DOORS WILL OPEN 1 HOUR EARLY TO ADHERE TO SOCIAL DISTANCING GUIDELINES PLEASE ARRIVE EARLY

UPDATE TO TOURNAMENT SAFETY REQUIREMENTS EFFECTIVE IMMEDIATELY

Social distancing ourselves from loved ones and acquaintances alike has become our new normal in a matter of months. Until the COVID-19 pandemic is under control, hugging our old friends, exchanging a handshake with a new one, or even traveling can create risks for you and those you interact with. It can feel jarring—suddenly, these instinctive behaviors we've practiced since infancy are now dangerous. In order to keep everyone safe and healthy at the tournament and in light of new guidelines implemented by the Panhandle Health District for Kootenai County, Idaho, the following requirements will be strictly adhered to

- ***By Order of the Board of Health, Panhandle Health District, State of Idaho declares that every person in Kootenai County is required to wear a face covering that completely covers the person's nose and mouth when the person is in a public place.*** Therefore, masks are required at all times while attending the tournament. NO EXCEPTIONS. We will provide disposable masks at the tournament for those of you who do not have one to wear. Masks are allowed off for drinking and eating only and must be immediately replaced after eating or drinking. Face shields may be used as a supplement, but not in place of, a face mask.
- Players exhibiting signs or symptoms of illness (flu-like symptoms) will not be allowed to participate and a refund issued for event(s). Signs and symptoms include, but not limited to: excessive cough, runny nose, sneezing. Temperature in excess of 100. (Touchless thermometers will be used at entrance) A second reading with a second thermometer, several minutes after the first reading will be used to for a final determination.
- Social distancing between matches of at least 6 feet. Horizontally.
- Personal pegs must be used. If you do not have your own set of pegs, we will issue you a set upon entrance to the tournament. Metallic pegs returned and cleaned in bleach solution at end of day, dried and packaged for next day use. Pegs move with the player. No pegs left on boards after match.
- Pen issued to each player for the day for scorecard use.
- SortKwik wax will be issued to discourage licking of fingers during or between play. Licking of fingers is strictly prohibited. You must utilize SortKwik wax or moisture from a glass.
- Every 5 games, complete sanitation of surrounding area at each board and table. Wiping down of board, table, chairs using bleach disinfectant wipes. Cards used one day will not be used again until at least 24 hours.
- Hand sanitizer dispensers will be provided at all tables and Entrances/Exits/restrooms to Encourage alcohol/hand sanitizing or washing of hands after each match.
- Registration does include a meal, however if the facility is not able to prepare and serve the meal due to regulations, the cost of meal will be reimbursed and a longer lunch break will be given to accommodate.
- Complaining, or non-compliance will result in refund and non-participation of the event if the event has not yet started.

Safety Comes First - We're all feeling overwhelmed, so maintaining these kinds of boundaries is important—and so is supporting each other. The bottom line is this: It's each of our responsibilities to protect the health of ourselves, our family, friends, and those living in our community. If you are not feeling well, if you have a compromised immune system, or if you feel you cannot adhere to the above guidelines, then you should probably not attend. There will be a time when these restrictions will not be so tight, and we can all enjoy that handshake or hug. **As Dale Evans said, "It's the way you ride the trail that counts"**. Until then, be well.
