

## **To remove the Blue from your GameColony account**

- 1) Log into GameColony site <http://www.gamecolony.com>
- 2) On the left side you should see “manage account”
  - a. If not, then you didn’t respond to the verification email gamecolony sent you.
    - i. If it has been deleted, use contact us: give them your game name and email address and request gamecolony sent you another verification email.
- 3) Click on “cash-out tickets”
  - a. If you have a lot of money on the account, GameColony told be it could be weeks before the refund will occur (paying back the way you paid in, paypal, credit card, bank account).
