*Safety Comes First*

It is each of our responsibilities to protect the health of our family, friends and those living in our communities, not to mention ourselves. In order to have a safe tournament, we are asking that all participants, while playing, adhere to state, local and tribal guidelines.

As of February 23, 2021, Idaho is in Stage 3 of Reopening statewide. The state will remain in Stage 3 until all health and safety criteria and requirements addressed in protocols are met. For more information on Idaho's Stages, visit <https://rebound.idaho.gov/stages-of-reopening>

The Coeur d'Alene Casino was one of the first casinos in the USA to re-open after COVID-19 closures and they have set the standards for safety measures, which many other casinos nationwide have followed. Play and stay with peace of mind. There are a limited number of rooms available so please make your reservations early and use Code 6837 when reserving your accommodations.
