Players will be ranked from high to low according to lifetime MRPs (as of January 10, 2019) and then grouped at tables according to their ranking. This tourney is a great way to introduce new players to tournament play, as they will not face the top players in the qualifying round.

- ❁ No surprise walk-ins accepted; if you cannot register by January 29, call 616.401.8311 to inform directors of your intent to play.
 - ❁ We will have as many 14-player tables as attendance allows. **Random** seating within each table.
 - ❁ The top 25% of scorecards from the entire field will qualify for playoffs.
- ❁ Q-pool is 100% equal payout, but with a double share to the top three qualifiers.
 - ❁ Muggins will not be played.
 - ❁ Entry fee includes lunch.
 - ❁ A bartender will be in the playing room starting around noon, but drinks are also available in the lounge. **No outside alcohol.**
