AMERICAN CRIBBAGE CONGRESS

SPECIAL VOTING ISSUE

AMERICAN CRIBBAGE CONGRESS'S Board of Directors

Term of Office: Sept. 1, 1997 thru Aug. 31, 1999

This re-run of the voting centerfold in this issue is necessary because "Murphy's Law" struck the regular June issue.

The voting centerfold was inadvertently printed on regular stock paper...much too light for the postcard type mailing. In addition, the members having two names on their mailing label were not given the voting centerfold instructions and candidate biographies (pages 15, 16, 17 & 18).

Therefore, this edition of *Cribbage World* has been rushed to our entire membership. The ballots are printed on yellow index stock (postcard weight). These yellow ballots are the official ballots. **If any members mailed the lightweight, white ballots, they are null and void.**

The American Cribbage Congress and Lightning Printing apologize for this mixup. And as the old adage goes: "To err is human....to forgive, devine!"

Due to this late mailing of your ballot, the voting deadline will be extended to July 22 (postmarked). Your ballot is important, as you will elect a Board that will direct the Congress for the next two years.

"Sweet Sixteen"

GRAND NATIONAL XVI

Your official entry form is in this issue's centerfold, under the voting section.

Detach the four-page voting instructions and ballot, and GNXVI's entry form will be read in a 4-page unit.

This prestigious annual affair will be played in **Wisconsin Dells, Wisconsin on September 26-28.** Your host directors are Patrick and Linda Barrett. They urge all members to sign up early. Complete information is on the entry form.

This event is scheduled for the beautiful Holiday Inn in Wisconsin Dells.

A full array of events are scheduled, in addition to the annual Awards Banquet Saturday night.

New Master Point System

The new Master Rating Point system goes into effect next month, August 1, 1997.

It took two years of discussion, analysis, proposals and counter-proposals before the ACC Board of Directors gave final approval to the new MRP arrangement at its meeting Jan. 31 in Reno.

Thanks to the determination of the late Ed Horigan, the change awards equal Master Points for equal difficulty, regardless of the tournament size. Directors were also careful to equalize the new points system with amounts received in previous years, to offset any criticism that old-timers were protecting their lifetime totals.

Charts for the new system, in a mathematically-sound manner simplified by Paul Hatcher and DeLynn Colvert, are now ready and will be distributed to tournament directors later this month.

To earn qualifying points in either Main Event or Consolation sanctioned tournaments, **you must finish in the top 1/8 of your field of players** (for example, in an 80-player Main tournament, 25% (20 players) will qualify, but **only the top 10 earn qualifying MRP's**. MRP's are scored in relation to your tournament Game Points: in a 22-game round, a score of 27 GP's earns 5 MRP's; 28 earns 10; 29...15, etc. (however, 27 GP's will rarely score qualifying points...only the top 1/8 will score).

Playoff points are awarded by the number of rounds won, regardless of size of tournament.

All Main qualifiers win 7 MRP's, the first round award. A 7 plus 7 formula dictates the awards for subsequent rounds: second round, 21 points; third round, 42 points; fourth round, 70; fifth round, 105, etc.

Byes count as wins. After suffering a loss, no further MRP's can be earned, although a tournament may break ties by "backwards" playoffs for trophies, prize money, etc. at the option of the tournament director.

Similarly, the Consolation tournaments follow the same criteria, except the qualifying MRP's are reduced to units of 3. In a typical 9-game Consolation, a score of 12 GP's would earn 3 MRP's; 13 would net 6; 14...9; etc.

For a Consolation tournament, a 3 plus 3 formula dictates the playoff awards: first round, 3 MRP's; second round, 9 points; third round, 18; fourth round, 30; etc.

A separate schedule covers Double Elimination tournaments. The top 1/8 will all receive 30 MRP's (qualifying points), regardless of the tournament size; and five tables, ranked by size of tournament (17-32, 33-64, 65-128, 129-256, and 257-512) award additional comparable points based on number of rounds played.

The system might be a little confusing to begin with, but when you understand its simplicity, everyone will be able to instantly figure out how many MRP's they've won in qualifying or playoffs, in both the Main and Consolation events. We think you'll like it.

BLACK HILLS OPEN **Earl Newberry Tops** **In South Dakota**

Rapid City, South Dakota is in "no man's land" as far as cribbage is concerned. This Black Hills area is miles from most organized cribbage circles...and only dedicated players travel great distances for this tournament.

However, 38 hardy players showed for the annual Black Hills Open...and Earl Newberry from Lakewood, CO came away the winner. Newberry took home some 51 MRP's for this fine effort (after qualifying 2nd).

Starting next August, when the ACC installs the new MRP system, this win would be worth some 105 MRP's, plus qualifying points. The late Ed Horgan championed this new method of awarding equal MRP's for equal difficulty. This event, with 38 players, would qualify 10 players for the playoffs. 9th and 10th would receive 7 MRP's. The 5-8 bracket losers would receive 21 MRP's. The players tying for 3rd receive 42 MRP's, with 2nd place winner taking home 70 MRP's. The winner would score a nice 105 MRP's. This corresponds to any size tournament. Win four rounds in the playoffs in any sized tournament...and you have 105 MRP's in the bag! Win five rounds? 147 MRP's! Six rounds: 196 MRP's! The larger tournaments will still award more MRP's (more rounds won), but all players nationwide will score points on an equal basis. Equal points are scored for equal difficulty. This may help attendance in many of our nation's smaller tournaments...and should not hinder the larger ones.

Melvin Norton, Hot Springs, SD, nailed 2nd (32 MRP's vs. 70 MRP's in the new system). Royal Franklin, Littleton, CO came home 3rd, followed by Iris Fletcher, a Master pegger from Aurora, CO in 4th.

Local LeRoy Preszler won the 26 pegger Consolation...and scored 15 MRP's. The new system will award 30 MRP's. Jim Nohrden, Aurora, CO took 2nd, after qualifying tops. John Bakeberg, a local pegger, took 3rd, followed by Bob Fletcher, Aurora, CO in 4th.

Directors Wes Hall and Chuck Broer keep 'em pegging way out there in the Black Hills.

Glenn Nelson Scalps Field At Pow Wow

Glenn Nelson, Trevor, WI took on a field of 89 peggers at the recent Potawatomi Peggers Pow Wow in Stevensville, MI, and he came away with the win...and 99 MRP's.

Director Jeff Shimp was discreet in taking 2nd, as this Grand Master is "knocking on the door" for his Life Master rating, needing but a handful of MRP's to reach the 6,000 plateau.

Dave Draper, Wyoming, MI and Master Eugene Mikulsky, Sobieski, WI finished 3rd and 4th. Mikulsky is nearing his Grand Master with this 4th place finish.

Frank LaPan, Esseyville, MI took honors in the qualifying round.

The streaking One-Star Jim McManus, Milwaukee, WI, won the 57-pegger Consolation, and with the 33 MRP's earned keeps him at the top of the heap in the national MRP race.

Frank Schweig, Carpentersville, IL, took 2nd...and he, too, is nearing his Grand Master. Doug Page, Appleton, WI, after qualifying first, nailed 3rd in the playoffs, as this newly crowned Grand Master continues his fine play. Wayne Steinmetz, Milwaukee, another new Grand Master, took 4th.

Director Shimp reported Marion Quackenbush, the travelling pegger from Pennsylvania, scored the only 28-hand in this meet, and he will play it again next May 16-18, 1998. An increase in attendance this year attests to the growing popularity of this event.

Late Report

Don Thienel Scores 7th 29-Hand

A late report from the Great Plains Open had Don Thienel, Elkhorn, NE scoring the ACC's 7th 29-hand of this cribbage season.

This match sported 32 players. Former Grand National champ Clay Collier (Beatrice, NE) bested Phyllis Werner (Syracuse, NE) in the final playoff match.

Collier was also the high qualifier, and picked up 53 MRP's. He is nearing his Master rating.

Director Marvin Rader reports he will possibly play this match again in the near future. He is the process of finding a new location.

Peer Play Continues

The only ACC-sanctioned PEER tournament in 1997 will again be played in Auburn, MA on August 23rd and 24th. Using lifetime MRP accumulations, players are divided into at least three brackets. Masters play Masters, novices play novices, and the intermediate level players compete against one another in the 22-game qualifying round. Score cards in this round will determine playoff positions.

Directors John Chambers and Joe Seigle expect an almost equal number of qualifiers from each bracket, giving the newer players a better chance of earning MRP's and prize money.

Chambers and Seigle will have a full array of events, beginning with a Friday night event.

Any questions concerning this format should be addressed to: Chambers (401) 831-4157, or Seigle (860) 742-7234.

Cres Fernandez Tops Nipomo

Cres Fernandez, a late entry from Sonoma, CA, warmed to the task and won the Nipomo Open May 25...and took home 111 MRP's in this 100-pegger event.

Ron Wrightman held up local honors and took 2nd.

Robert Lippert, a pegger from Torrence, CA, came away with honors in the qualifying round, scoring a very nice 37 GP's.

Julie Tuckett, a veteran pegger from El Cajon, CA almost ran the table in the Consolation. She qualified tops and finished 2nd. She picked up 29 MRP's for this fine effort. Cy Madrone, Commandante of the Cribbage Militia from Santa Barbara captured the event.

The satellites saw two super cards, as Jackie Doppelt, Vacaville, CA scored a Grand Slam 20GP card in Friday's action, and another 20GP card was scored by Roger King, Santa Clara, CA in Saturday's action. King's card was also a Grand Slam.

Director Darrell Hunstad inaugurated a 4-person team event, and the fair sex took honors: Helen Bolstad, Rae Fedde, Mary Hartman and Julie Tuckett.

Roberta Nelson took the Cry Baby, edging director Hunstad for the top prize. Hunstad reported that this was the second time she pulled this trick!

Hunstad also reported the players enjoyed a delicious BBQ chicken lunch...especially Darlene Carr and Jay Goldfarb (they had just scored 28-hands before lunch!)

28 Crib!

While playing Ken Richmond in our GR club about a year ago last March, and being even with Ken on third street, I was dealt a 5-7-8-8-9-K, keeping the convincing "hit" I kept 7-8-8-9 and threw the K-5 into Ken's crib.

I promptly cut Ken a 5 and play resumed with me making the comment a couple of times thru the hand that "You're really going to like your crib!"

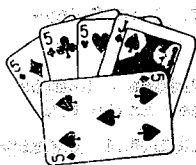

Ken, each time responded with "I know!"

Needless to say, when the crib was turned, sure enough, you know where the other two 5's were. That's right! In Ken's crib for a 28! Let's see if anyone can top that one.

All I can say is that he didn't skunk me!

*Darrel Unruh
Gresham, OR*

Darrel, nice try...but in last month's CW, page 8, Gerald Hahn gave Ruby Ellison a 29-hand in her crib! Ed.

A Rarity

Cribbage is full of surprises and rare events. How about this one?

At a Grass Roots club meeting last year in Florida, Paul Barnes and Fred Dryden score 28 hands on the same night.

Now, a year later, Paul Barnes and Fred Dryden, once again, score 28-hands on the same night!

Cribbage World suggests that these two peggers attend the JPW/ACC Open together...and hope they draw adjacent seats!

Term of Office: September 1, 1997 thru August 31, 1999 (2 years)

This centerfold ballot contains the biographies of 33 candidates. You may vote for as many candidates as you like, but **NO MORE THAN 25**. Mark your ballot with an "X" in the box of the candidates of your choice on the clip-out postcard ballot. This ballot is pre-addressed to: ACC BALLOTS, P. O. Box 145, Bear Creek, NC 27207. Clip ballot on dotted line, attach a 23-cent stamp and mail. Married couples will receive an additional ballot inserted in this issue.

Paul C. Barnes, DeLand, FL: Age 53, Retired Systems' Test Engineer, work part time to go to cribbage tournaments. Family: married to Joy Barnes, the better known player of the Barnes'. Three grown daughters. Accomplishments: Club Director Greater Orlando GR22 for 4 years. Statistician for GR 22. Commissioner Region XII for GR program. Director of tournaments since 1992 (3 per year); Greater Orlando Open, Daytona Beach Open, & Jim Arblaster-Florida Open (only sanctioned events in Florida). Served for 2 years, previously, on ACC BOD, now on ACC's BOD. Travel from 5,000 to 15,000 miles per year playing cribbage tournaments (18 states) getting the pulse of organized cribbage. Worked with Ed Horigan on new ACC MRP system, trying to fix inequities, so all players will have an equal chance to make MasterPoints. Have provided financial support for Cribadier General program thru tournament donations. Director for 1998 Grand National in Daytona Beach, FL. Working on committee to reorganize tournament reporting systems, to let players know up-front what to expect when they attend tournaments. Run a tournament at the Raleigh National Open. Cribbage vision: Working to organize an Internet E-mail system to provide communications between various groups of cribbage players. Working to help get cribbage on the Internet. Would like to see more commonality between tournaments (have changed some of mine to conform). Would like to see a more active part of the ACCBOD in getting youth into cribbage, perhaps a youth tournament system, much like presently in bowling. Need to see all of cribbage grow.

Patrick Barrett, Wisconsin Rapids, WI: 36 years old, wife Linda, 2 children. ACC member and tournament player for 17 years. Current ACCBOD member and Chairman of Hall of Fame and Internet Committees. Tournament Director of the WI Dells Classic, site of 1997 Grand National. GR club founder & Director (GR 120) and GR Region VI Statistician. Active ACC Senior Judge and head judge at various tournaments. Ranked in the top 50 in both MRPs and GR, lifetime. "I strive to help the ACC grow in quality and memberships. If re-elected I will continue to contribute to the ACC and its success, hoping it becomes the best organization it can be." Thank you for your consideration for the BOD.

Joe Bernard, Libertyville, IL: I have been a member of the ACC for 16 years and have been on the BOD for the past 4 years. I am currently a One-Star Life Master and consider fair and ethical play to be a top priority of any cribbage player. I am a volunteer worker at the National Open, JPW Open, Milwaukee Challenge, and many other tournaments. I am the

Central Region Tournament Commissioner, and a member of the Tournament Reporting, Rules, and Ethics Committees. I consider it a privilege to work for the ACC and would appreciate your vote.

Everett E. "Ev" Bey, Sun City, AZ: Charter Life Member of the ACC, currently President; a BOD member and officer for 16 years; elected to HOF in 1983; Cribadier General and Master. Founder of World Championship Tournament in 1972 (which he won in 1992). The WCCT just completed its 26th year, held annually in May in Quincy, CA. This Sierra-Nevada community, 85 miles west of Reno, is known as the "Cribbage Capital of the World." Ranking among the top half-dozen big tournaments, it was the first ACC-sanctioned event on the West Coast, spreading the gospel of ACC cribbage and spawning dozens of tournaments throughout the West... "the granddaddy of 'em all!" Also organized a 7-member GR club in Sun City West, AZ and is host director of the Annual Roadrunner Classic AZ Championship in Phoenix. Owner of 6 Northern California newspapers centered in Quincy. Retired Editor-Publisher after a 60-year career as a newspaperman, now living in Sun City, AZ. A native of LaCrosse, WI, "SOB" (Sweet Ol' Bey) learned the grand old game of cribbage in the Badger State and ain't nobody's pigeon!

George Bickford, W. Springfield, MA: I have been a member of the ACC from its inception in 1979. I do not know if I am considered a founding father, but I was in Raleigh in 1979 with about 8 others when the ACC was first proposed. I also served on the BOD in its infancy, but was forced to resign due to family and business commitments. I have been the Director of the Dante Club, W. MA Open for the past 20 years. I had the first sanctioned tournament in New England. I have also been involved with the National Open for the past 17 years, serving on the hospitality committee and Chairman of the Consolation Committee for the last 10 years. My current service on the BOD began in 1993, serving on the Ethics Committee since Sept. 1993, Chairman of the Ad Hoc Committee on Tournament Regulations 1996 to present, and appointed Eastern Region Commissioner, serving from 1993 to present. I have earned my Master and Grand Master and am also a Senior Judge. I am looking forward to serving all the members for another term. Thank you for your consideration.

DeLynn Colvert, Missoula, MT: If elected, my goals are to maintain a fair and honest club, and continue publishing *Cribbage World* as best I can. I will work

to update the Rule Book, so as not to punish newcomers and make the rules more user-friendly. And I haven't given up on a bumper sticker for all our members.

Annett Eiffert, Sacramento, CA: In Feb. 1992 I played my first ever cribbage tournament... the ACC Open in Reno. I didn't know what the ACC was, but I thought I knew something about cribbage. Well, I was taught a few things about cribbage that day and found out how much I really did not know! But I was hooked on the tournament, the players, and the ACC. I promptly became a member. I joined the local GR club (162) and became its Director in 1993. Undermy directorship, the club has grown from a core of 12 players to a current roster of over 60, with a formal BOD. We now rank as one of the largest active clubs in the West. My insistence upon open communication with all club members concerning ACC GR and club policies has greatly contributed to this success. I am one of the founders of the River City Open, and continue as the Co-Director. I am an ACC Judge, and earned Master last Nov. As an ACCBOD member I would contribute my organizational skills and enthusiasm for the game of cribbage, as well as encouraging a forum for more communication between and all ACC members. Thank you for your vote.

Martha Fingleton, Milwaukee, WI: Outspoken ACC member since 1983. BOD member since 1989. National Tournament Commissioner since 1990. Member, ACC Ethics Committee since 1992. Senior Judge since 1992. Elected to ACC HOF in 1997. Several years experience as player, judge, tournament director/assistant. Varied service re: "other duties as assigned" portion of BOD member job description. Have served the ACC membership by setting priorities, telling the truth (even when unpleasant), and cutting through nonsense. I would like to continue to work to keep the ACC a NATIONAL organization devoted to a GAME we all enjoy and try to give back to this group which has given me so much.

Keith Forrest, Stevensville, MT: I'm 57 years old and have been playing cribbage for about 50 years. I've been a member of the ACC about 10 years. About 15 years ago, I moved from MT from MN, where I was involved in league cribbage and was on the league Board. However, I'm a native of WI, so my cribbage roots are there. I'm married and my wife is also a cribbage competitor, as well as my son. Being retired, I travel extensively, competing in cribbage tournaments, where I enjoy talking with players about cribbage and any ACC

concerns, which, if elected I'd present to the BOD. I'd appreciate your vote, that I may be more involved in my favorite game.

Larry Hassett, Roseburg, OR: With your support I would like to continue to serve the ACC/GR membership. I believe in reasonable disclosure of tournament funding. As co-director for the Timber Capital Classic and assistant for the Labor Day Special, I have provided a full funding report to all participants. The ACC now has the ACC Constitution and Bylaws in one, current, document. The same thing needs to be done for the ACC Tournament Guidelines. I have been an ACC BOD member for 3 years, ACC Judge for 7 years, Senior Judge for 1 year, and the GR Region II Statistician for 5 years. If elected, I will continue to support a consistent tournament reporting format and manuals containing all of the ACC/GR rules and guidelines. Thank you for your support.

Paul Hatcher, Salem, OR: I graduated from OR Institute of technology in 1957 (Surveying Technology). I also attended Chemeketa College (Accounting). I retired from the OR Dept. of Transportation in 1987, having served as a surveyor, auditor, fiscal officer, and budget officer. I joined the ACC in 1990, achieved Life Master and GR Bronze award, and earned All-American honors 3 times. I have served as the GR Commissioner for Region II, and for the past 6 years have served as Director of GR club 46. I am a certified Judge and co-director of the Capital City Classic (Salem, OR). I am currently a member of the BOD and member of the Executive Committee. I also serve as chairman of the Ethics Committee. I will continue to promote cribbage and the GR program. I will work for full disclosure of tournament funding, promote standardization of tournament format, willingly work on any committee to which I am assigned, and represent the interest of ACC members. Your vote would be appreciated.

Roy Hofbauer, Washougal, WA: BOD member for 4 terms. Currently serving as Western Region Tournament Commissioner, Senior Judge, and Ethics Committee member. Director of Oregon Coast Classic, JPW/ACC Open, and Longest Beach Classic. Have attained Life Master and Bronze awards, GR and ACC member since 1987. I enjoy belonging to and working for the ACC. If elected, I will try to represent the wishes of the ACC membership for standardization and improvements in tournament play. I would appreciate your vote.

Jones Hom, Fairfield, CA: Current Director of the Solano 29ers GR club and also certified ACC Judge. Both positions for about 10 years. Spent vast hours tabulating GR score cards each year. An active and enthusiastic supporter of the ACC. I travel the tournament trail primarily in CA, OR & NV. I attended the National Open in Raleigh last year. Players on the tournament trail have called my "Jonesy" for years. Having been an officer in the military & having served as a Planning Commissioner for 13 years, my goal is to bring my decision-making and consensus building abilities to the BOD for the benefit of all ACC members. Thank you for your vote!

Lea Hornbeck, Washougal, WA: Retired after 43 years in textile Mfg. middle management. Former 2-time BOD member, presently serving as Cribbadier General Director. My main goal is to promote youth cribbage... "Our Future."

Jesse Jarrell, Pittsburg, CA: I've been a CA resident most of my life and travel the cribbage trail extensively. I love the game and have met many fine folks who play this great game. I have been a member of the ACC since 1983 and certified Judge for many years. I have been past president of GR 54 and co-director of our Annual Devil Mountain Caper. It has been a great honor to be spokesperson for the Veterans Day Open and Independence Day Open in Reno, and assist in many other tournaments nationwide. I have been blessed often in the past allowing me to earn 6 All-American honors as well as captain of the 1993 All-American team. In 1995 it was great honor to be the 3rd person to earn Life Master, One-Star. I have served 2 terms on the BOD and it would be my pleasure to continue to serve and represent you. My time and mind is open to anyone with suggestions. Your continued vote and support will be greatly appreciated.

Bob Julian, Milwaukee, WI: Retired after 40 years business career as Corporate President and Board Chairman. ACC Life Member since 1980. ACC BOD member for 6 years. Served as director of Publicity and Promotion during which time ACC membership doubled. Worked on many other committees. Won Guy Pence award for most outstanding recruiting of new members twice. Was co-ordinator of, and helped organize our first Grand National. Was on committee that worked to formulate our first real set of rules in 1982. I am a Life Master and 2-time national champion. I participate in tournaments throughout the U. S. yearly (36 in 95-96) and feel I more fairly represent all sections of the country on the ACC BOD. Thank you for considering me as your representative.

Jo Kirby, Richland, WA: I joined the ACC in 1986 and have competed in NW tournaments since. I was director of the Hermiston, OR club for 1 1/2 years before moving to WA. I have been very active in the GR program, currently with GR 39, not missing club play in over 3 years, and also directing summer sessions. It would be my pleasure to represent you on the ACC's BOD and I will always be open to your suggestions and/or listen to your complaints. I urge all of you to vote for your favorite candidates. Thank you for your consideration.

Scott Kooistra, Yankton, SD: I am a charter member of the ACC, and have served on the BOD for 16 years. In 1992, I was elected as the Executive Vice-President of the ACC, and served as Chairman for the BOD meetings for 4 years, as well as serving as interim President for a year. I was very honored to be the youngest ACC member elected to the HOF. I am current Life Master One-Star, and have earned 6 All-American honors as well as being the top player in 1990. It's been my pleasure to direct many tournaments across the country, including Grand National events and the World's largest tournament with over 1,000 players in Reno. I ask for you vote in this election. If elected, I will continue to support cribbage among our youth to keep the ACC growing. I will also continue to stress strong adherence to the rules of the game, and help to give more publicity to the greatest card game of all!

Pat Llewellyn, Bellingham, MA: Avid player for many years. GR Director since 1992, Director Tri-Valley Open since

1994, ACC Judge since 1994, and assisted in many other events. I would consider it a great honor to serve on the ACC BOD. I have worked enthusiastically to promote cribbage throughout my area and would bring that enthusiasm to the Board. I would serve my term with vigor and would work to make cribbage accessible to all. My service to the game at the local level has inspired me to seek an opportunity to serve and promote cribbage at the national level.

Syl Lulinski, LaGrange Park, IL: I served in the US Air Force from 1951-1955. My wife (Phyllis) and I have been married 38 years, and have lived in MD, NY, and IL. We are both registered Pharmacists and former co-owners of Lulinski Pharmacy in Chicago. My service for the ACC includes 6 years as Executive Vice President, 5 years as National Tournament Commissioner, 3 years as Tournament Director of the ACC Open in Reno, and 9 years as member of the BOD. My honors received from the ACC include HOF, Life Master, 3-time All-American, and President's Award. Your support is appreciated; I'll do my best for you.

Burlington, VT: Member BOD for 9 years; founder and director VT Open (14 years); Treasurer of ACC for 10 years (March 1987 to present time); ACC President's Award (1994); Laurence Bounds Sportsmanship Award winner, National Open, Raleigh; Certified Judge; Executive Director, Vermont Lottery; and formerly Executive Vice President and Chief Financial Officer, major VT bank.

Eugene Mikulsky, Sobieski, WI: Aggie and I will celebrate our 49th anniversary this year and have 8 children, 19 grandchildren and 1 great grand child. I have been retired for 7 years from an electric utility where I was employed 38 years. I'm a member of the ACC BOD and the National GR Commissioner for the past 2 years. Director of the North Pole Open for 5 years. Director of GR 61 for 8 years. I was director of the GR National Tournament for 3 years. I help several other tournament directors each year (as certified Judge and on tabulating committees). If elected to the BOD I will continue to work with ACC members expressing their opinions as the GR voice on the BOD. Your vote will be appreciated.

Jeff Monroe, Napa, CA: ACC Membership Secretary for the last 9 years and ACC BOD member since 1987. Responsible for processing thousands of new and renewal applications to the ACC yearly. Process Cribbage World mailing labels monthly, and answer/respond to inquiries on the ACC's toll-free telephone daily. being elected 4 years ago. I am a Cribbadier General supporter. I have travelled extensively nationwide playing cribbage. I achieved Master in 1994. I serve on the Ethics Committee for two terms, and appointed by President Ev Bey to be on Nominating Committee for bi-annual elections of the BOD. It has been my pleasure to serve and represent you, the membership, as your BOD member. Thank you for your past support, and if you re-elect me I will strive to represent you to the best of my ability in promoting and improving the grand old game. Please take the time to vote...

Rex Paddock, Missoula, MT: I have been an ACC member since 1984. I am co-director of the Montana Open and the Montana Championship for the past 12 years. I also was co-director of Grand National XII. 25 Members Will Form American Cribbage Congress's Board of Directors

In August, 1979, the American Cribbage Congress was organized. At the inaugural meeting held at the National Open in Raleigh, NC, a 26-member Board of Directors was named, and a 9-member Executive Committee was appointed. As we vote this month to form our next Board of Directors, the format has changed somewhat. We have pared the Board to 25 members, and have only five Executive positions. Of the original 26 members, only Shelbyville, IL's Jeff Shimp is running for office this term.

Be sure to vote today. Support the ACC. This is your opportunity to elect Board Members of your choice. You may vote for up to, but not more than, 25 candidates.

Sundae Webb, Pittsburg, CA: I've been a member of the ACC since 1984 and an active certified judge for several years. I achieved Grand Master a couple of years ago and now striving towards my goal of Life master. I attend several tournaments yearly and offer assistance in any capacity that is needed. I'm actively involved in the Devil Mountain tournament as well as two Reno events. I have several years experience and qualified educational background to oversee and manage small to large groups of employees. On a professional basis, I work with our Medicare population on a special project funded by the Health Care Financing Administration as a quality control supervisor. I look forward to serving on the BOD and doing my most knowledgeable job to serve the ACC's membership.

Steven P. Sattler, Baltimore, MD: I currently serve as GR Commissioner for Region IX, and I am the director of the Baltimore Cribbage Club (since 1993) and the director of the Baltimore Charm City Classic. I recently received approval from the BOD to create the ACC's Internet Home Page, on which I serve as publisher. I hope to have an influence on improving the automation of the ACC and GR organizations, and to increase the marketing of the ACC to attract new members. I have had a successful career in the Sales Management field, and have an MBA in Marketing.

Jeff Shimp, Shelbyville, MI: Founding member of the ACC, BOD member since its inception, Chief Judge 6 years and tournament director 2 years for ACC Open (Reno); Chief Judge at National Open (Raleigh) 2 years. Chief Judge at Grand Nationals (Prineville, Missoula, and Green Bay). Co-director of Annual Potawatomi Peggers Powwow (MI). Appointed Commissioner of ACC Judges' Program. Perfect attendance at BOD meetings for many years. I continue to emphasize clearer, more concise rules and player protection (from unscrupulous players and/or tournament directors). Director of GR 71 (MI). I have appreciated the opportunity to serve on your BOD and solicit your support to allow me to continue to help build the ACC.

Real Pasteboards!

When the USA was colonized by the English, a card-maker by the name of I. Hardy, was given permission by the King of England, and the Prince of Wales, to make playing cards for export to the colonies. Taxes and cards were a hot item in those days. If I. Hardy, or his shippers dared re-land the cards in England, a 50 pound penalty was imposed. And if they dared sell these cards in Great Britain, a 20 pound penalty was assessed.

These cards were of poor quality and a far cry from our present day cards. They were hard to shuffle, the printing quality was very mediocre...and, in short, they were "pasteboards!"
CW thanks Barrett Mace, Eureka, CA for these replicas.

Collector Boards

Barrett Mace, Eureka, CA, has a few collector cribbage boards that he has picked up over the years. The board on the left is a "Faux Ivory" (fake ivory) gem made in the 1920's. The other two boards are the real McCoy...ivory boards purchased on Okinawa, after World War II by Barrett's father, George Mace. Of course, items made of ivory is forbidden now, adding value to any item made of this material.

Letters To The Editor...

A Tribute To "Ras"

It goes without saying, any good organization begins and continues to be successful due to the efforts of a strong dedicated leader. George "Ras" Rasmussen is that kind of a leader behind the Chehalis-Centralia Cribbage Club (WA).

In September of 1996, George put a notice in the local paper inviting anyone interested in playing cribbage to meet at the local Moose Lodge. About 30 peggers showed up...some out of curiosity...others interested in forming a club. The next week about 20 showed for the meeting. George's enthusiasm and knowledge of the game so impressed everyone, that we knew a good club was in the making.

"Ras" went above and beyond what was expected of him. In addition to setting up the cribbage playing material before each tournament, he gave out some cash prizes out of his own pocket for specialty hands. After each tournament he calculated the regular prizes and presented them to the winners.

Then after going home he calculated the statistics for the club. Each week he sends out an interesting newsletter (at his own expense) to all the club members to keep them informed on whats going on in the club. On top of this he taught a class each week for six weeks on how to play better cribbage...again at no cost to those in attendance.

It is through George's leadership the club has increased from 18 to 42 members. "Ras" would be hard to replace.

*Members
Centralia-Chehalis GR 232*

*Yes indeed, the ACC is fortunate to have members such as George. And not only is he a good organizer, he picks 'em up and lays 'em down with the best. He has amassed well over 1,000 MRP's this cribbage season and is among the leaders.
Ed.*

Summers-Njaa Go Tit for Tat

The Monterey, CA, GR peggers sport two competitive peggers...Ross Njaa and Wes Summers. In two consecutive sanctioned meets, these two played for 3rd and 4th. At the Lake Tahoe match, Summer's edged Njaa for 3rd. In the next meet, Njaa edged Summers for 3rd...at the Nipomo Open. Cribbage fever..catch it!

Karen Shimizu's Gotcha!

In May's issue of CW, an article summarizing Karen Shimizu's GR publication stated: "Little known facts: did you know that the word "gullible" cannot be found in the dictionary?"

CW's editor made a bee-line for the dictionary...sure enough there was gullible! Shimizu got him!

And then along comes a postcard from Russell Ziolkowski, Springfield, OR. He writes: "Funk & Wagnalls Standard College Dictionary: Gullible...easily cheated or fooled. Credulous."

Sorry Russell, you're a guppy, too!

George Bickford Appointed National Tournament Commissioner

George Bickford, the Eastern Region Tournament Commissioner from W. Springfield, MA, has been appointed National Tournament Commissioner, in addition to his Eastern Region Commissioner duties.

Paul Hatcher, Executive Member at Large, made the appointment, with the concurrence of the Executive Committee.

In Memoriam

Ted Depizol

Winter Springs, Florida

Ted passed away recently at his home in Florida. He was an avid pegger in the Southeast, and a great player. He will be missed by all his many friends and peggers.

D. M. Peterson

DePere, Wisconsin

D. M. passed away May 14 after a short illness. She was a charter member of the ACC and a member of GR 61. If asked what D. M. stood for, she always said "Damned mean!" She was anything but, and will be remembered by her cribbage friends as a gracious loser and a humble winner. She will be greatly missed.

Vexed by Tournament Operation

What is the problem (???) (CW 4/97). It has always been the tournament director's responsibility/prerogative to spread the cost of the tournament over all of the events. The ACC tournament Guidelines allow 15% for expenses in the Main and Consolation events; and 10% (not 15%) for all satellite tournaments. If someone is getting a "free load," it's because the tournament director is allowing this to happen.

Players have skipped our main tournament for a variety of reasons, work, school, family commitments, etc. None because they are too cheap to pay the \$2 sanctioning fee. It was suggested, at an ACC BOD meeting, to charge \$2 for those players who play only the consolation. Almost ALL of the board members rejected the idea because of the extra work load.

I'm vexed by tournament directors that charge the players \$6-7 (\$10! Ev) for a lunch of under-cooked chicken, spaghetti, a salad bar or just bread (because they ran out of food), or a blob of meat (\$13) that would make a chuck steak from an old cow taste like prime rib. I would rather get my own meals.

I'm vexed when a tournament director takes money for trophy boards, does not provide the trophy boards, and is allowed to hold another ACC sponsored tournament the next year.

I'm vexed because the ACC does not have a standard accounting method for tournaments that put all tournaments on an equal footing. Just a simple requirement, all tournament advertising (CW tournament trail, flyers, etc.) must contain the percent of "cash" returned to players for each event, would be a big step in the right direction. Extra work? The basic information, for the Main and Consolation, is contained in the current reporting system. I've heard this would not be fair! Not fair to whom? The players?

Larry Hassett
Roseburg, OR

Larry is co-director of the annual Timber Capital Classic in Roseburg, OR. He is no hypocrite. He produces a tournament report fully explaining all costs and prizes awarded that fully complies with ACC guidelines. And, as a member of the BOD, I am constantly urging guidelines that would give all our players full disclosure on tournament flyers and "Tournament Trail" as to each tournament's prize policies, cost of meals, trophies, etc. Ed.

New Version of "Captain"

This version of "Captain" was submitted by a member of the ACC...CW kept the page it was written on, but no signature was on the page. Who will take credit for this game? Ed.

The following game has been dubbed "Jersey Captain." According to the letter, the Captain usually wins:

Cut for deal, low card is Captain; 2nd lowest (1st Mate) is left of dealer; 2nd Mate is right of dealer. 1st and 2nd Mate play as a team.

The Captain deals every hand.

Shuffle and cut to the right (2nd Mate). Captain deals clockwise beginning with himself, and deals 5 cards to the Mates and the last card to himself (6 cards).

Mates discard one card to crib. Captain picks up the two cards (one from 1st mate, 1 from 2nd Mate) and looks at 8 cards!!! He then lays 4 cards to the crib.

Starter card is cut to the left (1st Mate).

1st Mate leads. Play as usual. 1st Mate scores hand first, then 2nd Mate, then Captain's hand and crib.

The game is 121 points (Captain included).

Conventional scoring for skunks, etc. Next game, deal rotates to left (1st Mate is now Captain).

Larry Loupee Has No Sad Stories...

Larry Loupee, the tournament director from Iowa, is rumored to be writing a book on cribbage sad stories...and CW reported this to our members.

Larry writes that "Haven't received any sad stories yet..."

He did mail CW a cartoon about O. J. Simpson checking in at the Lost & Found stand. The attendant looks at a list of items and asks O. J.; "Let me get this straight...you lost your cap, gloves, Heisman and assets. Are you sure it's not your mind you lost?"

A New Whine: Gluteous Maximus Blues

My cribbage pal, Mike Barendse, and I can't seem to get through the 22-game Main event without discomfort. It's possible that (a); we are trying to play sober and can now feel the pain, or (b); too many years on the basic food-groups (meat, potatoes, ice cream, and beer) now cause our backsides to lap over all sides of those metal chairs, or (c); old age has caught up with us.

We've tried the Consolation only and it's just the right number of games for old softies like us. We'd like to see a Sunday only option with a sanctioning fee available.

Mike and I won't ever be mistaken for Masters because we like to laugh and we play by the seat of our pants. But we do enjoy rubbing elbows with everyone at the tournaments.

*Stu McIntyre
Knappa, Or*

Stu, old pal, I just don't know what to say. I guess you'll just have to play those 9-gamers (many tournaments have 9-game satellites). But your letter gives me an idea. How about a cribbage pillow for the old Gluteous Maximus? Any entrepreneurs out there in cribbageland? A pillow for those cold, hard metal chairs might just be a best seller!

That reminds me of our Grand National XII in Missoula. We were forced to rent about half of our chairs...and they were godawful plastic things. One sweet lady said, after playing about 10 games on those horrible chairs, that she simply had to withdraw. Horrors! What to do? A cancellation in mid-stream would cause chaos! Well, we found a nice padded chair, and told her to take the chair with her in the rotation! Whew! Close call! A cribbage pillow would have been a best seller that day! Ed.

Ron & Laurie Logan On The Move

Ron and Laurie Logan, playing out of Queen Valley, AZ, have an interesting job. They travel nationwide inspecting campgrounds of a major chain.

Lo and behold, this pair show for a little cribbage action at the Missoula, MT club on May 6. Then it's on to Helena, MT and perhaps a little pegging there.

Many of our ACC peggers are on the move like the Logans. This is just one more reason that a better effort should be made to make a nationwide club roster for our many travelling peggers. It would make it so much easier to find where the pegging is taking place.
