

CRIBBAGE WORLD

VOLUME XXIV - NUMBER 3 - MARCH 2003

AMERICAN CRIBBAGE CONGRESS

TOC: O'Malley JPW/ACC: Sommer

Reno's Sands Hotel and Casino was a sight to behold the last weekend in January. As far as the eye could see cribbage players were in action. Some 950 descended on the playing halls for some four days running beginning with the 13th Annual All-Star game on Thursday night (won by the Eastern Region...see story inside). The pegging was intense as players from throughout the United States and Canada were in competition for the years' largest prizes (The Sands added some \$10,000 to the prize fund).

On Friday morning some 512 players began a 16-game qualifying round in the by invite only Tournament of Champions. And it looked like it might be a repeat performance from last year by One Star Larry Samet (MA) as he qualified tops with a 30 14/16 card (\$1,200). But he fell in the early going in the playoffs, leaving the large pot in the final match for Mike O'Malley, Salem, OR and Tim Morrissey, Centralia, WA. O'Malley prevailed 3-2 to take home \$8,000. Morrissey walked away with \$6,000 for 2nd. One-Star Duane Toll (WI) finished 3rd (\$4,150) and Master Bill Hutchinson (CO) took 4th (\$3,000). No Master Points were earned, as this is NOT a sanctioned event (invite only).

Director Joan Rein sports a "Cribbage Bowl" in lieu of a TOC consolation, and a huge 546-player field hit the boards in this 12-game high-card

match. Bob Joslin (MN) won 11 of 12 with three skunks to cop the grand prize (\$1,600). Steve Palmer (OR) finished 2nd (\$1,400), followed by Scott Nordlund (MN) and Master Charlie Parker (MN) in the 3-4 slot.

After Friday's smoke had cleared, the granddaddy of all cribbage matches...the JPW/ACC Open...began action bright and early on Saturday morning with a huge field of 950 peggers in play. After 22 grueling games, David Williams (MN) came home with the top score (39 17/22 +266) and took home the Q prize of \$1,500. One-Star Warren Sondericker (WI) is this meet's only two-time winner, and it appeared he was on track for a third title, leading Bob Sommer (MN) 3-1 in the best of 7

match. But Sommer nipped Sondericker in game 5, and used a 4th deuce peg at the skunk line in game 6 to draw even at 3-3. Game 7 saw Sommer pull into the lead early, and holding a 3-4-5-5 at the 85 mark, cut a 3 to salt the match away, taking home the \$10,000, some 315 MRP's and bragging rights galore. Sondericker earned \$6,000 for 2nd, and 252 MRP's to run his lifetime tally to the 14,000 mark.

John Dawes (IN) and Milt Goodman (CA) came close to the grand prize, but settled for a 3rd place tie...and \$3,200 each.

The second largest event of the year is always the JPW/ACC Open Consolation, and this time around a whopping 750 peggers were in action. Two months ago Beverlee Honeycutt (OR) astounded the cribbage world by qualifying with a 4-win card (all four wins were skunks), but this time around she made sure. She scored the top card (18 8/9 +178) to take honors. At 9 PM Sunday night Life Master Charlie Finley (CT) put the last peg in the winner's hole to take the playoff win, and he wearily put the \$2,000 in his wallet and headed home. Darrel Unruh (OR) took his \$1,400 2nd money and headed home as well. Mike Haggerty (SD) and Bob Turcotte (MA) finished in the 3-4 slot. Finley earned a whopping 180 MRP's for the win, as the new Consolation scoring system bumps the playoff numbers by 25%.

Directors Scott Kooistra, Roy and Jeanne Hofbauer reported nine 28-hands in the Main event, and another two 28's in the Consolation. With approximately 275,000 hands of cribbage played one 28-hand was scored every 25,000 hands, far less than the odds of 15,028 to one.

Scores of volunteers aided Rein, Kooistra and the Hofbauers, and this well-run show continues to be the cribbage year's glorious match. The gathering of the clan results in renewing old friendships...and some hot sideline games. And, as usual, the Sands and Barbara Woodward rolled out the red carpet for the players, furnishing coffee and cakes three days running, in addition to tasty buffet lunches.

Players came from far and wide for the big match of the year. The toughest trip was made by Jack Wifladt, Yellowknife, Yukon Territory. Travelling down the Alaska highway in January is not a fun trip, but this trip was especially tough. Wifladt's diesel truck blew an engine in a remote stretch, and after a long delay, and a 150 mile tow, he abandoned his truck and took a bus to Edmonton, then flew to Reno. The engine repair cost? A cool \$10,000+!

Henry and Arlene Carle (AK) flew in from Istanbul for the match, and claim honors for coming the greatest distance.

Martha Fingleton, a Hall of Famer from Wisconsin, finally qualified in the JPW/ACC Open. She had failed in the previous 17 tries.

Bill and Sharlene Medeiros (MA) had the fanciest duds by far. They both wore striking red and black outfits fit for a king...or queen.

Bill O'Malley (OR) and Mel Ashley (CA) undoubtedly had the toughest match. Ashley won the first game by 7 pegs, but the next four games saw the games decided by one point! Four consecutive stink hole games, three won by O'Malley! He continued on to win the TOC! Close shave!

H. Ross Njaa (CA) won \$800 and splurged by buying two solid gold pegs (\$350). He will NOT play with them. They will be mounted and framed at his home.

Walt and Tana Conell (MT) played a 5-number keno game (good for the entire weekend), and were surprised during supper by seeing all five numbers called. Two nights free lodging was given by the Sands (at a later date).

Canadians love Reno. 26 players from Alberta were in the field.

CW editor DeLynn Colvert drove 2,000 trouble-free miles to get to this match and was one block from the Sands when he was stopped and chewed out by a bicycle cop for failing to see a pedestrian step off the curb on the other side of the street. Whew! No ticket, just chewed out! He reported he was amused at the hard-pedaling cop with his tiny red and blue lights flashing chasing his car! Damn! A red light ruined the escape!

Fiorini...Again!

On November 24 Tom Fiorini nailed down a win at the 116-player Yankee Classic, an on January 19 he has come home a winner once again! This time around, he won the 120-player Super Lite Classic in W. Springfield, MA. The double win vaults Fiorini among the leaders in the Eastern Region and he stands at the 400 mark as this season hits the halfway mark. And he had to do it the hard way, as his final playoff opponent was Life Master Paul Gallagher (MA). In a hard-fought match, Fiorini won 3-2. By placing 2nd, Gallagher races to the 6,400+ mark (lifetime). Another Life Master...Paul Drukman (MA)...took home a 3-4 finish with Master Bruce Brown (MA), and he has reached well over the 7,500 MRP mark (lifetime).

Brian McDonald (MA) topped the field in the qualifying round, winning 10 of 12 with a skunk (21 10/12 +128), to take Q honors.

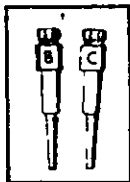

Some 68 peggers played the Consolation and it was Life Master Brenda Palmer (MA) winning going away...and she has reached 8,269 MRP's (lifetime). She nipped Charlie Booker (CT) in the final playoff match for the win. John Cross (MA) and Michael McKay (NY) finished 3-4. Larry Harmon (CT) scored a grand slam 8/8 with a skunk to take the Q prize.

Directors Charlie Finlay and James Law reported Pat Frattalone (CT) and Mike Jones (CT) scored that elusive 28-hand, but no 29's showed. This event is one of the longer running matches in New England.

Fran Ward Cops 12th Annual Virginia Championship

With several former winners in the field Fran Ward, Cary, NC came home the winner at the recent Virginia Championship in Richmond, VA. He edged Howard Terry (VA) 4-2 in the final match to record his first tournament win, earning 147 MRP's in this 68-player event. Terry, who qualified 5th, took home 140 MRP's.

Master Marvin Lewis (VA) qualified tops with a 37 16/22 +296 card, but was denied his chance to duplicate his 1998 championship as he and Master Russ Perkins finished 3-4. Lewis picked up 125 MRP's and Perkins nailed down 90 (aggregate) to edge ever closer to his Grand Master rating (3,685, lifetime).

A field of 50 played the Consolation and it was Steve Sattler (MD) all the way. He qualified tops (17 8/10 +133) and won the playoffs as well to record his first sanctioned win. Sattler bested 1992 Consolation winner Phil Babcock (VA) in a close championship match. Curtis Barbour (NC) and Ron Reece (VA) finished 3-4.

The satellites:

Doubles: Carl Palmer & Bill Medeiros 14 7 +23
High Roller: Bill Medeiros 16 8 +105
Saturday: Peter Lerch (VA) 14 7 +71
Team: Widener, Deane, Terry (85)
28's Rick Bryant, Andy Wroblewski

Ginny Danielski (WI) earned her Life Master by advancing to the 2nd round in the Main Event as she continues her fine play coast-to-coast. Both Bryant and Wroblewski scored the meet's only 28-hands...from the same deck! Another oddity had Harvey Greenberg holding a 7-7-8-8 and opponent Ray Meinert holding a 4-4-5-5, and a six was cut! Needless to say, this was a short game!

Directors Rick Allen and Janet Meinert report that this event will be repeated next January 9-11, 2004 in Richmond. Mark your calendars for a good one!

Lou Gardner Georgia King

Lou Gardner kept Georgia honors at home as this Smyrna, GA pegger came home with the Championships at the recent Savannah Open. With 72 peggers in the field, Gardner copped 147 MRP's...and the title of "King of Georgia Cribbage!" Master Betty Schaeffer (FL) gave him a run for the money, but had to settle for 2nd...and 105 MRP's. Frank Podjun (GA) and Bruce Corson (FL) finished 3-4...and 70 MRP's each. Bob Bovill (MA) qualified tops with a 33 14/20 +247 card (45 MRP's).

Master Paul Barnes (FL) copped the 42-player Consolation, nipping Tim Schnabel (GA) in the final playoff match. Esther Rolfe (FL) and Perry Stump (FL) finished 3-4. Rolfe also qualified tops with a 15 7/9 +121.

The satellites:

Friday: Rita Chiason (FL)
Saturday: Virgil Dulin (SC)
28: Terry Clark (MA)

Director Bill Cooper reported it was cold, cold, cold in Savannah, but the playing halls were toasty. He also reported \$250 was raised for the Boy's Club from entries and half the skunk pot. He praised the many helpers and the friendly peggers from the many states in attendance.

5-4-4 Eastern Region Cops All-Star Game

The top 24 players in the nation comprised the field at the recent All-Star game in Reno. Each region fielded their best 8 players from the previous year, and the match was on! And with the 12-year score at 4-4-4, this match was for bragging rights!

Paced by New Jersey's Malcolm Enos (24 11/16 +159), the East squad raced to a 11 GP win over the Central, and a 13 GP win over the West.

The score:

East: 67 wins, 10 skunks = 144 GP's

Central: 65 wins, 3 skunks = 133 GP's

West: 60 wins, 11 skunks = 131 GP's

This match is always hard-fought and played at a brisk pace. The West finally had the top scorer in the 13th edition... Three-Star DeLynn Colvert (MT) (25 12/16 +126).

...And Then There Were Two

Ten cribbage players were in attendance when the American Cribbage Congress was formed in Raleigh, NC in the summer of 1979. Of the ten, two are still active members in the ACC. They are George Bickford (MA) and John Chambers (RI).

McManus Yarn

The late Jim McManus (WI) was quite a player, having earned 11,341 MRP's...and he knew his cribbage. He showed a 4-4-4-4-7 hand and claimed 24! His opponent was taken aback, and said that the hand was 20! And he would bet \$100 that McManus was wrong!

McManus rubbed his chin, and said, "Well...I'll bet \$20 that I'm right. The wager was on and of course, McManus won the \$20. When asked why not take the \$100 bet, he replied, "He would never pay me the \$100, but I could get \$20 out of him!" He certainly knew his numbers, attested to by his huge lifetime tally.

Reno Winners

At least three players earned a new status in Reno. Lee Tesch (WI) and Frank Abernathy (NC) unofficially earned Master, and Sharon Hejtmánek (MT) unofficially earned Grand Master.

Neat Job!

Mel Ashley (CA) has a neat sideline job. He drives a shuttle van at the Pebble Beach golf matches...and he gets off at 2:30 PM each day. Just in time for the finishing holes!

Expulsion

Todd Reynolds, San Pedro, CA, did not contest charges against him for cheating, and he has been expelled from the American Cribbage Congress, effective February 1, 2003.

Chinook Winds Awarded 2005 Grand National

Grand National XXIV has been awarded to the Chinook Winds Casino, Lincoln City, OR, with Rollie Heath as tournament director. The BOD voted unanimously at the recent meeting in Reno. This casino has outstanding playing halls, and also has an outstanding ocean view.

Grand National XXII will be played at Sioux Falls, SD this September. GN XXIII will be played in Atlanta in 2004.

One Big Happy Family? Not Yet!

At the recent BOD meeting, a vote to combine Grass Roots dues with general ACC membership dues failed to pass by a 15-7 vote. Administration problems were not resolved. Vice President Policy Larry Hassett presented a persuasive argument, but the proposal, nevertheless, failed to pass.

Sands to Host 2005 TOC, JPW/ACC Open

The Board of Directors voted unanimously to host the Tournament of Champions, JPW/ACC Open at the Sands in 2005.

Q-Pools? Make 'Em Optional!

Dear! McCullough (CA) wrote CW complaining about mandatory Q-Pools in the JPW/ACC Open. He simply doesn't like the 8-1 odds, and would like a choice of not playing the pools.

Hey, Dear!, I sympathize with you, but when you have 1,000 entries, the bookwork is overwhelming. Perhaps you can splurge once a year! Who knows? You may get lucky, and the \$1,500 prize for top dog will cheer you up! Keep on pegging! Your complaint will be noted! Ed.

Not a Record, But Impressive

At the recent JPW/ACC Open in Reno, some 12 28-hands were scored, but nary a 29. They lucky 28'ers:

L. M. Stier (AK)
Henry Carle (AK)
Hal Fink (CA)
Toya Winton (AK)
Dennis Misener (AB)
David Suhr (ID)
Nancy Lorenz (OR)
Lowell Bailey (WA)
Jack Wifladt (NWT)
Rob Mereiros (MA)
Larry Loupee (IA)
Jim Brintnall (CO)

16 28's were scored in last year's match...and also nary a 29. The Law of Averages for these matches should include at least one 29-hand. Maybe next year!

25th...\$200,000?

Director Alan Lindner sports the St. Croix Classic's, played in Turtle Lake, WI. The event played Feb 14-16 will be number 25 at this Casino.

The St. Croix Casino has paid players bonuses for 24-hands, grand slams, 28 and 29 hands. To date, they have paid a whopping \$193,725 in the first 24 events. Director Lindner predicts event 25 will bring the total to over \$200,000! The average perks to date is \$8,072 per event. This means that every player will average about \$40 in bonus awards. Needless to say, Lindner's events always sell out!

Pam Pomeroy Nails Pacific Coast

Norwalk, CA's Pam Pomeroy came to play at the recent Pacific Coast Championship, as she zipped to the win in this 100-player event. Her last playoff victim was Master Angelo Torrise (CA). Pomeroy garnered 147 MRP's for the win and Torrise took home 105.

Ben Holden (CA) and Master Frank Hansbery (CA) finished 3-4...and 70 MRP's each. Master Cy Madrone (CA) was smoking in the qualifying round, bringing home a 39 17/22 +229. A 39 GP card is worth 65 MRP's.

Newly crowned Grand Master Wayne Glashan (CA) was on a roll in the 62-player Consolation. He qualified tops with a grand slam 19 9/9 +108, and roared to the win in the playoffs as well. This great run netted Glashan 84 MRP's! Ken Mitchell (CA) finished 2nd, followed by Grand Master Heidi Glashan (CA) and Norman Nikodym (CA) in the 3-4 slot.

Director H. Ross Njaa had a full slate of satellites. The winners:

Friday: Mel Ashley (18 GP's)

Saturday: Wayne Proechel (22 9/9!)

All-Events: Richard Wardenburg (58 GP's)

Super Q: Jim Langley, Les Sumner (tie)

Team: Wardenburg, King, Kochenburger, Summers

29: Mary Gladish (ACC's 12th)

A highlight of this event came in game 15, as Mary Gladish (CA) plunked down a 29-hand vs. Jones Hom (CA), and earned \$100 from the ACC for this gem! And director Njaa unofficially earned his Grand Master by qualifying in the Main Event.

Cards Went South

The record high score for a 9-game event in ACC play was scored by the late Stan Hayton, Grants, NM. He scored a whopping 24 9/9 +303.

But who owns the record for a 9-game low score? *Cribbage World* received a score card from GR 213 in Woodstock, IL that must be a record. Perry Jesse had his cards "go south" bigtime on June 6, 2002. He lost all nine games, seven by skunks, for a dismal 0 0/9 - 304. That is exactly 607 points lower than Hayton's top card. Sneak a peak at this card...then send Jesse condolences.

Fingleton Added To Rules Committee

Chairman Syl Lulinski has added Martha Fingleton (WI) to serve on the Rules Committee. She will join Lulinski, Joe Bernard, George Bickford, Jeanne Hofbauer and Bob Julian.

Lulinski writes, "I have appointed Martha Fingleton to be another member of the Rules Committee. Her vast experience as a player and judge will be of great assistance toward our formulation of another good rule book, just as we accomplished in 1998."

President's Column

DeLynn Colvert

The upcoming Grand National XXII in Sioux Falls, SD, will see a new Board of Directors installed. This issue has a call for nominations, with a deadline of March 15. Time is short, so don't delay mailing your nominations to Ron Hamilton, ACC Nomination Committee. Any member in good standing, 18 or older, may run for election. See form on page 4, this issue.

Our current BOD members have served well, and I encourage them to run for re-election. Other members of the ACC are also encouraged. Our democratic form of governing our organization has served nicely since day one, with many outstanding members keeping the ACC on track...and growing.

Since the current BOD is a "lame duck" the committees will remain in place as appointed previously. The new Board will convene in Sioux Falls this September, and new committee assignments will be appointed at that time.

In the meanwhile, happy pegging!

New Judges

The following are new judges, that have been certified using the ACC Book of Rules:

Dan David, Boise, ID
Denny Edwards, Hermiston, OR
Hal Lamon, Auburn, WA
John Reed, Milton Freewater, OR
Ross Walter, El Dorado Hills, CA

To take the examination, send \$3 to: Al Miller, 12 Michael Ave., Nashua, NH 03062-1418.

Lurch?

Does everyone know what being left in the lurch means? Art Fisher (CA) found the definition in a newspaper. It reads:

"Everybody knows what 'left in the lurch' means, but hardly anybody knows what a 'lurch' is...a decisive defeat wherein one gameplayer beats another by more than that double the defeated player's score."

OK, so now when I double-skunk Paul Hatcher (which I have never done), he's gonna get that raspberry... "Nanner, nanner, nanner, you've been left in the lurch!" I had better not giggle, however! Ed.

★ Nine Earn Honors

In Memoriam

Dennis M. Cupery

Elizabeth City, North Carolina

Dennis lost his fight with cancer in January at the age of 62. He was a long-time member of the Tidewaters 29ers in Virginia Beach, VA. He was a Green Bay native and a musician. He retired from the US Navy, and began a hobby of making excellent cribbage boards. He was a good player, and he will be missed by his many friends and peggers.

Ronald L. Sargent

Red Bluff, California

Ron died unexpectedly Sunday, February 9. He was Grass Roots 159 statistician, and he loved the game. His many friends mourn his sudden passing, especially those from GR 159.

Robert E. "Aloha" Wintersteen

Beaverton, Oregon

"Aloha" died in late January. He was one of the Western Region's more colorful players, who took unusual joy from the games. His zest for competition made every event he attended that much more fun. He will be sorely missed.

Quiz:

The photo below is a racer that has attained a speed of 333.515 MPH, and the person in the photo is an ACC member.

Q: What is his name...and describe the pegs he uses in ACC matches. Answer below.

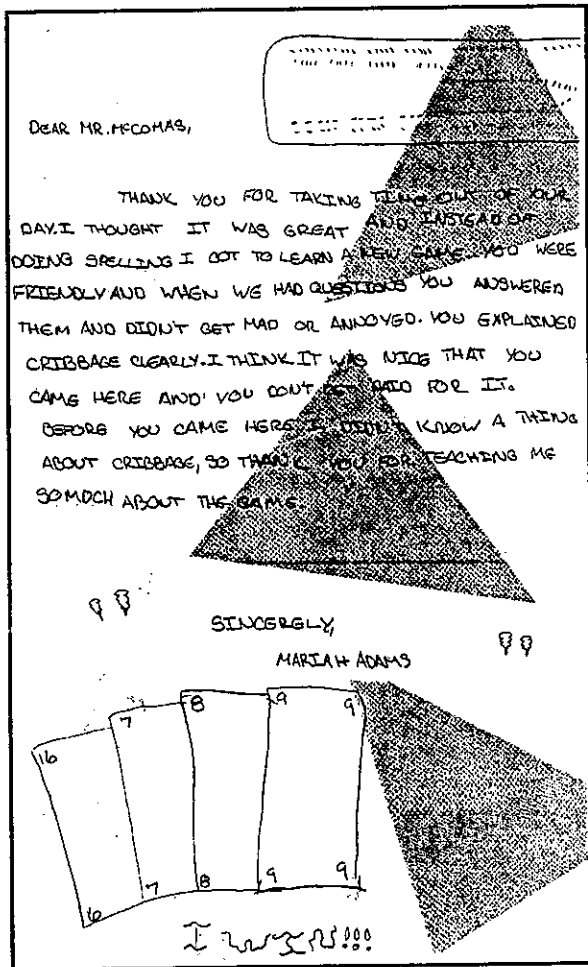

Chris McComas Teaches Cribbage

Chris McComas, Castle Rock, WA is into teaching cribbage, bigtime. He was invited to teach four classes at the Woodland Elementary School in Puyallup, WA. He taught 6th graders cribbage in a 2-day session. These 6th graders were avid students and rewarded McComas with letters of gratitude. See example to the right. Almost all of the 80 students wrote letters, making McComas's day, to say the least!

Teaching Cribbage At Last Chance Gulch

Carol Derby and Brian Arnold are members of the Helena, MT Grass Roots club. They have been teaching cribbage to school children in an after-school program for PEAK (funded by a federal 21st Century Learning Grant). The Alberta (Edmonton) GR club, aided by Dennis Misenar, Loren and Lindsey Tanton (who made the boards) also are involved with this class. Derby and Arnold report the kids are enthusiastic and quick learners. This class is successful, and future classes are planned.

Quiz answer: This pegger is Steve Hutcheson, Beaverton, Oregon. He is into fast cars bigtime, as he is currently working on a car that will hopefully turn 550 MPH! His pegs? He plays with two sets- one set is gold-plated miniature cam-shafts, and the other are miniature engine pistons. And watch out for Steve...his pegs also go very fast!

Items for this column are encouraged and should be sent to TomLewis@Spinn.net or mailed to Tom Lewis, 7916 Eagle Rock Ave. NE, Albuquerque, NM 87122-2753

When submitting Grass Roots related stories for this column please send them to Tom Lewis and include the members ACC Number and club number. Thanks!

More for our newer Players!

Under the Grass Roots Rating Point System, players are nationally recognized for both current year and cumulative lifetime achievement. Grass Roots members are eligible to earn 28-Hand, 29-Hand and Grand Slam Awards while playing as a member in their own club or as a visitor in another club. Players must have a current ACC and Grass Roots membership.

Current Year Awards

28 Hand - Certificate

29 Hand - Certificate/Award/Pinette

Grand Slam Scored - Certificate/Pinette

Champion and Runner-ups in each of the three divisions - Award

The top 10% of the rated players in each of the 3 divisions will receive an invitation to the Tournament of Champions (TOC)

What are Divisions? Division #1 clubs play 25-36 tournaments per season. Division #2 clubs play 14-24 tournaments per season and Division 3 clubs play 13 or fewer tournaments per season. All of the clubs are encouraged to play a GRRT and a GRNT Tournament. This provides the opportunity for everyone to participate in a major tournament without the expense of leaving home.

Grass Roots National Tournament (GRNT) and Grass Roots Regional Tournament (GRRT) Champion - TOC invitation.

Club Champions - TOC invitation

GRNT and GRRT Tournaments only will receive the cash awards below in addition to the awards mentioned above.

28 Hand or Grand Slam - \$ 25

29 Hand - \$100

Lifetime Achievement Awards

Bronze Award - 1,000 Rating Points

Silver Award - 2,500 Rating Points

Gold Award - 4,000 Rating Points

Those members who have reached 1,000 Rating Points or higher are also awarded a permanent, yearly invitation to the Tournament of Champions

OK! Now you know all the Grass Roots Awards. Next question is how do you earn these rating points?

In order to earn points, a player must be a member in good standing of the ACC and Grass Roots and participate in official tournaments in their "home" club.

Official tournaments: In addition to all other requirements, the 9 game tournaments must consist of a minimum of 6 or more members and visitors. The 18 game GRRT and GRNT must consist of 8 or more members or visitors. Unofficial tournaments have no affect on the number of tournaments played, or the "official" standings. They are considered practice sessions and may be re-scheduled for a date not later than May 31st of the current season.

Grass Roots points (equivalent to the number of your earned gamepoints) are awarded to the top 20% of the total number of members and is based on the total number of members and visitors playing in an official tournament. Normal rules of rounding apply ($14 \times 20\% = 2.8$ or 3) Only Game Points are used to rank the players. When two or more players tie for the last position, all tied players will receive GR Rating Points

Note: GR Rating Points for the GRRT and GRNT Tournaments are awarded by the Tournament Director and are based on the top 20% of players from all the clubs participating in the tournament. These points are combined with the points earned during the regular nine game tournaments and are part of the computation to determine club rankings.

Please help new our new Members!

Many new members play slower than most of us do. Perhaps we are playing too fast without realizing it. Give them a break and teach them the fine points of the game. They are playing with a bunch of folks they have never seen before, most of whom play faster than they do. The idea here is to acquire and retain new players and not to scare them off by setting standards that they are unable to meet in their first few sessions at your club.

Last season Grass Roots had one hundred seventy six Grand Slam scorecards; three-hundred-ninety-three 28 hands; and twenty-four 29 hands. For that reason please do not submit grand Slams or 28s for publication unless there are unusual circumstances involved such as more than one in a single tournament or if the event had some special significance. There is just not enough space in this column to mention every 28 hand or Grand Slam Scorecard!

One of those unusual circumstances happened in **Club 271 - Albuquerque, NM** on November 9, 2001. **Max Condiotti (NM 75)** threw two 5s in his crib. His partner **Walter Wesselman (NM 70)** threw in a King - 5. You guessed it, the case 5 was cut to give Max a 28 crib!

Fran Ward (NC 110) of Club 58 in Raleigh, NC is on a roll! On January 12th he won the Virginia Championship Cribbage Tournament. The very next day at his home club, Fran scored a Grand Slam Scorecard in regular Grass Roots play. His first three games were skunks including one over his club director **Cathy Perkins (NC 110)** That's no way to treat a lady! A big well done for Fran who is on the roll that we all wish for!

The Christmas party for **Club 156 in Sunnyside, WA** turned out to be a great day for **Barry Morrow (WA 726)** who recorded his first ever Grand Slam Scorecard. Barry came in with a great 19/9/+181. The first of many we hope!

Club 100 in Napa, CA reports that Dennis Gage (CA 1142) thought the prize money for the last 24 hand of the night was his. Not Quite! On her last hand of the night, **Cheryl Van Scyoc (CA 1638)** was dealt 3-3-3-9. The case 3 was cut giving Cheryl the pot. She also collected money from the special hands fund for a four of a kind 24 hand that also moved her into second place for the night. That individual hand was worth \$62. Way to go Cheryl.

New leader in Club 120: Elliott Havitz (WI 1902) has replaced Bill Johnson (WI 2328) at the half way point of the season. Elliott leads Bill by a mere two points. The top seven players are within six points so the lead could easily swap each week!

John Sturdy is rock steady! John made his 3rd appearance this season with a super 18/8 +153 to top all 20 players in week #18. John's only loss came in game #2 to Club 120 past champion Jerome Tork. (WI 71)

Five time Club 120 Champ Patrick Barrett doesn't like the cold weather but his cards heated up in week #19 as he topped all 21 players for his 3rd win of the season. While only a 15/7 +61 and did not break any records it was a shade better than the competition!

Some Ladies don't like Pearls! Doris Sanders (AB 257) of Club 261 and a very good supporter of Club 293 in Edmonton, Alberta, collected a complete set of pearls with a minus 177 spread on November 27th. Three weeks later on the 18th of December Doris came back with a vengeance and got a Grand Slam with a great 19/9 +146! These two Alberta clubs do not allow visitors to share in their Grand Slam Pool so it cost Doris \$264! As of mid-January, Doris and Ron Saik (AB 350) are tied for the lead in their GR club.

Survey! Survey! Survey! Does your club allow visitors to participate in your Grand Slam Pool? Lets find out how many clubs do or do not share the Grand Slam Pool. Send me your answer by April 10th (earlier if you can!) and I'll have the results for you in the May issue. Please just send it like this: Club 333 - Shares or does not share. Send it to TomLewis@Spinn.net. One answer per club please, preferably from the club director or their designate. If you want to give an opinion as to why you share or why you do not, I'll pick a few and print them. All replies will be anonymous.

Michael Ardelean Club Director of **Club 295** in Franklin, MI started his club in February 2002 and finished last season with 17 players. This season is only half completed and Mike has already doubled his membership to 34 players. How about a big hand for a new Club Director that has put so much effort and dedication into his club!

Club 295 recently held their GRRT Ray Desormeau (MI 1070) led the club with a fine 33/18/+241 scorecard and Mike Ardelean (MI 997) came in second with a 27/18/+65.

Another tie! George Mackie (WA 210) and Bryan Bordenik (WA 1257) of the Sea-Tac Peggys (Club 148 in Federal Way, WA) scored a 15/7 + 121 card on January 22nd. Both had 128 plus points and 7 minus points. While George and Bryan shared 2nd and 3rd place, Marlene Cook (WA 1860) made an end run around them and scored 18 game points to win the tournament! Bryan is currently the player to beat in this club and retains first place with 95 game points so far this season.

I have no idea what the odds are of an exact tie in a regular nine game Grass Roots tournament. This is the second exact tie in a month. Perhaps one of our folks who do historical statistics on this sort of thing could let us know.....Tom

Donna Hassett (OR 611) of Roseburg, OR is almost Silver! Donna got a 28 hand to skunk her final opponent on the night of January 21st. This placed her in the top 20% of that tournament and she now needs only twelve more rating points to get her Silver Award. Well-done Donna!!

Club 299 in Central Point, OR had a skunking good time on January 23rd when they played their 18 game GRRT. The thirteen participating players had 23 skunks, and players were actually standing in line to honk the skunk horn! This is approximately a 20% ratio. *Does anyone know what the skunk record is in GR for a nine or eighteen game tournament?* In New Mexico we'd call that a Skunk-O-Grande' evening!

Club 299 is a new club and they had five officers complete the ACC judge test in January 2003. You Central Pointers better not make any mistakes, big brother (and sister?) are watching. Let the arguments begin!

Club 273 in Marysville, CA is growing and is off to a good start in the new year! January 8th was their first tournament of 2003 and they started with fifteen members, which was up from last season when they finished with nine members. Two of their new players were Laurie (CA 5089) and Paul (CA 5088) Sweeney of Yuba City, CA. Both applied for

their ACC and Grass Roots memberships at the start of the evening and then Paul went on to score a 28 hand before he had his ACC number! The clubs next 28 hand should go to Laurie as a "new member incentive!" Later in the same evening, Steve Sanders (CA 1653) brought in a Grand Slam Scorecard with a fine 18/9/+122. Steve's pot that night was especially sweet!

A big pat on the back for **Marilyn and L.D. Hake** of Club 273 for all the work they put into attaining their membership increase!!

Playing Cribbage on the Internet?

Many of our Grass Roots players also play cribbage on the internet. There are many different sites in which to play such as www.GameColony.com; The Zone, Yahoo, Pogo and a multitude of others. While playing in these sites, you are not playing against a computer program but against other live players all over the world. Some sites are better than others, and some sites seem to overload their program with a larger than average number of high hands. The site preference is entirely up to the individual. It is a good place to practice, so give it a chance when you have time.

Ray Kimberley (IL 888) from Chicago tells us of a game he played online in Pogo. He was dealing and needed eight holes to win. His opponent needed eighteen holes to win and had first count. Ray threw 4-4 in his crib and kept 9-9-9-10 in his hand. A two was turned up. Pone led an 8, Ray plays the 10 figuring since he had 3 nines it was a pretty safe play. Pone played the case 9 for a run of 3 and a go. Ray leads a 9, pone plays a 6 for 15-2. Rays' 9 played for 24; pone plays a 7 for 31-2! Ray gets a point for last card. Pone has pegged eight holes and then counts a 10 hand to win the game. Ray says if he had played a nine on the first lead he would have won. I have to tell you that given the same hand, I think most of us would have played the 10 on the 8 lead. Conversely. If it was me, I would have tossed the 4-10 to my crib and kept the 4-9-9-9 for a guaranteed go and a six count.

Club 271 in Albuquerque, NM strikes again! For the second time in less than three months two club members have attained a 28 hand on the same day. This time it happened on January 25, 2003 and the lucky players were Jamie Deuel (NM 86) and Tom Lewis (NM 53L) Both were happy with

their share of the skunk can but the can is slightly depleted for the next person!

John Reed (NM 77) Recently transferred from Club 271 in Albuquerque, NM to Club 274 in Walla Walla, WA. On January 16th, John was dealt the Sweet Onion Peggers fourth 28 hand of the season by Club Director Jim Duff. (WA 1641) It was also the first time in three years of Grass Roots competition that John received a 28 hand. John finished 5th and earned \$289.50 for that evening but all Jim received was a free coke!

Bob West (CO-421) scored a 29 hand on January 28, 2003 while playing at the Denver Cribbage Club. This was the first 29 hand Club 34 has had in a long time. Bob is currently #2 in the Denver club, having accumulated 111 Grass Roots rating points as of the February 9, 2003.

Bob also qualified for the top 16 in the Reno JPW/ACC Open tournament. He was tied with his opponent at 2 wins each to get into the top 8 in the playoffs. He was dealing from 16 holes out and his opponent was 38 holes away. Slam-dunk win, right? Nope. He got a 4 hand, 3 pegs and a 2 crib. Pone gets a 16 hand. Bob now has first count from 7 holes out and gets a 0 hand. Opponent gets a 20 hand plus a 2 crib for the win. But that's cribbage and I guess we've all been there!

The Silver Dollar Club in Sunnyside, WA reports that the awards are piling up! The latest was **Richard Larson (WA 699)** turning over a 10 for a 28 hand. He was all smiles on the way home but we don't know how the car ride home went because the 28 hand was against his wife **Janice Larson (WA 1837)**. The big question is did he share the pot money from the 28 hand with Janice? As this column goes to press, Richard is the Club 156 leader having accumulated a total of 85 points so far this season.

The following information was inadvertently left out of the January Column. Oversight? Space Limitation? Ghosts? Who Knows! Nor does it matter. At any rate, sorry they are late. Please keep in mind that these stories are current as of this past December and the statistics have changed since then.

Beverly Castillo (CA 2321) of Club 68 in La Puente, CA is on a roll! Her Club has played ten Grass Roots Tournaments so far this year. She has 3 wins, 4 seconds and 2 third place finishes while accumulating a total of 114 points!

LuAlice Ball (CA 805) Club 290 in Alamo, CA likes 29 hands! She got hers on the first week of the season. Would you believe that she also had a 29 hand last season? I guess the cribbage gods have allocated LuAlice one 29 hand for every season! OK LuAlice, remember now, no more 29s until next season!!

Club 110 in Honolulu, HI also likes big hands! Paul LeBlanc (HI 224) started the 29s in his club this season on 9/13/02 and then on 11/1/02 John Kau (HI 30) got his 29. Prior to this season the Hawaii club had not seen a 29 hand since 1993! Law of averages maybe?

Club 271 in Albuquerque, NM held their GRRT on November 2nd. There were no 29s or Grand Slams but two club members received a 28 hand worth \$25 each because they occurred during the GRRT. Stan Gentile (CA 2582) got his in game #18 and Tom Lewis (NM 53) got his in game #5

On November 5th, two **Club 62 members in Roseburg, OR** received 28 hands in the same nine game tournament. Margaret Keeley (CA 2999) and Burt Ellis (OR 2647) were the fortunate players. Perhaps this is the start of a trend? More 28 hands coming out two at a time!

Carter Classic Off and Running

John Hiland Smoking In Carter, WI

With 120 players in the field at the recent Carter Classic, Carter, WI, Grand Master John Hiland was taking no prisoners. He smoked the field in the qualifying round with a great 38 GP+298 card (22 games) and roared home the winner in the playoffs as well. This great run netted Hiland 207 MRP's to run his lifetime tally to 5,100+. Life Master Jerry Gruber (MN) was Hiland's last playoff victim, but, nevertheless, a 2nd place finish (105 MRP's) vault Gruber to the 500 mark this cribbage year and among the leaders nationwide. Richard Reed (WI) and Master Emilio Perez (IL) finished 3-4. Perez's 70 MRP's give him 600 MRP's for the year, and he, too, vaults among the nation's leaders.

Life Master Lloyd "Gabby" Kraft (WI) nailed down the win in the 78-player Consolation, netting yet another 84 MRP's. Life Master Todd Schaefer (MN) finished 2nd, followed by Grand Master Harry Langman (WI) and Grand Master Les Kvien (IL) in the 3-4 slot. Daryl Halopka (WI) took Q honors with a 18 GP card +132 (9 games).

Directors Bob and Dottie Culver got their Carter Classic off in running in fine style, attested to by the sizeable field. They reported the satellite winners:

Friday: Roger Wauters
Saturday: Diane Gurney

Master Point Race Heats Up

As this year's pegging action hits the half-way mark, six players are leading the way. Three-Star **DeLynn Colvert (MT)** took home 92 MRP's from Reno's huge match and has 911 MRP's in the bank. The biggest move this month was Life Master **Robert Sommer's (MN)** win at the huge JPW/ACC Open, picking up 315 MRP's, and running his tally this year to 716. Sommer also earned his Life Master with the huge win. A three-way dead heat for 2nd between Grand Master **Mike McDaniel (788) (MT)**, Master **Cres Fernandez (787) (CA)**, and One-Star **Duane Toll (782) (WI)** has each player at the 780+ mark. Life Master **Frank Danielski (726) (WI)** is also in the hunt barely a stone's throw behind.

Six players have topped the 600 mark. They are: Master **Roland Hall (CA)**, **Keith Widener (NC)**, Grand Master **John Furler (OR)**, Life Master **"Ras" Rasmussen (WA)**, Life Master **Jim Langley (CA)**, and Life Master **Rob Medeiros (MA)**.

Eleven players have topped the 500 mark. This cribbage year still has many sizeable events on tap, in addition to scores of others. The race is on. The hot hands will come away with honors, but players will have to keep their suitcases packed...and moving. Cribbage fever, catch it!

George "Ras" Rasmussen (WA) has recorded the 10 most frequent discards a dealer makes to his own crib. They are:

2-3	.0409%	Study these combinations. It is obvious that small and middle cards wreak the most havoc. Be especially careful discarding cards that match a 2-3 throw. Interestingly, the 5-5 discard (the very best, point-wise) do NOT make the top 10 discards...probably because they appear so rarely, and you usually hold them with 10-cards.
