380 Peggers in St. Paul

Bob Hanes Repeats

Jeff Monroe Takes Consolation

Darlene Johnson Nails Astounding 23 9/9 GP Card

Grand National "Lucky 13" was indeed lucky for Bob Hanes as he became the first pegger ever to repeat winning a Grand National. This Huxley, Iowa player came to Minneapolis in 1986 and won Grand National V...and once again has found the Twin Cities a friendly place to do his pegging as he won "Lucky 13" ...and a sizeable \$2,500 in St. Paul.

Bernie Saueressig, a newly crowned Master pegger from Richland, WA, nailed 2nd (and \$1,600) to begin the new year on a very positive note. He almost came through with a win, but fell in the final match 4-3. Bernie rang up 803 MRP's in 1994 and is off and winging in the new year.

Veryle Jensen, from nearby Burnsville, MN, picked up 262 MRP's for a fine third place finish. Ed Horigan, Virginia Beach, VA has taken a liking to 4th...as he not only finished 4th but also finished last season's MRP race in 4th place nationally (and is a member of the 1994 All-American team).

Dick Ogden, Des Moines, IA, led all scorers in the qualifying round, posting an excellent 40 (17) +274...and this mark propelled him to a win in the All-Events match (winning with a 56 GP total in this 40-game event).

Jeff Monroe, the ACC's Membership Chairman, flew into Iowa, rented a car, and then drove some 300 miles to St. Paul...but he paid for this circuitous trip by winning the 258-pegger Consolation...and a nifty \$1,125. In addition, Jeff earned his Grand Master rating earlier by qualifying 10th, picking up some 70 MRP's to wing it over the magic 4,000 MRP mark. And Neal Matzke, Forestville, WI also paid for his trip by taking 2nd (and \$825). Life Master Duane Toll (Kenosha, WI) remains solidly in 6th place nationally (lifetime) with a 3rd place finish, followed by Glenn Gauthier, a fine pegger from DePere, WI in 4th.

Play began with "Early Birds" on Friday...and Al Schaefer, a newly crowned Master from Milwaukee won the \$20 event with a nice 19 (8) +125. Jiggs Hebberecht, Sioux Falls, SD took the \$50 event with a 17 (8) +133.

Saturday night, Darlene Johnson, decided to forego the Awards Banquet and play the 9-game match...and came up with an astounding 23 (9/9) +264 (that's five skunks!).

Directors Ron Hamilton, Jim and Joan Rein, and Scott Kooistra were pleased with the large turnout...and staged a very successful GN "Lucky 13!"

The President's Column

Everett "Ev" Bay

It's an honor to be elected to serve as President of the American Cribbage Congress, following in the footsteps of Joe Wergin. Bob McCabe, and, for an interim eight months, Scott Kooistra, our Executive Vice-president.

Cribbage, like life, is a game of numbers. Consider these: Since our inception January 11, 1980, the past 15 years has seen the ACC grow to a total membership of 6,690 nationwide, with 3,040 (46%) in the West, 1,943 (29%) in the East, and 1,697 (25%) in the Central Region. California is the state with the most members, 1,266, followed by Oregon with 701, then Wisconsin with 632, and Massachusetts with an even-500. All the above figures are courtesy of Membership Secretary Jeff Monroe of Napa, CA, as of August 1994, the yearly high-point on our rolls.

And this has been accomplished with a startling annual 22% turnover in membership--new members replacing those who drop out for some reason or other!

Last year, through July 31, 1994, the ACC sanctioned 127 Major tournaments, including 106 Consolation tournaments, with 23,701 participants in prize money. In addition, there were numerous other side events (all with more prize \$\$), such as Q-pools, Early Birds, Doubles, High Rollers, Saturday Specials, Last Chance, Losers Losers, etc., rounding out the ACC tournament trail.

The largest tournament ever was the Joseph Petrus Wergin/ACC Open held February 4-5, 1994, in Reno, Nevada, which attracted a record 956 players: with 738 participating in the Consolation event. In the two years prior to this huge event, 862 and 826 peggers were on hand.

Other major tournaments this past year included the popular MGM in Green Bay, WI, 474; the Grand National at Missoula, MT, 406; the National Open in Raleigh, NC, 319; Independence Day Open, Reno, 312; Rhode Island Open, Providence, RI, 256; and my World Championship in Quincy, CA, 250.

Bob McCabe of Milwaukee, WI, Official Statistician, maintains all these Master Point records and supplied synopsis.

The ACC's vital Grass Roots program has 119 active local clubs in five Regions representing 37 states, involving 3,448 members.

California in Region IV has 27 clubs, Oregon in Region II has 18 clubs, Massachusetts in Region IX has 10 clubs, and Wisconsin in Region IV and Florida in Region XII, each have 8 clubs.

This important program is headed by Jerry Dickinson of Mt. Horeb, WI, National Commissioner, with Joe Ramos of West Warwick, RI, as National Statistician, plus a corps of dedicated Regional Commissioners and Statisticians, as well as local Club Leaders.

Grass Roots also has its own rating system and awards program, with valuable merchandise prizes having been awarded to 61 members for the Bronze Lifetime Achievement Award (1,000 rating points). The Silver Award (2,500 points) and Gold Award (4,000) have not yet been earned.

All of this has been accomplished with the assistance and undying efforts of dozens of volunteers scattered all over this USA. As a result, ACC dues have been held to a pittance--the monthly *Cribbage World* magazine alone, edited by Delynn Colvert of Missoula, MT, is worth every penny of your dues!

For fiscal year 1993-94, the ACC total income was \$65,338.25 and showed a year-end profit of \$2,922.81. The Grass Roots program had a total income of \$36,693.80 and showed a year-end balance of \$3,454.54 (after awards). The Grass Roots Financial Statement is published in this issue.

The American Cribbage Congress is a \$120,000-plus annual enterprise that is operated bare-bones and is in the black...and growing.

One last important number, our toll-free phone connection: 1 (800) WE PEG 291! Keep pegging!

Vignettes From Grand National *"Lucky 13"*

Tom Terbovich from Omaha, NE, was busily pegging in the Early Bird High Roller when up popped his first ever 29-hand! Oops, too early for the \$100 paid by the ACC for a sanctioned perfect hand...but Tom didn't mind!

Cribbage World editor DeLynn Colvert spotted **Deb Schisel's** name tag neatly attached to her designer jeans (on the rear side), and he asked her if she knew that her tag was there. "Of Course," she replied, "...that's where everyone looks!" No comment!

The Awards Banquet had many hilarious comments. When **Fred McGibney** was on the stand accepting his President's Award (a framed award), he commented that this would be placed on his cribbage awards wall in his summer cabin. He then added that this would be the only award on the wall, provoking much laughter from the audience.

And when **Bob Julian** accepted his National Championship award, he humbly said that anyone could win the award and that he had "Limited skill...and unlimited funds...."

In addition, since this year's All-American Team had 11 members (10 & 11 were dead-heat ties: 940 each), **MC Martha Fingleton**, concluded the awards ceremony after the 10th presentation, leaving Julian sitting speechless, as his award was the 11th...and last, award on the program! However, Martha relented and gave Julian a glowing report of his fantastic year on the boards.

Syl Lulinski, LaGrange Park, IL, rang up some 1,299 MRP's last season to take 3rd honors on the All-American team, and to put frosting on the cake, qualified 11th (68 MRP's) and finished in the 17-32 bracket (another 131 MRP's) to earn yet another honor...the ACC's 13th Life Master award.

GN XIII Directors Express Thanks

Jim and Joan Rein, Scott Kooistra, and Ron Hamilton asked *Cribbage World* to extend their thanks to all the players for their cooperation and help in making "Lucky 13" one of the best Grand Nationals ever! They also congratulate all the winners for their fine play.

Jim Ready and George Bickford are now springing into action, getting ready for Grand National XIV. This event will be played at the **Sheraton Inn in Plymouth, MA** next September 22, 23, & 24, 1995.

ACC Officers Elected

Everett "Ev" Bey Elected President

At the recent Board of Directors Meeting in St. Paul, MN, Everett "Ev" Bey was unanimously elected President of the American Cribbage Congress. Ev is a charter member of the ACC and one of the founding fathers. This Quincy, CA, player and long-time BOD member was also instrumental in organizing play on the west coast, helping organize the World Championship match in Quincy. Just last May the 23rd Annual was successfully run, hosting their usual large crowd (256 peggers). Ev has had his hand on many policy matters as a member of the Executive BOD, and has been instrumental in many decisions benefiting the ACC.

Scott Kooistra, Yankton, SD, was also unanimously elected Executive Vice-President. Until this election he was serving as President, filling out Bob McCabe's term upon his resignation last year. **Joe Ramos**, W. Warwick, RI, was unanimously elected Vice-President, Operations. Joe has been also serving as Grass Roots National Statistician and Awards Director. **Catherine Perkins**, Bear Creek, NC, was the fourth officer elected unanimously, and she will serve as Vice-President, Policy. A long-time member of the BOD, she has been active as chairwoman of the Rules Committee. In a close vote, **Martha Fingleton**, Milwaukee, was elected as Executive Member at Large...a post established to break voting ties of the Executive members. **Jeff Monroe**, Napa, CA was the other nominee.

206 Peggers Brenda Palmer Cops Massachusetts Open

Newly crowned Master pegger Brenda Palmer warmed up for the Awards presentation at Grand National "Lucky 13" by winning the huge Massachusetts Open September 18 in Easton, MA. This West Springfield, MA pegger is off and running for the new cribbage year, picking up a nifty 220 MRP's.

Grand Master Larry Samet, Wellesley Hills, MA, came close, but settled for 2nd...and moved up from 18th place (lifetime) into 16th place (nationally) with the 207 MRP's earned.

Al Giles and John Andrade, two fine peggers from Mansfield, MA took 3rd and 4th money home...and over 200 MRP's each, as both players qualified high.

Jeff Del Santo, however, had the hot hand in the qualifying round, and this Warwick RI pegger took home the top "Q" prize and some 73 MRP's.

A sizeable 144 players stayed for the Consolation, with Phil Martin (E. Hartford) coming through with the win. Ron Kennelly (Sommerville, MA) finished 2nd, followed by Life Master Harry Palmer (trying to keep up with spouse Brenda's MRP pace) in 3rd, and Richard Andrews (Hinsdale NH) in 4th.

Six 28-hands were scored: Frank Cummings, Delores Rego, Frank Sheehan, Neil Matheson, Bob Bousquet, and Dawn Finley.

Director Tony Del Tufo was pleased with the large turnout, and plans to renew this championship again next September 17...and next year this will be a cribbage "jamboree" as the next weekend in nearby Plymouth, MA, Grand National XIV will be played. Players...plan your vacations now!

Barry Spadea Takes 10th Greater Albany Open

Barry Spadea, Riverside, RI, bested some 62 peggers in winning the 10th annual Greater Albany Open September 11. Linda Iler (Milton VT), LM Harry Palmer (W. Springfield, MA), and Richard Schurkus (E. Amherst NY) took 2nd, 3rd and 4th. Terri Boylan (Burlington, VT) won the 44-pegger Consolation. Tournament Director Harold Belles was the top qualifier in the Main Event.

Cards Smoking In Montana

Rod Schott Scores 10th 28-hand ...Wins Montana Championship

With but 115 players in attendance, a record ten 28-hands were scored in the Main Event at the recent Montana Championship...and Rod Schott, a fine pegger from Richland, WA, picked up the tenth...and last...28-hand in the playoffs to propel him to the championship.

The cards were hot from the opening bell, as three players yelled "28-hand!" in the first two games! The tournament paid \$25 for the first two 28's...and Wayne Momsen, Whitehall, MT, scored the 3rd only seconds too late to collect!

Norm Slead, Helena, MT, picked up 2nd (and NO 28's). Mike McDaniel, Spokane, WA, had a "hot" weekend as he not only qualified 1st, but finished 3rd in the playoffs, taking home some 139 MRP's. Another Spokane player...Jack Miwa...nailed 4th spot.

Some 82 peggers stayed for the Consolation, and veteran Master pegger Bill Hill from Hermiston, OR took home the bacon. Local Steve Clarke took 2nd, followed by Bernie Saueregg, Richland, WA, fresh from a 2nd place finish at Grand National XIII in St. Paul a week earlier. Bernie posted 803 MRPs last year...and is off and winging towards another fine season. Helena, MT's Capital City Classic Director Wes Walimaa took home 4th money.

This event followed GN XIII, and a full slate of satellite events were played the entire week for players travelling home from St. Paul.

The winners:

Tuesday: Mike Haggerty, Missoula MT

Wednesday: Jack Moritzky, Mabton WA

Thursday: Luanne Felstet, Missoula MT

Friday High Roller: Ken Cochlin, Kennewick WA

Friday Doubles: Kathy Thompson & Amos Olmstead

Saturday Special: Gil Johnson, Spokane WA

Last Chance: Sharon Hejtmank, Missoula

Dale O'Berem, Cliff Allen, Wayne Momsen, Eva Moritzky, Monica Hunt, Gene Hoffman, Roy Hofbauer, Ray Hanes, Edgar Fisher, and Rod Schott were the record-breaking wrecking crew who scored the 28-hands!

Joker's Wild owner Dick Williams once again proved a great host...and donated \$100 to the Last Chance Prize fund!

Ev Bey Scores "Do Or Die" Hand

Veteran pegger Ev Bey, Quincy, CA, had to win his 7th and last game to qualify for the High Roller playoffs at the recent Longest Beach Open in Long Beach, WA...and with first count, he needs 27 to win. His opponent, the dealer, is close to home and the situation appears hopeless!

Wow! Up pops that 15,028 to 1 longshot! A 28-hand! What timing! And with that nice break, Ev goes on and wins the High Roller playoffs!

On The Cribbage Trail...

You never know what adventure will befall you on the "cribbage trail."

Rob Wintersteen, Aloha, OR, was on the road to the Longest Beach Open in Long Beach, WA and he found himself without a room for the night, as everything in sight was booked.

He called the Red Lion in nearby Astoria for a room, and they reserved a single for him. Upon arriving, the inn informed him they had made a mistake. No room was available. However, to their credit, they escorted Rob to the K. C. Mansion...the oldest building in Astoria...and he was given the bridal suite for the night! And at no charge!

Hit the cribbage trail...you never know what'll happen next! (P. S. He didn't have a bride with him...but the price was right!)

Rollie Heath Starting Something?

Rollie Heath, Lincoln City, OR, is the black jack dealer at the local Elks club. One night, when the action was slow, he thought that perhaps cribbage might be a good house game.

So he advertised the game with Heath, as the house, vs. all-comers. Oops, upshowed Darrel Miotke, Sublimity, OR (1994 All-American team member), and Bruce Wridge, one of Portland's finest players. Double oops! Darrel won a nifty \$375 and Bruce took home some \$160.

The rules have changed. You must now pay \$1 per game, and the wagering limit is slightly lower (\$2 to \$15 per game)...but Rollie will gamely still take on all comers!

Tie-Breaker Tried in Madison

A novel way of qualifying players was tried at the recent Madison Masters Classic June 19-20. Players were qualified by Game Points only and were posted in descending order. Players with identical Game Point totals were posted in the order in which they were blind-drawn from a paper bag. Some 178 players were on hand for this tourney, and six extra players (low GP ties) qualified with this method.

According to directors Gaylord Matti and Jerry Dickinson, this allowed the playoffs to begin within one hour of the qualifying round...making life a lot easier for the directors.

However, a player's vote indicated they preferred the standard method (162 to 16).

According to Matti and Dickinson, players simply don't understand all the extra work the standard method entails. But they good-naturedly have accepted the vote.

Long Odds

Players like to be cited for rarity. Norb Upton, Eagan, MN, was recently skunked four consecutive times, for a 1 in 38,000 event. Against an *ordinary* player; but for a newly-crowned Master?

Jim McManus, Milwaukee, always the one-up-manship Life Master, cut eight consecutive kings when cutting for the deal at the Consolation qualifying round in Racine's Belle City Open. The chances of this are $1/13^8 = 815,520,721$ to 1. Do you expect us to believe this, Jim?

In the September CW, editor Colvert correctly calculated the odds of cutting four jacks (or any other denomination) for the deal at 270,725 to 1, and 1/13th of that for any random card, as reported by Pat Barrett. It names no differences how deeply each cut was made, even if there was one card left at the end, assuming only one deck was used.

Looking forward to seeing you in St. Paul shortly,

Russ Adams
Minneapolis, MN

1994 ACC Hall of Fame Balloting

With all BOD Directors, Tournament Directors, and Grass Roots Directors (as of August 1, 1993) eligible to vote for prospective members into the ACC's Hall of Fame, some 151 ballots were returned (out of 248 eligible), according to Patrick Barrett, Hall of Fame Committee Chairman.

A candidate must receive at least 75% of the ballots to be inducted into the Cribbage Hall of Fame. Although a few of the following players came close, no one was inducted this year:

Robert "Mick" Michaelis

Jeff Monroe

Harry Palmer

Joe Ramos

Joe Seigle

This issue has criteria for nominating a candidate and the balloting procedures.

Linda Taylor Needs Help

Linda Taylor is a reference librarian in Riverside, CA...and she needs help. She is trying to find a poem about cribbage that used to be printed on the back of cribbage boards. The last line went like this: "to score the board for 29."

If you can help her, write or call: Linda Taylor, PO Box 468, Riverside, CA 92502, or call (714) 369-7995. (FAX: 714 784-1158).

Declare that nominations are currently being accepted and must be in written form to the Chairman of the Balloting Committee of the ACC, postmarked not later than **January 15** of that year.

2- The Chairman of the Hall of Fame Ballot Committee will review all letters of nomination received for compliance with the nominating criteria and submit those letters to the Ballot Committee.

3- A Ballot Committee consisting of three (3) members of the Board of Directors shall be established to conduct the voting process for the Hall of Fame. The committee will prepare copies of the nominating letters and ballots which will be mailed to each member of the Board of Directors, each Director of an ACC sanctioned tournament, and each active Grass Roots Director on record as of 1 August of the previous year. All ballots must be postmarked not later than **April 15** to be counted. No individual tournaments or club will be allowed more than one ballot. The results will be tabulated by the Ballot Committee and announced by the President of the ACC via *Cribbage World* at the earliest possible time. The National ACC Tournament Commissioner and the National Grass Roots Commissioner will provide the names of tournament and club directors to the Ballot Committee at the February BOD meeting.

4- Votes may be cast for any or all of the nominees. A candidate must receive at least 75% of the ballots cast to be elected to the Hall of Fame. Each nominee will be notified of the results of the balloting applicable to him or her. The President of the ACC will notify in writing any members who are elected to the Hall of Fame. Induction will take place at the Grand National tournament held in September.

Peer...The Equalizer Tournament

Syd Lampke of Medford, MA came out of the second tier to win the 11th annual New England Championship PEER tournament. Players were tiered based on lifetime masterpoints as follows: 0 to 100+ points: 100+ to 1,000+ points and over. The PEER concept was proven valid by the qualifiers. 10 came from tier 1 and tier 3 and 12 came from tier 2. For Mr. Lampke it was his first ever tournament win. He follows in the footsteps of Tony Del Tufo of W. Bridgewater, MA who won his first tournament at the 1993 PEER and then went on to win three more events that year. It is clear that the PEER concept, by equalizing competition, brings out the best in cribbers.

The PEER tournament will probably move into Massachusetts in 1995 to give novices a chance to enter. 25 previous non-tournament players entered in 1994.

Joan Fletcher of the Hartford-Metro Grass Roots club is a R. N. While playing she responded to a player who was in physical distress. Ms. Fletcher decided the man needed prompt medical attention and an ambulance was summoned. Joan returned to her pegging but regretfully did not cash.

Dick Clukey of Northford, CT after a year's layoff because of illness played and finished 3rd, to his friend's cheers.

Tony Del Tufo was a tier 3 (1,000+ MRP's) player in 1993. Ed.

A Special Thank You

Since February, when we started with 500 specially printed decks of cards, printed with ACC and Cribadier logos, we have asked hundreds of you to donate to a special program designed to raise funds to support junior cribbage. You have responded, we are extremely happy to report that the last three decks were purchased by the beloved Joseph Petrus Wergin. **Thank you all for your generosity! Cribbage Players do it best!**

Quad City Off And Running

The Quad City Cribbage Club is off and running at the beginning of the GR season. We had several unusual events occur at our first session on Sept. 14. Mary Dopler and Vicki Jones were playing head to head in a close game. After discarding to the crib, Mary held 5-5-6-6 and Vicki held 4-4-4-7 and sure enough a 4 turned to give each of them a 24 hand. If this trend continues we will have lots of good things to report this year.

During the summer hiatus of the regular GR program, we held our own summer tournament, playing 6 sessions of 9 games each and the winners were:

Leila Heavilin: 70 GPs, 32 wins

Stanley Wood: 70 GPs, 31 wins

Sue Sanquist: 60 GPs, 32 wins

For the regular GR season this year we are giving 3 prizes for the most Game Points for the 18 sessions we play. We are also giving a prize each month for the most Game Points for the month. Cribbage is sure a fun game!!!

BOD Committee to Investigate Reorganizing ACC into Central Office

At the recent BOD meeting in St. Paul, the members voted to form a committee to investigate the possibility of reorganizing the ACC into a central office.

The ACC currently operates primarily on a volunteer basis, with the many jobs scattered throughout the country...many of which have no backup help. Loss of any of our key personnel could have a major impact on the continuity of the ACC program.

Members appointed to this committee are: **Joe Ramos, Chairman, Jeff Monroe, Jeff Shimp, Lee Norris, Jerry Dickinson, Martha Fingleton, Denny Moore (not BOD member), and Larry Hassett.**

Senior Discount Proposal

Almost any place you go these days Seniors (incidentally, we prefer to be called "Delightfully Mature Adults" or DMA's) are offered and almost forced to take 10% discounts. This is true rather it be at Denny's, major hotels and motels, Caribbean cruises, etc....almost the entire gamut. There are however a few notable exceptions such as casino wagers, ladys-of-the-evening and sanctioned cribbage tournaments.

This proposal deals only with the tournaments. It would seem that with the advancing years and obvious loss of some mental acuity and acumen, the DMAs should be given a 10% discount. Now we are not talking cash here but rather a handicap system where all DMAs (62 years of age and over) would be allowed to start from hole 12 rather than at ground zero, thus making it necessary for them to peg only 109 holes rather than the usual 121 in order to win the game.

Now I can hear some screaming at this proposal from certain DMAs who will tell you that they are still as sharp as they ever were. This sort of statement, of course, only goes to show the extent of the regression. In a similar manner we expect a certain amount of flak from some who have not achieved DMA status, griping that the delightfully mature ones are trying to take advantage of them. This of course is utter nonsense since the measley 12 point spot will probably be more than offset before turning into 3rd street by virtue of DMA over-pegs, backwards pegging and missed counts.

Under separate cover we have recommended adoption of this proposal to the BOD of the ACC and are looking forward to their prompt approval of this along with our earlier recommendation for free libations and valet parking for the delightful ones at all ACC tournaments.

These proposals were propounded only after taking a scientific sampling of the opinions of scads of ACC DMAs in the USA. Incidentally, should you sit next to one of us at a tourney and we happen to nod off, a gentle nudge will generally get us to move one seat to the right...or was it to the left? Oh, what the hell, we'll probably continue to play the tournament trail even if we don't get these minor concessions.

Concord, CA*

188 Into Wine & Cheese

Charles Sladek Wins

13th Annual Wine Valley

Some 188 peggers were on hand at the Napa Valley Exposition Hall in Napa, CA, September 23 & 24, tasting wine and cheese...and doing a little pegging.

The pegging part belonged to **Charles Sladek**, Livermore, CA, and he brought home the bacon (or was that cheese?). In addition to the 200 MRP's, Sladek also carted home a nifty winner's check in winning this 13th Annual Wine Valley Open. **Paul Dobreff**, Nevada City, CA took 2nd, and **Greg Schleusner**, a Master pegger from Truckee, CA finished 3rd...and is edging in on his Grand Master, standing at 3,800 MRP's. Another fine pegger, **Omer Bolduc** (Forestville, CA), finished 4th.

The Early Bird Doubles had an unusual finish. **Ron Whitmill** was a bit late (airline delay) and missed the first game. His partner, **Barb Whitmill**, played with an extra player...and lost! But when Ron arrived, they won 8 in a row...and first place!

At Last!

A Canadian Tournament

Linton Walker has organized a cribbage tournament, ala "Reno Style" in Prince George, British Columbia October 28, 29, & 30.

If all goes well, perhaps Linton will have this event **sanctioned** next year...and hold the first sanctioned tournament in Canada!

Portsiders Get Treat

Any players attending the 10th Annual Portside Open in Portsmouth, VA., were given a treat. **Gean Daniels**, wife of director Stan "The Man" Daniels, supplied the players with home-made banana nut bread for two days running.

The "grapevine" said this added to a well-run tournament.

Change of Address?

If you should move, notify **Jeff Monroe, PO Box 10486, Napa, CA**. You may also call **1-800 WE PEG 29** for this notification. **DO NOT write or call Cribbage World in Missoula**. This will only delay the address label changes.

Jack Holt, Verne Neilsen Earn Master

Jack Holt and Verne Nielsen, two of Portland, OR's finest peggers both earned their Master rating at the Redmond Senior Center Benefit August 21 in the same event. Verne finished first in the 75-pegger Consolation, and Jack took 2nd...making the award a virtual deadheat. Since Verne won the event, the honors of earning Master 197 will be his...and Jack will be 198.

Jack's wife, Carol, earned her Master late in the 1994 cribbage year...no. 190. This duo has been in a virtual tie since day one.

Long Beach, Washington Thanks Players

Long Beach, WA, recently hosted their first ever sanctioned event September 16-18, and with the town solidly behind hosting this event, drew some 154 players.

Cribbage World recently received a "Thank You" from the town sponsors...and they welcome back all players...and new ones, too...for their upcoming April event.

Grand National Proposals Due

Grand National XV (Western Region) and XVI (Central Region) playing sites will be voted on at the next ACC Board of Directors Meeting in Reno February 2, 1995.

To date, Jeff Monroe has proposed Napa, CA's Fairgrounds as a possible site for GN XV. Patrick Barrett has also proposed Wisconsin Dells, WI, as the site for GN XVI.

If anyone, or any group wishes to add a proposal for presentation at the February 1995 BOD meeting, please forward your request to Scott Kooistra, ACC Exec. VP, 906 Mulberry, Yankton, SD 57078, at your earliest convenience, for inclusion on this meeting's agenda.

Stan "The Man" Shut Out

13-Year Old Alex Lillo Scores 1995's First Sanctioned 29-Hand

Alexandria, VA's Alex Lillo, just 13 years old, and playing in his first sanctioned event (10th Portside Open), turned a nifty 29-hand...and picked up the \$100 the ACC offers for a sanctioned 29!

Stan "The Man" Daniels was the tournament director...and he has been begging for a "29." He has tried...and tried...and tried for 50 some years. The kid hogged his luck!

Tournament of Champions Joseph P. Wergin/ACC Open May Draw Record Crowds

The upcoming Tournament of Champions will be played once again at the Sands in Reno February 3. This prestigious event always draws a crowd, as the prize money is substantial (last year, Bend, OR's Clair Morse took home a whopping \$8,035 in winning this event). The invitation criteria is published in this edition of Cribbage World. And since this event is by invitation only, no Master Points will be awarded.

The next day (Saturday, Feb. 4), the huge Joseph P. Wergin/ACC Open will be off and running. Last year's crowd set an all-time record for attendance (954), and this may be surpassed this year. The tournament can only handle 1,024 players. Directors Scott Kooistra, Roy & Jeanne Hofbauer recommend you enter early to insure seating. (Entry form in this issue).

In addition, the semi-annual BOD meeting will be held Thursday, Feb. 2, followed by the 5th Annual All-Star Game at 7 PM (the top 8 players from each region... 1994 season).
