wife Linda, 2 children. ACC member and tournament player for 13 years. Tournament director-Wisconsin Dells Classic. Grass Roots club founder and director (#120). Grass Roots Regional Statistician (MI, MN, WI). Active ACC Judge. Current top 100 lifetime Master player. Surrounded by family of ACC members (Jack, Arlene, Mike, Linda Barrett). Pat is willing to listen to

any member with a problem or idea. He's young enough to help make positive changes and see they stay that way in the future. Goal: to see Mr. Wergin's dream of a successful tournament world-wide.

Joe Bernard, Libertyville, IL

I have been a member of the ACC for the past 11 years and during that time the Congress has been the focal point of my life. I have served on various committees at the National Open for 9 years and have helped at other tournaments whenever asked. I feel that I have a good knowledge of cribbage and of the rules and ethics that go along with it. I will attend all ACC Board meetings within my power, and agree to serve on any committee to which I am appointed. If elected, I will work very hard for the betterment of the ACC. I would appreciate your vote.

Roy Carlson, Wallace, ID

Please put me on the list as a nominee for election to the Board of Directors in the upcoming election. Member in good standing: 12 years. Tournament director: 12 years.

Jerry Dickinson, Mt. Horeb, WI

Member of the ACC Board of Directors since 1986. National Commissioner of the Grass Roots Program since 1986. Member of the ACC Hall of Fame. Recipient of the President's Award (1990). Co-director, Madison Master's tournament. If elected, I will continue to promote the Grass Roots Program as the Hometown Component of the ACC, in which 175 clubs have been chartered to date, and I will continue to willingly serve on any ACC committees to which I am appointed. Your support in the forthcoming election would be greatly appreciated.

Kenneth Capper, Hermiston, OR

I live with my wife, Betty in Hermiston, OR. We are both 65 years old, have been married for 47 years, with 3 grown children. I have been in the real estate business since 1976. Prior to that I barbered for 28 years. I served in the Air Force for 18 months in World War 2. Betty and I built and operated a store and campground from 1960 to 1970 at which time we sold the business. In 1985 we bought a motel and lounge and restaurant. We did extensive remodeling, built up a nice clientele and sold 2 years later. Seven years ago as a hobby, we started to make cribbage boards and fancy pegs. Now it has become a full-time business. You no doubt have seen our ad in *Cribbage World*. For the last 8 years we have directed cribbage tournaments in Hermiston. We are both ACC life members. We like to make as many cribbage tournaments as possible, usually travelling in our motor home. Cribbage has enabled us to make many close friends. If I am elected I will try to the best of my ability to help the ACC continue to grow and become even better.

DeLynn Colvert, Missoula, MT

If elected I will continue to work for full disclosure on mandatory tournament flyers so our ACC players know full well what to expect in format, prizes, etc., at all sanctioned tournaments. In addition, if elected, I will work for standard formats nationwide, so all our ACC players can compete on equal terms. My past duties with the ACC include being editor of *Cribbage World* and Awards Chairman.

Retired as Editor-Publisher after a 55-year career as a newspaperman, now living in Sun City West, AZ. Spearheaded and shepherded recent approved revisions of the ACC By-Laws, new Rules Book, Hall of Fame nominating and voting procedures. A native of La Crosse, WI, SOB ("Sweet 'Ol Bey"), learned the grand old game of cribbage in the Badger state and ain't nobody's pigeon!

George E. Bickford, W.Springfield, MA

I would like to place my name in nomination for the ACC Board of Directors for the two year term, starting Sept. 1, 1993. I feel that I am qualified to serve and would like to list my qualifications. I have been involved with the ACC since its inception, at the 1979 National Open in Raleigh, NC. I ran my first tournament in 1977 and the first sanctioned tournament in the Northeast in 1980. Since this time I have run a doubles tournament for 12 years. I also have been involved in the National Open Consolation Tournament in Raleigh for the past 10 years. The first 5 years on the committee and the last 5 years as chairman. I have been a judge since 1988 and recently have been appointed a Senior Judge. I also received my Masters rating in 1990. I feel that I am qualified to handle any duties required of me by the Board of Directors. Thank you for your consideration.

R. T. Connelly, Yountville, CA

I would like to nominate myself, R. T. Connelly, CA-0655-L. Having been in tournaments from the big one in Reno to Ed's Teeny Tiny tournament. I cannot advise anyone on how to win. I could relate to differences between tournaments at various locations.

Fred Dettling, Aurora, CO

Served on a number of committees and attended all Directors meetings during this period. I am retired from the USAF and United Air Lines as an instructor pilot. If I am re-elected, I pledge to represent the members of the ACC in the best way possible.

Mickey Griffin, Lincoln, NE

I would like to continue to contribute to an organization which has given me so very much.

Roy Hofbauer, Washougal, WA

Have served 2 terms on the BOD. Western Region Tournament Commissioner. Senior Judge. Tournament Co-director of Oregon Coast Classic for 3 years, Co-director of Reno Open for 1 year. Grass Roots member since 1987. Have attained Master rating and placed on All-American team in 1991 and 1992. I enjoy belonging to and working for the ACC and hope to see the game keep growing and will continue to promote the great game of cribbage, if elected.

Jones H. Horn, Fairfield, CA

Director of the Solano 29ers Cribbage Club and ACC Certified Judge. Having completed 13 years on the City of Fairfield Planning Commission last year, I am seeking a new challenge. Just as I served the community I live in, I would like to return something to the members of the ACC for the many wonderful hours I've enjoyed on the cribbage tournament trail. Election to the Board of Directors would enable me to share a decade of planning experience and consensus building expertise for the good of the ACC.

Lea Hornbeck, Washougal, WA

Director Grass Roots Club #28. 10 years tournament cribbage player. Age 67, retired from Pendleton Woolen Mills. 43 years supervisory capacity. I am a certified judge. If re-elected to the BOD, my goals will continue to encourage more junior tournaments and work to standardize tournament and Grass Roots score cards. I would also strive to carry on the excellent work done by the previous Boards.

Ray Hanes, Walla Walla, WA

I have been a member in good standing since 1987. I received my Master rating in 1992. If elected, I will work towards more uniformity, particularly in tournament starting times and the number of boards in lieu of money given as prizes.

Larry Hassett, Roseburg, OR

I have been a member in good standing for five years, and a certified judge for three years. I have served the Grass Roots program as NW statistician for 3 years. I am a strong supporter of this Grass Roots program. Your vote will be appreciated.

Avid supporter of Grass Roots play with active recruiting program in southeast Virginia. Assists in directing both Portside Open and Virginia Beach Classic. Helped directors to implement scorecard cross-checking procedures at SE tournaments. Goal is continued improvement of the ACC to benefit ALL players at both tournament and Grass Root levels.

Bob McCabe, Milwaukee, WI

I have served on the BOD since 1984. Since that time I have served as Assistant Secretary, Statistics, which entails keeping the Master Point records. In 1991, I was elected Executive Vice-President and succeeded to the Presidency in August of 1992. I have recently moved back to Milwaukee, WI from Provo, UT.

Beverly Sauer, Portland, OR

ACC BOD Sept. 1991-Sept. 1993. Director Portland Winter Open, member Hall of Fame Committee, member of Grass Roots and ACC past 7 years. Please vote for me. My first two years on the Board were a learning experience and now I feel I could be much more effectual continuing to serve on the Board.

Wayne Sharp, Fairfield, CA

I am running for the BOD of the ACC because of a genuine interest in helping the ACC continue to grow. Will work to keep the game of cribbage equitable, competitive and enjoyable for all. Your vote will be truly appreciated.

Jesse Jarrell, Pittsburg, CA

I've been a CA resident for, oh, so many years and travel the tournament trail extensively, North to South and Coast to Coast and have been rewarded by meeting some mighty fine cribbage folks. I'd like very much to represent and serve you on the BOD. I have been an ACC member since 1983 and a certified judge for many years. Past President of GR club 54 and co-director of our annual Devil Mountain Open in Concord, CA. For several years now, it has been my honor to be spokesperson for the Veteran's Day Open and also the Independence Day Open in Reno, and assist in many other tournaments nationwide. The "Cribbage Goddess" has blessed me often in the past allowing me to earn four All-American honors and Life Master status. Again, it would be my pleasure to serve you on the BOD and help try to improve things in the ACC where possible. My time and mind will be open to anyone with suggestions. Your vote and support will be greatly appreciated.

Scott Koolstra, Yankton, SD

I am a charter member of the ACC, and have served on the BOD for 12 years. Last year, I was selected as the Executive Vice-President to serve as Chairman of the Board. In 1990, I was very honored to be elected to the Cribbage Hall of Fame, and have served as the head judge at both the National Open and Grand National. I am a current Life Master player and have earned six All-American honors. It's also my pleasure to have directed the World's largest tournament this winter in Reno. I believe even more must be done to increase our publicity and promotion of the great game of cribbage. We must continue to support cribbage in schools and among our youth with instruction, tournaments, whatever it takes to keep the game alive. I ask for your vote in this election to continue serving the fine membership we have.

Jeff Monroe, Napa, CA

ACC membership Secretary for the past 5 years and a member of the Board since 1987. Spend hundreds of hours each year on ACC business. An enthusiastic participant on both the Tournament Trail and Grass Roots Program, I look forward to working on the Board for the benefit of all ACC members and the continued growth of the ACC. Thank you for your vote.

Ron Morgan, Missoula, MT

Director and charter member of Quincy, CA GR club #11 from its inception, until moving to Missoula in June, 1992. Cribdier General. Having grown up in Quincy, home of the World Championship, my heroes weren't all cowboys, but were instead famous cribbage players (this small logging town in the NE corner of the state boasts several Master and World Champions). I read electric meters for the local power company, and worked with numbers a lot, so cribbage seemed natural. I entered my first tournament in Quincy (after donating lots of US currency to local charities) and managed to place in the top 8! I made a few bucks and was hooked. Since that day, I have travelled all over the NW, competing in various tournaments, and to the East (SD, MN, WI, and even NC). If elected, I will strive to represent all of you fairly, in trying to promote and improve the game through standardization of tournament formats, guidelines, and play on a national basis. Thank you for your votes, and hope to see you all at the Grand National in Missoula, MT in September.

Lee Norris, N. Kingstown, RI

Former Naval person and retired teacher. Current and active Board member having participated in all meetings and served on several committees. I heartily support the Cribbage in Schools Program and will continue to work to promote the ACC at every opportunity. Your vote will be greatly appreciated.

Catherine Perkins, Bear Creek, NC

Jim Waldorf, Madras, OR

I have enjoyed my 2 years on the BOD and am looking forward to another term. In Sept. of 1992 I sold my Real Estate firm. This should give me more time for "CRIBBAGE." I appreciate your vote.

Joe Ramos, W. Warwick, RI

I currently serve as Vice-President of operations for the ACC and have been on the BOD for the past 4 years without missing a meeting. I am the statistician for Region IX and national statistician for the Grass Roots program. Responsible for researching and tabulating life time rating points and establishing an awards program for the Grass Roots Program. Certified Judge and have been used in this capacity in many local and national tournaments. Received the President's Award in 1992. First Grass Roots member to receive the Bronze Award. Founder and director of the RI Classic League (club #31), director of the RI Open, largest tournament in the NE. Past president of the RI Cribbage Assoc. My aim is to improve and expand the ACC for the benefit of all its members. Thank you for your past support and look forward to serving you in the future. I would appreciate your vote in the forth-coming election.

Jim Ready, Stoughton, MA

I wish to enter my name for the upcoming election of the BOD. I have been a member in good standing since July, 1989 and a certified judge since May, 1990. Since joining the ACC in 1989 I have attended every National Open and ACC Open. I would have no problem attending the Grand National if elected. In fact, I have a proposal on the table to host the 1995 Grand National. In 1992 I earned the distinction of Cribbage Master.

William C. Wright, El Cajon, CA

"Bill," 57, is a native of Illinois and a practicing labor law attorney in San Diego. He's also been an amateur pilot since 1958 and is the author of numerous aviation-related articles and stories. Like many other "peggers," he couldn't figure out for many years what people were doing with cards and those funny-looking boards and pegs, so 8 years ago he asked Bridgette, his mentor. A few years later they stumbled onto the ACC. "Bill" is the organizer-director of the first ACC Grass Roots club (#79) in Southern CA and was appointed to the ACC BOD last year by Joe Wergin to complete an expired term. He served on the Constitution and By-laws Committee, both of which were consolidated and revamped last year.

Joan Rein, Carver, MN

I have served on the BOD since 1986, during which time I have also been recording secretary as well as Secretary General since 1987. I have worked the Tournament of Champions and the ACC Open since 1986, in the capacity of director for 6 years, as well as coordinator the last two. And together with my spouse Jim, have directed the MN Valley Open for 10 years as well as coordinated and assisted many other tournaments in the Midwest. I have also served as a judge, including head judge, for several years at many events. It has been my pleasure to serve you in the past and I will continue to serve you to the best of my ability in the future.

Jeff Shimp, Shelbyville, MI

Founding member of ACC. BOD member since inception. Chief Judge 4 years and tournament director 2 years for ACC (JPW) Open (Reno). Chief Judge at National Open (Raleigh) two years. Chief Judge at Grand Nationals (Prineville and Green Bay). Co-director of annual Potawatomi Peggers Pow Wow (MI). Appointed Commissioner of ACC Judges Program. Perfect attendance at BOD meetings for many years. I continue to emphasize clearer, more concise rules and player protection (from unscrupulous players and/or tournament directors). I have appreciated the opportunity to serve on your BOD and solicit your support to allow me to continue to help build the ACC.

Letters to the editor...

Ancient Age Whiskey Wins Again

As many a cribbage player, I am sorry and sad to learn of Milo's passing. I always looked forward to seeing Milo each time he came to play here in Prineville.

One thing that I will always remember as long as I live was something Milo said to me one time...

In the middle of a tournament in Baker one year, I was getting ready to start a game with Milo, and as I looked across at him I noticed three cocktail glasses, of which I made mention. Milo looked me right in the eye and said "I play a pretty good game of cribbage when I'm drinking, and I'm drinking a little bit all the time!" And then he proceeded to show me!

Joe Nelson

*Director, Oregon Championship
Prineville, OR*

At almost every stop on the cribbage tour in the Northwest, the playing hall was instructed to stock up on Ancient Age whiskey...because Milo was coming to town!

Long Odds

I am writing this letter to find out about the odds of two identical hands being held by my opponent and myself back to back. At our Grass Roots meeting, these hands were held back-to-back. Hand 1: we each held ace-2-3-3 with a 10-card turned. Hand 2: we each held 7-8-8-9. The odds of that happening must be very high. I am sure that it has never happened to me that I can remember the 50 years that I have been playing. By the way, I got the worst of the deal.

Thank you for the very well put together magazine that is published every month.

4th Tie Breaker

During a GR tournament recently, we came upon this problem: the highest player had 14 GP's, the next 2 players had 13 GP's, same number of games won, and the same number of net plus points. The question is: who is the number two winner? Some said it should be a tie and prize money split equally. Others said that you go to the highest plus points before deducting the minus points.

Since this happened, I called Roy Hofbauer and he informed me that the correct way was to go to the highest plus points, *before* deducting the minus points. I believe that this is a gray area and is not covered in the rule book. Maybe you could put this in CW so everybody that is a member would become aware of it.

*Darrell Hunstad
Nipomo, CA*

Roy is absolutely correct...but an easier way to figure this 4th tie breaker is adding the minus points...and believe it or not...the player with the most minus points is the winner. Goofy, but true. And it's a lot easier to add the fewer minus games. Trust me!

Nix On Mandatory Membership

Mandatory ACC membership: I disagree! If we want to entice new members to the ACC, how can you get a new player to come to an ACC tournament if you force him/her to shell out \$7 for membership if they don't know if they want to play the "strict" ACC rules. With an average of \$50 entry fees, I believe a new player should get to play in at least one ACC tournament before "Membership" requirement.

The Old 22-Peg Play

The following cribbage hand was a delight for one who feels a 12 count is great. This was the first hand of our regular evening's play. Needless to say, it left my opponent depressed and made me elated.

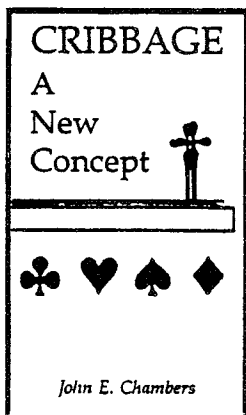

I held A-5-5-5, and my opponent, David Thorne, held 5-J-Q-K. David led a K, my 5 for "15-2," David's 5 for "20 for 2," then my 5 for "25 for 6," a "go," and my 4th 5 for "30 for

12," and my ace for "31 for 2." A total of 22 pegs.

Undoubtably there have been better hands, but I thought CW might be interested in this unusual one. David tells me there was another 7-count in the crib for a total for the deal of 43.

I score this play about once a year! How sweet it is!

Jesse Jarrell, Paul Hatcher, Gary Motley, David Clemmey Set MRP Pace

Life Master Jesse Jarrell (Pittsburg, CA) continues to lead the national MRP race for this cribbage year. With but two short months to go in this year's race for national honors, Paul Hatcher (Salem, OR), Grand Master Gary Motley (Gresham, OR), and David Clemmey (Mansfield MA) are hot on Jarrell's heels. Jarrell leads with an unofficial 1,216 MRP's, with Hatcher, Motley, and Clemmey within 200 MRP's of the lead.

Ken Cochlin, Kennewick, WA, is making a move, edging up to the 900 MRP mark. Doug Page, Little Chute WI, is also at 900 MRP's, with an excellent chance of earning All-American honors. Life Masters DeLynn Colvert, Missoula, MT, and Duane Toll, Kenesha, WI, also stand at 900 MRP's.

Wayne Steinmetz, Milwaukee, WI, and John Hiland, West Allis, WI, are over the 800 mark. Ed Horigan, Virginia Beach, VA, with 779 MRP's, has an outside chance of overtaking the leaders.

Several large tournaments remained to be played this cribbage year. The MRP race for top ten honors will be keen with 25 players (or more) still in the race. *Cribbage World* predicts 1,000 MRP's will be required to earn All-American honors.

Al Tenenbaum 147th Master Pegger

Al Tenenbaum is New Jersey's top pegger...and with a nifty 6th place finish (of 144 peggers) at the 3rd Annual Orlando Open, has zipped over the 2,000 MRP mark, and becomes the ACC's 147th player to earn Master rating. Al hails from Cranbury, NJ.

He will receive his Master's trophy board at this year's Grand National Awards Banquet, Saturday night, September 25, in Missoula, Montana.

The 1993 cribbage year has produced 24 Master players, one Grand Master (Bob Madsen) and two Life Masters (Bob McCabe and Jim McManus).
