## *154 In Winnemucca* **Bob Julian Wins Again**

Veteran Two-Star Bob Julian (WI) came away the winner of a sanctioned event for the 15th time, as he nailed down the recent Winnemucca (NV) Spring Classic. His last playoff match pitted him vs. LifeMaster (and former Grand National champ) Mike McDaniel (OR) and Julian prevailed for a 3-1 win. The win came with 196 MRP's (plus Q points), \$1,100 and bragging rights galore. Australian Kerry O'Connell and another Two-Star veteran...Jesse Jarrell (CA)...finished 3-4 in this 154-player event. Dean Harvey (CA) took Q honors with a very nice 38 18/22 +279.

Marvin Brodgen (CA) won the 108-player Consolation, nipping Dan Marsh (OR) in the final playoff match. Peggy Scalley (NV) and Life Master Jack Shumate (OR) finished 3-4. Pat Farris (CA) scored a 16 8/9 +92 to take Q honors.

Directors Colvert, Hejtmanek, the Nielsens, Scalley, and Gossett sported a full array of satellites. The winners:

Early Bird: Willie Evans

High Roller: Mike McCammon

Doubles: Kerry O'Connell & Mike Green

Team: Toll, Morgan, Morse, McDaniel, Colvert

All Events: Clair Morse (56, 39 games)

Last Chance: Nancy Rojas

28's: Dorothy Maximov, Nancy Rojas, Zeb Atwood

29: Kent La Rue (ACC's 5th this year)

This event is famous for 100% paybacks plus \$1,000 added from the Winners Casino. Reasonable room rates and sweets and coffee galore three days running also keep peggers coming to this small Nevada gambling town, located on I-80 in north-central Nevada.

The convention center's staff set up twice as many tables as were needed, but director Colvert rubbed his hands in glee, and set one board on each 6-foot table, giving players "elbow room" to spare. This event probably has the record for the most space given per game in the history of sanctioned play. Many players expressed their appreciation for this seating arrangement.

In oddities, Kent La Rue (CA) scored the ACC's 6th 29-hand this cribbage year (see story, this issue), and Paul Hatcher lost a weird 5th deciding game in the playoffs to Kerry O'Connell. Hatcher needed 11 to win the match with first count, held a 4-point hand, while O'Connell was 31 points short dealing with a 3-point hand. To make a long story short, Hatcher tripled a pair of 4's for six, leaving him at worst in the stink hole, dealing the next hand. O'Connell had the 4th four for 12 pegs, pegged her 3-point hand, and flipped a 10-crib for the game and match! Hatcher had discarded a 10-K, cut a 10, and O'Connell had discarded a J-Q. Hatcher was stunned beyond belief.

## Jim Gogolin...Again!

Life Master Jim Gogolin (OR) took home the bacon for the third time at the recent **Oregon Championship**, played at Prineville, OR. This 23rd annual drew 68 players and Gogolin took home 147 MRP's for the win. Perennial winner Frank Ornie (OR) came close, and took home 2nd money, followed by Anita Ertle (OR) and Grand Master Jeanne Jelke (WA) in the 3-4 bracket. Local Troy Ott topped the field in the Q round, scoring a nifty 35 17/22 +201 card to cop the top Q prize.

Co-director Patti Gossett won her 2nd Consolation event within a three-week period, compensating her for her cookie-making skills as she continues rolling on her current hot streak. She nipped Scott Dague (OR) in the final playoff match for the win. Bruce Goff (WA) and Margery Clark (OR) finished 3-4 in this 42-player event.

Director Graeme Gossett fielded a full array of satellites. The winners:

Early Bird: Skip White  
High Rollers: Jim Gogolin  
Doubles: Skip White & Frank Ornie  
Saturday: Ratso Roderick  
No 28's or 29's showed

Gogolin also won the High Rollers, prompting director Gossett to consider re-naming this event the "Jim Gogolin Benefit!"

## Rare Double Flush Cribs

Cres Fernandez (CA) and Steve Harding (CA) had a rarity at the recent Winnemucca Spring Classic. First, Harding played a rare flush in the crib, and the very next deal Fernandez also scored a crib flush hand!

## Kent LaRue Scores 29, Loses

Kent LaRue, pegging out of Crescent City, CA scored the ACC's 6th 29-hand in the 22nd qualifying game at the Winnemucca Spring Classic. Alas, it was not enough, as he lost the game by 20 points. The \$100 paid by the American Cribbage Congress for a sanctioned 29-hand eased his pain a bit. Cribbage fever, catch it, you never know when you will "waste" a 29-hand.

## Harold Buckley Cops St. Patrick's Day

With a full-blown snow storm outside keeping the crowd down certainly did not stop Grand Master Harold Buckley (AB) from winning the recent St. Patrick's Day Classic, played in Edmonton, AB in mid-March. Dwayne Pankiw (AB) very nearly ran the table, qualifying tops (21 10-12 +135) and finishing 2nd in the playoffs. Evelyn Osaka (AB) and Shawn Smith (AB) finished 3-4.

John Weir (SA) took the Consolation title, with Doris Sanders finishing 2nd. Lewis Skidmore (AB) and Don Broughton (AB) finished 3-4. Skidmore also took top Q honors with a 14 7/7 +99 grandslam. No 28's or 29's showed.

## River City Draws 140 Old Pro Jesse Jarrell Wins Again

Life Master Roy Banducci (CA) took home the win in the 80-player Consolation nipping Three-Star Duane Toll (OR) in the final playoff match. Toll's run for the national championship this cribbage year is all but a forgone conclusion, as he zips to the 2,000 MRP mark with 3 month's action remaining. Life Master Herschel Mack (CA) and Dave Stratford (CA) finished 3-4. One-Star Ron Morgan (CA) scored a nifty 178/9 +135 card to take Q honors, but failed to gain ground on Toll. A highlight of this event was the ACC's 5th 29-hand scored for this cribbage year. Barry Rockwell turned the trick in the 22nd game of the Main Event qualifying round, earning \$100 from the ACC for this sanctioned gem.

Director Rojas reported a great success in raising money for charity, with some \$1,515 raised. Roy Boyles donated 11 of his nifty cribbage boards for trophies, and Jerry Montgomery "earned" his entry into next year's action by being the top non-qualifier. In addition, many other perks were awarded to the players. Club President Annett Eiffert celebrated her 45th birthday with a birthday cake...and a "birthday bag!"

## 13-Year Old Zachary Widener Hot!

13-year old Zachary Widener (NC) was hot at the Atlanta (GA) Classic. He was top qualifier twice, and won the Consolation playoffs. Whew!

## John Furler Takes Washington State

Life Master John Furler (OR) throws his hat into the ring in a try for All-American honors this cribbage year by winning the recent Washington State Open, played in Sunnyside, WA. With 86 peggers in action, Furler garnered 147 MRP's and stands at the 900 MRP mark this cribbage year, and is running 9th at press time. Kevin Augustine (BC) smoked the boards in the Q round with a great 38 18/22 +242 card (60 MRP's).

This event had the cream come to the top in both the Main and Consolation, as the ACC's top ranked stars finished high in the playoffs. In the Consolation it was Life Master Todd Malmgren (OR) taking the title, with One-Star Rollie Heath (OR) taking 2nd. Master Erik Locke (OR) and One-Star Roy Hofbauer (WA) finished 3-4. And yet another highly-ranked ACC player took Q honors...Life Master Jack Moritzky (WA).

Saturday: Syd Murphy  
All Events: Bob Page  
Team: Morrow, Hatcher, Furler, Marsh

Morrow also reported a 50-50 raffle, benefitting the Diabetes foundation, raised \$120. In an oddity, Syd Murphy was red hot on Saturday night, winning that event...he came back Sunday for the Consolation and posted a string of pearls 0-9 card. Such is cribbage!

## Geoffrey Dozier Tops March Hawaii

With an all-Hawaiian top-four finish, it was Geoffrey Dozier taking home the marbles in this 23-player event. Mel Vios captured 2nd, with Richard Kodama and Charles Rodgers finishing 3-4. ## Aurora, Coloradans Hot Don Christensen Tops Colorado Winter Open

They know how to play cribbage in Aurora, Colorado as the top four finishers in the recent Colorado Winter Open were from that city. ## **ATTENTION ALL CERTIFIED JUDGES**

Cribbage players are entitled to the fairest, and most professional and impartial interpretation of rules that the American Cribbage Congress can provide. As certified Judges, it is your responsibility to provide these services.

When you make a "Judgemental" decision, when situations that are not covered in the rule book, I am requesting you notify me (Al Miller) with the details. I will then forward the problem to the Rules committee. In this way the rule book can be improved.

Tournament and Grass Root Directors are given the names of certified Judges in a particular region. However, Directors may not know you personally. Let the Director know you are a certified Judge (show the Director your ID card) and available for judging.

Directors make the final selection in the appointment of Judges for any event.

## **RECOMMENDATIONS AND GUIDELINES FOR THE CONDUCT OF JUDGES**

There should be always two (2) Judges making a call.

Regarding the following types of problems always consult with at least one other Judge before making a decision.

- A. Not covered explicitly by the rules and calling for a judgement.
- B. Covered by the rules but involve an obvious deficiency in the rules.
- C. Apparently covered by the rules with differing results.

Only the originally called Judge should interface with the players. The other Judge(s) should be consulted away from the playing area and the original Judge return to deliver the decision.

Avoid making decisions on matters not relating directly to the playing rules (Disqualification of late players and disruptive behavior). These matters should be referred to one of the tournament officials.

Avoid acting as a Judge in decisions involving a relative or close friend.

Always take a rule book with you when called to act as a Judge and always quote and show the applicable rule (s) when giving the decision.

Thank You  
ACC Testing Examiner  
Al Miller

## ***Nobs To Win!***

### **Gene Branson Cops Montana Open**

Gene Branson (MT) came out of semi-retirement to nail down the win at the recent 115-player Montana Open, played in Missoula, MT. It was a nail-biter final match. With the score at 2-2, and the championship on the line, Branson needed but 5 points to win with first count. The best he could hold were two aces and two jacks. He cut an eight, and failed to peg a single point...but he cut nobs to win! Life Master Verne Nielsen (OR) could only look on in disbelief, but his disappointment was eased by taking home the Super Q (\$210) and \$775 second money. Branson qualified 2nd and earned an aggregate 197 MRPs...and \$1,185 in prizes. Life Master Jim Hornbacher (WA) is among the leaders in the annual MRPrace, and he added to his 800+ score with a 3-4 finish. Canadian Gordon Armstrong also finished 3-4. One-Star Roy Hofbauer (WA) had the house buzzing with a great start, having 26 GP's after 12 games, having a shot at the national qualifying record, but cooled a bit down the home stretch and finished with the top Q score of 40 18/22 +134.

Master Keith Blackman (OR) had a weekend to remember as he blistered the boards in three events, taking the High Roller action, the Saturday Night action, and also was the top qualifier in the Consolation, taking home prizes well in excess of four figures. Patti Gossett (OR) zipped to the Consolation win, nipping Canadian Evelyn Osaka in the final playoff match. Hazel Weichseldorfer (WA) and newly-crowned Grand Master Jeanne Jelke (WA) finished 3-4.

Directors DeLynn Colvert and Sharon Hejtmanek fielded a full slate of satellites. The winners:

**Early Bird: Larry Robinson**

**High Roller: Keith Blackman**

**Doubles: Jack & Millie Moritzky**

**Saturday: Keith Blackman**

**Last Chance: Sharon Hejtmanek 17 7/7**

**Team: R. Hofbauer, J. Hofbauer, T. Malmgren,**

**W. Evans, B. Nelson**

**Super Q: Verne Nielsen**

**28's: Keith Forrest (\$25); Lori Misenar (\$25)**

Director Colvert was pleased as punch in getting the Main Event started in a record one minute flat, using a very accurate blind-draw system, and having the cards on the boards without boxes...ready to play!

## **Jeff Raynes Zips to March Madness Win**

With all the North Carolina basketball teams eliminated from the annual March Madness basketball extravaganza, all that was left was a March Madness cribbage event, played in Raleigh in mid-March. And it was Grand Master Jeff Raynes, pegging out of Cary, NC, taking home the marbles in this 72-player event. Clyde Awtrey (GA) took home 2nd, followed by Master Marvin Lewis (VA) and Rita Jewett (NC) in the 3-4 slot. Virginian (and Master) Hugh Berry took Q honors with a nice 34 16/22 +230 card.

Phil Vierela was a long, long way from his Tahuya, WA home, and he zipped to the Consolation win to help pay for his trip. Steve Angier (GA) finished 2nd in this 55-player event. Another pegger from far away was Julien Pomerleau (CA) and he finished in the 3-4 bracket with Jim Hartley (NC). Life Master Doug Page (WI) took Q honors with a 16 7/9 +80 card.

Director Larry Phifer reported the satellites:

Friday: Bill Whiting

Saturday: Tom Smith

Last Chance: Shawn Hudson (the muffin man)

28: Steve Hooker

In an oddity, Phifer reported that Joe Hooker (a junior player) played a practice game at the lunch break and scored that elusive 28-hand. Returning from lunch Steve Hooker (Joe's dad) promptly scored yet another 28-hand...and his counted as a sanctioned gem. Joe's went for naught. In a historical note, Steve is the step-son of the late Hall of Famer Nick Pond...who ran a first-class National Open for many years in Raleigh.

## ***Lighten Up and Be Good Sports***

Recently the American Cribbage Congress has lost four players (MA and MI) because of rudeness from fellow players. Some of the complaints are for slow play, disallowing them to play...and, therefore, losing their membership.

It is a fine line between rudeness and a player who cannot keep up with fellow players, causing an entire table of peggers to play at the slow player's speed. This slow-play has been a thorn in the heels of the ACC since day one. I would suggest we all lighten up and give the slow players time to learn the game and pick up speed, unless, of course, it appears to be a hopeless case.

*DeLynn Colvert, ACC President*

## In Memoriam

### Jim Rein

Chaska, Minnesota

Jim died on March 30 at his home in Chaska. He had long been a mainstay in the operations of the American Cribbage Congress, and a co-director of the Tournament of Champions (Reno), helping his wife Joan. His excellence on the boards is attested to the 7,000 MRP's he rang up in his years of play. He will be sorely missed.

### Maxwell Rosenberg

Agawam, Massachusetts

Maxwell died on March 30 at the age of 80. He loved his cribbage, and he also excelled at making stained glass windows. His many friends and peggers mourn his passing.

### Warren D. Brintnall

Corvallis, Oregon

St. Louis, Missouri

Tom passed away at the age of 76 from complications of several strokes. He was one of the founding members of the American Cribbage Congress in 1979. He was laid to rest with full military honors in St. Louis on April 28. The ACC is indebted to Tom for his help in founding this organization.

### Collin Dale Mette

Sioux Falls, South Dakota

Collin died April 6 at the age of 61. He was a big part of GR 251's cribbage action, as he was the "official" starter with his "Let's get this thing started!" He will be deeply missed by this club...and they may have problems getting started on time with Collin missing.

## James Milkowski Tops Viva Las Vegas III

Local James Milkowski nailed down his first-ever sanctioned win by taking home the bacon at the Viva Las Vegas III event. With 56 players in action, Milkowski garnered 105 MRP's with the win. Grand Master Don Brown (CA) very nearly ran the table, taking Q honors with a 22 10/12 +161 card, and finishing 2nd in the playoffs, netting 115 MRP's for his fine run. Life Master Bernie Nelson (OR) and Director (Grand Master) Cy Madrone (CA) finished 3-4.

Master Pam Pomeroy (CA) took home the win in the 38-player Consolation, edging John Dougherty in the final playoff match. Harold Hubert (CA) and One-Star Ron Morgan (CA) finished 3-4. Darlene Dean (CA) took Q honors, winning 7 of 8 (16 7/8 +115).

Directors Bruce Fein and Cy Madrone reported nary a 28 or 29-hand showed, and reported players were well pleased with the action held at Skinny Dugan's establishment in Las Vegas.

## Weird Round Scored By Bill Campbell

At the recent Tournament of Champions (Reno) Bill Campbell (FL) had a weird round. He won but 3 games of the 14 in the qualifying round, but yet had a plus 75 spread! Feast or famine was the case for sure.

## March 2006 Internet Wrap-up:

Important News: MSN Zone is now enforcing the policy of not permitting the Tournament Directors from adding players after the advertised start time. The room is open 1 hour prior to the start of the tournament; this provides ample time for everyone to sign up. It is not fair to the TDs to wait until the last minute to sign up. At five minutes before the tournament start time, the TD runs the rules. If you are NOT assigned a seat by the start of the rules, you may miss out on the tournament. This is not a rule designed by the ACC or the TDs, but it is a Zone rule. The TDs must abide by the rules of the Zone, the hosting site.

## Club 11 Hot

The Sierra Nevada Grass Roots Club 11 (Reno) had 20 players entered in the recent Winnemucca event. According to Patty Echard, this contingent nailed winners right and left, with member Mike McCammon doing the best. He came home top dog in the High Rollers!

## Playing Cards Lethal

On October 30, 1930, William Kogut was awaiting execution at San Quentin prison. He cheated the executioner with a novel suicide. He tore up playing cards into small bits and stuffed them into a hollow steel leg from his bed, then poured water over the mix, plugging the open end with a broom handle. He then placed this device over a kerosene heater, with his head next to the open end. The water turned to steam, and exploded.

His suicide note read: "Do not blame my death on anyone because I fixed everything myself!"

## Rule of the month review – Starter Card:

After the pone counts their hand and before the dealer begins to count their hand, the pone may remove the pack, leaving the starter card in the approximate area where the pack was. *The suggested place to lay the starter card is on the top of the cribbage board.* The starter card may not be mixed with either hand or with the crib.

**End of the GR Season!** Well, here we are again at the end of another Grass Roots season. It's gone by really fast hasn't it! **Club Directors & Club Statisticians** should take the following actions prior to the end of May: Make sure everyone on your Club roster that is listed as a **Member** has paid both their ACC and GR fees. If you have players who have earned GR points this season, they will lose those points if their fees have not been paid by the end of the 05-06 GR season. Do you have players on your roster who have not, or will not play by 5/31/06? If so, bring up that player's record and click on **Remove**. Make sure you have submitted award certifications to your Regional Statistician for all players (members and visitors) who have played in your club and scored a 28 or 29 hand or a Grand Slam scorecard.

## Of special interest to Grass Roots Club

**Members** Most ACC members are aware that the ACC Board of Directors (BoD) meets twice a year to formulate policy and procedure for the ACC. These meetings take place during the February JPW/ACC weekend in Reno, NV and again in September when and where the Grand Nationals are held. Did you know that the Grass Roots **Board of Volunteers (BoV)** also conducts meetings on those same weekends? The Grass Roots BoV is made up of the GR National Commissioner, Statistician, Secretary, Tournament Director, Club Directory Chairman, Grass Roots Regional Commissioners, Statisticians, Awards Chairman and Awards Procurement folks. Anyone is welcome to attend these meetings and participate in the

discussions. If you have a Grass Roots item you would like to have discussed, prepare it, as you would like it to read. Send it to Valerie Sumner at [vgsumner@charter.net](mailto:vgsumner@charter.net). Agenda items should reach Valerie by the first week of January or August.

**Check your standings!** This Grass Roots website does not require any specialized computer skills and any ACC member may log on to [www.accgrassroots.org](http://www.accgrassroots.org) and click on **Members-Only**. Enter your seven-character ACC number. (Ex: OR00001) The Grass Roots website knows you and will personally greet you when you log on! Click on **Go to Member Center**. Click on **Member Statistics** to see how you are doing in your Club, Division or Region. Click on any of the other tabs on the left for a wealth of information such as club locations, Grass Roots Commissioners or to review the rules. **Grass Roots Policies and Procedures** are available and may be printed out. *New members will need to wait until after the monthly update following becoming a member - same for returning members.*

Under the Grass Roots Rating Point System, Grass Roots members are nationally recognized for both current year and cumulative lifetime achievement. Grass Roots members are **eligible** to earn 28-Hand, 29-Hand and Grand Slam Awards while playing as a **Member** in their own club or as a **Visitor** in another club. Players must have a current ACC and Grass Roots membership. **Members and Visitors** are players who belong to any Grass Roots club and whose fees have been paid. **Guests** are anyone who has not paid both their ACC and GR fees. Guests are not eligible for Grass Roots awards.

**Good news and Bad news!** Ray Kranz (NM 68) playing out of Club 271 in Albuquerque, NM had good news on April 15<sup>th</sup> attaining a 20/8/+245 scorecard. The bad news happened the same day. Because the Sandia Peggers are a Division #2 GR club, they only play 24 nine game tournaments and April 15<sup>th</sup> happened to be one of the unofficial days. Ray says it was one of the best scorecards he has ever had!

**Two 16 hands and a 17 Crib occurred in the same hand but were never counted!** In March 2006, Vern Mierkey and his opponent playing out of **Club 190 in Auburn, CA** had an interesting session. Vern was the dealer and needed 29 holes to go out and his opponent needed 13. Vern dealt himself A-A-2-2-5-5 and tossed the 5s in his crib. His opponent was dealt A-A-2-2-4-5 and tossed the 4-5 in the crib. The starter card was a 3!! After the smoke had cleared, Vern had scored double- pairs-royal twice in the same hand and pegged out leaving his opponent stranded in the dead hole! Vern started playing cribbage 76 years ago. This is his first Grass Roots season and as of this publication, he is in second place in his club of 26 members. *Pegging 29 holes in a single hand must be a record! Does anyone know of anything higher? Pegging only.....Tom*

**Club 48 in Santa Clara, CA** just had another interesting occurrence along with **Roger King's Grand Slam "drought"** finally being ended after 14 years with a beautiful 20/9/+220 card! Some things are worth waiting for, although I am sure he would have preferred getting this a long time ago! Club member **Major Pursley (CA3500)** is probably feeling "majorly" snake bit. In a very rare occurrence, he has been the victim of the 4th tiebreaker two weeks in a row. Last week (27) he "tied" for 1st place with a 14/6/+30 card with Roger King. But alas, his "plus" points were less than Roger's and therefore came in 2nd place and won \$25 club pool instead of \$50. This week (28) he "tied" for 5th place with a 12/6/+50 with **Lee Stillman**. But Lee had more "plus" points and therefore won \$5 for 5th place, leaving Major out of the money. That's cribbage for you!

**Jim Crawford Club 48 Statistician**

**New Club #327 in Sylva, NC** had its first meeting 3/16/06 and had six players present. All look forward to obtaining Grass Roots membership. It was a success for the first meeting, and we hope anyone who is in the Western North Carolina area for a visit, comes in and plays. The club can be found on the ACC website. We look for more players in the future. **Ken Lee Sylva NC 28779. Tel: 828-508-5265**

**The High Noon Grass Roots club #328** successfully launched their first official games

on March 11th, 2006 at the **Bradenton Eagles Club**. We really appreciate the Eagles hospita in letting us play at their club. **Paul Griffin** visiting snowbird from Cape Cod won and **Geor Humbert**, who just joined ACC league, placed second. During play George had two 24 hands the same game and just barely eked out a v despite the 48 points. Three people had a flush the crib. Great interest is being shown in the tire area and we anticipate that 15 will be smallest number of players we will ever ha High Noon plans to begin play promptly at 12 noon every Saturday at the Eagles.

After a two-week absence to visit his ailing mother, **Club 144 Director Wally Wheeler** returned April 10th to capture first place in the weekly tournament with sixteen points, enough to earn **Silver Award**. Now, all the members have to do is convince him to attend the Grand National accept his award.

**The Chehalis-Centralia Cribbage Club** will promote organized cribbage at the **Southwest Washington Fair** from August 15-20. There are many ways you can help. We need to raise \$6 to cover costs of space rent, insurance, entry tickets, etc. Support our weekly 50/50 drawing. Last week's ticket sales totaled \$56 of which **M Murphy** of the Lacey Peggers won \$28. The remainder has been entered in the ledger as "finances". Of course, we can benefit from individual or business sponsors. Count on offering some time to play cribbage at the "Friendly Fair". We can utilize volunteer help to set up booth and to remove from premises. A schedule will be available at our weekly club sessions after mid-June. You can record your name and the dates and how you can participate. Let us know soon what you can do to assist in this effort. Hope you can find way to assist with the world's largest cribbage exhibit and promotion at the **Puyallup Fair** September too. More on this great event later when we get the full details from Fair Coordinator **C Brandsma**.

A short story from **Club 317 of Puyallup River Peggers** (Puyallup Wash.). Club 317 is celebrating its first anniversary. In its first year of playing, the club has had many peggers celebrate with 28's or 29 hands, plus some grand slam activity. The club is now playing out of the local **Eagles Lodge** in Puyallup and enjoying the company of many guests from the different clubs in the area. Thank you for your support. Submitted by **D Zeutschel** club 317 statistician.

The race for **Club 205** Champion at the **Redding Peggers** is coming down to the wire. Just six weeks ago **Ian Wilson** and **Larry Williams** were tied with 111 Grass Roots points with three others within shooting distance. **Richard Lowrey** had 99, **Janice White** had 85, and **Norm Leavell** had 80. Now, the final game of the tournament year will determine who the champion really is and who wins the \$100 toward attending the Tournament of Champions in 2007. This new club has had a lot of fun this year and members have learned how skill (some call it luck) plays a big factor in winning.

**It's time for Grass Roots cribbage in the Wilmington, NC area.** (by *Ray Iartue*) Retiring to North Carolina provided opportunity to satisfy my golf addiction but left lots of spare time evenings. I play poker Wednesday nights with a neighborhood group, but I wanted to play a more cerebral card game too. I was exposed to **Grass Roots cribbage** in Connecticut when I joined my son-in-law as a playing guest at their Monday night matches. While I've played cribbage off-and-on since the early '60s, I never played under tournament conditions. I loved it! Back in southeastern North Carolina, I searched the web for Grass Roots clubs. There are five in North Carolina, but none nearby. So, I decided to find some fellow cribbage enthusiasts and start a local club. So far, I've advertised within my neighborhood community, been interviewed and photographed for a soon-to-be published piece in Wilmington's newspaper, the *Star News*, placed ads copied from material provided by ACC in the local YMCA and supermarkets, and created a web site ([www.wilmingtoncribbage.com](http://www.wilmingtoncribbage.com)) which is referenced in the newspaper piece as well as the supermarket ads. If all goes according to Hoyle (or should I say Sir John Suckling) we will have a local grass roots cribbage club in the Wilmington area within 2-3 months. Can't wait!

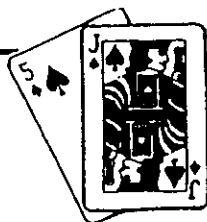

Last month we had a story about the **Hot Players in the Muskegon, MI Cribbage Club # 229** having a run on Grand Slam scorecards. They are still hot! They now have had a run on 28 hands, attaining seven in eight weeks! **Bill VanDonkelaar** (MI01046) and **Dick DePouw** (MI00743) on 2/13/06. VanDonkelaar MI01046 and **Larry Mayette** (MI00745) on 3/6/06. Then a new member **Jamie Donat** on 3/20/06. **Gary Dunham** MI00849 and **Dave Kenniston** (MI 1100) on 3/27/06. Their skunk pot is in the red because there is a ten-dollar minimum. **Dan Betz**, club director.

**Club 156 news:** On March 29th **Debbie "The** got a 28 hand to come from way back too slay another giant of cribbage **Jack Moritzky**. She also got half the 28-29 pot for a nice \$220, and by beating Jack. She was the high card for the night Jack not to be out done, a week later April 5own. Again half the pot \$113 this time around.

**News from Club 191 in Canby, OR:** **Jake Taasevigen** jumped into first place March 21 for the first time this year. He increased his lead on April 11 in his quest to become Club Champion and possibly reach the 1,000 Grass Roots point level for his Bronze Award. **Frank Schoenborn** and **Betty Nolz** are in first and second place in the "Batting Average" standings. **Stan Wilson** is King of the 24 Pot with the most money won this year. **Syd Murphy** played as a visitor in Club 28's National Tournament recently and scored a 29 Hand. Due to the efforts of our members in bringing new players to our weekly tournaments, our membership has grown to almost 30 and our average weekly attendance has increased almost 50% over last year. With 18 players in Week 30, we had a very rare occurrence. Three people had scorecards with 9 points, 4 wins, and -39 spread points. No, they did not have the same plus points, but this must have been a rare occurrence for only 18 players.
