

The screenshot shows the GameColony.com website. At the top, there is a navigation bar with a search box for "Player Name" and "Password", and a "SIGN IN" button. Below this, a banner displays "Games of Skill and Multiplayer Tournaments" and "Mobile Games for iPhone, iPad, Android". A statistics box shows "Players online: 744" and "Total prizes won: over \$1,000,000". A list of games includes "Play Gin Rummy, Backgammon, Cribbage, Dominoes, Pyramids, Poker-Rush, Mahjong, Solitaire".

The main content area is divided into three sections:

- MULTI-PLAYER GAMES OF SKILL:** Includes icons for Backgammon, Mahjong, Cribbage, Domino, and Gin Rummy.
- ARCADE GAMES OF SKILL:** Includes icons for Lines, Mahjong, Poker Rush, Pyramids, Rush-21, and Solitaire.
- MORE GAMES OF SKILL:** Includes icons for Canasta, Chess, Pool, Aqua-Rush, BuckMan, Darts, Pharaoh's, and Pyramid-13.

On the right side, there is a "Meet our players" section with a list of player avatars and names: win4lifexx, Rockopio, sean1b, BaBs318, Lana77, mij_jawson, and wwwcameron. Below this is a "more players >" link.

At the bottom of the website, there are links for "Download on the App Store" and "GET IT ON Google play", and social media icons for Facebook, Twitter, and YouTube.
