Dear Tournament Director:

Any tournament director who wishes to conduct a cribbage tournament sanctioned by the American Cribbage Congress is required to complete the "Sanctioning Request Form". This form is available on the ACC Web Site. You need to contact the appropriate Commissioner about plans regarding your tournament. When you have both agreed on your plans, you can fill out the form and return it to the Commissioner. You will also need to send him a copy of your flier to approve. A tournament held the previous season will have priority for that same weekend the next season.

When your tournament has been approved, the Commissioner will send the Editor of ***Cribbage World*** a copy of the request form for publication in the "Tournament Trail". You can also have your flier printed in ***Cribbage World*** for a fee, and/or have it put on the ACC Website for free, by contacting the ACC Webmaster. You must have both your tournament and flier approved by the commissioner **before** your flier can be posted.

You must fill out a "Sanctioned Tournament Report" after your tournament, and send it to your Commissioner within 14 days. These forms are also available on the ACC Website. The ACC will provide you with a large, colorful banner proclaiming that your tournament is sanctioned by the American Cribbage Congress, for display at your tournament. The ACC can also provide scorecards and bracket sheets. Contact your Commissioner for these items.

If you have any questions, please contact your Commissioner.

Sincerely,

Rick, Pat & Mark
