Wind and Rain

Chinook Winds: Dave Noll Tops 216

Lincoln City, Oregon experienced its usual December weather....wet and windy...but 216 hardy peggers descended upon the Chinook Winds Casino for their annual Open. Outside it was nasty, but inside peggers found cribbage paradise as this casino features one of the best playing areas in all of cribbageland. With room to spare, complete with soft drinks, coffee, and cakes, the pegging action was on. The Friday Early Bird drew a whopping 98 players, and Grand Master Frank Ornle (OR) salted that event away...and pocketed \$470 to kick off the weekend's play. Next on the schedule was the Friday Doubles and High Rollers. Grand Master Rex Paddock (MT) teamed with Life Master Bill Hill (OR) to take the doubles action, and newly-crowned Life Master Sharon Hejtmanek (MT) took home the bacon in the High Rollers.

With 216 players in the field for the Main Event, it was Dave Noll (WA) zipping to the win, taking home a four-figure winner's check, a trophy, and bragging rights galore. Master Jeanne Jelke (WA) took home 2nd, followed by Life Master Todd Malmgren (OR) and Grand Master Bruce Wridge (OR) in the 3-4 bracket. Master William "Ratso" Roderick (OR) posted one of the best Q scores this cribbage year with a superlative 43 18/22 +242 card (85 MRP's!).

132 played the Consolation, and it was Master Chris McComas (WA) all the way. He nipped One-Star Roy Hofbauer (WA) in the final playoff

match to take home the top prize. Roy's son, Jason and Steve Ellis (WA) finished 3-4. In 1995 Steve Reynolds (CA) earned All-American honors, and this Life Master is still chugging away and took top Q honors with a nice 17 8/9 +139 card.

In addition to the satellites reported above, other event winners were:

Saturday: Darrell Unruh 19 9/9

Last Chance: Dot Mickow

Team: R. Hofbauer, R. Heath, J. Moritzky, C. Morse, D. Colvert

Super Q: Duane Toll, Phyllis Schmidt (tie)

Sadie Hawkins: Marcia Glenn & Dick Walcker
28's: Marcia Glenn, Wayne Scranton, Mike Freeland, Bryant Gilkson, Hazel Weichseldorfer, Walt Christenbury, and Mike McCammon (High Roller)

Directors Rollie Heath, Roy & Jeanne Hofbauer, and Bernie Nelson, once again, put on well-run cribbage event, attested by yet another 200+ crowd. They reported that Les Sumner (NV) unofficially earned his Grand Master with a nifty 35 GP qualifying-round card. Two-Star Phyllis Schmidt (MA) and Two-Star Duane Toll (OR) finished 5-8 and are, once again, in the hunt for cribbage honors this cribbage year.

The Chinook Winds Casino will be really jumping with peggers in September 2005, as this fine facility will host Grand National XXIV. Mark your calendars.

St. Croix Events Cancelled

The St Croix Cribbage Classic Tournaments at Turtle Lake Wisconsin have been cancelled until further notice. Details between the State of WI Gaming Administration and the Indian Gaming Regulatory Act must be addressed. I am working on these details, but can not give a specific time for resolution. Please be advised that I will do everything to bring these very popular ACC Tournaments back to Wisconsin. All entries which have been prepaid for the 2005 tournaments will be refunded. Please take care of all your room reservations that you may have made. I am sorry for any inconvenience this may have caused you. I look forward to the future of these tournaments and to the future of the ACC.

Alan Lindner, Director, St. Croix Classics

10th Eau Claire Classic Tom Edwards Tops In Wisconsin

Tom Edwards (IL) came to play at the 10th Annual Eau Claire, WI, Classic. He nailed down the win besting some 130 players in the process. Not only did he take home 196 MRP's, but was rewarded (as were all players) with all the cheese, sausage, crackers, pastries, breads and coffee he could eat three days running.

His last playoff win was with the streaking William Junion (WI). This was Junion's 4th ACC tournament and his early going is phenomenal. He won the Marinette event, and his qualifying round in this event was electrifying...for 14 games! He won all 14 and stood at 31 GP's with 8 games to go. A record in the making? Oops! He lost his last 8 games and finished with 31 GP's. Pete Heesakker (WI) played a steadier Q round and finished high with a nice 39 18/22 +256. He also finished in the 3-4 bracket with Paul Heideman (MN). Heesakker took home a whopping 170 MRP's aggregate to show for his nice run.

Two-Star Joe Bernard carted home the Consolation win, besting some 78 players in the field. He has 18 sanctioned wins under his belt...8 Main and 10 Consolation. Grand Master Don Tofte (WI) took 2nd, followed by Master Jerry Goedert (WI) and Pete Severson (MN) in the 3-4 bracket. Jerome Tork (WI) took Q honors with a grand slam 19 9/9 +108.

Director Alan Lindner fielded a full array of satellites. The winners:

Friday: Doug Anderson 18 8/9 +177
Friday sgl elim: Ed Heinowski, George Stankus
Saturday: Pete Heesakker 17 7/9 +157
Sat. sgl elim: Lee Tesch, Al Karr
29: Larry Algiers (ACC's 10th)
28's: Pete Severson, Earl Fox
All-Events: Wayne Steinmetz 55 GP's

A highlight of this event saw Pete Severson score the ACC's 10th sanctioned 29-hand this cribbage season, earning \$100 from the ACC for this gem.

Jerry Cutsforth Nails Long Beach

After a 6-year absence, cribbage action returned to Long Beach, WA under the guidance of Rosemary Hendricks, a first-time director who put an enormous amount of work in getting this event up and running. And no one was more appreciative than Jerry Cutsforth (CA) who zipped to the win, besting some 86 peggers in the field. Master William "Ratso" Roderick (OR) took home 2nd, followed by Life Master Bill Wakeman (CA) and James Morrow (WA) in the 3-4 bracket. Grand Master Jack Shumate III (CA) took Q honors with a nice 37 16/22 +265 card.

Veteran Grand Master Roger Lueschow (WA) nipped Elizabeth Whitehouse (WA) for the 62-player Consolation title. Grand Master Herschel Mack (CA) had a fine event, taking home a 3-4 finish and taking qualifying honors as well (18 8/9 +164). Mack took home an aggregate 45 MRP's for this great run. Grand Master George Mackie (WA) also finished in the 3-4 bracket.

Hendricks fielded a full array of satellite events. The winners:

Early Bird: Jim Taylor

Doubles: Roger Lueschow & George Mackie

High Rollers: Nancy Lorenz

Saturday: Rick Anderson

Last Chance: Dennis Misener

29: Graeme Gossett

Hendricks reported Graeme Gossett (OR) scored the ACC's 8th 29-hand this cribbage year, earning \$100 for this gem. She also added the weather was good and the host Elks would like a re-run again next year.

Andrew Jackson Cribbage World Editor's Hero

The November issue of *Cribbage World* had a typo in the front page masthead. It was labeled "Moverber" and *Cribbage World* editor DeLynn Colvert received many raspberries over that one. But Colvert has his hero to fall back on...ex-President Andrew Jackson.

Jackson was quoted: "It's a damned pore (sp) mind that can't think of more than one way to spell a word!"

The Cyclone Wins Again

Master Cy Madrone (CA) signs his name on a scorecard with a "cyclone" drawing...and the cyclone came home the winner at the 16th Teeny Tiny Event in San Jose, CA in early November. With a nice crowd of 90 peggers, Madrone took home 147 MRP's and a modest prize to boot. Director Ed Bloom is famous for this event's small entry fee, but he, nevertheless, draws a good crowd. Roy Kaufman (CA) took home 2nd, with Life Master Mary Herrmann (CA) and Tracy Yott (CA) finishing 3-4.

Grand Master Bill Jensen (CA) nipped Stan Katzmann (CA) in the final playoff match in the 72-player Consolation to take home the title. Director (and Grand Master) Ed Bloom (CA) and Life Master Helen Bolstad (CA) finished 3-4. Master Art Fisher (CA) posted a nice 16 GP card (7 games) to easily take Q honors.

Bloom reported that only Basil Rudnick scored a 28-hand. No 29's showed. In an oddity, Bloom reported that Diane Leal (NV) turned in a 18-GP card in the Main Event, but a re-count gave her a 20-GP card...and top honors!

Adrian Levy Has Early Xmas

Adrian Levy (CA) had an early Christmas present by taking home the win at the recent Reynolds Xmas Wrap event played at Castro Valley, CA. With 63 players in the field, Levy carted home 105 MRP's for the win. Leon Korba (CA) finished 2nd, followed by two veteran peggers in the 3-4 slot...Grand Master Bob Clark (CA) and Two-Star Jesse Jarrell (CA). Ben Holder (CA) took Q honors with a nice 35 15/22 +227 card.

Master Amelee Killion (CA) had a superb Consolation, qualifying tops (17 8/9 +139) and finishing 2nd in the playoffs as well (78 MRP's aggregate). But it was Warren Bush (CA) taking home the win in the playoffs. Life Master Mary Gladish (CA) and Stan Billingsley (CA) finished 3-4.

Directors Bill Wakeman and Steve Reynolds reported satellite winners:

Friday: Ben Holder

Saturday: Stan Billingsley

All-Events: Ben Holder

28's: Mary Gladish, Pete Stemler

TIP of the Month

What are best times to pair opening lead?

By Ras Rasmussen (WA)

A common strategy is to pair the ten point lead when holding an ace as the play of the ace most often results in a score of 31-for-2. In this case, there is some chance that your opponent may score six points. Another example would be to pair the nine if holding a four-spot which will close the count at 31. If opponent has third nine, you give up six and score four points. Recognize when this is the case and go for the pair. It is often not so beneficial if making the count 15 for 2 as in the case of pairing a four spot for eight, when holding the three which will score fifteen if opponent triples the four for six. In this case, a run possibility exists in either direction. Much better if you can close count at 31. There are times when you cannot afford to give up six pegs. There are positions on the board where a pair for two is of greater value than the potential six points to the opponent. So exercise this strategy with a clear view of board position objectives.

In Memoriam

Bill Mellonakos

Carmel, California

Bill died November 25. He had recently moved to California from his long-time Massachusetts home. He found a home with Grass Roots club 82 in Monterey and played on a regular basis. His many friends and peggers mourn his passing.

Wallace A. Meahl

Buffalo, New York

Wally was a retired Buffalo fireman who truly loved the game of cribbage. He taught his children and grandchildren how to play. He was a long-time member of Grass Roots 5, and played with gusto on a regular basis. He will be sorely missed.

Hall of Fame Interest Sky High

Hall of Fame Committee Chairman Patrick Barrett reports this year's nominations to the ACC's Hall of Fame are record-setting. As we go to press, some 42 nominations have been received. Stay tuned for results from the Board of Director's votes at the upcoming Reno event in February.

AMERICAN CRIBBAGE CONGRESS BOARD OF DIRECTORS MEETING SEPTEMBER 17, 2004 WESTIN ATLANTA AIRPORT HOTEL ATLANTA, GEORGIA

Executive Vice-President Syl Lulinski called the meeting to order at 10:00 a.m. He stated that there were going to be some absences due to travel problems. He also stated that that item #9 on the agenda had been dropped.

Roll call was taken. Present were: Pat Barrett, George Bickford, Kathy Blough, DeLynn Colvert, Larry Hassett, Sharon Hejtmank, Jeanne Hofbauer, Roy Hofbauer, Bob Julian, Al Lindner, Syl Lulinski, Bob Milk, Ron Morgan, Cathy Perkins, Joan Rein, Todd Schaefer, Phyllis Schmidt, Jack Shumate, and Fred White. Excused absence: Joe Bernard. Absent due to travel problems because of hurricane Ivan: Dave Campbell, Dwight Christiansen, Tom Lewis, Herschel Mack and Jeff Shimp. Also present: Bob McCabe ACC Treasurer.

Syl's opening remarks were some humorous quotes from a book, Ronald Reagan: The Great Communicator.

Jeanne had two changes to the minutes of the last meeting. The first change was on page 4, agenda item #18, third sentence: should be the last two rounds, instead of the first two rounds. The second change was on page 5, agenda item #25, regarding the Hall of Fame nominees: Annett Effert was on two times, delete one and replace with Len Wahlig, which had been inadvertently omitted. There were no other corrections. Jeanne made a motion that the minutes be accepted with these changes, seconded by George Bickford. Motion carried.

Bob McCabe gave the financial report. He said that our cash position is strong with \$135,000 in the bank (total ACC & Grass Roots monies). He said that the cash will be lowered to about \$120,000 at this time of year because of the cost of awards, but should go back up with income from dues and sanctioning fees. Bob Julian has asked Bob McCabe to prepare reports of ACC and Grass Roots separately, which he has agreed to do. Bob McCabe asked if there were any questions on the results of last year or the budget he has prepared for next year. He asked that someone on the Board make a motion to approve the budget. Cathy moved that the budget be accepted, seconded by Syl. Motion carried with no nays.

Agenda item #6, Annual Reports of Officers:

President DeLynn Colvert reported on executive committee actions from Feb. 2004 through Sept. 2004: Authorized \$300 for Centralia-Chehalis club for Puyallup fair booth/ authorized payment of \$3,780 payment to Josten's for printing 10,000 rule books/ authorized \$350 for trucking new rule books from Visalia, CA to Roseburg, OR, / authorized payment to Larry Hassett for a new high-speed printer to accommodate small card printing (Larry is checking comparable costs now for color vs. b&w and will pay the difference as he wants a color printer)/ authorized flowers for Fred McGibney's funeral/ DeLynn hauled 95 awards to Atlanta GN tournament, saving \$200 in shipping costs.

Executive VP Syl Lulinski wanted to wait until rules committee report to discuss rulebook printing, and had nothing else to report.

VP Policy Larry Hassett distributed his membership secretary's report, which covered rulebook mailing, sending out membership renewals by e-mail, changes in ACC membership and a summary of types of membership. There was discussion about a problem of membership applications taken at tournaments not being sent to him.

Al Lindner mentioned he had not received the 200 rulebooks he ordered, Larry said he had sent them and would look into what had happened.

VP Operations Bob Julian reported that the D & O Policy and the bonding for those who handle the large sums of money had been renewed. He asked Larry to report the cost of sending out the Rulebooks to the Grass Roots clubs, so that it could be recorded as a Grass Roots expense. He talked about ongoing problems between Joan's and Larry's computer programs, and had asked Norm Nikodym to make a study of this. This report will be discussed under agenda item #13. He mentioned that he is still getting the bank statement and the proposed idea of Jeff Shimp auditing the account electronically has not yet materialized.

At this time, Jeff Shimp arrived at the meeting.

Executive Member at Large, George Bickford had nothing to report.

Al Lindner volunteered to handle the election of officers in Joe's absence. Al announced the five nominations received and asked for nominations from the floor, none were received. The voting went as follows:

Nominated for President: DeLynn Colvert, Al made a motion nominations be closed, seconded by Syl, motion carried.

Nominated for Executive VP: Syl Lulinski, George made a motion nominations be closed, seconded by Cathy Perkins, motion carried.

Nominated for VP Policy: Larry Hassett, Al made a motion nominations be closed, seconded by Jeanne, motion carried.

Nominated for VP Operations: Bob Julian, Phyllis made a motion nominations be closed, seconded by Cathy Perkins, motion carried.

Nominated for Member at Large: George Bickford, Sharon made a motion nominations be closed, seconded by Phyllis, motion carried.

Agenda item #8: annual reports of Standing Committee Chairs:

Tournament Rules/George Bickford: George reported that he had received a list of tournament rules & guidelines suggested by the rules committee for his committee to study. He will report on their findings at the February meeting.

Playing Rules/Syl Lulinski: Syl discussed the problem with the rulebook printing. There had been 4 bids, low bidder was given the order, but when the first proof was received by editor David Alken, it was not satisfactory. With time running short, it was decided to give them another try, but again results were unsatisfactory. The contract was terminated and the next lowest bidder was given the order. With these problems causing an approximate six-week delay in receiving the rulebooks, the rules committee decided to make a new deadline of October 1st for mandatory use of them. Syl is sending a list of the significant changes to DeLynn for publishing in Crib World, and to Al Miller for the judges tests. BoD members agreed that the new rulebook was well done, and acknowledged the committee for their work.

Marketing/DeLynn Colvert: Edge TV presented a 3-page contract, DeLynn proposed a simplified contract. He has e-mailed them twice now, but has not received

an answer. Both Syl and Bob Julian talked about the possible problems with the contract Edge TV had offered. Syl brought up the possibility of having an attorney who is an ACC member available for consultation in matters like this. He suggested we discuss this at a future meeting.

Judges/Jeff Shimp: He thought we should authorize a new test because of the new rulebook, and possibly retest all judges. He will talk with Al Miller regarding this.

Grass Roots/Joan Rein: She said that things are going well, and introduced Kristy Haught, the national GR Statistician. The Grass Roots program gave out 638 awards for 28 and 29 hands and grand slams. In addition there were \$10,000 worth of bronze and silver awards. At the GR meeting in February they changed the membership fee from \$4 to \$5, and lowered the fees for the Regional and National tournaments from \$15 to \$11.

Ethics/George Bickford reporting for Joe Bernard: He said that since the last meeting there had been 4 suspensions (3 for 6 months, 1 for 18 months) and 2 letters of warning.

Agenda item #11: Al Lindner reported for Dwight Christiansen about ACC marketing fliers. Al distributed 4 pages of information that Dwight had sent out earlier by e-mail to BoD members. Dwight wanted to get any last minute changes or suggestions because this was going to be printed very soon. After much discussion it was thought that a local number of a grass roots club or individual would be a good idea, so that the space that is on the tear-off could be used for that. Discussion also determined that the ACC toll-free phone number and the ACC Web-site address should stay on the tear-off. Al Lindner made a motion that we accept the flier as presented, seconded by George Bickford, motion carried. Jack Shumate brought up the idea of using business cards to promote the ACC and GR Clubs. Syl suggested he write up a proposal to be presented at a future meeting. Al reiterated that the BoD members must follow through with the distribution of these fliers so that the good work that Dwight has done on this project, and the money voted towards it, not be wasted.

At this time Dave O'neil asked if he could give the update for the GNXXIII tournament. He said that due to the travel problems and related cancellations he could not give an exact count for the main tournament, but thought it was now between 325 and 330. There are 15 players from England participating in the tournament, and 112 players participated in the Thursday night "English rules" tournament. He welcomed everyone and said to come and see him if we had any questions.

Agenda item #10: Bob Milk gave an update on the ACC internet tournaments. He had sent internet tournament updates to all BoD members. He recapped the first internet season (Feb 2004 through July 2004). There were 66 events that attracted over 5000 participants, which meant an average of 75 players per event. There were 259 ACC members who participated and earned 167 Internet Rating Points. The top 10% (17 players) have earned invitations to the Tournament of Champions. He said that there is still a limited amount of tournaments due to a limited amount of tournament directors. They will be adding 2 "member-only" double elimination tournaments per month. He said that he was alerted by a member in July that there is a "hacker program" that allows everything to be seen during a tournament. He said that Microsoft is working on it as it is affecting everything on the Microsoft gaming zone, and that he is in contact with them.

Agenda item #12: Bob Julian reported on the progress of the restructuring committee. There are eight members: George Bickford & Dave Campbell (Eastern Region), Bob Julian & Jeff Shimp (Central Region), Larry Hassett & Jeanne Hofbauer (proposed NW Region), and Herschel Mack and Ron Morgan (proposed SW Region). He has asked for reports from them, and has received several. He stated that this is a very serious proposition and would affect the whole ACC as it now exists. It may seem that the progress by the committee is slow, but he wants to be sure that everything that would be changed, such as the ACC Constitution, be considered before bringing it to the BoD to vote upon.

There are many different ideas for restructuring on the committee, with at least 4 members feeling that there is no need for it at this time. Only one member of the committee would accept Jack Shumate's proposal as he presented it. Bob wants to get all the members together for a meeting, and hoped to do it this weekend and hopes to have a report ready for the February meeting.

Lunch break resume at 12:30 p.m.

Agenda item #13: Bob Julian explained that Norm Nikodym had volunteered to give an analysis of problems that have been ongoing between the ACC Membership and the Grass Roots computer systems. Bob asked Norm to give a brief discussion of his findings. Norm said he was just getting started and had no solid recommendations as of yet. He had reviewed Bob Milk's report and thought it gave some very good recommendations, however they had not been implemented. He thought that a group should be formed to work with the situation and that they can keep in touch by e-mail with updates, etc. The group now consisted of himself, Larry, Joan, Bob Milk, Kristy Haught, DeLynn and Bob Julian.

Bob Julian reminded the BoD that a few years ago, it voted to buy Joan a new system, with the provision that it would be compatible with Larry's system. Bob said that he had not been able to solve the problems between Larry and Joan, and asked them to state what it was that was needed by both of them. There was a lot of discussion between Joan and Larry. Larry said he needed the following on a monthly basis: A list of current GR members that stated their 1st name, last name, ACC #, GR Club #, City and State. Joan said that the GR database would take about 45 minutes to download and would be done at the same time as the stats are pulled for Cribbage World. Then the info that Larry and DeLynn need would be sent on about the 15th of each month. There was also discussion about the GR points on membership cards, with the conclusion that players liked to have the totals shown, even if they are for the past season and not up to date when they get their new cards from Larry. Joan said that she is having trouble with her computer and requested \$600 to be approved so she could buy a new computer box. Sharon made a motion to approve up to \$600 for Joan to make the purchase, seconded by Bob Milk. Motion approved. Larry amended the motion to include up to \$200 for a new monitor, seconded by George Bickford. Motion approved.

Agenda item #14: David O'Neil had already given us an update on GNXXIII. Rollee Heath was not present, but had called Syl and Jeanne with information. The hotel that is closest to the Chinook Winds Casino had been bought out by the Casino, and is now called Chinook Winds Resort. There are three different types of rooms, priced at \$59, \$89 and \$119. Their phone #1-877-423-2241. Sharon added that there is a new Motel 6 with rates of \$39 per night. Syl had more motel info from Rollee: Sea Horse Motel 1-800-662-2101, Surfides 1-800-452-2159, Liberty Inn 1-877-994-1777, Inn at Spanish Head 1-800-452-8127.

The tournament is running Thursday 9/15/05 through Sunday 9/18/05. The BoD meeting will be Friday 9/16/05. There will be a 9 game welcoming tournament on Thursday night, and there has been some discussion of having a mid-week tournament somewhere in the area. Jeanne said that a flier will be available at the February tournament in Reno.

Agenda item #15, Kathy Blough distributed a report on the GAMA convention that she, her husband Jim, and Cathy & Russ Perkins attended as ACC volunteers. The convention attendance was 13,980. She said that the ACC booth was very successful and generated a lot of interest. Both she and Cathy recommended that we continue this association. They both said that it would be better to have at least 2 more volunteers. There were discussions regarding the possible sanctioning of a tournament at the convention, GAMA getting a link to and from our website, Larry giving them coded membership forms. The convention will be held June 30-July 3 in 2005.

Agenda item #16, Bob Milk presented a proposal for the reimbursement for the volunteers that attended the GAMA convention. Discussion followed, BoD members thanked the volunteers and the proposal was referred to the Marketing Committee chaired by DeLynn.

Agenda item #17, Bob Milk presented a proposal for the reimbursement for future volunteers at the GAMA convention. Discussion followed and the proposal was also referred to the Marketing Committee. Al Lindner volunteered to participate at the next convention. Kathy added that GAMA will pay for 4 hotel rooms for 4 days.

Agenda item #18, Herschel Mack was not here to present his proposal, though it had been sent out to BoD members. Joan stated that the GR had 39 "29 Hands" last season, and that this proposal would have added \$3900 to the almost \$11,000 spent on awards, and that award pins have already been given. She said that this would be discussed at the GR Committee meeting this weekend. Syl stated that this proposal will go to the Marketing Committee and asked for comments regarding this and Agenda item 16 and 17's proposals be directed to DeLynn, who will give recommendations at the February meeting.

There was nothing for Agenda item #19.

Next BoD meeting: February 10, 2005 in Reno, Nevada.

Syl moved that the meeting be adjourned seconded by Roy Hofbauer. Meeting adjourned at 1:45 p.m.

Robert Wahlgren Yankee Classic King

Robert Wahlgren, pegging out of North Grafton, MA, took home the Yankee Classic title on November 21. With 108 players in action at the Elks Club in Rockville, CT, Wahlgren took home 147 MRP's, the winner's check, and bragging rights galore. Bruce Hassan (CT) took home 105 MRP's with a 2nd place finish, followed two Life Masters in the 3-4 slot....Frank Corrado (CT) and Bob Drukman (MA). Another Life Master was the top Q player...Dick West (MA) (20 10/12 +120).

58 players stayed for the Consolation and Larry Harmon (CT) zipped to the win, edging Walter Ballou (RI) in the final playoff match. Bob King (CT) and Master Roger Bouchard (CT) finished 3-4. Master Bob Bousquet scored a nice 15 7 +125 card to take Q honors.

Director Phil Martin reported than only Shawn Jordan could score that elusive 28-hand. No 29's showed.

Grand Nationals On Tap

It appears that the American Cribbage Congress is "set" for the next three years relative to the Grand National schedules. In 2005 it is definite that the Grand National will be held September 15-18 in Lincoln city, Oregon (Rollie Heath, director). The 2006 and 2007 Grand Nationals, although not yet confirmed by the Board of Directors, will probably be:

2006: Wisconsin Rapids, WI - Pat Barrett, Director

2007: Portland, ME - David Campbell, Director

The 2006 and 2007 dates are yet to be determined.

Long, Long Odds

On July 18, James Morrow (WA) came home the winner at the inaugural Emerald Valley Open in Springfield, OR. And Dan Marsh took home the Consolation win.

On December 5, The Emerald Valley Open was played for the 2nd time...and James Morrow won the Main Event, and Dan Marsh won the Consolation. A repeat! The odds? Only about 14,000,000 to 1 this would happen. Peg on, your turn to make long odds are coming!

An Online TD's Perspective

This month we take a break from our usual standings and results to bring you this article by Don Ellis, Internet Statistician and frequent host of ACC Internet Cribbage tournaments.

Having been involved with online ACC tournaments since their inception, I am proud of what has happened and the growth we have experienced. Personally, I find online cribbage hosting to be exciting and rewarding. Most players, however, are unaware of what goes on behind the scenes as we TDs go through our duties. My purpose here is to give you some insight into what we are doing while you are playing.

We arrive in the scheduled room one hour and 15 minutes before the scheduled start time. During the first 15 minutes, we are setting our clocks, creating our hosting brackets, double-checking the keyboard macros, taking our last potty break and grabbing the cigarettes, coffee, munchies, and whatever else we will need for the next four hours. One hour before start time, we begin the signup process. We set the *greet* (the alert box you see when you enter the room) and begin running our macros in the lobby identifying where signups are occurring.

As players begin to arrive, we check their nicknames against the Certified Screen Name List (CSNL). This lets us know who is an ACC member and who isn't. Currently, there are over 500 names on this list, and that number grows every month. As we sign up players, we also keep an eye on the lobby to answer questions and run our informational macros. The busiest time for us is the last ten minutes before the tourney starts. This is when we face a rush of "walk-in" players, often a full 7 of the eventual tourney bracket. For each of them, we must go through the process of checking the CSNL, entering their screen name into our brackets and assigning a table for Round One.

Five minutes before the start time, we scroll the rules in the lobby. Once that is done, we sign up the last-minute players, confirm the seating, and hopefully give the *All Start* on time.

While the players are pegging away in we are monitoring the lobby for missing or booted players, notifying latecomers that the tournament has closed, and calculating the number of byes that are required for Round Two (in online tournament play, it is customary to award byes in

the second round, rather than the first round, since we often don't know how many participants we'll have until the last second). We're also running informational messages instructing the winners where to post their results.

As these posts come in, we have to respond to Zone Messages and must occasionally go to an individual tables to resolve a dispute or solve a technical problem. We are doing some serious multitasking! Although we to take care of everyone as soon as we can, our primary goal is accuracy. One wrong move, such as miscounting or assigning byes, and it drastically affects not only brackets but potentially your IRPs. Once all the posts are in, or nearly so, we make our Round Two assignments. Again, we check the tables and try to track down missing players. Once Round Two is underway, the following rounds proceed more quickly, and it is common for some pairs of players to be a round ahead of the rest of the field. As a result, you may have a delay when you advance, especially in the later rounds.

Finally, the last round! The two players who made it to the end have probably been in the room for about 2½ hours, but we TDs are approaching the four hour mark in front of our monitors, frequently without a break. But our work is still not complete. Following the tourney's completion, we must compile our results so credit can be given for IRPs, Pegging Pals points, and notification of tournament winners to MSN Gaming Zone for invitation to their online TOC.

We receive no paycheck for our efforts other than your thanks and the knowledge that we have helped a large number of great people find a little break in their lives to enjoy one of their favorite pursuits. We have guidelines to follow for both the ACC and the Zone, and we do our utmost to give everyone the best service we possibly can. We're not perfect and are going to make our fair share of mistakes. But we wouldn't be here if we didn't enjoy it — and that enjoyment is made possible by each and every one of you!

Hopefully, you've gained a little impression of what goes on "behind the scenes" as you play. FO on behalf of my fellow tournament directors, we thank you for your understanding and patience and — above all — we thank you for playing with us!

GRASS ROOTS CORNER

Items for this column are encouraged and should be sent to TomLewis@Spinn.net or mailed to Tom Lewis, 7916 Eagle Rock Ave. NE, Albuquerque, NM 87122-2753

Rule of the month review:

Scoring when the starter card is a Jack (His Heels) (1) When a Jack is turned up, the dealer is entitled to two points. (2) The dealer may peg out into the game hole by turning a Jack starter card. (3) If the dealer plays a card before pegging the two points, the dealer forfeits them.

Intra-Club Transfers If you are a Grass Roots member of a club and have transferred to another club, please ask the new Club Director to fill out a GR Intra-Club Transfer Form. The new Club Director mails or emails the form to the National Statistician, Regional Statistician and former Club Director. This makes certain your personal records are kept up to date and that your Cribbage World is still sent to you.

The Front Line and the Bottom Line: The **Front Line** is your **Club Director**. That's more than just a title! This is the unpaid volunteer who makes sure your club functions as it should. The Club Director either does all the work or has volunteers who help to make sure everything is done correctly. For those who are not aware, here are some of the things your director or the volunteers do: Make sure that all club members have paid both their ACC and Grass Roots fees; fill out the appropriate forms to support those payments; mail those fees to the ACC Membership Secretary and the GR Regional Statistician; collect the entry fee from each player for every tournament; pay off the players who win prizes; fill out and mail in the award certification forms for anyone who gets a 28, 29 or Grand Slam scorecard, present the awards to members; fill out and mail Intra-Club Transfers for members transferring from other clubs. They keep the Grass Roots website updated by scheduling and entering all tournaments, entering all tournament results & member personal information. They also make sure that their clubs have certified judges plus a myriad of small things like carrying the boards, cards, pens, scoresheets and other equipment back and forth each week. Then of course there is the fun time we all have when there are an

odd number of players. Let's say your director is in the ninth game and has half a dozen players asking whom they should play. This interrupts his game while he makes sure everyone follows the correct rotation. The tables need to be aligned for play and everything set up. After the tournament is done he straightens out the room and dumps the trash.

The Bottom Line? Volunteer to help out wherever your Club Director needs you. If you are computer literate, ask to help enter the weekly scores in the website. Do **anything** you can to help out no matter how small. If you keep an eye on your Club Director you will see that he is constantly busy all during the tournaments. He deserves to concentrate on his game too, so help relieve him of the constant interruptions if you can. He will appreciate the help.

Have you read any stories about your Grass Roots Club in this column? Send me stories about things that happen in your club and you'll be able to read about your members! This column has now been in existence for two years. It is an interesting column because of all the neat stories the Grass Roots clubs send me, so keep them coming!

News from the Crescent City, CA Cribbers, Club 98: Shane Ward received his first ever 29 hand on Oct. 19, 2004 during club play. In addition to being Shane's first 29, this was also the 1st 29 hand by any GR98 member since the club was reinstated 4 years ago. Shane had a chance at a 29 hand one weekend earlier at the Crescent City Open/ACC Tournament, but didn't get the correct cut. When he got his 29 hand during club play, his father (Vernon Ward) was sitting next to him and watched him make the cut.

Discovered! The secret of getting a Grand Slam (GS) Scorecard!! Club 271 in Albuquerque, NM has recently discovered the secret of getting a Grand Slam. A prerequisite to a GS is a String of Pearls! Recently two of the twelve charter members of Club 271 conducted an investigation proving beyond all doubt what the requirements are. **Mel Melliger (NM57)** received a string of pearls

in tournament #3 on October 2nd. After a week off, Tournament #4 was held on October 16th and Mel came through with a GS scorecard. On November 13th in tournament #8, **Tom Lewis (NM 53)** received a string of pearls. The following week during the GRRT he received a GS scorecard. Since the club tested this theory twice, doesn't that prove beyond all doubt how to get a Grand Slam scorecard?

28 Hands are everywhere! In less than three months, **Club 162 in Sacramento** has produced seven 28 hands!

Club 191 in Canby, Oregon: It was first reported that our Club Champion for 2003-2004 was **Donald Smith**. **Wayne Lemke** was actually our Club Champion and the correction was made in Cribbage World. **Wayne had a great night on November 23rd when he got a 29 hand in the weekly tournament.** The best player in our Club last year was neither Donald Smith nor Wayne Lemke. **Syd Murphy** finished with the highest percentage of wins. Several Club Members received National Points with a 12 score and 6 wins. Syd had a 12-point, 6 win scorecard seven weeks during the year but only received National Points 1 week out of the 7. If Syd had received his 12 points for only 3 more of those other 6 weeks, he would have been our Club Champion. Club 191 has several new players this year and they have taken home a good share of the prize money. **Dave Imholt** is currently in first place. Dave was our 2001-2002 Club Champion. Awards this year go to **Betty Nolz** for a 28 hand, **Gordon Rickard** for a 28 hand, and in week 9 **Jim Frazer** recorded a Grand Slam. Many of you know **Ron Krebs** who moved and joined our Club this year. In week 9 he had an 18/8 scorecard but had to settle for 2nd place behind the Grand Slam

At the Tuesday night Oct 26 session of the **Red Bluff Red Hot Peggars**, a 15 game point card, good enough for second place was turned in by **Dick Stone**. The oddity of this card was that all of the 15 points came via skunks. 5 wins and four losses. Of the four losses, one was by a skunk and one by 30. Could this be one for the mathematicians to figure the odds?

News from Club 140 in Sonora, CA: The season started slowly but seems to have picked up as we finished up the first trimester of the season with **Ruth Watson** coming in first followed by Steve Smith and **Noel Manbach**. The cards have also been hot for **Ray McPherson** who came in first in our GRRT and then had a 28 hand the next Tuesday night. Some of you might have seen the add in Cribbage World on page 30 of the September issue under the heading of Cribbage.com offering ACC Cribbage Clubs, Custom Score Card Masters with your Club Name and GR. Number on them. We followed their instructions and received a great mas-

ter scorecard that we will start using as soon as our current stock is gone.

The big winner the week of 11/18 in **Chehalis-Centralia** was **Sue Wheaton** of Olympia. Sue has made quite an impression here over the course of this quarter. In the past three weeks, she has been third, second, and first in that order. What a plan to implement! And she did it this past week with real gusto by scoring 16/7/99. She also scored one of crib's real rarities earlier in the quarter when she collected \$50 as a visitor for holding Royal Anne on an Unlimited Edition. We will see if she cools her jets now that she has achieved the highest level in the group and become the second visitor to score a win in this season. **Buck Nalley** of Chehalis was red hot as he scored 15/6/130. His first five wins were by a whopping 174 spread points. That's nearly an average of 35 per game. Buck is one of the newer members of the Chehalis-Centralia Cribbage Club. We are always thrilled to see such success on the part of a newer club member. **Dick Winslow** nailed down third spot with the best of the 14-gamepoint cards. Dick boosted his lifetime total to 1,136 in Grass Roots play. Dick is a formidable pinochle player as well. He served as president of the pinochle club for a rather lengthy period. He is a generous supporter of our crib club activities too.

Starting with their regular Friday night game on 11/19 and including the Grass Roots Regional on 11/21 through 12/10, Club 110 in Honolulu has become a battleground for second place as Club Director **Fred White** has won 5 in a row amassing 92 points along the way. Though he still trails **Jimmy Kahue** who has 119 thru 15 tourneys, the gap is closing rapidly! There is also a rumor circulating that a new director is being sought!!

Hazel and Walt Score 28's

Hazel Weichseldorfer and **Walt Christenbury** are regulars playing in the Northwest. They motor in by deluxe Lincoln Continentals and add zest to any event. They outdid themselves at the Chinook Winds Open in Lincoln City, OR in December. First, Hazel scored a 28-hand in the Main Event. Walt, not to be outdone, score a 28-hand in the Consolation, as these Tacoma, WA peggers continue to tatoo the boards with gusto!

Sands Helps Youth Events and Remodeling

Sands Regency donates \$500.00 to youth crib-
bage program: The Sands Regency has do-
nated \$500.00 to Dan Zeisler's youth crib-
bage program. The money will be used to
purchase 100 cribbage boards, which will be
distributed to the children attending Dan's
youth tournament in February. His goal is to
send every child attending home with a crib-
bage board.

Sands Regency improvements: A multi-mil-
lion dollar remodel is under way at the Sands
Regency. The casino areas and other public
spaces are being given a fresh new look. New
additions that will be up and running by the
time the ACC Tournament of Champions and
Open tournaments are held in February in-
clude a wedding chapel and a poker room.
