Yes, you must be an ACC member (in good standing) to play in this tournament. If your membership has lapsed, or if you are new, it's easy to renew/join!

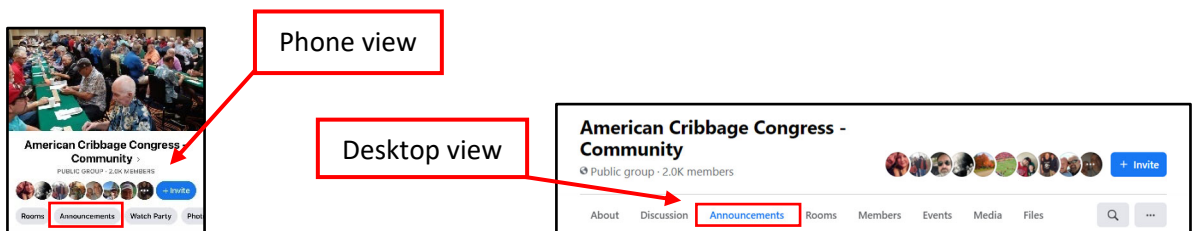

Please mail membership renewals (or new ones) To: David Aiken, PO Box 313, Ada, MI 49301 along with your application. Check or money order only, no online payment methods available at this time. Scroll to the bottom of these FAQs for a copy of the membership form.

### 5. Where is the bracket?

The bracket is NOT on eCribbage. It is on Challonge. You can find it under *Announcements* on ACC's Facebook page. Not on Facebook? No problem! ## 6. How do I contact my opponent?

Most of the players are on Facebook. You can simply reach out to your opponent via Facebook Messenger. You do not have to be friends to message on there.

Once the name appears, click message.

There are some players that do not have Facebook. We will be sending an email to both players notifying each other of the email addresses in order to communicate.

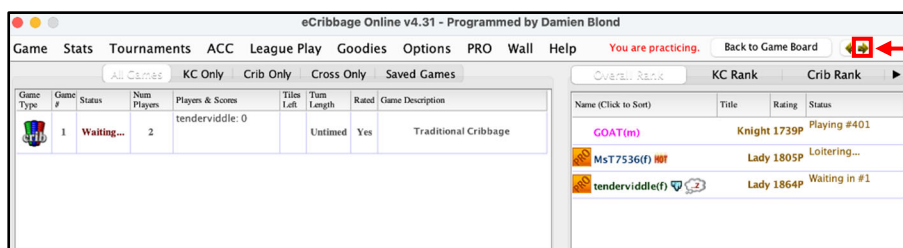

## 7. Who sets the table and how should it be set?

The player above within the bracket will be the one to set the table. See example below.

If you are having any trouble launching the game, please report your problem to: [support@ecribbage.com](mailto:support@ecribbage.com)

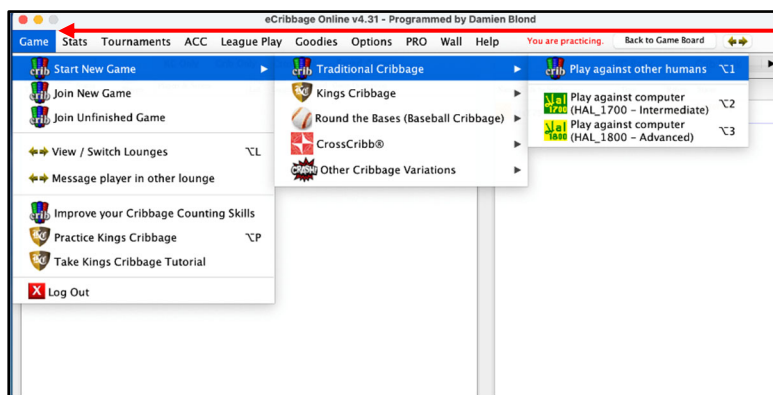

Click onto the arrow on the right.

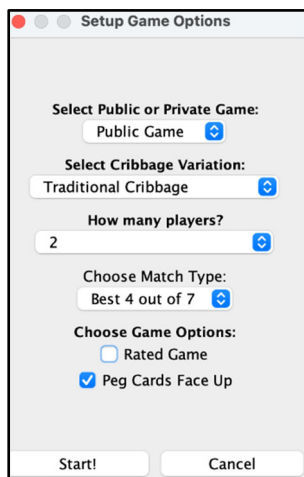

Click onto the arrow on the right until you reach either ACC 1 or ACC 2 room. Doesn't matter which one you play in. You and your opponent can decide prior to playing.

Click onto the *Enter This Lounge* button.

Click onto *Game* in upper left. Select the following:  
*Start New Game > Traditional Cribbage > Play against other humans.*

Settings must match as shown. After you select Best 4 out of 7, a window will ask you about who gets the deal. You must select *Loser gets the deal*.

### 8. What are the prizes?

The prizes will be announced later. Stay tuned! I can tell you that prizes will be awarded to the top four players. Plus, all ACC online tournaments played between February 8<sup>th</sup> – February 12<sup>th</sup> are prize tournaments!

### 9. What is the start day/time?

January 10<sup>th</sup> is the earliest day you can start playing your first opponent. Everyone will not be playing at the exact day/time like the regular ACC tournaments. You will need to schedule with your opponent when the best-of-7 can be played in that week timeframe. It is important to note that if it is a week with TWO rounds, schedule the first round as soon as possible. That way there is still a fair amount of days/times to schedule your second round.

Most of the rounds are one per week. It will depend on how many players are in the tournament.
