## Kelso, Washington Pegger Wins Two Events In Eight Days Darrel Miotke Makes MRP Move

Al Grantz, a quiet, unassuming pegger from Kelso, WA, is one of the ACC's premier "streak players." Last October, he nailed three consecutive events (not sanctioned) in Montana. On May 22 he went south to the Bill Mitchell Memorial in Smith River, CA, and came away with the championship, besting some 62 peggers in the process. Then, seven short days later, on May 29, he once again won a sanctioned event. This time he came away the winner in the 103-pegger Cascade Classic IX in Redmond, Oregon.

Grantz is a Master pegger, and with this double win he will wing it to the 3,000 MRP mark...and keep him peggin' in the top 100 nationally.

Another streaking pegger is Darrel Miotke. This Sublimity, OR pegger nailed 2nd in Redmond (after finishing 5th at the huge Oregon Coast Classic two weeks earlier)...and moves into the top five nationally in the torrid MRP race, standing at well over 1,100 MRP's.

Roger Lueschow, Maple Valley, WA, finished 3rd, followed by tournament co-direct-

or Lucille Endicott from nearby Bend, OR.

82 peggers stayed for the Consolation, and local Bob Gorden came away the winner. One of the USA's MRP front-runners, Bernie Saueressig (Richland, WA) took 2nd (45 MRP's). Bob Nunamker, Hood River, OR, nailed 3rd, with Master Louine Lyda, Forest Grove, OR, taking 4th.

Other winners: Ken Capper (Early Bird); Jim Gogolin & Ed Park (Doubles); Bill Becker & Dale Brandon (High Roller); David Harnes (Sat. Special).

## **Potawatomi Peggers Powwow**

# **Wayne Steinmetz Scalps 78 Peggers**

Wayne Steinmetz, one of Milwaukee's premier peggers, scored a whopping 982 MRP's in the 1993 season, just missing All-American honors. He continues to pile up MRP's by winning the recent 78-pegger Potawatomi Peggers Powwow in St. Joseph, Michigan, edging another Milwaukee area pegger...Marlene Lazachek...in the final match. Not only did Wayne win the tournament, he was also high qualifier, and with the combined 116 MRP's earned, becomes the ACC's 188th Master rated player.

Tournament director Jeff Shimp finished 3rd, followed by Sue Schenk, Wyoming, MI in 4th.

Darlene Vantuinen (Wyoming, MI) nailed the 48-pegger Consolation. Michelle Gryka (Grand Rapids, MI) took 2nd, followed by Lucille Simpson (Lewiston, NY), and Ron Hirshman (Milwaukee).

Director Shimp reports this event will be rescheduled again next May.

## **Henry DeLong Tops In Connecticut**

Master pegger Henry DeLong, Woburn, MA nailed the recent Connecticut Championship, after qualifying 4th, and with the combined 150 MRP's, has zipped well over the 500 mark for this cribbage year.

Another Master pegger...Doris Perkins, Quincy, MA...finished 2nd, followed by Joyce Vanelli (Quincy, MA) and Gloria Welch (Braintree, MA).

Not only did Vanelli finish 3rd, but topped the

104 peggers in the qualifying round to take honors.

Master pegger Ken Vetterline, Bar Mills, ME took home the bacon in the 70-pegger Consolation, followed by 1993 All-American David Clemmey, Mansfield, MA. Joe Cornellsen, Halifax, MA, and Bob Waltzer, Medford, MA finished 3rd and 4th.

Director Bill Shoemaker plans on renewing this event next May 21.

## Joe Ramos Eastern States Champ

Joe Ramos, West Warwick, RI, joins three other premier champions (Al Dinwoodie, John Chambers, and Joe Seigle) by winning the recent 125-pegger Eastern States Championship in Chicopee, MA. Ramos prevailed over Leo Cyr, Somerville, MA, coming back from 0-2 to win 3-2.

Corrine Moore, Westminster, MA took 3rd, and Malcolm Enos, Ridgefield Park, NJ finished 4th.

Paul Downey, Somerville, MA, took qualifying honors...and for the 2nd year in a row Rit Alkas, newly crowned Grand Master from Manchester, CT, qualified 2nd high.

Richard Brault, Palmer, MA, nailed the Consolation...and keeps alive his top ten hopes for this cribbage year. This "rookie" (first year) player is at the 800 MRP mark. Ken Vetterline, a Master pegger from Bar Mills, ME, took 2nd, followed by Elinor Breen, Avon, MA in 3rd and Charles Burgess, E. Greenwich, MA, in 4th.

Director Emil Chrabaszcz reports that Jeffery Gibbons and Napoleon Soares scored 28-hands, but, alas, no 29-hands showed.

## Pat Llewellyn Tops In Brattleboro

Pat Llewellyn, tournament director of the huge inaugural Tri-Valley Open played in Medway, MA, March 13, came out of her "Tri-Valley" and played in the Tri-State Open in Brattleboro, VT...and took honors! And after qualifying 3rd, the 142 combined MRP's vaults her to the 500 level for this cribbage year.

Ray Tondorf not only scored a rare 28-hand, but finished 2nd, followed by Joe Seigle, Coventry, CT in 3rd. Robert Boulris, S. Bellingham, MA took 4th.

The ACC's youngest Master pegger...Brian Heroux, Woonsocket, RI, captured the 64-pegger Consolation, besting Al Miller, a Grand Master from Nashua, NH, who is knocking on the door for his Life Master (nearing the 6,000 MRP mark). Brenda Palmer, W. Springfield, MA, took 3rd, followed by Phil Martin, E. Hartford, CT, in 4th.

## Jim Gogolin's Timing Is Bad

Jim Gogolin is Idlewild Park (pop. 80), OR's premier pegger. But his timing is off lately. He held 5-5-5-5 and cut a jack for a nifty 28-hand. Alas, his opponent pegged out before he could count this gem.

## Thomas Azevedo Is In...1,023 To Go!

Thomas Azevedo, Spring Hill, FL, is chomping at the bit, and is the first player to get his entry in for next year's JPW/ACC Open in Reno.

The possibility exists for a 1,024 limit for players (a sellout) and he certainly will not miss this show. Director Scott Kooistra is currently getting dates, etc. organized. Our membership will be notified as soon as details are worked out. Don't be player no. 1,025!

Azevedo writes that "I attended the '94 JPW/ACC Open, qualified 9th, had a little luck at the Sands Casino, and had a great time!"

## 74 Peggers

### **Roy Banducci Cops**

#### **George Florentine Memorial**

Master pegger Roy Banducci, Arroyo Grande, CA, came away with the George Florentine Memorial Classic Championship in La Puente, CA April 23, besting some 74 peggers in the process.

Pauline Carpenter, San Bernardino, CA finished 2nd, and Linda Swiontek, Santa Maria, CA edged Art Kaai, Costa Mesa, for 3rd. Art finished 4th.

The hot hand in the qualifying round belonged to Watson Elliker, West Covina, CA, as he took honors.

No Consolation was played. Director Ron Guidotti plans on renewing this Memorial event next April.

### **Medford, OR's Mail Tribune Features Cribbage**

Medford, Oregon scheduled its first sanctioned event June 10-12...and the local paper (Mail Tribune) featured cribbage in the May 15 issue.

Chuck Jones, a local Medford player, who has been playing for some 40 years, gave writer Cleve Twitchell the inside scoop about this great game...resulting in an almost full-page story, complete with a huge color photo of an old-style three-track "S" board. The story listed all the playing spots in the area...so the local clubs should take on a few new members...

### **Cribbage Cruise Full, But Don't Give Up If You Want To Go!**

Cruise Director Doris Denny reports that the upcoming Cribbage Cruise this October to Mexico has been fully booked.

However, she reports that a possibility of obtaining a few more berths exists...and if you would like to go, call her for the latest developments. Don't delay, as time is short. Her number: (404) 431-9301. Call in the morning or in the evening. She says she is a night owl, and stays up late every night!

## **Medford, Oregon Off And Running**

Medford, Oregon sanctioned its first tournament June 10-12. This meet was hosted by the Lion's Sight and Hearing Center in Medford.

Some 56 peggers played in this inaugural meet...and some \$1,005 was donated (or earned via lunches, coffee, etc.) for the Sight and Hearing program in Medford.

DeLynn Colvert, Life Master, One Star, came a long way from his Montana home, and managed to win his nation-leading 21st sanctioned event, edging John Armstrong, Salem, OR, in the final match.

Former All-American Paul Hatcher...another Salem player...is making a late-season move and finished 3rd (and also won the Friday High Roller), followed by rookie pegger Jason Jakubos, Roseburg, OR. This was Jason's first sanctioned event, and he made an exceptional showing, as he also qualified 3rd.

The Consolation was won by Mike Derrick, Tillamook, OR. Jim Gogolin, Idleyld Park, OR, took 2nd, followed by Jim Brooks, Crescent City, CA, and Bernie Nelson, Pacific City, OR, in 3rd and 4th.

The doubles event was won by the St. Yves duo (Sandy and Bob) from Prineville, OR. Other winners: Friday Time Passer; Harvey Honeycutt, Beatty, OR; Cry Baby; Sharon Wilson, Jacksonville, OR.

Director Marvis Reynolds plans on a second edition of this meet next March (to escape the summer heat).

### **Jackie Doppelt Has Fancy Pegs**

Jackie Doppelt, Vacaville, CA, sports fancy pegs when she attends cribbage meets...and she will sell you a pair if you ask. Peg cases, too!

### **Player Loses Teeth, Fails To Show**

A well known west coast player was on his way to Medford, OR, to play in their inaugural event...but, alas, he lost his false teeth at a rest stop on the way...and he failed to show. Too much pride!

# Kathy Hays Hot In Nipomo

Kathy Hays, Santa Rosa, CA, took home all the marbles at the recent Nipomo Open in Nipomo, CA. Not only did she qualify in the top spot, she won all the playoffs in sight...and even hogged the two-person team event (with help from Roger King, Santa Clara, CA). And not satisfied with the top spot in the team event, she also teamed with Swede Hanson, Santa Rosa, CA...and took home the 2nd prize, too!

Milt Bramer, Santa Maria, CA, got to the 2nd place playoff bracket, but, alas, Kathy was simply having her day, and Milt settled for 2nd.

In the Early Bird doubles, John Ford (Hawaii) and Roger Fuller (Arroyo Grande, CA) took home the top prize, and the Saturday Night Special saw Cy Madrone (Santa Barbara, CA) come within one point of scoring a "grand slam.!" Nevertheless, the eight-win card took honors.

The 58-pegger Consolation was won by Rick Rickmyer, Concord, CA, followed by Rodney Rideau, Lakewood, CA, and Harvey Honeycutt, Beatty, OR.

Tournament director Darrell Hunstad reports that all the players seemed to have had an enjoyable time...and all enjoyed a delicious Bar-B-Q chicken lunch.

## Grass Roots Information

Many players write to *Cribbage World* asking where and when local players play. This is not the best place to get these answers.

### Harvey Cohen

Milwaukee, Wisconsin

Harvey passed away May 24. Wisconsin peggers have lost a good friend and a tough competitor. He will be sorely missed by his many friends...and especially Tom Gallagher who wrote "He will be missed by all his friends and even the people he tore up at our tournaments...good luck Harv..."

## Get Well, Gene

Tom Gallagher, the MGM crew, and Cribbage World send best wishes to **Gene Mikulsky**, who recently had major surgery. Get well...and keep on peggin'.

## *The Spectator*

*by Don Tuttle*

*What is this game some people tout  
That takes a perforated board,  
and little pegs they push about?  
One wonders if they've lost their gourd.*

*They count their cards, and numbers spout,  
Like 'fifteen two and he makes three'.  
One wonders if "to lunch they're out."  
No obvious consistency.*

*I've watched the play, a thousand times,  
And have to say it don't make sense.  
'Cause nothing fits, and nothing rhymes.  
Or am I kinda, sorta dense?*

*Someday I'll watch the game again.  
Perhaps once more will turn the tide.  
I'd hate to spend my time in vain.  
I'd like to learn it 'fore I've died.*

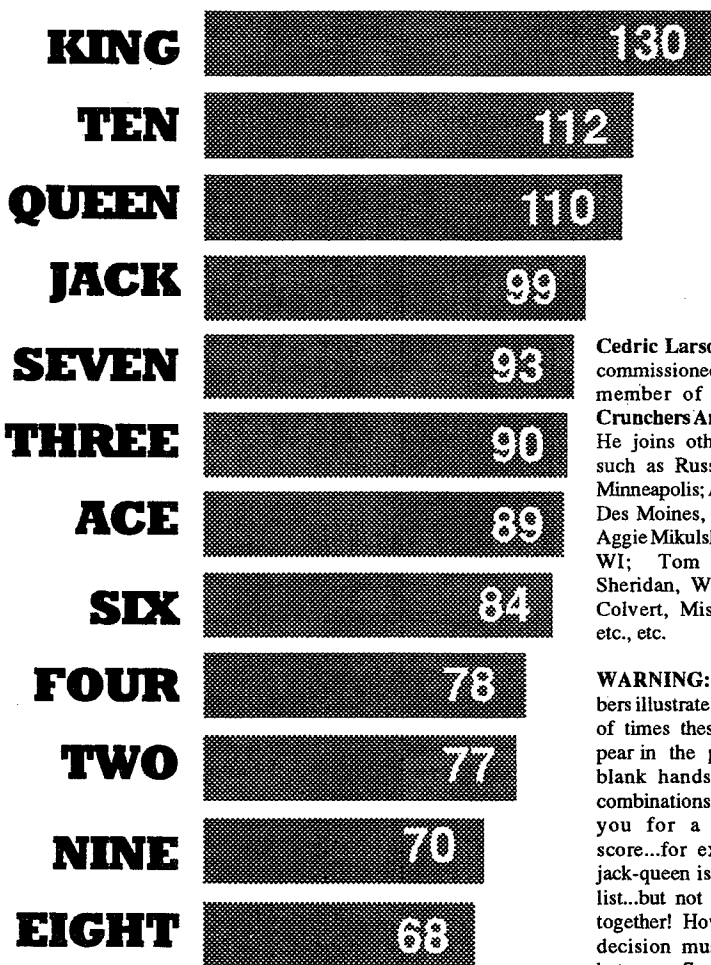

*Would learning crib improve my vanity?  
My standing among all humanity?  
Or, with a modicum of profanity,  
Condemn me to complete insanity?*

# Oh, Those Goose Eggs!

## Cedric Larson Joins "Numbers Crunchers Anonymous"

Forestville, California's Cedric Larson has recently completed a thorough study of "Nineteen Hands!" Using Wergin's book "How To Win At Cribbage" as reference, Larson laboriously charted on talley sheets the 220 possible blank hands (not counting flushes) and counted the cards that comprised these hands.

Not surprisingly, the king is the most common card in a "nineteen" hand...appearing some 130 times. The ten-card come next, showing in 112 of the 220 hands. The following chart gives the breakdown. Of course, the five is not listed...as a singleton five will always score at least two points (even if not involved in the two points).

Cedric Larson is hereby commissioned a bonafide member of "Numbers Crunchers Anonymous." He joins other notables such as Russell Adams, Minneapolis; Allan Lichty, Des Moines, IA; Gene & Aggie Mikulsky, Sobieski, WI; Tom Mentock, Sheridan, WY; DeLynn Colvert, Missoula, MT; etc., etc.

**WARNING:** These numbers illustrate the numbers of times these cards appear in the possible 220 blank hands. It's those combinations that will get you for a large crib score...for example, the jack-queen is high on the list...but not if discarded together! However, if a decision must be made between a 7 or 8 discard to your opponent ...discard the 7. The 7 is 27% safer!

## Anthony Del Tufo Wins High Roller Granite State Classic, Keeps Hat In Ring For National Honors

West Bridgewater, MA's Anthony Del Tufo nailed the recent 50-pegger Granite State Classic in Nashua, NH, and, in addition to a sizeable first prize (\$100 entry) came some 53 MRP's, keeping Del Tufo in the national MRP race for this cribbage year.

In this best 4 of 7 head-to-head match (double elimination), Susan Cousens, Windham, ME finished a nifty 2nd, followed by Frank Gallo, Cranston, RI, and Bob Karlan, Randolph, MA in 3rd and 4th.

32 players stayed for the Consolation, and Bob Waltzer, Medford, MA edged Napoleon Soares, Brocton, MA, for the title.

Director Al Miller will play this "high roller" event again next June 3 and 4th. Save your money...and mark your calendars.

## Ah, Those Custom Pegs!

Ben Hester, Roseburg, OR, showed up for the Medford, OR, Lions Benefit sporting some unusual pegs...hand-made daggers with real deer horn handles.

Helen Railsback, take note! (Her "six-shooters," however, are hard to beat!)

#### Jack H. Corbett

Wilmington, North Carolina

Jack died unexpectedly on May 16. Jack was the first member from North Carolina to join the ACC. He will be missed by the Wilmington Cribbage Club, the South East tournaments, and his wife Faydene...his favorite opponent.

## Rookie Lacey Davis Qualifies 2nd in 1st Tournament

Rookie pegger Lacey Davis, Redmond, OR, qualified 2nd (of 82 peggers) in her first sanctioned event at the Cascade Classic IX in Redmond, OR...and then finished in the 9-16 bracket.

At this pace, she will probably be seen in Reno in the Tournament of Champions in the not too distant future!

## Motel Rates Misquoted in Hermiston

At the upcoming Midway Open in Hermiston, OR this July 15-17, a flyer was distributed quoting motel rates that were correct...two years ago. Alas, inflation is still among us...and the rates are slightly higher. Director Al Stillwell apologizes for the oversight.

That

## President Emeritus Joseph Wergin and Educator Dan Zeisler Direct Youth Cribbage Program

President Emeritus Joe Wergin and Educator Dan Zeisler have kicked off a "Youth Cribbage Program.

Wergin writes CW that "The family that plays together, stays together"...and California teacher Dan Zeisler has developed a training program for our nation's youth.

In addition to Zeisler's efforts, Wergin is kicking off the drive with a personal contribution of \$100. As founder of the American Cribbage Congress and the Grass Roots Program, Wergin states "It's my dream that membership in the Congress will reach 40,000 by the year 2000. It can be done, will you help?"

If you are interested in teaching youth in your community to play cribbage, and want more information, write to:

## Peer Tournament Scheduled

The ACC Board of Directors has approved a Peer Tournament for 1994. Windsor Locks, CT, near Bradley Airport, will be the location. The date is August 27-28.

The first sanctioned Peer event ever (in 1993) encouraged about 50 non-tournament players to play in their first tournament. Perhaps at least 50 more newcomers will play this year.

Novices, occasional players, Grass Rooters, and regular tournament players all get to play their Master Point Peers in 22 qualifying games. One out of four overall qualify for the playoff rounds...a random seating round-robin, and final head-to-head play using conventional pairings. For additional information, see "Tournament Trail" this issue, or call Joe Seigle at (203) 742-7234 or John Chambers at (401) 831-4157.

## So What?...I Wanna Know!!!!

Can they play a game of cribbage  
and score fourteen at thirty-one?  
Can they get sixteen cribs often  
while peggin' is alertly done?

Can they spot players reneggin'  
and cite the rules when they apply?  
Can they snivel and whine all day  
and still lose games as much as I?

# Letters to the editor...

## Alternate Deals, Please

*This letter edited as the length was too long for CW's format*  
Cut for deal at the TOC, the JPW/ACC Open and other events in Reno, 4 February, 1994. My record in the TOC: lost 13 of 14 cuts. For three days, lost 45 of 54 cuts...I have pressed for alternate deals.

The playing field in cribbage can be tilted by the uncontrollable luck factors, why would T. directors choose to tilt it further with a cut (luck) for deal procedure?

...skill levels equal, the first dealer will win about 12% more...How more equal can it be in a tournament where the top 300...are participating?

...Why, in matches of 2 of 3, 3 of 5, or 4 of 7, after the first cut, does the loser deal?

...A well respected tournament director and perennial top player...states that skunks occur more frequently in the first dealer's favor...a skunk is rewarded with 3 points instead of 2 points...

...Tournament directors who run their tournaments on the cut for deal basis, and not alternating (say it is difficult) logistically to accomplish alternating deals. It's interesting that we can place people in space, but can't figure out how, in a simple card game, to utilize alternating deals.

...Some directors (argue) for not alternating deals, is that they do not care to have a player play 12 games or more with the same deck...Why not...move the deck after every 5 games? I would suggest every 2 games.

...I have developed a high degree of respect for the fine, dedicated people who give many...hours of their time to coordinate tournaments...However,...I doubt that I would participate in Reno in 1995...if the ground rules, where more luck is introduced, remains the same as in 1994.

## Connecticut Championship Dominated by GR 109

We can't resist letting you know about GR 109 once more!

I think there were 112 in the tournament, but you'll get the official results from Bill (Shoemaker) shortly.

GR 109 Joyce Vanelli qualified 1st  
GR 109 Joan Morrison qualified 2nd

As it was a 1/8 tournament, out of the top 14, 7 were from GR 109.

Henry DeLong won the tournament, but:  
GR 109 Doris Perkins finished 2nd  
GR 109 Joyce Vanelli finished 3rd  
GR 109 Gloria Welch finished 4th  
GR 109 Joan Morrison finished 7th

In the consolation, Joe Cornelissen finished 3rd, also GR 109.

In the 3-man teams, GR 109 took all nine places (first: Morrison, Welch, Perkins; 2nd: Leo Horigan, John Rooney, Jim Ready; 3rd: Horigan, Rooney, Perkins).

Altogether I think we had 12 people at the tournament, and I think 10 cashed something. I think a friendly rivalry adds fun to GR...

We average 36-40 per week, and have 51 members registered. We seem to be almost all on the same level of play, and cancel each other out a lot, and we have a rather low percentage in the top 10%. The top six cash each week, and it is frequently just by one or two spread points. They are a great group...We challenge other GR groups to write in.

# GRAND NATIONAL

## *Lucky 13*

The Ramada Hotel in St. Paul, Minnesota will be buzzing with members of the American Cribbage Congress on Friday, September 23. At seven o'clock sharp play will begin with two events...an Early Bird \$20/9 game match, and a High Roller \$50/9 game event. These two matches will kick off the 13th Annual Grand National, and it promises to be a good one.

The Ramada Hotel, located at 1870 Old Hudson Road in St. Paul (just off I-94 on the eastern side of St. Paul) will host this event. They will offer free airport shuttle and discounted rooms (\$52 single or double). The Ramada offers large convention-sized playing areas, and should be able to handle a large crowd with ease. Rooms may be snapped up early, and tournament directors Ron Hamilton, Joan & Jim Rein, and Scott Kooistra advise players to sign up and reserve rooms as soon as possible.

And, of course, every Grand National hosts the annual Awards Banquet. Players who have earned honors throughout the 1994 cribbage season will be honored for their exploits "on the boards." An official Invitation for those receiving awards will be printed in the September issue of *Cribbage World*. Players who have earned Master, GrandMaster, LifeMaster, Life-Master, One Star, All-American Team (top ten nationally), All-Regional Teams, Hall of Fame Inductions (if any), Grass Roots Awards, President's Award, and 29-Hand Awards will be presented.

The Ramada will offer a two-choice menu...Roast Prime Rib, or Chicken Oscar, both for \$20. In addition to the usual side dishes, coffee and dessert are included. A cocktail hour (cash bar) will kick off the banquet, beginning at 6:30 PM, with dinner at 7:30.

For those who are dedicated peggers, and do not wish to attend the banquet, a \$20 Saturday Night Special will be played. This nine game affair begins at 7:30 PM. And, of course, a Consolation event will be played Sunday at 10 AM, and a Last Chance is also scheduled for about 3 PM Sunday.

Entry deadline for this prestigious annual affair is **September 15**. Tournament directors will certainly appreciate entry as early as possible to alleviate that last minute crunch. Last year's event in Missoula, MT had 406 peggers on hand, and this number could easily be surpassed for "Lucky 13!" Sign up early!

On the back side of this page is your official entry form. The Main Event's entry is \$50, with an optional \$15 Q-pool. The playing schedules and entry fees are listed for your perusal on this entry form.

## What's The Rule?

Here is something that happened in a play-off game that isn't specifically covered in the rule book. I would like to see a ruling on this in CW and have the Rules Committee include it in their next rules change.

The play was on fourth street. The pone had a 8 count which would have made the score at hole 107. However, the peg ended up in hole 14 on first street.

The following are suggested diverse rulings on this mis-pegging:

A- The back peg sitting at hole 99 becomes the front peg as on pegging backwards.

B- Place the front peg in hole 107 as "no one ever pegs 87 holes backwards."

C- The pone has gone around the 121/"out" hole, thus has over-pegged and falsely claimed the game, and be penalized accordingly.

Mary Gladish  
Concord, CA

*Cribbage World checked with Jeff Shimp, our ACC's Chief Judge, and he concurs with (B). Jeff stated that in situations not covered specifically by the rules, that common sense should prevail, and a sportsmanlike decision is called for. In this case, simply place the peg in the right track (with no penalty), and the game continues. Ed.*

## 'Bushel?'

I just noticed on page 12, June CW, the "Cribbage Cliches" by Russ Adams. Several years ago when Bill Soderholm, who originally hails from Minnesota, began playing with our club he used the term "bush" or "bushel" for a dozen. I had never heard this expression before and asked him about it. He did not know the origin. I figured it came from something that had to do with 12 divided into a bushel.

Anyway, I couldn't come up with anything meaning 12 and maybe it just came from the loose use of the word to mean "a large quantity." Just curious, does anyone know the origin of this word as it relates to the game of cribbage?

Philip Babcock, Alexandria, VA

*Are you sure Bill is not from North Dakota? Ed.*

## More On Mandatory Membership

In response to Patrick Barrett's letter (June CW), concerning mandatory ACC membership and his response to Harry Kantas' letter (May CW). He made the statement "We can't and won't force a player to join the ACC." Pat, I have one question for you and the other 22 BODs who voted down membership, "WHY, ten minutes after voting down mandatory for ACC tournaments, did YOU VOTE FOR MANDATORY MEMBERSHIP for the Grass Roots Program?"

I was there and heard all the "arguments." The same arguments apply both to the ACC and GR programs. There was much concern for the time ACC directors invested in a tournament, WHY did this concern VANISH when applied to Grass Roots? Joe Ramos estimates he puts in 30 hours per WEEK, 8-9 months of the year as National Grass Roots Statistician. Each Regional and club statistician puts in a lot of time also. But according to those 23 BODs, there is a difference. It reminds me of the man who could logically prove that water runs uphill! He redefined "up" as being towards the center of the earth, therefore, water runs uphill!

Lest we forget, it's the VOLUNTEERS who make up BOTH the ACC AND Grass Roots program work. They deserve a LOT more credit, help, and cooperation than they get.

Larry Lee Hassett  
GR Region II Statistician  
Roseburg, OR

*Larry, you certainly make some good points for mandatory membership, but, once again, everyone pays a \$1.50 sanctioning fee to play in national tournaments, and many players are unknown to the tournament director. Any mandatory system, in this case, would have to be the "honor system" (or require expensive membership rosters for all directors). In Grass Roots play, local players are well known to the local director...and no \$1.50 fee is paid for each match. I'm sure this ongoing debate will continue in the future. I think we are beating a dead horse, though, as almost all players are members who play in ACC meets. And if not, they soon will be...if they enjoy the camaraderie and the game! Ed.*

### Any Texas Peggars Out There?

Until January of this year I didn't know the ACC existed. Now after six months of reading your publication, I wonder if there are any cribbage players in Texas.

As a displaced Yankee who learned the game from his grandfather in Maine over 30 years ago I am unable to find anyone here in the Lone Star State who plays. It would no doubt be too much to ask a native Texan to pull himself away from his dominoes long enough to learn the game, and indeed that might be a fruitless effort given the necessity to count over ten, which in many cases would require the removal of boots. However, there must be some cribbage players in the Dallas area who need a game. With all the retired military and other imports in Texas there should be the potential for even a small tournament.

Can you help? Maybe a wanted poster in CW would get things moving. I would welcome your suggestions

Des, in April, 1992, Bill Byers ran a sanctioned tournament in Irving, Texas. However, he didn't follow up the next year. Perhaps you and Bill can get things rolling again in Texas. Drop him a line at 5726 Ensign Dr E., Fort Worth, TX 76119, or give him a call at (817) 478-6839. Any other Texans out there want a little pegging action...drop Des a line or give him a call.

### Rinaldi & Sorenson: 84,100 to 1!

The odds against needing exactly five cuts to determine the first dealer (Rinaldi & Sorenson, June CW) are...84,100 to 1.

I wouldn't try to beat it.

## **Master Point Race** **Bob Julian Maintains MRP Lead**

### **Lulinski, Bernard, Miotke, Del Tufo, Van Orsow Have Outside Chance For National Honors**

Milwaukee's Bob Julian has been seen coast to coast pegging for national honors...and his last stop at Daytona Beach, Florida netted another batch of MRP's, running this year's total to well over 1,500.

Running in 2nd place is Syl Lulinski, the Grand Master from LaGrange Park, IL. Lulinski, however, is some 200+ points behind Julian's near-record setting pace, and with but one scant month to go, will be hard pressed to overcome this lead.

Joe Bernard, a Life Master from Libertyville, IL, Darrel Miotke, Sublimity, OR, Tony Del Tufo, W. Bridgewater, MA, and Denny Van Orsow, Culver, OR, have all cracked the 1,000+ barrier, but will have a difficult task in catching the streaking Julian.

Del Tufo and Miotke have made the biggest gains recently. Tony nailed the High Roller Granite State Classic and finished 9-16 in the Eastern States Championship to add some 100 MRP's to his total (not yet posted) and Miotke has been on a roll lately in the Northwest adding some 300 MRP's to his total the last month or so.

In the Western Region Roy Hofbauer, Willie Evans, DeLynn Colvert, R. M. Robson, Bernie Saueressig, Ken Cochlin, and Gary Sand are in a heated battle to earn a top-ten spot.

In the Central Region, John Hiland, Patrick Barrett, and Robert "Mick" Michaelis all have an outside shot of earning National honors.

In the Eastern Region, Ed Horigan (at nearly 1,000 MRPs), Bill Medeiros, Rit Alkas, Leo Horigan, John Rooney, Joe Cornelissen, Richard Brault (rookie this year), Harry Palmer, and Albert Miller remain in the hunt.

Once again, the projected MRP total to earn top ten honors will be the near 1,100 mark. Keep pegging, everyone!

## **Leo Horigan, Al Dinwoodie Earn Grand Master Mary Gladish New Master**

Leo Horigan, a premier pegger from Stoughton, MA, became the ACC's 26th Grand Master on May 15 by qualifying 5th and finishing 6th in the Connecticut Championship.

On May 29, another Eastern Region premier pegger...Al Dinwoodie...qualified 10th and finished in the 9-16 bracket, picking up 68 MRP's to wing it over the 4,000 MRP mark for this Coventry, RI player and the ACC's 27th Grand Master. Bob Julian is reported to be the 26th Grand Master (on the back inside page), but a late reporting of Horigan and Dinwoodie's exploits makes him no. 28.

Mary Gladish, Concord, CA, nailed the World Championship in the qualifying round (finishing 3rd of 256 peggers) and earned the 188th Master awarded by the ACC (Wayne Steinmetz, due to this late report, thus becomes the 189th Master).

## **Bill Mitchell Memorial Has 100% Paybacks**

Vernon Ward, director of the Bill Mitchell Memorial reports he paid back 100%, less the \$1.50 sanctioning fee, to players at the recent Smith River, CA, Bill Mitchell Memorial. Keep 'em pegging, Vernon!

## Bob Julian Earns 26th Grand Master Wayne Steinmetz 188th Master

Bob Julian, Milwaukee, WI, has been picking 'em up and laying 'em down in style this year, and is leading the nation in the annual Master Point race...and in the process of earning well over 1,500 MRP's for the year, has earned Grand Master as well. The magic moment came June 11, when he qualified 2nd (of 82 peggers) in the 3rd Annual Daytona Beach Open. This is only the 26th Grand Master awarded by the ACC.

Wayne Steinmetz, another Milwaukee pegger, nailed the Potawatomi Peggers Powwow in Michigan...qualifying first and winning the playoffs...to earn the 188th Master awarded by the ACC.

## Beverlee Honeycutt Scores 13th 29-Hand

Beverlee Honeycutt, Beatty, OR, has been on a roll lately, scoring 28-hands on a regular basis. On May 21, she nailed a 28-hand at the Bill Mitchell Memorial in Smith River, CA...and then again on June 10 at the Medford Lions Early Bird, she scored yet another 28-hand.

But the next day (June 11) she nailed the whopper! The elusive 29-hand! The \$100 gem! This 29-hand is only the 13th scored this cribbage year, and will earn Beverlee a framed award at this year's Grand National, plus the \$100 from the ACC for a sanctioned 29-hand.
