### *Winnemucca Draws 186!*

## Mike McCammon Tops In Nevada

The word is out. Winnemucca, with the Winner's Casino offering bargain hotel rates and a great playing hall across the street (Winnemucca Convention Center), is fast becoming one of America's favorite cribbage stops. This time around a whopping 186 players showed for the 9th Annual Winnemucca Classic...and Mike McCammon, Sparks, NV, came to play. He took home the top prize...and 196 MRP's! McCammon is famous for supplying cribbage tournaments playing cards from the Silver Legacy in Reno (he is the Legacy's floor manager), and for his largess, the cribbage gods have rewarded him with a huge win. Four-Star DeLynn Colvert (MT) finished 2nd and had his best overall event in years, scoring 222 MRP's, keeping his hat in the ring for honors this cribbage year. Phyllis Roderick is a Master pegger (OR) and she nailed down 3-4 finish, as did Jerold Montgomery, another Master pegger from California. Colvert also took Q honors with a 41 19/22 +305.

118 stayed for the Consolation and it was Master Lynn Gillespie (WA) walking away with the trophy (and 84 MRP's). Master Harry Ng (CA) took 2nd, followed by Keith Blackman (OR) and Grand Master Willie Evans (WA) in the 3-4 slot. Blackman is very close to his Masters, and may very well have earned this title at this meet. Grand Master David Gilkeson took Q honors with a 18 8/9 +125.

Director Heidi Glashan had a full array of satellites. The winners:

Time Passer: Jim Gogolin GS 9/9

Doubles: Shirley & Jerold Montgomery

High Roller: Rod Fox

High Roller Q: Ras Rasmussen

Last Chance: Bruce Forbes

Super Q: Mike McCammon

All-Events: DeLynn Colvert (66)

Team: J. Blackman, R. Heath, P. Hatcher, R. Rasmussen, C. Morse (170!!)

The Team Event saw a new record established for a 5-person team. A record 170-point team effort was recorded by: **Ras Rasmussen 37, Jerry Blackman 36, Paul Hatcher 35, Rollic Heath 32, and Clair Morse 30!**

Jack Perkins scored his first-ever 29-hand in the Friday Early Bird, and, in another oddity, Rex Paddock dealt a 28-hand to his opponent on Friday...and on Sunday he scored one for himself. Gambling? No one could top Mary Gladish scoring a Royal Flush in the Let It Ride game at the Winners. She collected a cool \$6,000 for that hand!

Tamara Reichel and the Winners rolled out the red carpet for the players, furnishing coffee, tea, hot chocolate and sweet rolls three-days running...and the event awarded first-class trophy boards to boot!

## Sharlene Medeiros Rolls On, Nails Eastern States

Life Master Sharlene Medeiros began a hot streak at this year's ACC Open in Reno, continued on to set the all-time high for a 22-game qualifying round in Green Bay (46 20/22 +501), and she is still rolling along with one of the hottest runs in ACC history. Her latest escapade has her running the table at the recent Eastern States Championship in Shrewsbury, played on April 4. She not only qualified tops with an outstanding 28 GP card (12 games), but rolled on to win the playoffs as well, netting a whopping 252 MRP's in this 106-player event. She vaults among the leaders in the annual MRP race with this great run, standing at the 1,500 mark.

Elijah White (MA) was the last victim of Medeiros's run, taking home 2nd. Two-Star

Harry Palmer (MA) is also in the race for honors this cribbage year, finishing in the 3-4 bracket with Life Master Rob Medeiros (no relation to Sharlene), also in the race for honors this year.

Life Master Paul Gallagher (MA) took home the bacon in the 52-player Consolation. Guy Spezzaferro (MA) finished 2nd, followed by Master Harvey Glass (CT) and Master Bruce Brown (MA) in the 3-4 bracket. Glass also scored a nice 17 GP card to take Q honors.

Director Bill Medeiros reported Cindy Veradt scored the meet's only 28-hand. No 29's showed. Carl Deyette (CT) unofficially earned his Master rating...and Medeiros reported the event went well even after a late site change and playing on Palm Sunday.

## Chuck Barnes Takes Haines City Inaugural

Chuck Barnes (FL) got the Haines City Inaugural off and running by taking home the championship on the 4th of April. With 84 peggers in action in Kissimmee, FL, the win came complete with 147 MRP's...and bragging rights. His last match pitted him vs. Joe Lewis III (FL) and he prevailed to take the title. Lewis scored 105 MRP's for finishing 2nd. Bernie Chiasson (FL) and Jack Ledbetter (FL) nailed down a 3-4 finish (and 70 MRP's each). Joy Barnes (FL) is nearing her Grand Master by taking Q honors (33 15/22 +231).

Master Betty Schaeffer (FL) took home the win in the 54-player Consolation, nipping high-qualifier (16 8/9 +123) Gene Bradshaw (GA) in the final playoff match. Paula Abele (FL) and Ed Craren (FL) took home a 3-4 finish.

Director Raymond Wanke reported that John Groz scored his first-ever 29-hand in the 8th game of the main event, earning Groz \$100 from the ACC for this 19th 29-hand this season. Russ Perkins scored a 28-hand as well. He also reported that Paula Abele won the Friday event, Steve Campanale won the Saturday game, and John Pfenning scored a grand slam 7/7 to win the Last Chance. Wanke also reported he was stunned by the large crowd in this inaugural event.

## Emilio Perez Zips To Illinois Open Title

Grand Master Emilio Perez (IL) kept honors in his home state by winning the recent Illinois Open on March 7. With a nice field of 101 peggers, Perez took home 147 MRP's to tack on to his lifetime ledger. Ginger Nelson (WI) came home 2nd...and 105 MRP's, followed by Mike Grage (IL) and Life Master Bob McCabe (WI) in the 3-4 slot. McCabe's high finish leave him a scant three points short of earning his One-Star rating. Grand Master Bob Chase (MN) took the Q action with a nice 35 17/22 +174 card.

Two-Star Duane Toll (WI) ran the table in the 62-player Consolation, taking the Q prize with a 19 9/9 +119 grand slam, and winning the playoffs as well, adding 84 MRP's to his nation-leading MRP total (1,500). Vickie Lindner (WI) took home 2nd, followed by Tim Smith (MI) and Grand Master Les Kvien (IL) in the 3-4 bracket.

Director Marvin Lang reported the satellites:

Friday: Bob Wingo

Saturday: Frank Danielski

28's Ginny Danielski, Tanya Leahy

Team: E. Heinowski, L. Kvien, W. Steinmetz, D. Toll

## ACES GALORE

## Cribbage Camaraderie

JoAnn and Bill Hill recently had 8 house guests over the weekend (Hermiston, OR Open), and a great time was had by all. The Hill's confided to *Cribbage World* that next year they will rent a port-a-potty, and will hook up a garden hose with a sprinkler head for next year's action.

## In Memoriam

### Thomas Cunnane Owens

Roseville, California

Tom died on March 26 at the age of 80. He had attained Master rating, and loved his cribbage. He was a regular at Reno's huge meets and travelled far and wide to do his pegging. A great sport and friend, he will be sorely missed.

### Christopher L. Quigley

Dixon, California

Chris died recently in North Carolina while visiting his daughter and family. He was a long-time member of GR 21 (Fairfield, CA) and had attained his Master rating. He was a great sport and a regular at many Western Region events. The ACC has lost another great one.

## Ala Tiger Woods Sue Pisha Nails Sunnyside

Sue Pisha is a pegger from Portland, OR, and she has paid her dues. Despite many high finishes, she had been unable to crack the winner's circle...until she figured out how to change her luck. Taking a cue from Tiger Woods (the golfer), she decked herself out in a bright red outfit for Sunday's playoff action. And it did the trick, she came home the winner at the 48-player Washington State Open in Sunnyside, WA, besting Life Master Bernie Saueressig (WA) in the final playoff match. And not only did she take the championship, she was also the meet's high Q player (34 15/22 +162) as well. Canadian Harold Buckley (Grand Master) and Nancy Lorenz (OR) finished 3-4.

Bryan Bordenik (WA) nailed down the win in the 32-player Consolation, stopping Pete Johnson's (WA) hot run in the final match. Johnson was the event's top Q player (18 8/9 +114). Millie Moritzky (WA) finished in the 3-4 slot with Master Chris McComas (WA).

Director James Morrow and the host Eagles lodge conducted a first-class event with many amenities. The satellite winners:  
Time Passer: Marion Buckley  
High Rollers: Sharon Hejtmanek  
Doubles: Marlene Stack & Jim Hornbacher  
Super Q: Harold Buckley  
Team: L. Sumner, R. Paddock, W. Evans, R. Hofbauer

In an oddity, Don Smith (OR) agreed to be an anchor in Saturday night's event, and promptly went 0-9 -259! It will be a cold day in you know where before he agrees to that situation again! Director Morrow and spouse Toni not only ran an excellent event, but had many players stay at their home for the weekend. They even prepared a bar-b-qued salmon feast for the players Saturday night. Cribbage fever, catch it....and you will not believe the camaraderie that exists in the ACC!

## Like Father, Like Son Dan Tolley Wins 24th Oregon Championship

In 1999 Dick Tooley (OR) won the 19th Oregon Cribbage Championship...and five years later his son, Dan Tooley, won the 24th annual event on his home turf in Prineville, OR. With 102 peggers in action, Tooley took home 147 MRP's and will have his name inscribed on the annual winners board along with his father's inscription. Master "Ratso" Roderick (OR) finished 2nd, followed by Master Dan Mitchell (CA) and Four-Star DeLynn Colvert (MT) in the 3-4 slot. Grand Master Verne Neilsen (OR) took the Q action with a 34 15/22 card.

Master Don Smith (OR) was NOT an anchor in the 74-player Consolation, and his luck was back with a nice win in this 74-player event. Doug Jansen (OR) took 2nd, followed by Ray Rangila (OR) and Life Master Bernie Nelson (OR) in the 3-4 slot. Nick Kenny (WA) took the Q action with a nice 18 8/9 +118.

Directors Patti and Graeme Gossett fielded a full slate of satellites. The winners:  
Time Passer: Mike Pendas  
High Roller: Terry McGinnis  
Doubles: Skip White and Betty Stewart  
Saturday: Gene Wilkerson  
28-Jim Gogolin  
Super Q: Dan Mitchell  
Team: S. Hejtmanek, J. Moritzky, T. Malmgren, R. Hendricks, D. Colvert

The Central Region has their "cookie lady" (Carol Draper, Potawatomi event)...and now the Western Region has a "cookie lady" also. Patti Gossett baked 42 dozen home-made gems for this event...and they were all gobbled up very quickly. This event was expertly run with all scores and prizes well-posted.

## ONEIDA ADDS \$20,500 TO MGM PURSE

The Oneida Casino added some \$20,500 in perks to the recent MGM Open in Green Bay. Two Grand Slams at \$100 each: Jim Bertucci and Ginny Danielski. And who can forget the two 29-hands scored by Lyle Lund at \$500 each (plus an additional \$200 from the ACC). Directors Tom Gallagher and Bob Miller also reported that a whopping 600 24-hands were scored at \$25 each. The Casino paid the first 600. More were scored. Mark your calendars for next year's MGM! It will probably be a sell-out!

Two-Star Duane Toll (WI) is at the top of the leader's board this cribbage year and the recent Chico Open (CA) illustrates why he is in that lofty position. He nailed the Q round (36 17/22+222) and won the playoffs as well. This great run netted Toll yet another 197 MRP's, solidifying his hold on the nation's MRP race. His last playoff victim was Grand Master Roland Hall (CA). Hall's high finish, nevertheless, keep him among the leaders nationwide in this year's MRP race. Director (and Master) Norm Nikodym (CA) and Ron Guidotti (CA) finished 3-4.

Nikodym reported Bob Bartosh and John Krukow scored that elusive 28-hand. No 29's showed. Nikodym holds these US Opens on a seasonal basis. Mark your calendars.

If Frank Price can do it in Colorado, then Robby Robinson can do it in Alaska. Robinson ran the table at the recent Alaska Championship, taking Q honors with a nifty 38 +297 card, and zipped to the championship in the playoffs as well. With 52 in the field, Robinson took home 165 MRP's, and all the marbles. Lynn Hutcheson (AK) took 2nd, followed by Lynn Baldwin (AK) and Steve Yates (AK) in the 3-4 bracket.

The Consolation played to 29 peggers and it was Liz Thornwell (AK) taking the title. Grand Master Mike Rowe (AK) took 2nd...and Q honors as well (20 9/9 +174). Dave Swartz (AK) and Don Hendricks (AK) finished 3-4.

Director Mark Cochran keeps 'em pegging in the land of the midnight sun.

## Grand National XXIII Update

We have drawn our second winner of a free room, main entry & Q, and \$200 at Grand National XXIII in Atlanta this September. The winner is **Chip Shultz** (NC 563). His name was drawn on April 17 during the Atlanta Classic tournament in Atlanta. Chip lives in Southport, South Carolina and plays out of grass roots club 35 in Fayetteville.

Is it possible to include this information in the next Cribbage World? I will post it on our local web site but we would get much broader exposure through CW. I think it's important that all of the ACC members know that we are being successful with our fund raising and the only limit on the number of winners is how many tickets we sell. We will definitely have at least one more drawing. Our final drawing will be at the National Open in Raleigh, NC in July.

Thanks for putting the information in the April Cribbage World about our Grand National. Since I sent you the original information, Paul Gregson was able to put most of the important stuff about GN XXIII on the ACC web site. The only thing missing is the information about 5-card cribbage and the duplicate tournament. However, that information is available on our local web site so folks can access it if they hunt a little bit!

Maybe you could include a short line or two in the next CW issue telling our members that information about Grand National XXIII is now available on the ACC web site as well as at [mariettacribbageclub.com](http://mariettacribbageclub.com).

*Dave O'Neil, Co-Director GNXXIII*

## Cribbage For Charity

Cribbage tournaments are a great reason to get together with friends, play a little cribbage (or a lot of cribbage), and maybe win some prize money and master points, too. But many of them also provide a wonderful service in their communities by being fundraisers for charities. The River City Open (Sacramento, California area) is one such tournament. Since its inception in 1995, this tournament has raised more than \$10,000 for local and national charities. The Grass Roots Club behind this event, The River City Peggers, also hosted the "America Cares" tournament in 2001 and raised close to \$4,000 to assist victims of the September 11th tragedy. This year's 9th Annual River City Open pulled double-duty in the fund raising department. Three dollars of each entry from the main tournament went to a local charity, Triple R Adult Day Program. A total of \$390 was donated to this program which provides companionship, enriching activities and personal care for older adults with Alzheimer's and dementia. The second beneficiary was The Leukemia & Lymphoma Society. An annual raffle is held, with the proceeds going to this worthy cause. Karen Shimizu, one of the tournament's directors, annually outdoes herself by gathering wonderful prize packages for the raffle. This year ticket sales set a new high and \$1,150 was raised for The Leukemia & Lymphoma Society. Club members regularly pitch in to gather the prizes. Notably, Nancy Rojas contributed much time and talent in collecting promotional items for the complimentary goody bags given to all the players.

## Cut For Deal... Or Alternate Deal?

Given that the debate over alternating versus cut for deal is over, I set out to determine if there were a difference if any in terms of averages between the two tournament modes. The result was CRIBAVGS, a program that computes probabilities of cut wins, games won, skunks, and game points in any tournament. I used 22 as the parameter for number of games played, plugged in the others, and compared the results for an average player (qualifies one time in four) to an expert (qualifies about three times in five) and came up with some interesting numbers.

An expert winning the cut 16 times will win 13 games or more 70% of the time compared to 60% of the time in an alternating deal tournament and 50% of the time with 6 cut wins. An average player will win 13 games or more 37%, 26%, and 18% of the time respectively. Using exact values and averaging the 16 cut and 6 cut wins (whose probabilities are identical) results in a negative difference of .3% compared to 11 cut wins for the expert and a positive difference of .6% for the average player.

My conclusion is that cut for deal indeed benefits the average player. Anyone who wishes a copy of CRIBAVGS and information on the other parameter inputs I used can obtain them from my web site, [halscrib.com](http://halscrib.com)

## Fortune Cookie

Duane Toll, a Two-Star player from Wisconsin, was seen pegging in Prineville, OR recently. On Saturday night he was dining at a local Oriental restaurant, complete with the usual fortune cookie. His fortune? "Your mentality is alert, practical and analytical." Right on! Toll is leading the nation this cribbage year in the annual Master Point race!

## Rule of the month review

Cards thrown in the crib may not be picked up again unless they were placed on the wrong side of the table by mistake. They may not be picked up and looked at or changed. The same cards are moved to the correct side of the board.

**Another 29 Hand! (Almost!) Donald Thomas CA 4822** playing in Club 290 in Alamo, CA almost got his fourth 29 hand on March 10<sup>th</sup>. Donald has been playing many years and has three 29 hands to his credit as well as way too many 28 hands to keep track of. He realized this hand was a 28 but his opponent said, "No, you've got a 29!" For a moment Donald thought he had the fourth 29 hand of his career but a quick look told him it was only another 28! Many of us are lucky to get even one 29 hand in a lifetime. *That 29 is out there Donald, just waiting for you to draw it out of the deck!..... Tom*

*The followings subject is one of my greatest concerns. Our Congress is becoming an aging population and we need to figure out how to attract and keep new members. This is especially important in the recruit of new and junior members...Tom*

These membership concerns have been taken from a recently published "RAS" newsletter."

For the first time since the inception of the Chehalis-Centralia Cribbage Club, attendance has become a concern. Winter quarter attendance for 2003/2004 was down<sup>ed</sup> by 200 players. During the Winter Quarter 2002/2003 we had 545 players. This past Winter Quarter we had 345. When looking at the membership roster, here are the contributing factors. Average age of our club members is much greater than it was in the fall of 1996. Many of our members came in at that time and have remained dues-paid members. This season we have 47 dues-paid members. Many of those folks now are between 80 and 85 years of age. Would you believe that eight of our members are 80+? It also seems that we may have only one member under the age of fifty. Six members are disabled at present with some hope that

half of those can return to limited play. Three have died in the past year. Three have relocated and are no longer in this area. Two have transferred to other clubs. We have ten members who travel south for the winter months. About half of those will play on a regular basis once they return here in April. Although some are counted in more than one category, that leaves twelve folks. Is it any wonder? In prior Marches, club membership has reached 60 members. Not so this March. Well for the first time, we have to consider recruitment of new members. Think about some ways we might be able to do this and how you might be able to support our efforts. This will be a major topic at the next Advisory Board Meeting. What are your thoughts?"

News from Walla Walla, WA. They! named it twice! The current Club 274 leader for the local title is **Dave Bosley (WA 631)** aka "Da Boz." He is having a wonderful year. A year that one could only dream of. Dave's success has been all over in GR play and in ACC tournaments. Dave is on a roll and has amassed a total of 216 points after 26 events. Now this may not seem like such a big deal 'till you know that he has 27 more points to be added on from the GR National, which brings him to 243. March 25<sup>th</sup> he was on fire. He lost his first match and then ran the board. His card was a 20/8/+223. Club 274 is not sure but think this has to be one of the highest non-grand slam cards in GR this year if not longer. After his loss he skunked four opponents and beat four others.

It was a hot time in the old town during the third week of March! It took 15 gamepoints to earn rating points. At the top of the list was the Castle Rock Comet, **CHRIS MC COMAS**. His 178/101 was pretty impressive. He has already earned 178 rating points this season. CHRIS won the club championship his first year as a member with 267 and repeated in 2002/2003 as club champion with 219. He may become our first member since **DAN CARR** to earn a Bronze Award in four seasons of play.

AL NELSON has taken the lead in the Spring Quarter with six sessions remaining. Halfway through, AL is batting .667, has seven skunks, and is leading in cash winnings.

**GRASS ROOTS TOURNAMENT #30 - 4/8/04** Twenty-four folks showed their dedication to organized crib and had a fun time at the **Chehalis-Centralia Cribbage Club** this past week. RICK WESTERMAN of Wenatchee was a welcome visitor. RICK has joined the group called Eastside Peggers at Kirkland. Glad you were in the area RICK and decided to visit us in Chehalis-Centralia. You're welcome anytime!

#### WHO WERE THE BIG WINNERS?

DON WANTA, the Toledo Terror, quietly approached the table with the best card of the session. Didn't hear him crowing during the evening at all. An 18-8-149 effort is worth crowing about too. It's been a while since DON won our weekly tournament. The prize for first place was \$50, and DON walked off with top spot in Q-pool for another \$40. That's a hefty \$90. Thanks for the generous nudge to the skunk pot. Although DON has missed a few sessions this quarter, he has one of the better batting averages of the spring quarter at .630 winning 17 of 27 during this period. We've been missing that piano music too, DON! In addition to being a friend to all in our group, Don is a generous sponsor of our Washington State Cribbage program.

**Club 227 happenings in Laguna Woods, CA by Paul Yellon.** "We have a prize for the last 24 hand of the meeting which fosters a great deal of interest and competition by our players. At a mid-March tournament there were ten 24 hands of which **Eileen Brown (CA 4558)** scored three. Did she win the prize? No!! **Larry Irion (CA 4954)** waited until the last hand of the last game to claim the prize! Club 227 members are intent on depleting the skunk pot. **Eileen Brown** and **Barbara Knox (CA 2926)** scored 28 hands in successive weeks. **Bob Knox (CA 2925)** hit the jackpot with a Grand Slam for a 3-figure prize

**News from Club 203 in Prince George, BC:** GRNT on Sunday April 4th. 15 players participated with a break for lunch, which was provided by the club. **Linton Walker** had a respectable 10/5 at the break and then connected for an 8 win two skunk run for a nice 26/15/+167 for second place

but the real story was **J. Brent Minors**. A three time local club Champion, he scored a new Club record finishing the day with his 6th skunk with 14 wins for a resounding 34 card! They previously had a 32 card for a second place \$275 and another 32 later (can't remember the pay out) **Mae Sauer** placed 3rd with 26/12 and **Joyce Antonitton** finished in 4th place with 25/12.

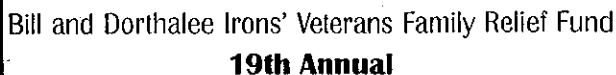

A RARE HAPPENING occurred in **GR Club 243 (Tacoma, WA)** during the sixth game of their Monday April 12<sup>th</sup> meeting: Usually when you put two 5s in your own crib, as **Cathy Carter (WA02071)** did, you hope for a good crib score, except that **Ray Zeuschel (WA01480)** would, ultimately, peg out even before Cathy could count her hand, let alone her crib. Ray had kept a double run to give him enough points to count out and, as most of us would, he discard his Jack-5 to Cathy's crib. A 5 was cut, and though Ray, had already pegged out, Cathy nevertheless checked her crib and you guessed it, the elusive 29-hand showed, IN THE CRIB yet! Cheers all around for this rare hand.

**Club 240 News from Arden Hills, MN:** Bill Kachel is holding a slim lead over Russell Adams in the club followed by Bob Chase, Emil Lubinski, and Earl Fox. All are within striking distance, as the GRNT has yet to be played. Several new players have had luck in club 240 like Steve Kari, Ron Stuflick, Rick Jacobsen, and Bob Bringgold to name a few. Darlene Johnson continues her award hand frenzy by getting a 29 hand and two 28 hands within a few weeks. Ken Rosvold layed a 45-point whipping on Todd Schaefer as he nearly went out in 6 deals, pegging out immediately on deal 7.

**Club 140 News:** On March 16, 04 Jake Jacobs had his second 28 hand of this Cribbage year. Over all so far this year, the club has had four of them. Three weeks later on April 6, 2004. **Dearl McCullough** on his way to a possible Grand Slam, ended his 7th. game in the Stink Hole to lose by one point. Who beat him out of a Certificate? None other than Jake Jacobs who has been on his own hot streak lately. **Dearl** ended with a fine 16/9 +139, -01= 138 net.

### Steve Angier Tops In Georgia

Steve Angier kept honors at home in the Peach State as he nailed the 58-player Atlanta Classic on April 18. His last playoff match pitted him vs. Ray Wanke (TX) and he prevailed for the win...and 105 MRP's. Wanke netted 70 MRP's for his 2nd place finish. David Foxwell (GA) and Frank Podjun (GA) finished 3-4. GRand MAster Jeff Raynes (NC) took the Q action with a nice 33 15/22 +166.

Buzz Adams (GA) took the 40-player Consolation, nipping Joy Barnes (FL) in the final playoff match. Barnes is nearing her Grand Master with this high finish. Master Warren Gallagher (MA) was in town for some southern sunshine, and he came away with a 3-4 finish with Grand Master Cathy Perkins (NC). In an oddity, hubby Russ Perkins unofficially earned Grand Master at this event, as this duo continue their family run for honors. They have been in a deadheat for several years.

Director Gene Bradshaw had a full array of satellites, The winners:

Doubles: Buzz Adams & Chip Shultz

Saturday: Don Thompson

High Rollers: Cathy Perkins

28: Frank Podjun (High Rollers)

Eleven year-old Zachery Widener had eyes popping as he zipped to 13th place in the qualifying round, and continued on to the second round playoffs. However, this should not be a surprise, as his father is Keith Widener, an ACC charter member and Master pegger.

### Toll, Colvert, Hall, Medeiros Lead MRP Race

The top runners in the annual MRP race are all burning up the track lately and have vaulted to the 1,500-1,600 mark. Two-Star Duane Toll (WI) scored a superlative 42 GP card at the recent Milwaukee Challenge, and has topped 1,600 for the year. Four-Star DeLynn Colvert (MT) finished 2nd at the recent Hermiston Open (OR) and he, too, has topped 1,600. Life Master Sharlene Medeiros (MA) scorched the boards at the recent Eastern States event (qualifying first and winning the playoffs as well) and she joins the action at the top of the heap. Grand Master Roland Hall (CA) has also been piling up points on a regular basis and he stands at 1,500 for the year. Holding down 5th place is veteran Life Master Ron Morgan (CA), and he is knocking on the door with 1,200 points. Perennial winner Two-Star Harry Palmer is at the 1,000 mark, followed by Life Master Bob McCabe (WI) (needing but three MRP's to become the ACC's 22nd One-Star), Master Jim Crawford (CA), Life Master Donald Flesch (WI), Master Tony Danihel (WI) and Grand Master John Furler (OR), all of whom have topped 800. Master Jeanne Jelke (WA) recently finished 4th at the Hermiston, OR event, and she has also cracked the 800 mark. Two-Star Phyllis Schmidt (MA), Jerry Hardy (ME), Life Master Mel Ashley (CA), Grand Master Cres Fernandez (CA), One-Star Paul Hatcher (OR), Two-Star Warren Sondericker (WI), and a bevy of veteran players have topped 700+. Some 32 players have 600+ points in the bank, and all have an excellent chance at earning top ten honors with a hot run.

The race for top ten appears to be headed for a heated finish with the last five positions up for grabs. A hot run by any of the top 32 could very well bring honors as All-American this cribbage year. With but a scant three months action left, the play will be intense.

## Cribbage Books

*Cribbage for Experts* and *Miracles on 4<sup>th</sup> Street*, my 2 oldest booklets, have been reprinted. The new versions have glossy color covers, are perfect-bound, rather than stapled, and are much longer than the old versions (mostly because playing cards are shown graphically, but there is some new material in each). If you own the old versions, you don't need these, unless you just want nicer copies. If you don't own the old versions, the new ones are available at [CribbageBooks.com](http://CribbageBooks.com). Each is \$8.50 + \$1.50 postage. Mail orders: Cribbage Books, P.O. Box 14792, Durham, NC 27709-4792. Grass Roots clubs willing to purchase at least 5 of the older versions (Gifts for new members? Booby prizes for finishing last?) may have them at discounted prices while supplies last. Email me for details at [aardwolfpress@aol.com](mailto:aardwolfpress@aol.com). -- Dan Barlow

**Cell Phones**

Cell phones are fast becoming our means of communication. However, I have been receiving complaints that these cell phones are interrupting play during our cribbage meets. I strongly urge all our members to turn off their phones while engaged in tournament play, unless, of course, you are expecting an emergency call. Thanks.
