AMERICAN CRIBBAGE CONGRESS

Ed Horigan Memorial

George Webb Tops In Virginia

About three years ago, the late Ed Horigan proposed a Master Point change that would reward ACC players equal MRP's for equal difficulty. This Grand Master from Virginia passed away before his concept became reality, but now ACC players play from coast to coast under his concept for fair play...and fair rewards. Players from Virginia, and director Marvin Lewis recently conducted an Ed Horigan Memorial event in Portsmouth, VA to honor Horigan.

George Webb, a Life Master from Avon, MA came home the winner in this event, besting some 82 players...and took home 162 MRP's (after qualifying 8th). Jeff Raynes (NC) took 2nd, followed by Sean Murphy (MD), and Sharon Deane (VA) in 3-4. Jack Howsare (VA) took qualifying honors with a nice 31 13/20 +228.

Larry Phifer (NC) won the 64-player Consolation, winning his last playoff match with Tom Ballweg (VA). Paul Barnes (ACC BOD member) (FL) and Larry Gould (NC) finished 3-4. Master Lucille Simpson (NY) won 9 of 10 in the qualifying round to take honors.

Director Marvin Lewis hosted a full array of satellite events. The winners:

Friday: Jeff Raynes (NC)
Saturday: Earl Luton (NC)
High Rollers: Jack Brown (VA)
Last Chance: Dennis Cupery (NC)
28's: D. Ritchy, B. Moore

Lewis reported the American Cancer Society received \$164 from the players in Horigan's memory, and that he will schedule this event again next year (Feb. 18). Mark your calendars.

Last Call:

Any member of the American Cribbage Congress has the option and right to run for election for the ACC's Board of Directors. A new board will be elected this year, and anyone wishing to run must have their nomination form forwarded to Ron Hamilton by April 10, 1999. Time is short! See page 7 of March *Cribbage World*.

Also, this is a last call for the 46 players who earned Master last year who wish to trade their enscripted plaque for the usual Master's cribbage board. Contact DeLynn Colvert, PO Box 5604, Missoula, MT 59806 or call (or fax) at (406) 543-6855.

The President's Column

At Last! Good Mail Delivery!

It took a little time, but we think we've got prompt delivery of your *Cribbage World* solved.

Thanks to Paul Vogel, USPS Great Lakes area, Mike Stevens at the Minneapolis Post Office; and Kenneth Sachs, also at the Minneapolis Post Office, they put us on the right track to get the job done.

If you'll notice the address on your CW, you'll note a series of some 60 little lines...it's called a "bar code"...which quickly identifies the address of the mailing piece and gets it into a speedier route delivery sequence.

When Larry Hassett took over as Membership Secretary, he waded right in and installed the \$999 Post Office automated system to cleanse and clarify our membership address system.

March issue was mailed at Richfield, MN Post Office on Friday, March 12 and I received mine on Tuesday, March 16 in Sun City, AZ. I'm satisfied with that kind of delivery!

Editor DeLynn Colvert took a little swing through the Midwest in February, so his CW work suffered a little time lapse. Add a new Membership Secretary who extended himself by installing a new addressing system and we still get delivery of our March CW at least a week earlier than was usual.

Now, when we get back to regular deadlines and printing schedule, your CW should be in your hands about the 10th of each month.

Want some comparisons? In February, CW mailed 5,775 24-page copies at a cost of \$1,517. In March, CW mailed 6,004 40-page copies at a cost of \$1,506...4% greater volume plus 66% increased size nets an \$11 reduction in mailing costs. Larry sez, "Look for a further decrease in mailing costs for CW when some 200 addresses with errors are corrected." Maybe as much as \$1,500 per year!

Well done, Larry!

One of the best cribbage publicity shots we've seen recently was in the Green Bay (WI) Gazette. It showed Mark Kropp and Kerry Paulson, both of Seymour, WI playing cribbage while waiting for fish to bite on the frozen Kewanee River near Footbridge.

We recently had to respond several times to one of our members who insisted that an Ace, 2 twos, a three and a Jack totalled the impossible "19." The only way he could work it out was to have the pair of 2's be the same suit, matching the Jack for a flush and Nobs. No way! It's either 15 or 18, depending on the card placement.

Want to get involved in running the American Cribbage Congress? Nominations for the 25 seats on the ACC Board of Directors are now being accepted by Ron Hamilton.

A nomination form is included in the March Cribbage World. Just fill it in and send it to Ron at 7318 SW Cannock Chase Road, Topeka, KS 66614-1534 **before April 10, 1999**. A short biography should also be included for publication in the May CW.

Ballots will be mailed separately this year and should be returned by June 5, 1999.

Keep peggin'...Ev Bey

March Cribbage World Whopper!

March CW had a record 40 pages, complete with 82 sanctioned events listed...and thanks to our new bar coding, it arrived right on schedule, despite a new Membership Secretary, a new mailing system, and the record pages. When editor DeLynn Colvert began publishing CW in the spring of 1990, his first issue was a 20-page publication, complete with 19 sanctioned events. We've come a long way in nine years.

Life Master 37! Roger Wilson Takes Timber Capital

Roger Wilson, the ACC's travelling pegger from Denver, won the recent Timber Capital Classic played at the Seven Feathers Casino in Canyonville, OR. The win was a special one for Wilson as he earned Life Master...and another 196MRP's as well. In winning his 5th sanctioned Main event, Wilson joins the ACC's race for the roses this cribbage year and is over the 500 MRP mark.

Jay Maloney (OR) nailed down 2nd in this huge meet (218 players)...and 147 MRP's. Sally Peters (OR) and Joe D'Amico (WA) took home 3-4. D'Amico was a walk-in from the casino who loves cribbage. He immediately joined the ACC...and loved the action. He finished high in the High Roller event, qualified 43rd in the Main...and begins his ACC pegging with 105 MRP's!

Jerry Hahn (OR) smoked the field in the qualifying round...scoring a nice 39 17/22 +291.

Jackie Doppelt (CA) scored a grand slam 9/9 in the Consolation (20 +195) to easily earn honors, but in the playoffs in this 140-player field Lowaine Pruett (OR) came home the winner. Master Frank Ornie (OR) took 2nd, with Walt Howell (OR) and William Summers II (CA) in 3-4. Summers garnered 45 MRP's and remains in the national championship race for this cribbage year.

Directors: John Thiems, Larry and Donna Hassett, had a full array of satellite events. The winners:

Time Passer: Larry Hall (CA)
High Roller: Rosemary Hendricks (WA)
Doubles: Vernon Ward & Tom Markham
Saturday: Art Whitney (OR)
All-Events: Todd Malmgren (OR)
Last Chance: Ken Slama (WA)
29: Scott Milo (CA)

This event was a memorial to the late J. C. Turner...a great pegger from Western Oregon.

The Seven Feathers Casino, located 27 miles south of Roseburg, OR on I-5, proved to be a great host. The facilities are first class, giving players elbow room to spare. The casino donated \$1,000 that was divided by the first 50 players to score a 24-hand in the Main event. Native American casinos are proving popular with cribbage players nationwide, attested to by this huge crowd.

Synopsis

ACC Board of Directors Meeting Reno, NV, February 4, 1999

Called to order at 11 AM by Executive Vice-President Syl Lulinski. Roll call taken, all present except for Monroe. Minutes accepted from last meeting.

McGibney's Financial Statement for 6-month period ending 12-31-98 accepted.

McGibney reviewed auditor's investigation of Membership Secretary. Auditor's recommendation to replace Jeff Monroe and proceed accordingly. Accepted. Shimp moved to suspend Monroe indefinitely. Carried unanimously.

Executive Committee informed BOD of decision to install Larry Hassett as new Membership Secretary, replacing Monroe. Joan Rein to act as back-up. Both accepted.

McGibney moved to authorize a bank account at South Umpqua State Bank, Roseburg, OR in the name of the ACC for membership dues. Hassett, McGibney, and Julian approved for authority to withdraw and deposit funds. Hatcher moved that Hassett be furnished copies of resolution of incorporation to establish checking account.

Hatcher moved to authorize National Tournament Commissioner authority to waive sanctioning fees in emergency situations. Approved.

Hatcher moved to approve \$3,200 for implementing balloting via first class mail. Approved. Schedule for balloting approved.

Barnes will present Hall of Fame pictures on the internet for next meeting.

Discussion JPW/ACC tournament size, number of playoff rounds, space, etc. Webb presented proposal from Nugget. Rein passed out comparison sheet (Nugget vs. Sands). Barbara Woodward and Tim Morton (Sands) offered their insight to additional space at the Sands. Comparisons discussed. Sands voted as playing site for next two years. Kooistra amended motion "with unlimited numbers unless they were unable to accomodate us." Carried.

Ready reviewed cross-checking of scorecards. Change approved to add "If the spread is marked upon only one card, accept the spread."

Bickford addressed "Early Departures." Motion carried that any card with more than one player earning Game Points shall be disqualified. The card will be used for cross-checking only.

Judges calls regarding common sense discussed, and will be reviewed at September meeting.

Bickford moved to allow irregular formats for:

Connecticut Peer, National Open (NC), and Granite State Open (CT). Approved.

Perkins moved to lower GR ACC membership dues fees and not send *Cribbage World* and/or make them ineligible for Master Points in tournament play. McGibney amended the motion to charge \$5 (noting that CW costs \$5.33) and allow members to earn Master Points. Motion defeated.

Ready moved to approve a family membership dues category (amended by Perkins). Defeated.

Julian moved that all players in sanctioned events be required to be members. Defeated 12-11.

Grand National 2001 (Eastern Region) voted to be advertised in *Cribbage World*. Only proposal to date was withdrawn.

Barnes moved to discontinue framed 29-awards for presentation at Awards Banquet at Grand Nationals. Framable certificates will be mailed to players, in addition to \$100. Carried.

Barrett reported on the internet and the growth of the ACC. The internet is a growing part of the ACC.

Mikulsky and Ramos reported that Grass Roots will be filing tax reports and doing audits on the Grass Roots separate from the ACC. They noted this would be necessary to be in compliance with our non-profit status.

Julian moved to rescind the motion from Oct. 1998 BOD meeting that "The ACC BOD reaffirms its jurisdiction over the Grass Roots Program according to the ACC Constitution & By-Laws (that is the Grass Roots Program, as a standing committee of the ACC report to the ACC BOD prior to taking action) and replace it with "The ACC BOD reaffirms its constitutional control over the Grass Roots Program as a standing committee of the ACC." Carried.

Ramos addressed defamation of Mikulsky and himself regarding Grass Roots controversy.

Kooistra reviewed JPW/ACC Open, and noted 60 standby players for the tournament.

Rein reviewed Tournament of Champions, noting 512 players. Alternatives will need to be looked at regarding another playoff round if number surpasses 512. This issue will be discussed at September meeting.

Barnes discussed Junior tournaments. Five were held last cribbage year. Dan Zeisler doing great job and changes should be up to him.

Bernard moved to appropriate up to \$700 for Rein to update office equipment. Carried.

Regional commissioners given discretion to sanction events on same weekend within 400 mile radius.

Continued on next page

Lulinski moved to increase Grand National allocation to \$1,250. Carried.

Executive Committee reported approving providing Master cribbage boards to the 46 new Masters, replacing plaques if preferred. Appointed Chairpersons and/or Commissioners for 6 standing committees for coming year: Rules-Lulinski; Tournament Guidelines-Bickford; Marketing-Bey; Judges-Shimp; Grass Roots-Milkulsky; and Ethics-Hatcher. Approved Director's liability insurance of \$1,300 for 1 year. Authorized expenses to Wilson and McGibney to audit Membership Secretary's account. Issued correction to Dec. '98 CW relative to 'appointment' of Hassett as assistant National GR Statistician. It should read 'recommendation.' Appointed Hassett as Membership Secretary, effective Jan. 31, '99.

Hassett moved to bond three positions (Membership, Treasurer, Grass Roots Commissioner) for up to \$100,000 each but not to exceed \$500 aggregate in cost. Carried.

Shimp moved to authorize Julian to contact legal council and any other person as required to resolve the Membership Secretary situation.

Meeting adjourned.

Why Vote?

Nominees for election to the Board of Directors will soon be announced. (Or you have now received the nominations for election to the BOD.) The election of our representatives is most important and it is equally important for everyone to make their choices known by casting their vote.

A sorrowful small percentage voted in past elections.

Whether or not this apathy demonstrated itself at Board meetings is perhaps incidental to the importance of future votes to elect those who will best express the views of their members, and not be lost in the multitudes of the "I do's" or the "I second that." To take the attitude that your vote doesn't matter, simply denegrates the voting process, and your ability to express your views. The lame excuse that I don't know him or her can easily be eliminated by conversations with tournament and grass roots directors or with some of the older members of the Congress. They are certainly in a position to offer opinions pro and con of prospective nominees.

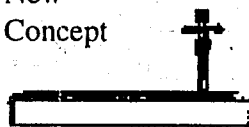

Irrespective, whether or not you share the views of others, you are urged to vote. How can you fault any decisions made by the Board, if you do not participate in the voting process?

Many major decisions will and must be made by those you select to represent you. These elected Board members will greatly affect the future of the American Cribbage Congress. You can be an integral, and most important part of this process. Please do vote.

Jim Lunder Tops Florida Open

Jim Lunder, pegging out of Cape Canaveral, blasted away all comers at the recent Florida Open in Kissimmee on February 28. After qualifying 20th of 150 players, Lunder came home with a nice 196 MRP's, in addition to the first place purse. His last playoff match pitted him vs. 2-time All-American Brenda Palmer (MA), but he prevailed to take the championship. Joe Daesch (FL) and Russell Sams (FL) finished 3-4. Jack Ledbetter (FL) took qualifying honors.

96 players played the Consolation and Jim Marshall (FL) came home the winner, besting Master Joy Barnes (FL) in the final match. Gerald Butts (FL) and Milton Caro (FL) finished 3-4. Martin Leppala (FL) took qualifying honors.

The Satellites:

Friday: Chaz Menaik (NY)

Saturday: Victor Tupper (FL)

GR Shootout: Port Charlotte 147 (23.27 avg.)

28's: J. Marshall, H. Palmer, B. Young, C. Reeves

Fran Christofferson scored that rare 29-hand in the Friday night event...one day too early for the ACC's \$100 for a sanctioned 29!

Director Paul Barnes reported \$181.15 was donated to the Cribadier General's Program

Jim Langley Gets Valentine!

Jim Langley, Red Bluff, CA, went south for a little Valentine Day's pegging action in Antioch, CA...and he came home with a whopper! Not only did he take qualifying honors by winning 15 of 18 games, but roared home with the playoff win as well. And if that wasn't enough, this Western Region All-Star player earned his Grand Master as well. It was certainly a tournament to remember for this stellar player!

Barbara Ruiz (CA) was the last victim of Langley's run, but 2nd paid handsomely, and earned 105 MRP's in this 90-player event. Roberta Nelson (CA) and newly crowned Grand Master Joe Lusignan (CA) finished 3-4.

Bill Robe (CA) nailed the 48-player Consolation, with Master Mary Hermann (CA) in 2nd. Gerd Langkau (CA) and Jim McKnight (CA) finished 3-4.

Director Sundae Webb reported a drought of 28's and 29's...none were scored. Langley drained the well dry!

Jim Hartung Tough On Home Turf

Jim Hartung, a Grand Master from nearby Richland, WA, came home the winner at the recent Washington State Open in Mabton, WA. John Furler (OR) came very close, losing 3-2. He dropped a game by missing a 9-10-J run in a pegging sequence, and lost the game by 2! Hartung has paid his dues, and this time around, no bird "dropped" on him (as happened in Baker City years ago), and he earned \$700, tacking on a nice 147 MRP's in besting the crowd of 86 peggers.

Marlene Stack (WA) nailed 3rd, and Life Master Roy Hofbauer came home 4th. Bill Jones (OR) was hot in the qualifying round, taking honors with a nice 36 17/22 +249.

Another Richland pegger...Master Phil True...took home the 48-player Consolation title, besting Mike McDaniel (WA) in the final playoff match. Bruce Gentry (WA) and Two-Star DeLynn Colvert (MT) tied for 3rd.

Directors Linda Johnson and Toni Morrow had a fully array of satellite events. The winners: Time Passer: Toni Morrow (WA)
Doubles: Carl Vennes & Bruce Denend (WA)
High Roller: Sharon Hejtmanek (MT)
Saturday: Bruce Denend (WA)
Last Chance: Jack Moritzky (WA) 15 7/7

This event was played in Mabton, WA...a small farming community. The Silver Dollar bar & grill furnished a unique, nostalgic, playing hall, complete with pool tables and patrons typical of a farming community...friendly and animated. Directors Johnson and Morrow had all events on time and well-organized, and even ran a popular raffle. Bruce Denend, in addition to winning two events, even came up with three raffle winners, to complete a successful weekend.

Bob Oriet, Jim Huser Earn Master

The American Cribbage Congress deals with many, many numbers, and from time to time, a mistake is made, or an omission happens. Two of the ACC's better players recently earned their Master rating, but failed to be reported. Bob Oriet, Forest Grove, OR, and James Huser, Berlin, WI earned Master last fall, but were not reported in *Cribbage World*. Both peggers are formidable players in their region and have reached the 2,000 Master Point plateau...and Masters 373 and 374.

Internet Hits 100,000 Mark

Steve Sattler, the ACC's Internet Chief, reports that some 100,000 visitors have "surfed" through the ACC's robust pages!

People from around the world continue to enjoy cribbage tips, pictures of unique cribbage boards, interactive cribbage games, links to other cribbage related sites and much more.

ACC and Grass Roots members continue to have access to up-to-date information on standings, awards, tournament results, etc., thanks to Sattler's efforts.

The ACC home page can be found at:
<http://www.cribbage.org>

Gene Goodell Wins...When He loses!

Gene Goodell (OR), the Grass Roots King, rarely loses, but he did on March 1 in Portland, OR. He won only two games. This weak effort rewarded him with the booby prize...a coveted potato gun!

We're All Getting Older

An elderly Grass Rooter headed for home after a weekly match, and as he was getting into his car, he spied a frog on the curb. He was astounded when the frog spoke to him "Hey, mister, if you give me a kiss, I will turn into a beautiful princess and I will marry you!"

The pegger picked up the frog and sat him on his shoulder, and he began driving home. The frog, once again, said, "When are you going to kiss me? I'll turn into a beautiful princess and I'll marry you!"

The elderly pegger replied, "I'm never going to kiss you...I'm too old for that! And besides, I'd rather have a talking frog!"

Carl Martens, George "Ras" Rasmussen Get Ink

Recently, two tournament directors have cajoled the local press into nifty stories about cribbage.

At the Willows event in Willows, CA, Carl Martens supplied the Willows Journal with a nice story about their tournament, and plugged the American Cribbage Congress.

And at the Washington Championship in Centralia, WA, director George "Ras" Rasmussen also had a nice story in the local paper about cribbage.

Capital City Classic-St. Paul Jack Dockter Tops 162

Jack Dockter, Cannon Falls, MN, took home the marbles at the huge Capital City Classic in St. Paul, MN on March 9. In besting the 162 peggers, Dockter nailed a nice 196 MRP's and the grand cash prize. Paul Heideman (MN) came home 2nd...and 147 MRP's.

But for director Todd Schaefer, it was a 3rd place finish...and after earning Grand Master no. 119 at the recent St. Croix Classic, this pegger continues a hot streak. His MRP's are approaching 800 for this cribbage year, giving him an excellent chance at the national championship. He finished 2nd in 1997, and is on the prowl once again. Jim Weires (MN) pulled down 4th.

Eugene Fasciana (MN) topped the large field with a 34 16/22 +141 card. Considering the number of players, this score attests to a well-balanced, tough field.

86 players stayed for the Consolation and Butch Shelstad (MN) came home the winner. The win came with 63 MRP's. Life Master Russell Adams (MN) finished 2nd, followed by Grand Master Aggie Mikulsky (WI) and Ron Hirschman (WI) in 3-4.

Director Schaefer had a full array of satellite events. The winners:

Friday: Kent Klawitter (MN)

Saturday: Jerry Gruber (MN)

Last Chance: Shawn Andrusko (MN)

28's: J. Weires, T. Ayriss, M. Feisel, D. Williams, W. Johnson, and R. Forrest

Schaefer, once again, conducted a first class event, attested to by yet another large crowd. Mark your calendars for the 2000 event!

Tom Brown Tops NW Open

The longest running tournament in the Northwest is Rob Palmer's Northwest Open. This 23rd edition was abuzz about an 11-year old pegger. Kyle Johnson, despite his tender years, was unafraid of the Life Masters, Grand Masters and Masters in a tough 61-player field...and came home with an unbelievable 39 18/22 +235 card in the Main event to easily take honors...and he even finished 3rd in the playoffs.

But Tom Brown from Boise took home the championship, besting Tom Anderson from nearby LaGrande in the final playoff match. Master Denny Edwards (OR) finished 4th.

Master Gary Rose (WA) nipped Gary Hohstad (OR) in the 34-pegger Consolation.

The Satellites:

Time Passer: Gene Sissel (OR)

High Rollers: Jim Sime (WA)

Doubles: Lonnie Haakenstad & Kurt Franklin (OR)

Saturday: Paul Hatcher (OR)

Moween Martin (WA) was so taken by Johnson's great qualifying card, that she was moved to write a little poetry. The poem follows:

CONGRATULATIONS!

At the tournament in Baker,
there were many opened eyes,

And many a veteran player, soon met their demise.

He was only a young boy,
but played just like the pro's

And as the day progressed, he defeated many foes.

The players started watching,
how he handled each new game,
He was the talk of the tournament,
as he played his way to fame.

He had a score of 39, as he finished pegging out,
Kyle had won high qualifier,
of that there was no doubt.

Congratulations! Kyle, you've given us a lesson,
We tip our hats to you,
you've made a big impression!

Donna LaFleur On The Mend

Donna LaFleur (CT) had the misfortune of having her foot run over by a heavy coin cart at the recent meet in Reno, causing much pain and grief.

Cribbage World received a fax from Donna and she reports that she would like to thank all her friends for their cards and calls. She says she's doing much better, and should be "on her toes" again soon.

Jesse Jarrell...Again!

Stories abound about the legendary Jesse Jarrell (CA) and his unusual cribbage games. According to Jack Shumate, Jesse was playing an attractive woman at his Lake Tahoe Challenge a year or so ago, in a two game match, then rotate. Well, Jesse was so charmed by this woman that he played three games! When the error was pointed out on the scorecard, the 3rd game had to be cancelled on both cards!

New Zealand Cribbage

Cribbage is a game invented by Sir John Suckling in England many years ago...and when the English settled New Zealand, they brought cribbage along.

Recently Jerry Hearsom, Cove, OR, visited New Zealand...and he checked on their cribbage players. He found cribbage played in many informal tournaments in their pubs. The most common format was for all players wanting to play to put about \$10 in a pot, and all players would play one game each with the field. There was no organized table rotations that we are familiar with. You simply played one game each with your fellow players, catch as catch can. Hearsom stated that when a large crowd played, the match lasted for many hours. The paybacks? Usually the top three split the pot.

The ACC could certainly help these disorganized players get on track...

Quiz

What ACC player paid \$25,000 for large rocks...and then covered them with sand?

Answer on next page.

A Rose Turns Into a Thorn!

Gary Rose, Pasco, WA, had an unusual 8 days of pegging in late February and early March.

On February 24, pegging with the Sagebrush Peggers (GR 184) in Pasco, he nailed a great 19 9/9 +175 grand slam!

The very next week (March 3), Rose confidentially began play...but what a difference a week makes! He lost them all! A string of pearls! See these two score cards below...the odds of this happening are 512 x 512 to 1! (262,144 to 1).

Membership Secretary Hassett Update

I would like to thank everyone for their patience and support. When requesting information (email or voice mail), please include your ACC number with your name and address! We have over 400 members who have at least one other member with exactly the same name!

ACC memberships expiring on or after January 1, 1999 will be temporarily extended to May 1st, 1999. Renewal notices should have been sent at the end of March. Members will have one month to renew their memberships.

The membership cards should be mailed by the middle of April.

The CW now qualifies for the USPS automated mailing system. Getting there was a process similar to a keystone cops movie. Addresses qualifying for automated service received their CW in 3 to 4 days.

You may have noticed some changes to your address. The USPS approved software modifies the address to meet their standards. Almost 7% of the current addresses could not be found in the USPS address database.

The savings are not nearly as great as reported. The savings should be from \$1,500 to \$2,000 per year.

All the duplicate ACC numbers have been eliminated. Current members whose ACC number were changed will be getting a new membership card. Any changes are being coordinated with Bob McCabe and Joe Ramos to insure proper accounting of ACC Master and GR Rating points.

Sending the renewal notices and membership cards and catching up the backlog of inquiries are the priorities for April.

Larry Hassett, Membership Secretary

Murphy's Law Strikes Greater Hermiston Open

Last month's CW failed to list the Greater Hermiston Open, Hermiston, OR, April 23-25.

Director Jim Seufert had made the necessary application for sanctioning...but old man Murphy came into play, and for some unknown reason, this event was not inserted into "Tournament Trail."

This is a lesson for all tournament directors. Make your application as early as possible, and any errors can be corrected in time to notify the membership.

Don't miss this Hermiston Open...they put on a great, friendly tournament!

Quiz Answer

Grand Master Bernie Nelson, Pacific City, OR, has a beach home on the Oregon Coast. In early March, a record-breaking storm nearly washed his home away (swells were a record 45 feet high). He was forced to buy huge rocks (\$25,000) to rip-rap his property...and then these rocks will be covered with sand!

Back to Back?

CW Editor DeLynn Colvert was in Salem, OR for a little GR pegging recently, and so was Bob and Shari Wikstrom (WA). They were on their way to Roseburg for some sanctioned pegging, and decided to play a little Grass Roots action on the way.

Luck would have it, Bob and Shari were matched together in the 7th game. On 3rd street Bob held a 6-6-9-9 and cut a 6 for a nice 20-hand. The very next deal Bob held a K-K-5-5, and cut a K for another nice 20-hand!

Colvert took note of this and rotated. He interrupted Rollie Heath's game by exclaiming, "You should have seen the back-to-back hands Bob scored on his wife!"

Rollie retorted, "Yeah, well, it will be back-to-back tonight in the motel, too!"

Hogger!

Darrel Tonon pegs with the Humboldt Peggers (GR 194) and they have incentive play. The last 24-hand of the night claims a bonus, and the last 4-of-a-kind also scores a bonus prize.

Tonon decided to hog all the side action by scoring a 6-6-6-6, with a 3 cut on the last hand of the night!

New Judges

These new Judges are certified using the ACC Book of Rules:

Dan Barber, Alexandria, VA
Rolfe Glashan, Carmichael, CA
Karen Kinkead, Montague, CA

Effective August 1, 1999 the Judges certification and re-certification exams will be directed towards the 1998 Rule Book. Please do not seek the new Rule Book from your testing examiner. As a reminder to take the ACC Judges Examination, send \$3 to:

Let 'Em Play!

We members of the ACC and especially tournament directors should at all times invite and encourage people from the general public to play in our events regardless may it be in the Main or Consolation event.

We have members who have been putting pressure on some directors to deny individuals from playing in Consolation tournaments if they have not played in the Main event.

Some players may not feel comfortable or have the finances to enter all the events. However, we must not deny any cribbage player from joining us even if it is only in the Consolation.

The lesser entry fee in the Consolation could attract some new members (we do need growth).

We have ACC members, due to previous commitments, who cannot play in the Main event, but can make the Consolation. They also should not be denied from playing. These players would pay the same sanctioning fee (\$2) as those in the Main event. A plus for the ACC.

We should not isolate ourselves from the general public. We should open our arms and welcome them even for starters in the Consolation tournament.

Al Miller
Nashua, NH

Amen, Al! In fact, I'm sure the ACC's Board of Directors voted on this subject in favor of letting all comers play the satellite matches, including the Consolation. Ed.

Who's Close?

Robert Watkins, Brinnon, WA, is sitting on 1,996 MRP's...just 4 measly short of Master. Paul Nolz (OR) and George Bright (GA) are both standing at 1,988! Merl Mulkey (OR) and Frank O'Connor (MA) are only a point behind at 1,987!

Even with our new bar-coded mailing system, these stellar peggers may have their Masters in the bag by the time they receive this issue of CW.

Bill Wakeman Cops Willows

Master Bill Wakeman, Hayward, CA, nailed the recent Willows (CA) Open, besting some 128 players. William Summers II (CA) is on a roll, with over 700 MRP's in the bag this cribbage year, and he garnered a few more in taking 2nd (and qualifying 1st with a extra nice 38 GP's in the 21-game round). Master R. M. "Robbie" Robson and David Franklin (CA) finished 3-4. No Consolation was played.

Phil Marten, Rob Medeiros Reach Finals

Grand Master Phil Marten (CT) and Grand Master Rob Medeiros (MA) have reached the finals of the Eastern Region long match. CW will report the winners...stay tuned.

Life Master Bill Medeiros: 7,000 @50!

Life Master Bill Medeiros, Shrewsbury, MA, will turn 50 on April 23rd...and he has scored a whopping 7,000+ Master Rating Points! And at such a tender age! Congratulations from CW, Bill!

Bowman Quiz Rebuttle

In March CW, Bruce Bowman contended in a quiz that 11 coins was the most a person could have and not make change for a dollar (3 quarters, 4 dimes, and 4 pennies).

Oops, Tom Fiorini (MA) has a better answer: 1 quarter, 9 dimes, and 4 pennies= 14 coins!

And then along came Doris Perkins (MA) with 99 pennies! Well, that is not one dollar (or more) and not a fair answer! (Or is it?)

Joe Bernard On A Roll

One-Star Joe Bernard (IL) is on the prowl once again. He finished 9-16 in Green Bay, and nailed the following St. Paul Capital City event for a 17-32 finish (after qualifying 2nd). This little two-week run was worth \$3,000...and 150 MRPs. Of course, he is, once again, in the national MRP hunt for honors!

Bob Wikstrom (and others) Want Clarification

Bob Wikstrom (WA) wrote CW about the brouhaha (and rumors) concerning the Grass Roots Program. He would like clarification as to what is happening in this program.

CW has been informed by Vice President Bob Julian that the misunderstandings will be made clear with his press release in the future. Hang in there, cribbage fans, the ACC is alive and well!

Yahoo!

Your March CW mentions Yahoo Cribbage (Stan Bochinski). I would like to enlarge on the subject. They have a tremendous game set up with a great pager (all free). Would it be possible to have a column listing "American Cribbage Congress (are the best)" under that? As an example, I would have you list those players who, like me, would enjoy being challenged to a match.

Five Peggers Earn Honors

Todd Schaefer and Jim Langley Earn Grand Master Ladonna Govenor, Ronald Hirschman, Sr., and Angelo Torrise Earn Master

Todd Schaefer, Oakdale, MN, finished 2nd at the huge St. Croix Classic (180 players) in February...and roared to the ACC's 119th Grand Master. To prove it was not a fluke, he finished 3rd two weeks later at the 160-player Capital City Classic in St. Paul.

Jim Langley, Red Bluff, CA, zipped to Grand Master no. 120 in style. He nailed everything in sight at the Antioch, CA Valentine's Day Special. He was top qualifier and won the playoffs as well.

Ladonna Govenor, Napa, CA, has been a steady performer on the boards for years, and she zipped to Master no. 385 recently.

Ronald Hirschman, Sr., Milwaukee, WI, finished 3rd of 86 players in the Consolation event in St. Paul...and Master no. 386.

Angelo Torrise, Quincy, CA, recently earned his 2,000th MRP, and joins a bevy of Quincy players at that mark. He becomes the ACC's 384th Master.

Todd Schaefer, William Summers II, and Sharlene Medeiros Make MRP Move

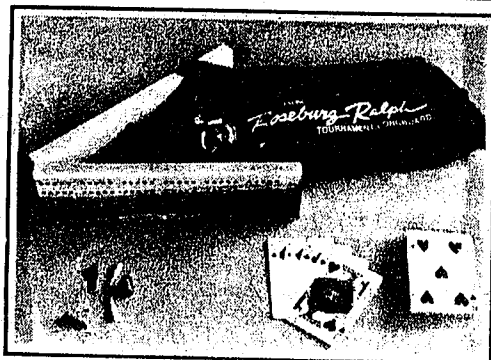

With the season gliding past the half-way mark, three players have made a major move upwards this past month. **Todd Schaefer** (MN) earned his Grand Master and had two high finishes (St. Croix Classic and Capital City Classic) to roar over the 700 MRP mark...and very nearly 800. **William Summers II**, Seaside, CA, blasted the Willows event in California (top qualifier, finished 2nd) and has topped the 700 mark as well. **Sharlene Medeiros**, Shrewsbury, MA won the Tri-Valley Open (Medway, MA) on March 19, and she, too, has topped the 700 mark. All these scores have yet to be posted by National Statistician Bob McCabe, and are unofficial.

Life Master **Bob Julian** (WI) and Two-Star **DeLynn Colvert** (MT) are grimly hanging on to their national lead, and after the smoke had cleared at the Canyonville, OR Timber Classic, they remain in a virtual tie for the lead. Both players are at the 950 MRP mark (unofficially).

Life Master **Larry Samet** (MA), One-Star **Duane Toll** (WI), **Les Kvien** (IL), Grand Master **Jones Hom** (CA), Master **Jason Shumate** (CA), and Grand Master **George "Ras" Rasmussen** (WA) have all topped the 600 mark, and remain alive in the title hunt. 11 players have topped 500, and have an excellent chance of overtaking the field with a hot run in the final months. This cribbage season is on a roll, with record numbers of sanctioned events still scheduled to be played...and the race is on!
