Bob Julian 2nd, Takes National Title

Duane Gier Wins National Open

Stroup, DeLong, Corbin, Rasmussen, Sondericker Take Satellites

The 21st Annual National Open belongs to Duane Gier, Brandon, FL. Duane remained undefeated in this double elimination match until the final match with national MRP front-runner Bob Julian, Milwaukee, WI. Julian, with one loss, had to win two consecutive matches to take the title. In the first 4 of 7 match, Bob was up 3-0, and then survived a scare as Duane scored a 2-win skunk, and a win to tie the match at 3-3. Julian then won the next game to take the match 4-3.

And Julian zipped to a 3-0 lead in the championship-deciding match, but, once again, Gier stormed back to tie the match at 3-3. With the match on the line, Duane needed but three to win with first count, held a pair, and pegged one to take the championship. This final game was one of the priciest games in cribbage history, as a \$3,000 winner take all pool was also involved.

In finishing 2nd, and earning yet another 265 Master Points, Julian won the National Championship for 1994, scoring a whopping 1,852 MRPs for the year....the highest total ever under the new scoring system. Playing in over 30 tournaments from coast-to-coast, the season will be one to remember by Bob for years to come.

Richard Corbin, Cary, NC, almost held honors for the locals, as he finished 3rd, nipping cribbage Hall-of-Famer Ev Bey, Sun City, AZ in the 3-4 match. Ev is the founding father of the World Championship event in Quincy, CA, and Vice-President of the ACC.

Jerry Gruber, Minneapolis, MN earned his Grand Master (no. 30) with a fine 5-6 finish

1994 All-American Team Headed by Bob Julian

In an unusual season that saw two players tie for the 10th, and final, position, the 1994 All-American Team was announced by Bob McCabe, the ACC's National Statistician. Bob Julian, Milwaukee, WI, earned the top spot, and is named team captain. His final tally of 1,852 MPR's is one of the top scores ever posted (and this total is the top score under the new scoring system). Scott Kooistra scored a record 2,182 in the 1990 season. National honors are evenly divided with four members from the Western Region, four from the Central Region, and three from the Eastern Region. Joe Bernard (4), Syl Lulinski (3), Jesse Jarrell (6), and DeLynn Colvert (9) are repeat members. The team members:

and tied with Virgil Dulin, Fayetteville, NC. Both players took home a nifty 228 MRP's. Lucille Simpson, the travelling pegger from Lewiston, NY tied with Grand National Director Harry Stoops...another veteran pegger from Hialeah, FLA.

190 peggers signed on for the Consolation, and Sandra Stroup, Elgin, IL took home the bacon, edging newly crowned Grand Master Russell Adams, Minneapolis, MN in the final playoff match. Two Georgia peggers nailed 3rd and 4th...Mark Adams (Tucker) and Victor Strumminger (Atlanta).

Some players mistakenly feel with a double elimination, best 4 of 7 Main Event (and with skunks counting two games) that they will not get to play enough games, should they lose early. But, that is not the case, as players can peg to their heart's content for four days running. Beginning with a Friday Early Bird (won by local Dick Corbin with a 18 (8) +160), and then a Consolation, followed by a Last Round-Up (won by Henry DeLong, Woburn, MA). On Sunday night, a High Roller event was played with Life Master Warren Sondericker, Greenfield, WI, taking home \$1,800 (plus some pool money). Local Bob Gombatz took 2nd...and he rarely gets shut out during a weekend's play. He earned his Grand Master during the 1994 season. And finally, a Losers-Losers wrapped up play with George Rasmussen, Arlington, VA nailing a Grand Slam 9 for 9 card.

And once again, the National Open helped decide the All-American race for the year, as Bob Julian solidified his top honors. Joe Bernard scored 80 MRP's to hold on to the 2nd spot. Jesse Jarrell, the perennial All-American, needed his 130 MRP's to finish 9th for the year (945)...and Russell Adams scored 95 MRP's with his Consolation 2nd place finish to tie for 10th, the last spot, with Bill Medeiros. Both players finished with 940 MRP's for the year. Russell's 95 points were right on the money! Medeiros finished 36-48 and earned 14 MRP's...right on the money, also! This marks the first time in the ACC's 14-year All-American team history that a tie has occurred.

Directors Cathy Perkins, Russ Perkins, Bob Gombatz, and Tom Miller, with a host of volunteers kept this 21st National Open on track and running smoothly. And Leonard Peoples, for the 21st time, kept play on time and organized with his "behind the scenes" help!

Vignettes From Raleigh

In the Friday Early Bird, **Fred McGibney**, S. Burlington, VT, was pegging with local **Chris Wilkerson**...and both players hold a club flush. Lo and behold, a club was cut for the starter card! Of course, the possibility exists for a club crib, too...but this rarity has never been reported!

Joe Bernard, needing to hold a pegging hand, was dealt 5-5-5-5-6-9. Not needing another 28-plaque, he discards the 5-5, holding the 5-5-6-9. A queen was cut...no 28-hand...but he wins the game (again)!

Early in the Main Event, **Joe Bernard** meets **Bob Julian**...and Bernard is clinging to a thread of hope that if he should win, he might sneak in to the top spot nationally. However, it was our "Rodney Dangerfield's" year and Julian won 4-1, and rolled on to 2nd place...and the National Championship.

Fred McGibney Earns President's Award

Every year the President of the ACC awards a special "President's Award." Scott Kooistra, our current President has bestowed this honor on S. Burlington, VT's Fred McGibney for his many years of service as Treasurer of the ACC.

Tournament Directors: Post Your Prizes Prominently

Cribbage World recently received an anonymous letter complaining about a poorly run tournament...and confusion about the prize fund paybacks. The writer stated that no prize list was ever posted, and that he/she was informed that a check would be mailed in addition to the amount received after a 2nd round loss. To date a check has not been received.

To avoid hard feelings of this sort, if all prizes are prominently displayed (preferably before playoffs begin) this unfortunate situation will be avoided.

Ed's Teeny Tiny Open

Oops...A \$5 Credit For Lunch

Cribbage World's "Tournament Trail" had a \$10 entry, with a \$5 lunch available for players at the upcoming Ed's Teeny Tiny Open in San Jose, CA (November 5).

Oops...the \$10 covers a \$5 credit for lunch at host Harry's Hofbrau House. Ed Bloom states that "One purpose of the tourney is to show people tournaments can be cheap & fun."

Irving Busby Tops In Early Going

Portland Kicks Off New Season In Style

Portland's Summer Open kicked off the ACC's 1995 season in grand style, as some 183 peggers from throughout the nation began the season's pegging at the Ramada Inn in Portland, OR.

Mike Kuvaas, a Master pegger from Medford, OR, started the MRP scoring for the year by nailing the 22-game qualifying round with an electrifying 41 (18) +302, scoring some 67 MRP's for the effort...and for one brief moment was the number one player in the USA for the 1995 season.

But the next day, Irving Busby, a tournament rookie player from Spokane, WA, came away the winner...and with the 200 MRP's came away the national leader in the first week of play.

Jim Sime, a veteran pegger from Kennewick, WA, finished 2nd, followed by Larry Lee Hassett, Roseburg, OR, and Clarence Van Orsow, Culver, OR, in 3rd and 4th.

Ray Van Orsow earned a spot on the All-American team in 1992, and Denny Van Orsow came through in 1994...could 1995 belong to Clarence?

136 peggers played the Consolation, and Master Ken Capper (Hermiston, OR) continues a "roll" by winning this event. Steve Reynolds, another Master pegger from Concord, CA, took 2nd...and is inching in on his Grand Master. Local Chuck Vance nailed 3rd, and Willie Evans, a newly crowned Master from Richland, WA took 4th.

Frank Lake, LaPine, OR, once again won the High Roller, and locals Harry Kantas and Richard Martin took the doubles. The Saturday Special went to Robert Landon (Keizer, OR), and the Cry Baby event was won by local Max Williams.

Director Leslie Hein was pleased with the turnout and the many favorable comments.

President Emeritus Joseph Wergin Presides in Madison

Joseph Petrus Wergin began the Madison Masters Classic in 1979...the first year of the American Cribbage Congress.

Since that time, Wergin has had a long run as President of the Congress, and upon his retirement was named President Emeritus by the ACC's Board of Directors.

Still active in cribbage in his Madison, WI, area, Wergin was on hand for the 16th annual Madison Masters Classic June 16...and he welcomed the 178 peggers as they began the pegging action.

Terry Cambell Wins First Tournament

Local Terry Cambell nailed his first tournament...the Friday Early Bird at the Madison Masters Classic XVI. Cambell had only been a member for one week before winning!

Sanctioned Play Reminder

Martha Fingleton, our ACC's National Tournament Commissioner reminds tournament directors that all sanctioned events must have head-to-head elimination matches, and if directors fail to conform to this requirement, the results will not be sanctioned.

Fingleton also points out that on August 1, 1994, Master Rating Points will be given for the Qualifying Round of sanctioned Consolation tournaments. Every qualifier must have the opportunity to win the tournament in which he/she qualifies.

Tournament Directors are also required to return at least 85% of entry fees in player benefits (prize money, trophies, etc.) at all sanctioned tournaments. The one exception is a tournament that benefits a charity...and then only if the amount is well advertised before play begins.

New England Off & Running

Ken Vetterline Nails New England Inaugural

The 1995 season in the Northeast began play in N. Kingstown, RI August 7...and Master pegger Ken Vetterline, Bar Mills, ME won this New England Inaugural going away. And with the win (156 peggors), takes over the Eastern Region's MRP lead with some 160 MRP's. Another Master pegger...Charley Rapoza (Brocton, MA)...took 2nd, followed by Charlie Finley, a Master pegger from Enfield, CT. 4th belonged to Connie Harmacey, Groton, CT.

96 peggors stayed for the Consolation, and a new round-robin format was played, with favorable comments from all the players...especially Tony Del Tufo, the West Bridgewater, MA, bomber who is still on his "roll." Joan Morrison (S. Boston) took 2nd, followed by Al Tenenbaum, a Master pegger

from Cranbury, NJ in 3rd, and Fred Doyle, Foxboro, MA in 4th.

Zeke Veradt, Taunton, MA scored **TWO** 28-hands...hogging all this action, as no others were scored.

Directors Lee Norris and Ford Jewer reported \$146 was donated by the players to the South County Resource Center.

Rasmussens' Injured

George Rasmussen, Arlington, VA, was involved in a truck-auto accident on his way home from North Kingstown. His wife was also injured and their auto was totaled. *Cribbage World* is happy to report that both George and his wife are recovering nicely.

Jeff Monroe Almost Does It

Jeff Monroe, our hard-working Membership Chairman has been knocking on the door for his Grand Master. After qualifying 5th at the Portland Summer Open, and receiving a bye...all he has to do is win his next match. It's a tough one...Larry Lee Hassett from Roseburg, OR. Larry is the villain as he nailed Jeff 3-2. No Grand Master! Next Time, Jeff!

All-Regional Teams Named

Any player in the top five in a Region who does not earn top ten nationally is named to the All-Regional team.

This year's top ten All-American team was unique. The tenth, and last place, ended in a tie. Therefore, only four other players are named to All-Regional teams. They are:

Western Region:

Willie Evans, Richland, WA: 938 MRP's

Central Region:

John Hiland, West Allis, WI: 928 MRP's

Eastern Region:

Rit Alkas, Manchester, CT: 910 MRP's

Cindy Veradt, Taunton, MA: 895 MRP's

Every Wednesday at 7 PM you will find Bob Gromek, Jim & Joyce Keeling and many other peggers playing an unusual game (for Las Vegas, that is!

Jerry Gruber Earns Grand Master

New Masters:

Marlene Lazachek

Clyde Ross

Mary Kathleen Ryan

Modesto Hernandez

As the curtain rings down on the 1994 pegging season, five more players have earned honors:

Jerry Gruber, Minneapolis, MN finished a lofty 5-6 at the 319-pegger National Open, and has earned the 30th Grand Master bestowed by the ACC.

Marlene Lazachek, Greenfield, WI, finished top qualifier in Reno (312 peggers) and earned Master.

Clyde Ross, Grass Valley, CA won the Consolation event in Spokane, WA, and finished 5th in Reno's 312-pegger event to earn his Masters.

Mary Kathleen Ryan, qualified and finished 3rd at the Mission Santa Clara Open to earn Master.

Modesto Hernandez, Acampo, CA, qualified 4th and finished 8th at the Devil Mountain Classic to earn Master.

Willie Evans Has Heartbreaker

Willie Evans, Richland, WA, completed a fantastic year pegging. Playing in only 11 events, he rang up some 938 MRP's...only 2 points short of earning All-American honors.

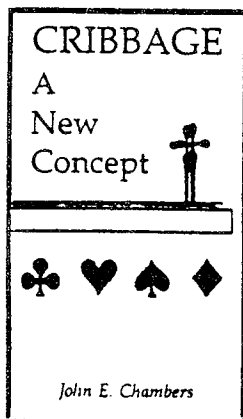

His heartbreaker? In Redmond, OR, Willie played in the Cascade Classic IX, and he qualified for the playoffs. A first round playoff was announced for Saturday night (May 28)...and he failed to hear this message. Alas, he failed to show, and forfeited his match. Had he played (and won), he would be a member of this year's team!

A turn of a card here, and a break there...and many, many players would jump to the top ten. They say baseball is a game of inches...but cribbage is perhaps the finest of lines between winning...and losing!

Bob Fletcher Wins In South Dakota

Denver's Bob Fletcher won the 42-pegger Black Hills Open in Rapid City July 24...edging Joy Barnes, DeLand, FL.

A week earlier Paul Barnes (Joy's spouse) nailed the Lewis & Clark Open in Yankton, SD. This couple is on a six-week sojourn...and their pegging is holding up quite well, thank you!

Jones Hom Tops In Mission Santa Clara

Jones Hom, a veteran Master pegger from Fairfield, CA won going away at the recent 84-pegger Mission Santa Clara Open. Local Bob Styzynski finished 2nd. Two other California players finished 3rd and 4th: Mary Ryan (San Lorenzo) and Joe Schalich (Santa Rosa).

R. M. "Robby" Robson, San Jose, CA, was in the thick of the MRP race all year, and he picked up the 36-pegger Consolation event...and tacked on another 20 MRP's, cracking the 900 mark for the year. Veteran pegger Al Libby, Quincy, CA, finished 2nd.

Director Richard Combie has scheduled this event again next year (June 16, 17, 1995).

Charles Rapoza Takes Maine Open

Master pegger Charles Rapoza, Brocton, MA, finished the 1994 cribbage year in fine style as he won the Maine Open Title July 10.

Some 114 peggers were on hand in Westbrook, ME for the year's finale. Three other Massachusetts peggers finished 2-3-4. Master Bob Drukman, N. Easton, took 2nd, Henry DeLong, Woburn, was 3rd, and Grand Master Larry Samet, Wellesly Hills, finished 4th.

Robert Boulris, S. Bellingham, MA, took the 72-pegger Consolation, followed by Pat Tucci, Saco, ME in 2nd. Harry Palmer (W. Springfield, MA) finished 3rd, and Emil Chrabaszcz (Ware, MA) took 4th.

The Worst... And The Best!

Cribbage buff and ACC President Scott Kooistra has a wealth of cribbage lore from his 15 years of sanctioned pegging, and he has these tidbits to share with our membership. He challenges our members to top these scores:

Best 22-game qualifying round: Bob Hanes, Ankeny, Iowa, won a whopping 20-games in a row in 1989.

Best 9-game card: Vern Hackbart, brother of Minnesota Viking quarterback Dale Hackbart, put together a huge 9-game grand slam, 25 GP card, in Wisconsin some years back.

The worst 22-game score? At the 1992 ACC Open in Reno, some poor soul (who will remain unnamed) post a 2 (1) -810! Now that's whinnying rights!

Leonard Peoples Fixture In Raleigh 21st National Open Dedicated to Nick Pond

The 21st Annual National Open in Raleigh, NC was dedicated to the memory of Nick Pond, the founding father of this prestigious national tournament. Nick passed away last December 19.

Nick began this event back in 1974. The playing site was the WRAL radio/TV station's studio. There was ample space for the 168 players that signed on, but the format was unusual. Since this was one of the first organized tournaments, Nick improvised the playing tables in a unique fashion. Individual card tables were distributed throughout the studio, and each game was played at a card table.

Now, who do you suppose set up this sizeable collection of card tables? None other than Leonard Peoples...a hard-working co-worker with Nick.

Cribbage World interviewed Leonard in Raleigh this July, and he fondly reminisced about his long association with Nick and the National Open. He remembered that the very first Open had a single elimination and the entry fee was only \$10. And first place paid \$280. The Velvet Coat Inn hosted the 2nd Open, and the format was again single elimination.

The first double elimination event (and Monday play) was at the Hilton Inn in 1976. 155 players were on hand, and with an increase in the entry fee to \$25, the top prize went to \$1,200. And again, Leonard was there with Nick organizing and setting up play at the tournament.

And to this day, after some 21 National Opens, Leonard is the man behind the scenes keeping play organized and on schedule. His expertise and hard work help make this National Open a smooth-running, well-organized quality tournament. Nick Pond chose his co-workers wisely.

Many of the organizers and Raleigh players were sporting tee-shirts at the National Open with Nick Pond's picture in a NC State basketball uniform. Nick was an All-American basketball player before he became an All-American Cribbage Tournament Director! Cribbage players nationwide will long remember Nick's well-organized, well run tournaments.

Letters to the editor...

Youth Cribbage Program

There have been several attempts to establish a strong youth following in the ACC. Besides the Cribadier General Program in which David Proctor should be highly commended, and a few isolated instances throughout the country, there is no organized efforts to teach or encourage kids to play this great game.

Creating a strong foundation of young players makes a ton of sense. Not only will it keep membership in the ACC growing, but it also gives kids something to feel good about themselves. I know. As a junior high school teacher, I have taught cribbage to over 300 young adults. I've watched cribbageraise math grades, produce new friendships, teach sportsmanship, and enhance relationships at home (many kids have developed a bond with a grandparent thanks to cribbage). In Sonora, CA, an after school cribbage club keeps more than a dozen teens from going home to an empty house after school.

As you read this right now, think back on how you learned to play cribbage. Did your grandfather teach you, or did you learn in the service? Was it at school, or at a local tavern? Perhaps it was a good friend or even your spouse who repetitively showed you that a double run is always worth eight points. Regardless of who taught you to play this great game, there's no doubt that you've taken it to heart, and currently receive many, many hours of enjoyment moving those pegs! Wouldn't you like to share this same feeling with someone else?

George Bickford Scores 19 Hand!

George Bickford and "Pegs" Abernathy have been playing 3 games of *special cribbage* at our tourney for 2 or 3 years. They use 2 jokers, which in your hand may be called any card. I always try to watch 1 or 2, as both players can be counted on to inject some levity into the game. George is holding the 8, 5, 4, joker and calls the joker the 3 of hearts. He then cuts the 3 of hearts. He needs a bunch so during the play I count his hand. "My God, George, do you

The July issue of *Cribbage World* printed a short article about getting involved in the Youth Cribbage Program. Within two weeks of that publication, I heard from quite a few eager people who want to teach cribbage to kids. As a result of this, I spent a couple of weeks expanding a brief document I put together on teaching cribbage to kids, into a detailed manual which includes everything from how to get in touch with school personnel, to conducting a youth tournament. It is loaded with handouts for the classroom, and has day by day lesson plans which will virtually ensure a successful experience for all involved.

Grass Roots Players... We Need Your Help!

Now that this manual has been completed, we need teachers! I truly believe that if a member or two from each grass roots club around the country, would find the time to go into 6th-8th grade classrooms once or twice a week) most teachers would welcome community support in the classroom), the Youth Cribbage Program would become a viable entity across the country.

Thinking big, I can envision a day when a national youth tournament, much like the one conducted in Grass Roots play, become a well-supported annual event. If you have any questions, or to obtain a teacher's manual, please contact:

Raleigh, NC

Yes, Tom, George is a card! He gave me this "lucky" black hat to wear in Raleigh. I wore this hat and you guessed it...I didn't win a dime! Too many "19" hands! Ed.

Cornwell Disagrees

I disagree (naturally) with the odds you quoted in the July issue for needing exactly five cuts to determine the first dealer.

The probability of each pairing is $3/51$ (three cards that could pair out of 51 available), so the probability of four consecutive pairs is $(3/51)^4 = (1/17)^4$. The probability of no tie on the fifth try is $48/51 = 16/17$. The product of the two probabilities is $(1/17)^4 \times 16/17 = 16/17^5 = 1/88741.06251$.

The odds against requiring exactly five trials is one less than the denominator, or 88,740.06251. I don't see any likely error that would result in 84,100.

The fact that the rules require the first cut to be at least four cards deep and not more than half the deck, and the second cut to leave at least four cards doesn't effect the probabilities (or odds).

The published value is not that large a percentage in error (I claim), but players who might wish to try their hand at calculating probabilities could be discouraged at not being able to get a value equal to the "published" one.

Princess Ann Hand

What are the odds of a 17-point "Raggedy Ann?" Maybe we should name this hand "Princess Ann."

Grass Roots suggestions: Let couples draw for seating so they will not play each other. This will forestall the desire to help your spouse win a game if your card is bad and theirs needs help (things happen).

I took a friend (Irving Busby) to Portland. He made 1st and I made 5th. I can't live with him now for a year. In his last game Busby had a 2-8-8-9 and cut a 7, needing 12 to win. This ever happen to you or me?

Jim & Joyce Keeling

Yes, it happens to me, too...but not often enough! I'm a typical greedy player!. Ed.

Triple Tie In Nashua, NH

In a format where skunks and spread points are ignored, Phil Martin, Bob Waltzer and Zeke Veradt each won 18 of 24 games to lead their teams into a triple tie for the 1994 National Team Championship. Waltzer and teammates Henry DeLong and Medford Smith won six games in their final nine game set as did Veradt playing with wife Cindy and Bob Drukman. Martin led Bill Shoemaker and Tournament Director Joe Seigle to 8 out of 9 wins in their last match overcoming the two game deficiency and creating the triple tie. It was the second year in succession the DeLong-Waltzer-Smith trio was caught at the wire. The 14 team event, the only one of its kind nationally, will be repeated on June 3, 1995, as a prelude to the Granite State Classic.

Joe Seigle
Coventry, CT

In the Northwest, Team Play consists of 5-person teams, and the 22-game qualifying round (110 games total) are scored by game points only. For example, some 43 teams played in the Portland Summer Open. This team play adds another dimension to the qualifying round. Ed.

Rick Rickmyer Devil Mountain King

Local Rick Rickmyer nailed the Devil Mountain Cribbage Caper July 17...and picked up some 120 MRP's in the final 1994-season match in the Western Region. Roger King (Santa Clara, CA), George Petievich (Nevada City, CA), and Dave Thorne (Sonoma, CA) finished 2, 3 and 4. Thorne also had the hot hand in the qualifying round and took honors. 116 peggers were on hand for the season's finale.

42 peggers played the Consolation, and Lee Bedient, Benicia, CA, took home the win, followed by Marilyn McGrew, Auburn, CA in 2nd. R.T. Connelly (Yountville, CA), and Mary Herrmann (San Ramon, CA) finished 3-4.

Director Heidi Glashan reported \$647.40 was donated to the Diablo Lions Club...and that this tournament will be scheduled again next July.

Tony Del Tufo Sizzles at Sizzler

Tony Del Tufo, W. Bridgewater, MA, culminated an excellent season by winning the 106-pegger West Side Summer Sizzler in West Springfield, MA. Del Tufo tacked on yet another 150 MRP's to add to his laurels for this cribbage year, easily earning a spot on the 1994 All-American team.

Cindy Veradt, Taunton, MA, also had a fine season, and with a 2nd place finish (109 MRP's) has earned a spot on the Eastern Region's All-Star team...and a chance to compete in the annual All-Star game in Reno next February.

Lou Choinere (Chicopee, MA) and Peter Setian (Wilbraham, MA) took home 3rd and 4th place.

70 dedicated peggers played the Consolation and George Riley, Taunton, MA, edged Henry DeLong, Woburn, MA, in the title game. DeLong also culminated a fine season, racking up well over 600 MRP's.

This was Brenda and Harry Palmer's inaugural event...and they plan on playing once again next July 16.

Player's signature

A Long, Long Shot!

I would like to inquire to odds genius's like Russ Adams, Brian Heroux, and any other card nuts, the odds of which happened to myself and 3 others recently.

Four of us sat down at our Auction House after work to play a few games of cut throat. The players were Norm Saeger, Arlene Barrett, Mike Barrett and myself. Norm, Mike & Arlene all cut the deck and each player cut a Jack. Since I was on the phone in the other room, I didn't see the actual cutting of the three Jacks but they were all in "cutting shock" as I sat down. I looked, laughed, and said "I can beat that" as I cut the 4th Jack!

Needless to say, the "cutting shock" was severe after that and the conversation for the rest of the day was "what are the odds." Can you help us in finding the odds of this and let us know if this has ever been heard of before. We await your decision.

Patrick Barrett
Wisconsin Rapids, WI

If you specify before the cutting the specific denomination (in this case, a Jack), the odds would be (check me on this Russ Adams):
 $13 \times 17 (3 \text{ of } 51) \times 25 (2 \text{ of } 50) \times 49 = 270,725$
to 1. If the denomination is random (matching any cut card four times), then the odds would be
 $17 \times 25 \times 49 = 20,825$
to 1. Ed.

Grass Roots Numbers

The GR season is over and I have some numbers that you can use if you wish. In my Region (MI-MN-WI) I have 13 active clubs which drew a total of 9,174 players for the 93-94 season. Club 61, Green Bay, drew 1,572 players in 36 weeks, or 43.7 players per week, the largest in my Region. Awards are listed below for the year, but do not include the GR Regional and National Tournaments:

29-Hands: 6
28-Hands: 55
Grand Slams: 20
0 for 9: 23

Patrick Barrett
Regional Statistician MI, MN, WI

Hmmmm, it's easier to lose 9 straight than it is to win 9 straight...and only 4 29-hands should have been scored (according to averages). Ed.

Directory?

Geetings from Lakeview, OR, Grass Roots home of Beverlee "29" Honeycutt and her husband and 1989 Grand National Champion Harvey.

Thanks for publishing a class act *Cribbage World*. Congrats on a super job.

Is there a publication available that would tell us when and where Grass Roots clubs play? Recently, I spent a week in Phoenix, AZ, and would have loved to play some crib and meet fellow players.

Maybe it could be broken up in different areas of the country. Just a thought.

Boyd MacDonald, George Waudby, and Jerry Dickinson are working on a national directory that will be designed for travelling peggers like yourself. Date of publishing? Perhaps in three months or so. This is a much needed listing. Thanks for the compliment, too! Ed.

Stan "The Man" Looking For 29's

Stan "The Man" Daniels, from Portsmouth, VA, has been playing cribbage for 52 years and has never had a 29 hand. In June he got a personalized license plate that reads "29 4 ME." He waited until June 29th at 29 minutes past noon to install it. So far the best hand he's had is a dozen!

Tony Del Tufo had a great year in 93/94 finishing tops in the east. Tony won the New England Championship, the JPW/ACC Open in Reno, the Granite State Classic and the West Side Summer Sizzler! Has any other player ever won four Main Events in one cribbage season?

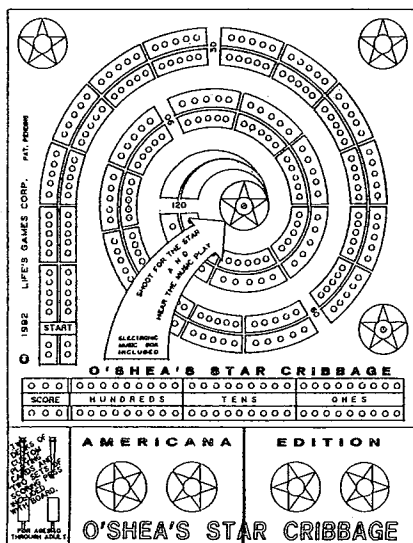

Ed Horigan
Virginia Beach, VA

Ed, I simply can't help myself in responding to these two items. First, Stan "The Man", used up all his luck (in one weird game) in Raleigh knocking me out of contention several years ago! No 29's for him! Secondly (and I've been waiting for the right moment to do a little bragging), I won four Main Events in the 90/91 season...but, none quite as large as the ones Tony nailed. That 954-pegger Main Event in Reno is hard to top! Editor.

Kudos From Barbara

I want to thank you for your kind words in the August issue, but think we should give credit where credit is due, and that is to Bill and Dorthalee Irons, their family and friends. They are very special people who have given much of their own time and energy to organizing these events for the benefit of tournament players and most importantly, disadvantaged veterans. The Sands Regency is proud to assist them in their efforts.

Amen! Editor.

Gotcha!

Sharp-eyed George Dean, Augusta, GA nailed your editor on a typographical error in the August issue.

Cribbage World wrote that "Bob Julian was a shoe-in for honors..."

George correctly pointed out that this should be "shoo-in."

A lot of players that Julian nailed in the 1994 season might say that shoe-in (kick in the rear) is the more appropriate spelling!

Grand National Players... Stop In And Play The Montana Championship

Tip Of The Month

Paul Hatcher, Salem, OR, is one of the most widely travelled players in the American Cribbage Congress. And, of course, after years of hitting the road, he knows many shortcuts in cutting expenses...sometimes travelling in his motorhome, other times in autos with his many pegging friends.

Recently Paul set a new mark in chalking up miles...he travelled some 6,590 miles from his Salem, OR home to Raleigh, NC, and back again, to participate in the 21st National Open.

His first leg of this sojourn was from his home in Salem, OR, to Missoula, MT, to pick up *Cribbage World* editor D. Lynn Colvert. Then it was on to Chaska, MN (and some Wednesday night Grass Roots play) to join Joan Rein and Scott Kooistra. On Thursday, this foreshore hit the road for Newton, Iowa to pick up Larry Loupee. After this rendezvous, this quintet hit the road for Raleigh.

Now for the Tip Of The Month:

Hatcher has discovered that when you hit a town for a motel, the first move you make is to make a phone call: **1-800 4 CHOICE**. This connects you to a central motel service (7 major chains, such as Days Inn, Econo Lodge, etc.) and if a room is available in your area (or the next town), you may reserve it on the spot (using your credit card)...and up to a 30% discount is offered. Hatcher scored this nifty discount on 3 of 4 tries on this trip. He says this is a senior discount...but it has worked for the younger set, too. Not only do you make a \$10 or so saving, but a room is reserved for you and directions are also given.
